Proclamation

under the

Residential Tenancies Amendment (Public Housing) Act 2004
No 66

MARIE BASHIR, Governor

I, Professor Marie Bashir AC, Governor of the State of New South Wales, with the advice of the Executive Council, and in pursuance of section 2 of the *Residential Tenancies Amendment (Public Housing) Act 2004*, do, by this my Proclamation, appoint 6 December 2004 as the day on which Schedule 1 [1], [3], [4], [5] and [9] to that Act commence.

Signed and sealed at Sydney, this 1st day of December 2004.

By Her Excellency's Command,

REBA PAIGE MEAGHER, M.P.,
Minister for Fair Trading

GOD SAVE THE QUEEN!

Explanatory note

The object of this Proclamation is to commence provisions of the *Residential Tenancies Amendment (Public Housing) Act 2004* relating to acceptable behaviour agreements for public housing tenants.

Regulations

New South Wales

Firearms (General) Amendment (Pistols) Regulation 2004

under the

Firearms Act 1996

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Firearms Act 1996*.

JOHN WATKINS, M.P.,
Minister for Police

Explanatory note

The objects of this Regulation are as follows:

- (a) to make it clear that a category H licence issued for the genuine reason of business or employment does not authorise the possession or use of a pistol for a purpose that is a genuine reason other than business or employment (such as recreational hunting/vermin control or primary production),
- (b) to require the Commissioner of Police, except in certain cases, to refuse to issue a permit for a pistol if the pistol is to be used for the purposes of hunting or fishing or farming or grazing activities,
- (c) to make it clear that pre-1900 muzzle loading percussion lock pistols are exempt from the licensing and registration requirements of the *Firearms Act 1996* only if they are single shot pistols.

This Regulation is made under the *Firearms Act 1996*, including sections 8 (3), 29 (5) and 88 (the general regulation-making power).

Clause 1 Firearms (General) Amendment (Pistols) Regulation 2004

Amendments

Schedule 1

Schedule 1 Amendments

(Clause 2)

[1] Clause 5A

Insert after clause 5:

5A Restriction on authority conferred by category H licence

- (1) The genuine reason of business or employment does not, in relation to a category H licence or an application for such a licence, include business or employment that constitutes any other genuine reason.

Note. Section 16 of the Act provides that a category H licence must not be issued unless the genuine reason established by the applicant is sport/target shooting, business or employment or firearms collection. The genuine reasons specified in section 12 of the Act are each mutually exclusive.

- (2) Accordingly, a category H licence issued to a person who has established business or employment as the genuine reason for being issued with the licence does not authorise the possession or use of a registered pistol for a purpose that is a genuine reason other than business or employment.

Note. For example, the licensee is not authorised to use the pistol for the purposes of:

- (a) hunting (including the control or suppression of vermin or pest animals) or fishing, or
- (b) farming or grazing activities (including the destruction of diseased or injured animals).

[2] Clause 9 Additional grounds for refusal of permit

Omit clause 9 (2) (b). Insert instead:

- (b) the protection of property.

[3] Clause 9 (3) and (4)

Insert after clause 9 (2):

- (3) The Commissioner must refuse to issue a permit authorising the possession or use of a registered pistol if the Commissioner is satisfied that the applicant intends to possess or use the pistol for the purposes of:

- (a) hunting (including the control or suppression of vermin or pest animals) or fishing, or
- (b) farming or grazing activities (including the destruction of diseased or injured animals).

Firearms (General) Amendment (Pistols) Regulation 2004

Schedule 1 Amendments

-
- (4) However, subclause (3) does not apply in relation to an applicant if the Commissioner is satisfied, on production of such evidence as the Commissioner may require, that the applicant has a medical condition or disability that prevents the applicant from using a rifle or shotgun for the purposes referred to in that subclause.

[4] Clause 111 Exemption for certain firearms manufactured before 1900

Insert “A percussion lock pistol is not a pre-percussion pistol unless it is a single-shot percussion lock pistol.” after “metallic cartridges.” in the definition of *pre-percussion pistol* in clause 111 (5).

