LEGISLATION

Allocation of Administration of Acts

The Cabinet Office, Sydney
23 May 2001

ALLOCATION OF THE ADMINISTRATION OF ACTS

Her Excellency the Governor, with the advice of the Executive Council, has approved of the administration of the Acts set out in the attached schedule being vested in the Ministers indicated against each respectively, subject to the administration of any such Act, to the extent that it directly amends another Act, being vested in the Minister administering the other Act or the relevant portion of it.

These arrangements are in substitution for those in operation before the date of this notice.

Regulations

Disorderly Houses Regulation 2001

under the

Disorderly Houses Act 1943

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Disorderly Houses Act 1943*.

BOB DEBUS, M.P.,
Attorney General

Explanatory note

The object of this Regulation is to replace, without substantial amendment, the *Disorderly Houses Regulation 1995*. That Regulation will be repealed on 1 September 2001 under section 10 (2) of the *Subordinate Legislation Act 1989*.

Section 17 of the *Disorderly Houses Act 1943* enables a council of a local government area to apply to the Land and Environment Court for an order that the owner or occupier of premises in the area that are being used as a brothel is not to use (or allow the use of) the premises concerned for that purpose. The section also enables the making of regulations prescribing the appropriate authorities to make such applications in relation to premises on land that is not in a local government area.

This Regulation prescribes the Lord Howe Island Board for the purpose of making those applications for premises situated on Lord Howe Island and the Western Lands Commissioner for the purpose of making those applications for premises situated in any part of the Western Division of New South Wales that is not in a local government area.

This Regulation is made under the *Disorderly Houses Act 1943* and, in particular, under section 17 (6) and section 19 (the general regulation-making power).

This Regulation comprises or relates to matters of a machinery nature.

Clause 1 Disorderly Houses Regulation 2001

Disorderly Houses Regulation 2001

1 Name of Regulation

This Regulation is the *Disorderly Houses Regulation 2001*.

2 Commencement

This Regulation commences on 1 September 2001.

Note. This Regulation replaces the *Disorderly Houses Regulation 1995* which is repealed on 1 September 2001 under section 10 (2) of the *Subordinate Legislation Act 1989*.

3 Definition

In this Regulation:

the Act means the *Disorderly Houses Act 1943*.

4 Notes

The explanatory note and notes in the text of this Regulation do not form part of this Regulation.

5 Prescribed authorities

For the purposes of section 17 (6) of the Act:

- (a) the Lord Howe Island Board is the prescribed authority in relation to Lord Howe Island, and
- (b) the Western Lands Commissioner is the prescribed authority in relation to such part of the land in the Western Division of the State as is not in a local government area.

6 Saving

Any act, matter or thing that had effect under the *Disorderly Houses Regulation 1995* immediately before the repeal of that Regulation is taken to have effect under this Regulation.

Electricity Supply (Country Energy) Regulation 2001

under the

Electricity Supply Act 1995

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Electricity Supply Act 1995*.

KIM YEADON, M.P.,
Minister for Energy

Explanatory note

The objects of this Regulation are:

- (a) to vary the boundaries of the distribution district of Country Energy (formerly NorthPower) so as to include the distribution districts of Great Southern Energy and Advance Energy, and
- (b) to make savings and transitional provisions consequent on that variation.

This Regulation is made under the *Electricity Supply Act 1995*, including section 106 (the general power to make regulations) and section 84.

SUBORDINATE LEGISLATION ACT 1989

Agricultural Industry Services (Nursery Industry Services Committee) Regulation 2001

NOTICE is given in accordance with section 5 of the *Subordinate Legislation Act 1989* of the intention to make a statutory rule under the *Agricultural Industry Services Act 1998*.

The object of the proposed statutory rule is to establish the New South Wales Nursery Industry Services Committee as an agricultural industry services committee.

The Committee is to be established for growers of nursery stock, other than those that grow nursery stock only in small-scale nurseries and those that are charitable organisations, throughout the whole of New South Wales.

The agricultural industry services for which the Committee is proposed to be constituted are as follows:

- (a) to support research into the development of schemes and techniques for production efficiency, environmental protection and business management in relation to the growing of nursery stock,
- (b) to encourage the adoption of such schemes and techniques by growers of nursery stock,
- (c) to provide education and training for growers of nursery stock in relation to the implementation of such schemes and techniques, and into other matters relating to the growing of nursery stock.

ANDREW REFSHAUGE, M.P.,
Minister for Urban Affairs and Planning

Clause 1 Singleton Local Environmental Plan 1996 (Amendment No 13)

Singleton Local Environmental Plan 1996 (Amendment No 13)

1 Name of plan

This plan is *Singleton Local Environmental Plan 1996 (Amendment No 13)*.

2 Aim of plan

The aim of this plan is to amend *Singleton Local Environmental Plan 1996* so as:

- (a) to permit, with the consent of Singleton Shire Council, development for the purpose of tourist facilities to be carried out on land within Zone No 6 (b) (Private Open Space and Recreation Zone) under that plan, and
- (b) to require the consent of that Council for the construction and use of roads for a private purpose on land within the local government area of Singleton.

