FISHERIES MANAGEMENT ACT 1994

Section 8 and 11 Notification – Fishing Closure

'First Point of Sale' Prawn Counts, Incidental Catch Ratios and Closure to Commercial Prawning Nets – Clarence River

I, STEVE DUNN, revoke the fishing closure notification "Prawn Counts, Incidental Catch Ratios and Closure to Prawning Nets – Clarence River" published in *Government Gazette* number 42 of 20 February 2004.

I do now by this notification prohibit commercial fishers taking or attempting to take, in the Clarence River, by any method, or possessing prawns taken by any method from the Clarence River, if after grading the prawns the number of prawns is greater than a count of 180 prawns per half kilogram.

I also prohibit commercial fishers taking and possessing prawns by specified methods and in specified parts of the Clarence River if (subject to the conditions attached to this notification):

1. the District Fisheries Officer determines in writing that the specified methods and specified parts of the estuary shall be temporarily closed, when any one of the following criteria is satisfied:
 - a) the number of bream captured by any endorsed estuary prawn trawl fisher averaged across four (4), fifteen (15) minute deployments of trawl nets (whether single or twin gear is used) equals thirty (30) or more individuals per deployment, or

- b) the number of prawns in the ungraded catch (ie. during or immediately after the catch is removed from the cod-end of the net), taken by any endorsed estuary prawn trawl or estuary general fishery is greater than a count of 200 prawns per half kilogram.

This prohibition is effective from the date of publication for a period of five (5) years, unless sooner varied or revoked by the Director-General, NSW Fisheries.

STEVE DUNN,
Director-General,

Conditions:

1. The counts apply to prawns whether green or cooked.
2. The District Fisheries Officer is not authorised to make a determination regarding specified closed waters unless first consulting a joint NSW Fisheries/industry working group that has been formed for the purpose of overseeing the implementation of prawn counts and incidental catch levels that has been duly authorised to do so by the Director-General, NSW Fisheries.
3. A closure made through a determination by the District Fisheries Officer takes effect when a notice is placed or caused to be placed in prominent locations on or adjacent to the waters to which the fishing closure applies. The notice must clearly specify the date and location of the sample or inspection, the methods and/or waters that are closed and the period during which the closure applies.
4. A District Fisheries Officer may undertake samples of prawns from waters closed under this notification using any method to determine the size of prawns and whether those waters, or parts thereof, should remain closed until the expiry of the closure or whether the closure should be extended for a further period.
5. For the purpose of taking samples as provided for in condition 4 above, the District Fisheries Officer may authorise a commercial fishery to take samples within the waters closed under this notification on the District Fisheries Officer's behalf.

Additional notes (not forming part of the closure notification)

1. For the purpose of determining a closed area as provided for in this notification, a District Fisheries Officer may at any time take a sample of prawns to determine the size of prawns taken from those waters.
2. For the purpose of determining a closed area as provided for in this notification, a District Fisheries Officer may at any time inspect a person or vessel's (graded or ungraded) catch to determine the level of incidental catch taken from those waters.
3. Clause 58A of the Fisheries Management (General) Regulation 2002 requires that prawns are graded immediately after the net is retrieved and the unwanted portion of the catch is returned to the water, alive, as soon as practicable (and in any case before the cooking of the retained portion of the catch).

4. This closure applies to commercial fishers. The purpose of the closure is to implement management response 4.2(b) of the estuary general fishery management strategy and management responses 1.3(a) and 2.1(b) of the estuary prawn trawl fishery management strategy.

FISHERIES MANAGEMENT ACT 1994

Section 8 Notification – Fishing Closure

Hunter River Prawn Trawl Closure 2004/2005 to 2009/2010

I, STEVE DUNN, prohibit the taking of prawns and fish by means of trawl nets of every description, and by the method of trawling by means of nets of every description, from all waters of the Hunter River together with all its creeks, tributaries and inlets, from a line drawn south-westerly from the boat ramp adjacent to Punt Road, Stockton, to the eastern extremity of the State Dockyard (Dyke Point), upstream to its junction with the Williams River.

This prohibition will be effective from 6 December 2004 to 28 May 2010, inclusive

This prohibition does not extend to the taking of prawns and fish by a licensed commercial fishery:

- exercising the authority of an endorsement to operate in the Estuary Prawn Trawl Share Management Fishery;
- operating from a licensed fishing boat which has a S4 (Hunter River) Prawn Trawl endorsement; and
- using an otter trawl net (prawns) fitted with a by-catch reduction device approved by the Director-General, NSW Fisheries;

subject to the provisions of this notification.

