### Fertilisers (Repeal) Regulation 2002

under the

Fertilisers Act 1985

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Fertilisers Act 1985*.

RICHARD AMERY, M.P.,  
Minister for Agriculture

#### Explanatory note

The object of this Regulation is to repeal the *Fertilisers Regulation 1997 (the Regulation)*, which has been rendered largely redundant by the commencement of the *Fertilisers Amendment Act 1999 (the amending Act)*. Various provisions of the Regulation were made for the purposes of sections of the *Fertilisers Act 1985 (the Act)* that are repealed by the amending Act (eg sections 6, 7, 9, 10, 12 and 14, in relation to the abolition of the scheme of registration of brand names for soil improving agents).

The amending Act also repeals and re-enacts other sections of the Act so as to provide for Ministerial orders published in the Government Gazette to deal with certain matters previously prescribed by the Regulation (eg section 16, which concerns the particulars that must be marked on parcels of soil improving agents).

The amending Act effects an implied repeal of much of the Regulation by repealing certain regulation-making powers in the Act. The remaining provisions of the Regulation are merely formal (such as the citation clause) or are no longer required (such as clause 22, which repeals the *Fertilizers Regulation 1985*).

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Water Act 1912*.

RICHARD AMERY, M.P.,  
Minister for Land and Water Conservation

### Explanatory note

The object of this Regulation is to allow rights to take and use water under an entitlement under Part 2 of the *Water Act 1912* to be permanently transferred not only to the holder of another such entitlement (as is presently the case) but also to a person who is an applicant for such an entitlement.