3 Land to which plan applies

- (1) In respect of the objective set out in clause 2 (a), this plan applies to all land situated within Zone No 6 (b) under *Singleton Local Environmental Plan 1996*.
- (2) In respect of the objective set out in clause 2 (b), this plan applies to all land within the local government area of Singleton.

4 Amendment of Singleton Local Environmental Plan 1996

CHARITABLE TRUSTS ACT 1993

Order under Section 12
 Cy-pres Scheme relating to
 The Australian Society for the Needy and Poor

IN August 1999, a number of people undertook various fundraising events to raise money to meet the cost of open heart surgery for Krishant Sharma, a nine month old baby from Fiji. A total of \$17,262.85 was raised and the operation, performed by the Children's Hospital at Westmead, cost \$13,275.20, leaving a surplus of \$3,605.08, which is currently held in an account in the name of the Society.

Medical reports have been received from the Fijian medical practitioners who manage Krishant Sharma's ongoing care confirming that he suffers ongoing health problems. A report from the Children's Hospital at Westmead also states that Krishant may suffer long term lung damage and other associated problems arising from the condition of Down's Syndrome which he also suffers.

The funds held by the Australian Society for the Needy and Poor can no longer be used for their original purpose and may therefore be applied cy-pres to another similar purpose under the Charitable Trusts Act 1993. As the funds were originally raised in order to pay for Krishant Sharma's operation costs, the use of the balance of the funds to pay for his ongoing medical expenses is consistent with the original charitable purpose.

I have formed the view that the funds raised by the Australian Society for the Needy and Poor were raised for

charitable purposes and have approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12(1)(a) of the Charitable Trusts Act 1993 to allow the balance of the funds to be applied to the ongoing medical needs of Krishant Sharma.

Therefore, pursuant to section 12 of the Charitable Trusts Act, I hereby order that the balance of funds held by the Australian Society for the Needy and Poor following the operation on Krishant Sharma be applied cy-pres to the ongoing medical needs of Krishant Sharma in Fiji, such order to take effect twenty-one (21) days after its publication in the Government Gazette, in accordance with section 16(2) of the Charitable Trusts Act.

Date of Order: 9 May 2001.

M. G. SEXTON, SC,
Solicitor General
Under delegation from the Attorney General

CHARITABLE TRUSTS ACT 1993

Notice under Section 15

Proposed Cy-pres Scheme relating to
The Estate of The Late Edna Easter Hyland Rockwood

THE deceased, Edna Easter Hyland Rockwood, died on 27 February 1986. In her will made on 23 January 1985, for which probate was granted on 29 July 1986, the following provision was made:

'I GIVE DEVISE AND BEQUEATH all of the rest and residue of my property located outside the Kingdom of Thailand at the time of my death...to be used for the obtaining, training, maintaining and care, including veterinary treatment, of seeing eye dogs for blind, destitute residents of Australia...'

This expression of a general charitable intention is the basis of an application for a cy-pres scheme. No specific beneficiary has been nominated, but the Guide Dog Association of New South Wales and Australian Capital Territory has been identified by the executor of the estate of the testatrix's late executor as a potential beneficiary.

The Solicitor General, under delegation from the Attorney General in and for the State of New South Wales, has formed the view that the general charitable intention expressed in the testatrix's will creates a trust for charitable purposes, and has approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12(1)(a) of the Charitable Trusts Act 1993. The scheme is to be applied to give effect to the intention as a gift to the Guide Dog Association of New South Wales and Australian Capital Territory, 5 Northcliffe Street, Milsons Point NSW 2061.

Take note that within one month after the publication of this notice any person may make representations or suggestions to the Attorney General in respect of the proposed scheme.

A copy of the proposed scheme may be inspected, by appointment, during business hours at Level 9, Goodsell Building, 8-12 Chifley Square, Sydney. Please telephone 9228-7883 for an appointment.

W. GRANT,
Deputy Director General
Attorney General's Department

CHARITABLE TRUSTS ACT 1993

Notice under Section 15

Proposed Cy-pres Scheme relating to
The Estate of The Late Ivy Violet Kemp.

THE deceased, Ivy Violet Kemp, died on 7 November 1999. In her will dated 4 December 1989 for which probate was granted on 11 February 2000, after giving a number of small legacies, she gave the rest and residue of her estate "for division equally between the following charities":

- (a) Coffs Harbour Legacy Club Incorporated.
- (b) The Guide Dog Association for the Blind NSW
- (c) Yalbillunga Sub-Normal Children's Association- Coffs Harbour Branch
- (d) Far West Children's Home
- (e) ME Foundation for Research-Charity NO CC25022
- (f) St John's Church of England, Coffs Harbour
- (g) The Heart Foundation of NSW
- (h) The Arthritis Foundation of Australia

The "Yalbillunga Sub-Normal Children's Association-Coffs Harbour Branch" named in the will has never existed, but an organisation known as the "Sub-Normal Children's Welfare Association- Coffs Harbour" existed until 1984 and used the name "Yalbillunga" as a common name for its activities. As part of its services, the Sub-Normal Children's Welfare Association-Coffs Harbour ran a sheltered workshop service for physically and mentally disabled adults. In 1989, this sheltered workshop was taken over by Coffs Harbour Challenge Inc and it is therefore considered appropriate that the bequest be directed to the Coffs Harbour Challenge Inc.