STEVE DUNN,
Director-General,
NSW Fisheries

Prawn trawling period:

In all subdivisions, from 6:00am to 6:00pm weekdays only, during the period from the first Monday in December to the last Friday in May in the following year (inclusive), excluding each public holiday.

Conditions and Subdivisions

Conditions for periodic closing and opening of prawn trawling between first Monday in December and last Friday in May in the following year

A prawn trawling trial may be undertaken to establish the size and quantity of prawns available. Any trial is to be undertaken in accordance with a "trial method agreement" decided between the District Fisheries Officer, Hunter, and the elected Estuary Prawn Trawl Management Advisory Committee (EPTMAC) representative for the Hunter River. In the event of any dispute the decision of the Director-General, NSW Fisheries will be final. The trial method agreement may also stipulate the number of prawns required to be taken for the fishery to operate in a viable way, and the maximum amount of by-catch to be allowed in any trial.

The size of prawns is to be indirectly established by a random count of prawns from a vessel's unsorted catch (ie. during or immediately after the catch is removed from the cod-end of the net), which shall be weighed and counted to establish the number of prawns per 500 grams. This process is hereafter referred to as 'the count'. For the purposes of this notification the count must be equal to or less than 130 prawns before a subdivision may be opened to prawn trawling.

Any subdivision may be closed by a Fisheries Officer where the count at any time is greater than a count of 130 prawns per half kilogram of the vessel's unsorted catch. Once a count of prawns has been completed, a further trial may not be undertaken for at least 7 days.

Where a subdivision is closed or remains closed due to a high prawn count, subdivisions upstream of that closure are also closed unless a trial is undertaken in that subdivision that meets the relevant criteria. Such further trials are only to be undertaken at the request of the elected EPTMAC representative.

The opening of any subdivision shall be notified by a notice displayed in the Newcastle Fishermen's Co-operative, the NSW Fisheries Office at Newcastle and other prominent locations as agreed between the District Fisheries Officer and representatives of persons entitled to prawn trawl in the Hunter River. The closing of a subdivision shall be notified by notices displayed in the Newcastle Fishermen's Co-operative and the NSW Fisheries Office at Newcastle.

A notice must provide the following information:

- Date of trial and location of trial.
- Prawn count details.
- Prohibited size class of fish by-catch.
- Area of closure.
- Period of closure.
- Proposed date and location of next trial.

A sub-divisional closure is to take effect immediately after the count has occurred, if there are more than 130 prawns per 500 grams.

Holding Tanks and Release Tubes

Fishers must use a holding tank/swim tub to keep fish alive whilst sorting, prior to being discarded.

Fishers must use a plastic tube with a diameter of at least 150mm to release fish which are to be discarded into the water.

Subdivisions

For the purposes of this notification, the following subdivisions of the Hunter River may be closed and opened subject to the conditions of this notice.

Subdivision 1

The waters of the Hunter River downstream of its junction with the Williams River to its junction with Scotch Creek inclusive.

**ANNUAL REPORT AND DETERMINATION OF ADDITIONAL
ENTITLEMENTS FOR MEMBERS OF THE PARLIAMENT OF
NEW SOUTH WALES**

by the

PARLIAMENTARY REMUNERATION TRIBUNAL

pursuant to the

Parliamentary Remuneration Act 1989

24 JUNE 2004

PARLIAMENTARY REMUNERATION ACT 1989 REPORT PURSUANT TO SECTION 13(1) OF THE ACT

1. INTRODUCTION

Section 11 of the Parliamentary Remuneration Tribunal Act 1989 (“the Act”) prescribes that the Parliamentary Remuneration Tribunal (“the Tribunal”) shall make an annual Determination as to the additional entitlements for Members and Recognised Office Holders (as defined under the Act) on or before 1 June in each year or on such later date as the President of the Industrial Relations Commission of New South Wales determines.

Section 13 (1) of the Act requires that the Tribunal make a report to the President of the Industrial Relations Commission of New South Wales for each Determination made by the Tribunal. The President is then required, as soon as practicable after receipt of the report, to forward it to the Minister (see section 13(2)).

On 1 April 2004 the Tribunal commenced proceedings in relation to the annual Determination required for the year 2004 by writing to all Members and inviting submissions. The Tribunal received submissions from the major political parties and some individual Members.