Fisheries Management (General) Amendment (Advisory Bodies) Regulation 2004

under the

Fisheries Management Act 1994

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Fisheries Management Act 1994*.

IAN MICHAEL MACDONALD, M.L.C.,
Minister for Primary Industries

Explanatory note

The object of this Regulation is to amend the *Fisheries Management (General) Regulation 2002* to:

- (a) establish a Seafood Industry Advisory Council to replace the Advisory Council on Commercial Fishing and the Advisory Council on Aquaculture, and
- (b) amalgamate the Management Advisory Committees that were established for the ocean fish trawl and ocean prawn trawl restricted fisheries, and
- (c) re-classify aquarium caulerpa as Class 1 noxious marine vegetation.

This Regulation is made under the *Fisheries Management Act 1994*, including sections 209 (1), 231 and section 289 (the general regulation-making power).

Fisheries Management (General) Amendment (Management Advisory Committee Membership) Regulation 2004

under the

Fisheries Management Act 1994

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Fisheries Management Act 1994*.

IAN MICHAEL MACDONALD, M.L.C.,
Minister for Primary Industries

Explanatory note

The object of this Regulation is to make further provision for the circumstances in which an elected member of a Management Advisory Committee may be removed from office by the Minister. The Regulation allows a Management Advisory Committee member to be removed from office if he or she ceases to be an effective representative of commercial fishers, engages in conduct that is likely to bring the fishing industry into disrepute or engages in unruly or disruptive behaviour at Committee meetings.

This Regulation also increases the fee payable for the lodgment of an appeal to the Share Management Fisheries Appeal Panel under the Act.

This Regulation is made under the *Fisheries Management Act 1994*, including sections 84 (4), 231 and 289 (the general regulation-making power).

- (f) has been formally reprimanded by the chairperson of the MAC of which he or she is a member for unruly or disruptive behaviour at a meeting of the MAC on not less than 3 occasions (whether occurring at the same meeting or at different meetings of the MAC).

Fisheries Management (General) Amendment (Section 220ZB Exemption) Regulation 2004

under the

Fisheries Management Act 1994

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Fisheries Management Act 1994*.

IAN MICHAEL MACDONALD, M.L.C.,
Minister for Primary Industries

Explanatory note

The object of this Regulation is to exempt fish the taking of which does not constitute an offence under Part 7A (Threatened species conservation) of the *Fisheries Management Act 1994* from section 220ZB of the Act (which creates an offence of buying, selling or possessing any fish or marine vegetation of a threatened species). The Regulation also makes some consequential amendments.

This Regulation is made under the *Fisheries Management Act 1994*, including sections 220ZB (2) (b) and 289 (the general regulation-making power).

and Planning (Planning Administration)

Clause 1 Warringah Local Environmental Plan 2000 (Amendment No 12)

Warringah Local Environmental Plan 2000 (Amendment No 12)

under the

Environmental Planning and Assessment Act 1979

1 Name of plan

This plan is *Warringah Local Environmental Plan 2000 (Amendment No 12)*.

2 Aims of plan

This plan aims:

- (a) to remove the time limit on the life of *Warringah Local Environmental Plan 2000*, and
- (b) to declare that a description in that plan of the desired future character of a locality does not prohibit any development, and
- (c) to provide that it is not necessary for development to comply strictly with any quantitative requirement (such as a requirement relating to area or height) in a general principle of development control contained in Part 4 of that plan.

3 Land to which plan applies

This plan applies to all land within the local government area of Warringah.

4 Amendment of Warringah Local Environmental Plan 2000

Warringah Local Environmental Plan 2000 is amended as set out in Schedule 1.

Warringah Local Environmental Plan 2000 (Amendment No 12)

Amendments

Schedule 1

Schedule 1 Amendments

(Clause 4)

[1] Clause 4 How long will this plan have effect?

Omit the clause.

[2] Clause 12 What matters are considered before consent is granted?

Insert “, but nothing in a description of desired future character creates a prohibition on the carrying out of development” after “Statement” in clause 12 (3) (b).