The Solicitor General, under delegation from the Attorney General in and for the State of New South Wales, has formed the view that that the gift to Yalbillunga Sub-Normal Children's Association-Coffs Harbour Branch (a non-existent entity) in the testatrix's will is a gift for charitable purposes and has approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12(1)(a) of the Charitable Trusts Act 1993 to give effect to a gift to Coffs Harbour Challenge Inc. in accordance with the terms of the testatrix's will.

Take note that within one month after the publication of this notice any person may make representations or suggestions to the Attorney General in respect of the proposed scheme.

A copy of the proposed scheme may be inspected, by appointment, during business hours at Level 9, Goodsell Building, 8-12 Chifley Square, Sydney. Please telephone Helen Taranto on 9228-8088 for an appointment.

CO-OPERATIVES ACT 1992

Notice of Class Order under Section 244

Exemption of Some Co-operatives from Some Requirements of the

Co-operative Regulation 1997 as amended by
Co-operatives Amendment (Accounts and Audit)
Regulation 2000

I, COLIN MICHAEL DAVIS, Manager of the Registry of Co-operatives, being a delegate of the Registrar of Co-operatives, in pursuance of section 244 of the Co-operatives Act 1992, hereby make an Order in relation to the class of co-operatives specified in Schedule A, relieving a co-operative in that class and the directors and auditors of that co-operative from compliance with the requirements of the Co-operatives Regulation 1997 as specified in Schedule B ON CONDITION that co-operatives comply with the requirements specified in Schedule C.

SCHEDULE A

A co-operative whose primary object is the provision of a community service or benefit and:

- (a) the rules prohibit the distribution of any surplus among members of the co-operative;
- (b) the total value of its assets does not exceed \$500,000;
- (c) the expenses recorded in the Statement of Financial Performance of the co-operative during the last financial year did not exceed \$200,000 (including any cost of goods sold);
- (d) is not a holding co-operative.

SCHEDULE B

Co-operatives that fall within the description given in Schedule A are exempted from the following provisions of the Corporations Law adopted by the Co-operatives Regulation 1997:

1. Sections 295(2)(c) and section 300 (10).
2. Any requirements to appoint a registered company auditor, on the condition that, instead, the person appointed is
 - a member of the Institute of Chartered Accountants of Australia or
 - a member of CPA Australia, or
 - a person approved by the Registrar.

SCHEDULE C

- (a) The co-operative has resolved by special resolution that the auditor need not be a registered company auditor.
- (b) The rules of the co-operative provide for the appointment of an auditor but do not specify a registered company auditor.
- (c) The directors shall cause to be attached to, or endorsed upon, the accounts in relation to the co-operative a statement that the accounts have been prepared in accordance with the terms of this Order and a special resolution of the co-operative dated (*).

- (d) The auditors' report on the accounts records whether the auditor is a member of the Institute of Chartered Accountants of Australia or CPA Australia or has been approved by the Registrar of Co-operatives to be an auditor of the co-operative.

Dated at Bathurst this 15th day of May 2001.

PROFESSIONAL STANDARDS ACT 1994

Notification Pursuant to Section 13

Professional Surveyors Limitation of Liability Scheme

PURSUANT to section 13 of the Professional Standards Act 1994, I approve the publication of the Professional Surveyors Limitation of Liability Scheme. This Scheme will commence on 1 June 2001.

BOB DEBUS, M.P.,
Attorney General

PROFESSIONAL STANDARDS ACT 1994 (NSW)

Professional Surveyors Scheme

Preamble**Occupational Association**

THE Institution of Surveyors NSW Div., the Association of Consulting Surveyors NSW Inc. and the Australian Consulting Surveyors Insurance Society Limited have established The Professional Surveyors Occupational Association of NSW Inc (the Association), to cover the surveying and related activities of professional surveyors.

The address of the Association is Level 3, 363 Pitt Street Sydney NSW.

The Association was originally formed under the Association Incorporation Act 1984 with the object to establish a Professional Surveyors Professional Standards Scheme under the Professional Standards Act 1994 (the Act) for professional surveyors covering both individuals and firm, and thereafter to administer and manage the scheme and implement programs for risk management and public protection, whilst monitoring claims.

Since its establishment the Association has also taken on the role of an accrediting body for private certifiers under the NSW Environmental Planning and Assessment Act 1979. Individuals applying for accreditation are not required to be members of the Association.

In the future it is expected that the Association may take on further responsibilities related to activities of professional surveyors.

The foundation bodies are:

The Institution of Surveyors NSW Incorporated (ACE 000 001 329). The Institute of Institution of Surveyors NSW Inc (IS NSW) is the recognised professional body for surveyors in the state of New South Wales. The general objective of the IS NSW is the promotion of the science, practice, status and study of the discipline of surveying, in its broadest sense, for the benefit of society. It meets a wide range of members' needs including the publication of a monthly journal, the mediation of disputes between members and the public, and the operation of a Continuing Professional Development program. IS NSW has approximately 1300 members including students, surveying associates and surveying technicians, as well as professional surveyors from all disciplines and industry sectors.