While there were a range of matters canvassed in the submissions the Tribunal does not intend to discuss all in their entirety. As has been the previous practice, the Tribunal has made changes to the Determination without the need for detailed separate reasons being provided. Such changes reflect, in general, minor wording changes to give greater consistency to the Determination.

The submissions have, however, also raised a number of substantive issues which, in the Tribunal’s view, merit further consideration.

2. GENERAL MATTERS RAISED

Additional Entitlements for Shadow Ministers

The Tribunal has received representations from Members of the major Opposition Parties for the reinstatement of additional entitlements for Shadow Ministers.

The Tribunal first determined additional entitlements for Shadow Ministers (being a specific class of Member) in its 2000 Annual Report and Determination. The provision of these additional entitlements followed in the 2001 and 2002 determinations. In 2003, however, following the receipt of advice from the Crown Solicitor, the Tribunal withdrew the provision of additional entitlements for Shadow Ministers. As outlined in the 2003 Report and Determination:

“the Tribunal sought the advice of the Crown Solicitor on the Tribunal’s authority to determine additional entitlements for Shadow Ministers and clarification of those sections of the Act which would allow or prevent the Tribunal from determining additional entitlements for Shadow Ministers. This was necessary to ascertain exactly what the Tribunal’s statutory powers were in determining additional entitlements for Shadow Ministers.

On 16 October 2002 the Crown Solicitor noted that section 10A of the Act provided for additional entitlements to facilitate the efficient performance of parliamentary duties by Members and Recognised Office Holders.

The Crown Solicitor concluded that the Tribunal could not determine additional entitlements for Shadow Ministers as they were not recognised Office Holders for the purposes of the Act. He also advised that the Tribunal could not determine additional entitlements for Shadow Ministers as Members because the duties performed by Shadow Ministers are not the parliamentary duties ordinarily performed by Members. He stated that the safest course of action in providing additional entitlements is to include the 'office' of Shadow Minister in Schedule 1 of the Act.

The Tribunal continues to support the provision of additional entitlements for Shadow Ministers. Shadow Ministers perform an important role in our system of government and, to perform this role properly, require sufficient resources and support.

The Tribunal notes that an amendment to the Act is required. The Tribunal notes that this is a matter for the Government and would recommend again that the Act be amended to allow for additional entitlements to be provided to Shadow Ministers.

Sydney Allowance

The Tribunal's 2003 annual review highlighted the need for a major review of the Sydney Allowance and its conditions of use. In its Report of 30 June 2003 the Tribunal noted that:

"It is clear to the Tribunal that the Sydney Allowance is in need of a fundamental review. All aspects of the Allowance require consideration from the quantum of the daily rate to whether the number of overnight stays - introduced in 1990 - need to be re-assessed in light of the work patterns of Members and Recognised Office Holders. The rules underpinning this entitlement will also need to be examined to ensure they are sufficient to meet the needs of Members and the Legislature. Finally, the Tribunal may also need to assess a definition of "principal place of residence" in connection with this entitlement."

Following the annual review the Tribunal wrote to the Premier on 3 October 2003 seeking a special reference to review the Sydney Allowance. The Premier, in his letter of 15 October 2003, agreed to the Tribunal's request and provided the Special Reference pursuant to section 12 of the Act.

The Tribunal wrote to those Members currently in receipt of the Sydney Allowance as well as the Presiding Officers and met with those who wished to discuss particular issues.

The Tribunal prepared a draft report and determination. On 8 April 2004 the Tribunal received a request from the Premier to defer the implementation of the Determination for a period of 12 months. The Premier has expressed his concern that with restrictions on expenditure being imposed in the public sector any potential increase in allowances to Members would run counter to the broad thrust of budget restraint.

The Tribunal considered the Premier's request carefully and agreed to defer making the determination for a period of 12 months. This means that the determination on the Sydney Allowance will not be made until March 2005. The Tribunal will write to Members nearer the time of the completion of this review to determine whether there are any additional matters to be put to the Tribunal for consideration.

Rulings of the Tribunal

One Member has requested that the Tribunal make a Ruling relating to the Member's use of particular additional entitlements. Section 17A of the Act provides that only the President of the Legislative Council or the Speaker of the Legislative Assembly may request the Tribunal to give a ruling on the interpretation or application of a determination. The Tribunal has not received a request from the Presiding Officers in relation to the matters raised by the Member in question.