[3] Clause 12, note

Omit “presumed to be” wherever occurring.

[4] Clause 18 How will the built form of development be controlled?

Insert after clause 18 (2):

- (3) Nothing in this plan requires development to comply strictly with a quantitative requirement made in any general principle of development control.

Wollongong Local Environmental Plan 1990 (Amendment No 229)

under the

Environmental Planning and Assessment Act 1979

I, the Minister Assisting the Minister for Infrastructure and Planning (Planning Administration), make the following local environmental plan under the *Environmental Planning and Assessment Act 1979*. (W04/00056/S69)

DIANE BEAMER, M.P.,
Minister Assisting the Minister for Infrastructure
and Planning (Planning Administration)

under the

Environmental Planning and Assessment Act 1979

1 Name of plan

This plan is *Wollongong Local Environmental Plan 1990 (Amendment No 229)*.

2 Aims of plan

This plan aims to allow, with the consent of Wollongong City Council, the carrying out of development on the land to which this plan applies for the purposes of a visitor information facility and restaurant.

3 Land to which plan applies

This plan applies to land situated in the City of Wollongong, being Lot 7044, DP 1056482, Princes Highway, Bulli Tops, as shown edged heavy black on the map marked “Wollongong Local Environmental Plan 1990 (Amendment No 229)” deposited in the office of the Council of the City of Wollongong.

4 Amendment of Wollongong Local Environmental Plan 1990

SCHEDULE

Part of that parcel of land, being Lot 1 in DP 226886, appropriated or resumed by notification in the Government Gazette of 10 September 1965, under the Public Works Act 1912 and vested in the Housing Commission of New South Wales, in the Parish of Cobar, County of Robinson of 1420 square metres. Folio Identifiers 94 & 95 DP 262941.

ALTERATION OF CONDITIONS OF A WESTERN LANDS LEASE

IT is hereby notified that in pursuance of the provisions of Section 18J Western Lands Act 1901, the conditions of the undermentioned Western Lands Lease have been altered as shown.

CRAIG KNOWLES, M.P.,
Minister for Infrastructure and Planning
Minister for Natural Resources

*Administrative District – Wentworth;
Shire – Wentworth;
Parish – Avoca;
County – Wentworth*

The conditions of Western Lands Lease No 14312, being the land contained within Folio Identifier 6919/1004854 have been altered effective from 1 December 2004 by the inclusion of the following special conditions.

SPECIAL CONDITIONS ATTACHED TO WESTERN LANDS LEASE 14312

- 1 The lessee shall only conduct irrigated cultivation within the areas of 216 hectares indicated by hatching on the diagram hereunder. Any other cultivation outside this area will only be allowable with the consent of the Commissioner or the Minister.
- 2 The lessee shall not clear any native vegetation or remove any timber within the area shown hatched on the diagram hereunder unless written approval has been granted by either the Commissioner or the Minister.
- 3 The lessee shall comply with the provisions of the Protection of the Environment Operations Act 1997, particularly in relation to disposal of tailwaters or waters which may be contaminated with fertiliser, herbicide or pesticide or similar chemicals.
- 4 The lessee shall ensure that cultivation and associated activities do not interfere with any road formation within the allowable area.
- 5 Incised drainage lines, other than man made structures, which carry water after storms shall be left uncultivated in the channels and for a distance of at least 20 metres on either side of the banks of the channels except when the Commissioner specifies otherwise.
- 6 Aboriginal sites are protected under the National Parks and Wildlife Act 1974, and are extremely vulnerable to many kinds of agricultural development.

Should any Aboriginal archaeological relics or sites be uncovered during the proposed works, work is to cease immediately. The lessee must consider the requirements of the National Parks and Wildlife Act 1974, with regard to Aboriginal relics. Under Section 90 it is an offence to damage or destroy relics without prior consent of the Director-General of the Department of Environment and Conservation.