The Association of Consulting Surveyors NSW Incorporated (ACN Y02879-15). The Association of Consulting Surveyors NSW Inc (ACS NSW) is a professional association which represents the interests of consulting surveyors in private practice. Its major objective is the advancement of education in technical skills, profession and practice of surveying, to meet the needs and aspirations of the community. ACS NSW has 190 member firms, approximately two thirds of surveying practices in NSW. Whilst some are sole practitioners, the majority of firms are employers, ranging from small practices to multi-disciplinary organisations employing more than 20 people.

The Australian Consulting Surveyors Insurance Society Limited (ACN 000 599 826). The Australian Consulting Surveyors Insurance Society Limited (ACSIS) was formed in 1985 with the aim of providing a substantial self-administered professional indemnity insurance scheme for the surveying profession across Australia. The scheme functions on the basis of arranging insurance through a master policy and funds an additional level of excess which tends to insulate the scheme from the fluctuations of the insurance market. ACSIS is committed to a comprehensive policy of providing loss prevention / risk management education to members through seminars, publications and videos.

Nature of the Scheme

A scheme operates for the purpose of improving the occupational standards of professionals and others and to protect the consumers of their services. It also limits the civil liability of persons covered by the scheme.

The liability limited by the scheme includes, to the extent permitted by the Act, all civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of the Association or to any person to whom the scheme applies in acting in the performance of his or her occupation. The scheme does not apply to liability for damages arising from any matter to which the Act does not apply, including, but not limited to, liability for damages arising from death or personal injury to a person, a breach of trust, fraud or dishonesty.

The schemes does not affect damages awarded below \$1 million. Where damages awarded are above \$1 million, the scheme limits liability at either \$1 million, \$2 million or \$5 million depending on the liability limit applicable. These three liability limits are called classes and are specified in a table in the scheme. The limit of liability is dependent on the firm's annual gross fee income however a higher but not lower class can be selected. Based on information supplied, the Association designates each firm to a particular class depending on the amount of the annual gross fees disclosed or a higher class if selected. If the gross fee income disclosed to the Association is inaccurate and the firm know or should have known of the correct position at that time, then the limit of liability for persons in that firm will be \$5 million.

Standards of Insurance

Members of the Association covered by the scheme are required to maintain a current professional indemnity insurance policy that meets the standards specified from time-to-time by the Association. The amount payable under the insurance policy in respect of occupational liability is to be not less than the person's limitation of liability. In addition, members are to maintain sufficient assets to cover any deductible applicable under the insurance policy.

Claims Monitoring

The Association will regularly review and monitor liability claims. An objective of claims monitoring is to identify areas for improvement in order to reduce claims against scheme members. A Claims Monitoring Committee will be established and ACSIS will provide statistics identifying trends which can be used to evaluate the success of the overall risk management strategy and assist with member education. Other principal insurers will be encouraged to provide similar information.

Risk Management

The Association administers strategies to maintain and improve occupational standards and to minimise risk. As a primary strategy, the Association maintains membership entry requirements. Risk management strategies include the requirement to meet standards of continuous professional development (CPD) and abide by a code of ethics. Members are required to attain CPD in 'risk management'. The foundation bodies publish material on risk management issues and business practices.

Members are required to have professional indemnity insurance. The Association undertakes claims monitoring to identify trends, to evaluate and improve strategies, and to assist member education and to reduce risk. The Association encourages member firms to implement a program of quality assurance.

Members are required to certify annually that they have complied with risk management strategy requirements and are randomly audited to check their compliance with the scheme.

Members are subject to the Association's complaints and discipline system.

Complaints and Discipline Matters

Members to whom the scheme applies are subject to the complaints and discipline system administered by the Association under its Disciplinary Regulations. All members of the Association must comply with the Code of Ethics of the Association.

Scheme Administration

Administration of the scheme will be undertaken by the Professional Surveyors Occupational Association NSW Inc. The Association will maintain a Register of members and their classes.

Scheme Duration

The scheme remains in force for a period of 5 years from its commencement unless it is revoked, extended or ceases in accordance with section 32 of the Act.

The Professional Surveyors Scheme

1. Occupational Association

1.1 The Professional Surveyors Scheme (the scheme) is a scheme under the Professional Standards Act 1994 (NSW) (the Act) of the Professional Surveyors Occupational Association of New South Wales Inc. (the Association), Level 3, 363 Pitt Street Sydney NSW

2. Persons to Whom the Scheme Applies

2.1 The scheme applies to all members of the Association. The scheme also applies to other persons by virtue of sections 18, 19 and 20 of the Act.

3. Limitation of Liability

3.1 A person to whom the scheme applies and against whom a cause of action relating to occupational liability is brought is not liable in damages in relation to that cause of action above the maximum amount of liability applicable to the person within the class of persons specified in the scheme where the person is able to satisfy the court that the person has the benefit of an insurance policy insuring the person against that occupational liability and under which the amount payable in respect of the occupational liability relating to that cause of action is not less than the specified amount of liability in relation to the person at the time at which the act or omission giving rise to the cause of action occurred.

