 - (iii) certifies that the greyhound is not the subject of inquiry and the particulars provided in the e-mail or telephone nomination are in all respects true and correct.
- (3) An official or other person must not add to, delete from or in any way alter any of the particulars provided in any nomination form submitted to a club or any nomination form or nomination submitted to the Authority but any minor error in relation to the nomination of a greyhound may be corrected by the nominator only with the express permission of the stewards in charge of the meeting.

 - (8) Notwithstanding that the nomination of a greyhound has been received by the Authority and the greyhound has been drawn by the Authority Grader in a race, the committee of the club conducting the race or the stewards may if it or they think that it is in the best interests of greyhound racing, prohibit the greyhound nominated from starting in the race in which it is drawn but this power to prohibit shall not be exercised without the prior approval of the Authority or the Authority steward in charge of the meeting, and in such case an order may be made that any moneys paid in connection with the nomination be refunded.
 - (9) The death of the owner of a greyhound shall affect its nomination if the death occurs before the draw is published.
 - (10) The person who shall be liable for the payment of any fee with respect to the nomination of a greyhound is the nominator.

- (4) The Greyhound Racing Authority grading policy effective from time to time shall be published by the Authority and made available upon request at such cost if any as the Authority determines.

- (9) Unless the Greyhound Racing Authority grading policy effective at the time of a race or qualifying trial meeting prohibits such grading:
- (a) The Authority Grader may include in any race more than one greyhound owned by the same person provided that each greyhound is trained by a different trainer and the greyhounds are kennelled at different registered premises; and
- (b) With respect to races graded 1, 2 or 3 or a combination within those grades and for feature events the Authority Grader may include in such races not more than 2 greyhounds owned or trained by the same registered person.
- (10) In the event that there is any inconsistency between the provision of the Club Rules for Greyhound Racing as to grading and the Greyhound Racing Authority grading policy effective from time to time the provisions of the Greyhound Racing Authority grading policy shall prevail and in the event that there is any inconsistency between the Greyhound Racing Authority grading policy and these rules, these rules shall prevail.

Bushland vegetation for the purpose of this Order means vegetation which is either a remnant of the natural vegetation of the land or, if altered, is still representative of the structure and floristics of the natural vegetation. For the purposes of this sub-clause, bushland vegetation includes trees of any size, shrubs and all herbaceous species; and