If an Aboriginal site is found in this area, the subject of this consent, the cultivation must cease until the consent holder has notified the Department of Environment and Conservation of the existence of the Aboriginal site. Contact details are: The Manager, Cultural Heritage Unit, Department of Environment and Conservation, Phone (02) 6883 5324 or at 58-62 Wingewarra Street, Dubbo.
- 7 Stubble shall be retained on the soil surface and shall not be burnt, except with the approval of the Commissioner or his delegate. Where such approval is granted and stubble burning is carried out with the approval as per requirements of the NSW Rural Fire Services.
- 8 The lessee shall establish windbreaks at his/her own expense as may be ordered by the Commissioner to provide adequate protection of the soil.
- 9 The lessee shall undertake any appropriate measures, at his/her own expense, ordered by the Commissioner to rehabilitate any degraded cultivated areas.
- 10 The lessee shall undertake any fuel management and/or provision of fire trail access in accordance with fire mitigation measures to the satisfaction of the NSW Rural Fire Services.
- 11 Irrigation water is not to be permanently transferred from the lease without the prior permission of the Western Lands Commissioner.
- 12 The lessee must ensure that if cotton is to be grown, only a maximum of two cotton crops can be grown on any one area in any six consecutive years. During other years the area may be fallowed or sown to pasture, fodder or grain crops.
- 13 The area partly covers Travelling Stock Reserve 508 and suitable arrangements must be made with the Wentworth Rural Lands Protection Board prior to the commencement of any development. If suitable arrangements cannot be

made with the Rural Lands Protection Board, the matter will be determined by the Commissioner.

- 14 The lessee shall erect and maintain a domestic stockproof standard fence surrounding the area of 100 hectares shown cross-hatched on the diagram hereunder and ensure the area remains ungrazed by both domestic stock and feral animals.
- 15 The lessee shall not clear and vegetation or remove any timber within the area shown cross-hatched on the diagram hereunder unless written approval has been granted by either the Commissioner or the Minister.
- 16 The lessee shall manage the area shown cross-hatched on the diagram hereunder in accordance with best management practices specified in the document known as "Southern Mallee Regional Guidelines for the Development of Land Use Agreements".

HERITAGE ACT 1977

Order under Section 57(2) of the Heritage Act 1977
I, The Minister Assisting the Minister for Infrastructure and Planning (Planning Administration), pursuant to section 57(2) of the Heritage Act 1977, on the recommendation of the Heritage Council of New South Wales, do by this Order revoke existing site specific exemptions published in the *Government Gazette* on 3 December 2003 and grant exemptions from section 57(1) of the Heritage Act 1977, for the things described in Schedule C in relation to the item described in Schedule A on the land described in Schedule B.

Dated: Sydney, 30th day of November 2004.

The Hon. DIANE BEAMER, M.P.,
Minister Assisting the Minister for Infrastructure
and Planning (Planning Administration)

SCHEDULE A

The item known as the Sydney Opera House situated on the land described in Schedule B.

SCHEDULE B

All those pieces or parcels of land known as Lot 5, DP 775888 and Lot 4, DP 787933 in the Parish of St James, County of Cumberland, shown edged heavy black on the plan catalogued HC1918 in the Office of the Heritage Council of New South Wales.