3.2 The maximum amount of liability of a person is the amount specified in clause 3.3 of the scheme.

3.3 Classes of Persons/Maximum Amount of Liability

Class	Description	Maximum amount of liability
1	All persons to whom the scheme applies as specified in clause 2.1 in a practice for which the total annual gross fee income for professional services is less than \$500,000, unless the person has a higher maximum amount of liability by virtue of Class 4	(a) \$1 million
2	All persons to whom the scheme applies as specified in clause 2.1 in a practice for which the total annual gross fee income for professional services is between \$500,000 and less than \$1 million unless the person has a higher maximum amount of liability by virtue of Class 4	(b) \$2 million
3	All persons to whom the scheme applies as specified in clause 2.1 in a practice for which the total annual gross fee income for professional services is \$1 million or greater.	(c) \$5 million
4	All persons in a practice where the practice in classes 1 - 2, as the case may be, selects and specifies a maximum amount of liability greater than that specified for the class.	(d) The selected maximum amount of liability greater than that specified for the class but not exceeding a maximum amount of \$5 million.

3.4 For the purposes of the scheme, a member is assigned, in accordance with clause 3.3, by the Association to a class for the *relevant scheme year*. The assignment is made and specified at the beginning of each scheme year. Where a practice fails to provide bona fide information for the assignment, Class 3 is deemed to apply.

3.4.1 In determining the total annual gross fee income for the purposes of clause 3.3, the financial year ended immediately prior to the *relevant scheme year* will apply. However, where there was no such income, a bona fide estimate specified by the practice of total annual gross fee income for the financial year ending during the *relevant scheme year* will apply, otherwise Class 3 is deemed to apply.

3.4.2 The *relevant scheme year* is the *relevant annual fee period* in accordance with the Professional Standards Regulation 1998. *Annual fee period*, in relation to the scheme, means each period of 12 months beginning on the date on which the scheme commences and on each anniversary of that date.

4. Commencement of the Scheme

The scheme commences on 1 June 2001.

REPORT CONCERNING THE APPROVAL OF THE SURVEYORS SCHEME**SCHEME APPROVAL**

ON 20/9/00, an application was received by the Professional Standards Council from the Professional Surveyors' Occupational Association NSW Incorporated (PSOA) for the approval of a scheme pursuant to the provisions of the Professional Standards Act 1994 (the PSAct). In effect the application is an application for renewal of a scheme (the scheme). A scheme (the current scheme) in respect of the PSOA currently operates and will cease on 31/5/01. The scheme replaces the current scheme on and from the commencement of the scheme.

The effect of approval and commencement of the scheme will be that practitioners currently covered by the existing scheme will continue to be covered by a professional standards scheme. The scheme will increase the monetary ceiling applicable to members of the PSOA covered by the scheme.

On 16/3/01, the council decided to:

1. *approve¹ a scheme in respect of the Professional Surveyors' Occupational Association NSW Incorporated; and*
2. *submit² the scheme to the Minister to authorise its publication in the Gazette³.*

Before approving the scheme the council:

1. *published⁴ a notice in a daily newspaper circulating throughout NSW:*
 - (a) *explaining the nature and significance of the scheme, and*
 - (b) *advising where a copy of the scheme may be obtained or inspected, and*
 - (c) *inviting comments and submissions within 28 days after publication of the notice; and*
2. *considered⁵:*
 - (a) *all comments and submissions made to it in accordance with section 9,*

The council is satisfied that the scheme will assist the improvement of occupational standards, the development of self-regulation and the protection of consumers.

THE SCHEME

Limitation of Liability

The scheme, to the extent provided by the PSAct, limits the occupational liability of all members of the PSOA. The scheme does not affect damages below \$1 million. Where damages are above \$1 million, the scheme limits liability at either \$1 million, \$2 million or \$5 million depending on the amount of damages and the liability limit applicable. These three liability limits are specified for classes in a table in the scheme. The limit of liability depends on the firm's annual gross fee income, however a higher but not lower class can be selected. Based on information supplied, the PSOA designates each firm to a particular class depending on the amount of the annual gross fees disclosed or a higher class if selected. If the gross fee income disclosed to the PSOA is inaccurate and the firm know or should have known of the correct position at that time, then the limit of liability for persons in that firm will be higher amount of \$5 million.

Different maximum amounts of liability apply to different classes of persons. These are changed from the current scheme. However, a monetary ceiling of \$5million will apply under the scheme.

Class	Description	Maximum amount of liability
1	All persons to whom the scheme applies as specified in clause 2.1 in a practice for which the total annual gross fee income for professional services is less than \$500,000, unless the person has a higher maximum amount of liability by virtue of Class 4	(a) \$1 million
2	All persons to whom the scheme applies as specified in clause 2.1 in a practice for which the total annual gross fee income for professional services is between \$500,000 and less than \$1 million unless the person has a higher maximum amount of liability by virtue of Class 4	(b) \$2 million
3	All persons to whom the scheme applies as specified in clause 2.1 in a practice for which the total annual gross fee income for professional services is \$1 million or greater.	(c) \$5 million
4	All persons in a practice where the practice in classes 1 - 2, as the case may be, selects and specifies a maximum amount of liability greater than that specified for the class.	(d) The selected maximum amount of liability greater than that specified for the class but not exceeding a maximum amount of \$5 million.

For the purposes of the scheme, a member is assigned, in accordance with clause 3.3, by the Association to a class for the *relevant scheme year*. The assignment is made and specified at the beginning of each scheme year. Where a practice fails to provide bona fide information for the assignment, Class 3 is deemed to apply. In determining the total annual gross fee income for the purposes of clause 3.3, the financial year ended immediately prior to the *relevant scheme year* will apply. However, where there was no such income, a bona fide estimate specified by the practice of total annual gross fee income for the financial year ending during the *relevant scheme year* will apply, otherwise Class 3 is deemed to apply. The *relevant scheme year* is the relevant *annual fee period* in accordance with the Professional Standards Regulation 1998. *Annual fee period*, in relation to the scheme, means each period of 12 months beginning on the date on which the scheme commences and on each anniversary of that date.

In determining the limitation of liability the council had regard for the number and amounts of claims made against persons within the occupational association and for the need to adequately protect consumers. The council is satisfied that the limitation of liability is reasonable having regard for the nature and level of claims, will adequately protect consumers and not adversely affect other person to a significant degree.

Insurance

The scheme provides that members of the PSOA to whom the scheme applies must have the benefit of insurance to the amount of the limitation of liability applicable to their class. Each year such members are required to provide evidence to the association (by way of certificate or other means) that they are covered by a policy of insurance to the requisite standard and that they have sufficient assets to cover any uninsured deductible. The standards of insurance are determined by the PSOA as provided by section 27 of the Professional Standards Act 1994. The standards are unchanged from those applicable under the current scheme. These require cover for the entire scope of work for breach of professional duty and breach of Fair Trading legislation, retroactive cover, and automatic reinstatement.

The PSOA will monitor and analyse claims so as to identify trends in all claims for risk management purposes.

The council is satisfied that insurance against occupational liability is reasonably available to members of the PSOA, and the standards of insurance determined by the PSOA are reasonable, adequately protect consumers and will not adversely affect other persons to a significant degree.

Risk Management

The PSOA has furnished the council with a detailed list of the risk management strategies it intends to implement in respect of its members, and the means by which those strategies are intended to be implemented⁶. The association will continue with its current risk management strategies. There have been some changes in approach to quality assurance, code of ethics and complaints and discipline. The strategies are outlined in the scheme document.

The PSOA will require members to certify annually that they have completed continuing education requirements. Compliance with those requirements is subject to random audit.

The council is satisfied that the risk management strategies and the means by which they are intended to be implemented will facilitate the improvement of occupational standards of members of the PSOA, assist in the development of self-regulation of the association, and serve to protect the consumers of the services provided by the members of the association.

Complaints and Disciplinary Matters

Persons covered by the scheme will be subject to pre-existing complaints and discipline procedures of the PSOA. The procedures feature: defined structures and procedures for the receipt, processing and resolution of complaints and for the discipline of members, defined investigative and disciplinary procedures and disciplinary sanctions against members, and right of appeal.

The council is satisfied that the complaints and discipline mechanisms are consistent with the *Model Code* set out in Schedule 1 of the PSAct and allow for the proper redress of consumer complaints, facilitate the improvement of occupational standards of members of the PSOA, and serve to protect the consumers of the services provided by the members of the association.

Commencement and Duration of the scheme

The scheme is subject to annual monitoring by the council. The scheme will cease to apply to the members of the PSOA at the end of 5 years after commencement of the scheme. The scheme is to commence on 1/6/01.

RECOMMENDATION

The council recommends that the Attorney General authorise the publication in the Government Gazette of the scheme, as submitted,

PROFESSIONAL STANDARDS ACT 1994

Notification Pursuant to Section 13
Institute of Consulting Valuers Scheme

PURSUANT to section 13 of the Professional Standards Act 1994, I approve the publication of the Institute of Consulting Valuers Limitation of Liability Scheme. This Scheme will commence two months from the date of this gazettal.

BOB DEBUS, M.P.,
Attorney General

PROFESSIONAL STANDARDS ACT 1994 (NSW)

The Institute of Consulting Valuers Scheme

Preamble

Occupational Association

THE Institute of Consulting Valuers Scheme is a scheme under the Professional Standards Act 1994 (NSW) applying in respect of The Institute of Consulting Valuers Co-operative Limited. The Institute of Consulting Valuers Co-operative Limited is a professional association which has its registered business address located at 26 Ross Street North Parramatta NSW

The Institute of Consulting Valuers Scheme limits the occupational liability of Participating Members of the scheme who provide services to the public within their professional competencies.

The occupational group represented by the Institute consists of approximately 120 current practicing members who hold a Certificate of Public Practice issued by the Institute.