SCHEDULE C

1. All development applications authorised by the Sydney Opera House Trust or lodged with the consent authority before 3 December 2003. These are:
 - “Proposed use of the northern broadwalk of the Opera House for events for a period of five years” (DA444-2003)
 - “The use of the southern forecourt of the Opera House for events (being low, medium and high impact events) for a potential maximum of 134 days per year (for a maximum 32 events per annum) over a three year period” (DA445-10-2003)
2. The use of the roof/shells as a place from which to project broadcasts or fireworks, for limited periods and on infrequent occasions, where this has no adverse effect on fabric rated “some”, “considerable” or “exceptional” significance in the Conservation Management Plan, J.S. Kerr (2003) (CMP).
3. The use of the roof/shells as a medium for the projection of colour or imagery where confined to exceptional, non-commercial occasions of brief duration, and only where this has no adverse effect on fabric rated “some”, “considerable” or “exceptional” significance in the CMP.
4. All maintenance that is consistent with the CMP.
5. All repainting in areas identified in the CMP as having “some”, “considerable” or “exceptional” significance, that employs the same colour scheme as an earlier scheme and maintains the general character.
6. All painting that is consistent with the CMP in areas identified in the CMP as having “low” significance or as being intrusive.
7. All repairs consistent with the CMP. Subject to Sydney Opera House Trust assessment for impact on heritage significance, the repair (such as re-fixing and patching) or the replacement of missing, damaged or deteriorated fabric that is beyond further maintenance, which matches the existing fabric in appearance, material and method of affixing, where this does not involve damage to or the removal of other fabric graded “some”, “considerable” or “exceptional” significance in the CMP.
8. Subject to Sydney Opera House Trust assessment for impact on heritage significance, all improvements to the operational efficiency and all changes to the backstage infrastructure of performance venues (such as widening the loading door or updating flying systems) where these have no adverse effect on fabric rated “some”, “considerable” or “exceptional” significance in the CMP and do not obstruct views identified as significant in the CMP.
9. Subject to Sydney Opera House Trust assessment for impact on heritage significance, all improvements to update and maintain technology requirements for providing industry standard information technology, telecommunications infrastructure and technical infrastructure where these changes have no adverse effect on fabric rated “some”, “considerable” or “exceptional” significance in the CMP and do not obstruct views identified as significant in the CMP.
10. All internal and external design and fit-out of shops and restaurants on the lower concourse/ lower forecourt, including changes in the size and fabric of elements such as walls, doorways and windows, where these changes have no adverse effect on fabric rated “some”, “considerable” or “exceptional” significance in the CMP and do not obstruct views identified as significant in the CMP.
11. All changes to the size and shape of shop spaces on the lower concourse/ lower forecourt, including that of the tour office and visitor centre, where these have no adverse effect on fabric rated “some”, “considerable” or “exceptional” significance in the CMP and do not obstruct views identified as significant in the CMP.
12. Subject to all efforts being made to minimise visual impacts, all temporary security arrangements consistent with current and future risk/threat assessments provided by State and/or Commonwealth security agencies or by recognised security consultants commissioned by Sydney Opera House Trust and the NSW Police.
13. All permanent security arrangements where these have no adverse effect on fabric rated of “some”, “considerable” or “exceptional” significance in the CMP and do not obstruct views identified as significant in the CMP. (Where approval is required, the Heritage Council will determine the application as soon as possible, i.e. no more than 3 days after receipt of public submissions where this is required, 5 days if not required.)
14. Temporary or permanent security works which is:
 - (a) Integrated development for which consent has been granted by the consent authority that is consistent with the general terms of proposed approval that have been provided to the consent authority by the Heritage Council, provided that all conditions included in the general terms of approval have been complied with,
 - (b) Integrated development for which the consent has been modified by the consent authority pursuant to s96 of the Environmental Planning and Assessment Act 1979 in a manner that is consistent with any comments provided by the Heritage Council to the consent authority.

Note 1

“Integrated development” and consent authority” have the same meaning as in the EP&A Act 1979. “General terms of proposed approval” means the ‘general terms of any approval proposed to be granted by the approval body in relation to the development’, as used in Division 5 of Part 4 of the EP&A Act 1979.

Note 2

Integrated development that is exempt under 14(b) above is not subject to the requirements in s65A of the Act in relation to modification of existing approvals.

15. All signage that conforms to a Signage Manual prepared by the Sydney Opera House Trust and endorsed by the Heritage Council.
16. All temporary signage and all permanent signage that conforms to current practices, is consistent with the CMP and does not obstruct views identified as

significant in the CMP. This exemption is to operate only until the endorsement of a Signage Manual by the Heritage Council which has been prepared by the Sydney Opera House Trust or within 12 months of the date of publication in the *Government Gazette* of this Order.