The objectives of the Institute are outlined in the Co-operatives Rules, paragraph 5:

The objectives of The Institute shall be to bring together those engaged as Valuers and who are interested in the administration and/or development of the profession for the interchange of views and experience and for mutual consultation and advantage and in particular to carry out any or all of the following:

- (i) To encourage and foster the observance of high professional standards by its members and to establish and prescribe such standards.
- (ii) To arrange meetings, discussions, conferences, etc on matters of common interest, and generally to act as a clearinghouse for the exchange of ideas.
- (iii) To provide facilities and opportunities for research and analysis of any and all features of the field of valuation through forums, discussions, surveys, exhibitions and conferences.
- (iv) To develop and foster relations with other kindred bodies or authorities.
- (v) To issue a bulletin or journal and to disseminate information of value to its members.
- (vi) To publish pamphlets, books, monographs.
- (vii) To institute a register of members with details of experience and specialist knowledge or qualifications, and to bring to the knowledge of its members, organisations desirous of obtaining their services.
- (viii) Generally to undertake all activities, including the incorporation of The Institute, as are likely to be of benefit to the practice, administration, interests and welfare of its members.
- (ix) To protect and/or safeguard the interests of members individually or collectively and/or intercede on their behalf where in the opinion of The Board of Directors it is in the interests of the profession and the member or members to do so.

The objects encapsulate the common goals of improving professional knowledge and service through a conceptual framework of continuous feedback from those within and associated with the industry. The Institute's Code of Ethics requires members to practice their vocation with integrity, honour and professionalism, to act impartially and objectively when providing independent advice, and to respect the public interest.

The focus of the Institute and the makeup of the members represent property valuers who carry out work mainly in the residential property market.

Nature of the Scheme

A scheme operates for the purpose of improving the occupational standards of professionals and others, and to protect the consumers of their services. It also limits the civil liability of persons to whom the scheme applies.

The liability limited by the scheme includes, to the extent permitted by the Act, all civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of the Institute or to any person to whom this scheme applies in acting in the performance of his or her occupation. The scheme does not apply to liability for damages arising from any matter to which the Act does not apply, including, but not limited to, liability for damages arising from death or personal injury to a person, a breach of trust, fraud or dishonesty.

The scheme does not affect damages which are below \$500,000. Except for residential valuations, the scheme limits liability for damages to \$5 million provided the person has insurance which is not less than \$5 million. However, the scheme limits liability for residential valuations to \$500,000 provided the person has insurance which is not less than \$500,000.

Risk Management

The Institute administers strategies designed to minimise risk through adherence to high standards of professional conduct and maintenance of professional competencies. As a primary strategy, the Institute maintains membership entry prerequisites with minimum educational and experience requirements.

Members are also required to undertake continuing professional development and to provide evidence annually that they have complied with the continuing education requirements specified in the Rules of the Institute. The Institute believes that enforcing professional development will help continue to provide a more skilled, professional service both now and in the future.

Each member holding a practicing certificate is required to have professional indemnity insurance cover which, as a minimum, meets the standards specified by the Institute

The Institute in an effort to provide a more efficient, effective and professional service has adopted a Complaint and Disciplinary Code as set out in Schedule 1 of the Institutes Rules. This provides that all members have to account for their actions firstly to the Institute itself, but equally as important, to the general public for whom the services are provided. Any member who fails to comply with any of the provisions as set out within the Rules or the Code of Ethics are subject to disciplinary action and may have their membership terminated.

The Institute provides members with advisory and support services including education seminars and workshops and a quarterly newsletter to communicate industry trends and awareness.

The Institute will report annually on the implementation and monitoring of its risk management strategies, the effect of those strategies and any changes made or proposed to be made to them.

Standards of Insurance

Participating members, as defined in clause 2.2 of the scheme, are required to maintain a current professional indemnity insurance policy that meets the standards specified from time-to-time by the Institute. The amount payable under the insurance policy in respect of occupational liability is to be not less than the amount of the person's limitation of liability. In addition, participating members are to maintain business assets the net current market value of which is not less than any deductible amount applicable under the insurance policy.

Claims Monitoring

The Institute will monitor claims made against members by annually surveying members and maintaining records of claims and, arising from that monitoring and through research, will develop strategies to improve standards and to minimise claims. The Institute will report annually on claims monitoring, strategies and research.

Complaints and Discipline

Members to whom the scheme applies are subject to a complaints and discipline system administered by the Institute under the Complaints and Discipline Code of the Rules of the Institute.

Scheme Administration

Administration of the scheme will be undertaken by The Institute of Consulting Valuers Co-operative Limited. The Institute will establish a Scheme Management Committee to administer the scheme as it relates to their members and the Institute will maintain a register of the Participating Members, stored at its registered office.

Duration

The scheme remains in force for a period of 5 years from its commencement unless it is revoked, extended or ceases in accordance with section 32 of the Act.

The Institute of Consulting Valuers Scheme

1. Occupational Association

1.1 The Institute of Consulting Valuers Scheme (the scheme) is a scheme under the Professional Standards Act 1994 (NSW) (the Act) of the The Institute of Consulting Valuers Co-operative Limited (the Institute) whose business address is 26 Ross Street North Parramatta NSW.

2. Persons to Whom the Scheme Applies (Participating Members & Other Persons)

2.1 The scheme applies to "Participating Members" and "Other Persons" as defined in clauses 2.2, and 2.3 of the scheme

- 2.2 All members of the Institute ordinarily resident in NSW who hold a current certificate of public practice issued by the Institute.
- 2.3 Persons to whom the scheme applies by virtue of section 18, 19 and 20 of the Act.

3. Limitation of Liability

- 3.1 A participating member or other person to whom this scheme applies is not liable in damages above a monetary ceiling (a maximum amount of liability) of \$5,000,000 in relation to a cause of action relating to occupational liability where the participating member or other person is able to satisfy the court that the participating member or other person has the benefit of an insurance policy insuring the participating member or other person against that occupational liability, and under which the amount payable in respect of the occupational liability relating to that cause of action is not less than the maximum amount of liability specified in the scheme in relation to the participating member or other person at the time at which the act or omission giving rise to the cause of action occurred.
- 3.2 However, a different maximum amount of liability of \$500,000 applies where the kind of work in relation to the cause of action relating to the occupational liability is of the kind specified in clause 3.2.1 of the scheme.
- 3.2.1 Kind of Work: Valuations of established residential property and vacant residential property in post subdivision form.

REPORT CONCERNING THE APPROVAL OF THE INSTITUTE OF CONSULTING VALUERS SCHEME

SCHEME APPROVAL

ON 14/4/99, an application was received by the Professional Standards Council from the Institute of Consulting Valuers Co-operative Limited for the approval of a scheme pursuant to the provisions of the *Professional Standards Act 1994* (the PSAct).

On 8/9/00, the council decided to:

1. *approve¹ a scheme in respect of the Institute of Consulting Valuers Co-operative Limited; and*
2. *submit² the scheme to the Minister to authorise its publication in the Gazette³.*

Before approving the scheme, the council:

1. *published⁴ a notice in a daily newspaper circulating throughout NSW:*
 - (a) *explaining the nature and significance of the scheme, and*
 - (b) *advising where a copy of the scheme may be obtained or inspected, and*
 - (c) *inviting comments and submissions within 21 days after publication of the notice; and*

2. *considered⁵:*

- (a) *all comments and submissions made to it in accordance with section 9,*
- (b) *the position of persons who may be affected by limiting the occupational liability of members of the occupational associations concerned,*
- (c) *the nature and level of claims relating to occupational liability made against members of the occupational associations,*
- (d) *the risk management strategies of the occupational associations,*
- (e) *the means by which those strategies are intended to be implemented,*
- (f) *the cost and availability of insurance against occupational liability for members of the occupational associations, and*
- (g) *the standards determined by the occupational associations in relation to insurance policies.*

The council is satisfied that the scheme will assist the improvement of occupational standards, the development of self-regulation and the protection of consumers.

THE SCHEME

Limitation of Liability

The scheme, to the extent provided by the PSAct, limits the occupational liability of certain members of the Institute of Consulting Valuers (ICV). Liability is limited for all members of the ICV ordinarily resident in NSW who hold a current practicing certificate issued by the ICV.

The scheme specifies a monetary ceiling of \$5 million, and specifies a different maximum amount of liability of \$500,000 for a kind of work that is the valuation of established residential property and vacant residential property in post subdivision form.

In determining the limitation of liability the council had regard for the number and amounts of claims made against persons within the occupational association and for the need to adequately protect consumers. The council is satisfied that the limitation of liability is reasonable having regard for the nature and level of claims, will adequately protect consumers and not adversely affect other person to a significant degree.

Insurance

Members of the ICV to whom the scheme applies are required to have the benefit of insurance of not less than the amount of the limitation of liability applicable to that person. The policy of insurance is to be of the requisite standard determined by the ICV, and members are required to have sufficient assets to cover any uninsured deductible. The insurance standards require that a policy cover all civil liability for all services for which the insured must hold a practicing certificate, cover each and every claim, be obtained from a licensed insurer or registered broker, cover legal costs and expenses, and provide for retroactive and run-off cover.

The ICV will monitor claims, develop strategies and report annually on claims monitoring.

The council is satisfied that insurance against occupational liability is reasonably available to members of the ICV, and the standards of insurance determined by the ICV are reasonable, adequately protect consumers and will not adversely affect other persons to a significant degree.

Risk Management

The ICV has furnished the council with a detailed list of the risk management strategies it intends to implement in respect of its members, and the means by which those strategies are intended to be implemented⁶. The association has adopted pre-existing strategies which will be implemented under existing structures. The strategies are outlined in the scheme document.

The ICV will require members to certify annually that they have completed continuing education requirements. Compliance with those requirements is subject to random audit.

The council is satisfied that the risk management strategies and the means by which they are intended to be implemented will facilitate the improvement of occupational standards of members of the ICV, assist in the development of self-regulation of the association, and serve to protect the consumers of the services provided by the members of the association.

Complaints and Disciplinary Matters

Persons covered by the scheme will be subject to complaints and discipline procedures under the Rules of the ICV. The procedures feature structures and procedures for receiving and processing complaints, investigating and resolving complaints, and defined disciplinary sanctions against members. They provide for a right to legal representation, and for giving notice of decisions and the reasons for decisions.

The council is satisfied that the complaints and discipline mechanisms allow for the proper redress of consumer complaints, facilitate the improvement of occupational standards of members of the ICV, and serve to protect the consumers of the services provided by the members of the association.

Commencement and Duration of the scheme

The scheme is subject to annual monitoring by the council. The scheme will cease to apply to the members of the ICV at the end of 5 years after commencement of the scheme.

RECOMMENDATION

The council recommends that the Attorney General authorise the publication in the Government Gazette of the scheme, as submitted.

The approved Institute of Consulting Valuers Scheme is herewith.