17. Minor changes and repairs to existing signage (such as replacing the poster in an illuminated box).
18. Removal of signage identified as intrusive or of low significance in the CMP.
19. All signage on and within lower concourse shop fronts, where this has no adverse effect on fabric rated "some", "considerable" or "exceptional" significance in the CMP and does not obstruct views identified as significant in the CMP. This exemption is to operate only until the endorsement of a Signage Manual by the Heritage Council which has been prepared by the Sydney Opera House Trust or within 12 months of the date of publication in the *Government Gazette* of this Order.
20. All temporary signage associated with temporary structures which is generally consistent with the CMP and where this has no adverse effect on fabric rated "some", "considerable" or "exceptional" significance in the CMP. This exemption is to operate only until the endorsement of a Signage Manual by the Heritage Council which has been prepared by the Sydney Opera House Trust or within 12 months of the date of publication in the *Government Gazette* of this Order.
21. All semi-permanent plasma and flat screen displays for the purpose of promoting performances and sponsors, that are consistent with the CMP, have no adverse effect on fabric rated "some", "considerable" or "exceptional" significance in the CMP and do not obstruct views identified as significant in the CMP. This exemption is to operate only until the endorsement of a Signage Manual by the Heritage Council which has been prepared by the Sydney Opera House Trust or within 12 months of the date of publication in the *Government Gazette* of this Order.
22. The erection and use of small long-stay structures to house on-line information, ticketing and banking services in interior and exterior spaces, that are consistent with the CMP, have no adverse effect on fabric rated "some", "considerable" or "exceptional" significance in the CMP and do not obstruct views identified as significant in the CMP.
23. The full-time operation of the "Dolce Vita" refreshment vending carts at six locations agreed by the Sydney Opera House Trust around the site plus the short-term operation of additional vending carts as required for short periods for special events. This exemption is in force until 2012 when the vending cart contract concludes.
24. The erection and use of temporary structures (including stages, fencing, portable lavatories, food and beverage services and small marquees to display sponsorships) associated with special performance events to be erected on the forecourt, broadwalk, podium stairs and podium platform where they have no adverse effect on fabric rated "some", "considerable" or "exceptional" significance in the CMP, minimise the impact on views identified as significant in the CMP and are consistent with the design terms of the CMP as far as possible.

These structures may be erected for low, medium or high impact events with the following frequencies including installation and removal periods: a maximum of 12 low impact events per annum, each lasting a maximum of 2 days; a maximum of 9 medium impact events per annum, each lasting up to 11 days for a total maximum of 50 days per annum; a maximum of 5 high impact events per annum each lasting up to 7 days for a total maximum of 25 days per annum; and a maximum of 6 functions per annum, each lasting a maximum of 7 days.

Definitions

- Low Impact: minimal temporary infrastructure with limited visual impact
- Medium Impact: marked visual and/or site access impact during the event itself but the scale and nature of infrastructure minimises such impact outside the performance/event time.
- High Impact: requires infrastructure that has a marked visual and/or site access impact both during and around the event (the use of high fencing and/or temporary audience seating for more than 24 hours automatically makes an event High Impact).

25. The erection and use of a covered temporary structure on the western side of the northern broadwalk of a maximum size of 400 square metres, inclusive of support infrastructure, to remain erected for a maximum of 21 days at a time and with a total maximum of 45 days per annum including installation and removal periods for infrequent special occasions, and to be consistent with the design terms of the CMP as far as possible.
26. The erection and use of a covered "permanent temporary" structure on the eastern side of the northern broadwalk, consistent with the design terms of the CMP, of a maximum size of 192 square metres, which can be expanded by another 192 square metres to 384 square metres in total. This expanded functions area may be erected on 12 days per month, generally in 3 blocks of 4 days for a maximum of 144 days per annum including installation and removal periods, where support infrastructure such as kitchens and toilets are situated inside the shells of the Opera House.
27. The erection and use of a covered temporary structure on the forecourt, which is consistent with the design terms of the CMP as far as possible, of a maximum size of 2,500 square metres to be erected up to 6 times per annum, for a maximum of 7 days at a time or 28 days overall per annum, including installation and removal periods, where all associated support infrastructure such as kitchens, refrigeration and toilets are included under the main structure, and the impact on views identified as significant in the CMP is minimised, and public access is maximised.