The Parliament is responsible for the administration of additional entitlements in a manner consistent with the guidelines and general conditions outlined in the Tribunal's determination. It is the role of the Parliament to determine whether or not a Member should receive specific additional entitlements on a case by case basis, and based on the conditions determined by the Tribunal.

Publication of Members' Additional Entitlements

The Premier has written to the Tribunal referring to the recommendation made by the Auditor-General in his Report to Parliament 2004 (Volume One) that Members' expenditure be published.

The Auditor-General considers that the publication of individual Members' spending of each additional entitlement would increase transparency and accountability to the NSW public. He also recommends that the financial report should be tabled in the Parliament each year. The Tribunal has also received a submission, as part of the annual review process, in support of the Auditor General's proposed changes.

While the Auditor General's recommendation has merit the Tribunal notes that its determination already contains a significant amount of information to inform Members and the public on the range and level of additional entitlements available to Members of Parliament. The Logistic Support Allocation, Sydney Allowance and Electoral Allowance entitlements provide maximum amounts against which Members can expend.

In addition to the dollar value of these entitlements, the Determination provides definitions and guidelines to assist members in the use of these entitlements. Members may not exceed these entitlements, and with the exception of the Electoral Allowance, are required to reimburse to the Parliament any unspent portion.

The Tribunal would support the Auditor General's recommendations but does not consider that it should make a determination on this issue at this time. At this stage it should be a matter for the Presiding Officers. The Tribunal is however, willing to further consider this issue during the 2005 annual review. Submissions outlining additional information or concerns from the Auditor General and Members would be welcome at that time.

Definitions

The Tribunal's determination does not prescribe a definition of spouse, de facto or approved relative in the context of additional entitlements. Members are currently entitled to use their Logistic Support Allocation to make appropriate travel arrangements for their spouse, de facto or approved relative. Any such travel must be undertaken in connection with a Members' parliamentary duties.

The Tribunal has become aware that inconsistencies exist between the definition of spouse, de facto or approved relative contained in guidelines provided by the Legislative Council and the Legislative Assembly. The Tribunal is concerned that these differences may lead to confusion or abuse of entitlements.

The Tribunal has examined the current definitions and has determined an appropriate definition for use in the context of Members' additional entitlements. That definition is included in the Determination.

REVIEW OF ADDITIONAL ENTITLEMENTS

Electoral Allowance

The Tribunal has received a number of submissions seeking adjustments to the Electoral Allowance in line with movements in the Consumer Price Index (CPI). This method is consistent with the Tribunal's approach to adjusting this allowance in recent years. For this review the Tribunal has considered movements in the CPI and other economic indicators and has determined that the Electoral Allowance will increase by 3 per cent.

Sydney Allowance

As previously discussed in the report, the Tribunal has undertaken a review of the Sydney Allowance. At the request of the Premier the Tribunal has deferred the making of the determination until March 2005. Prior to making its determination the Tribunal will again consider any matters relevant to the review. In the mean time the Tribunal will adjust the allowance in line with movements in the CPI and other economic indicators, i.e. 3 per cent.

Logistic Support Allocation (LSA)

The Tribunal introduced the LSA in 2000 as a means of grouping a broad range of entitlements formerly available to Members in various forms. To simplify these entitlements the Tribunal determined a monetary value for each entitlement and grouped them into four broad areas of activity. Each Member was allocated an LSA account to which various expenditures incurred under the four broad areas would be debited.

LSA budgets were based on electorate Groupings for the Legislative Assembly and Zones for the Legislative Council. Budgets were based on actual expenditure figures obtained from the Legislature.

Members are given the flexibility to use the LSA to meet their particular needs in the performance of their parliamentary duties. Members are able to carry forward unspent entitlements and may manage the funds as they deem appropriate. Accountability and transparency in the use of the LSA are provided through the rules imposed by the Tribunal including an annual audit requirement.

A number of submissions again raise the issue of approved items which may be expended from the LSA. The Tribunal provides a list of items which may be funded from a Member's LSA which it does not intend to add to at this time. As outlined in the 2003 Determination, the Presiding Officers may exercise their discretion in permitting expenditure for items not on the "List".

Another submission seeks an increase in the communication non-electronic component of the LSA for Members of the Legislative Council to reflect increased postage costs and in recognition that these members are not eligible to receive the Electoral Mailout Account.

In the Tribunal's initial determination the communication – non-electronic component was, for the most part, based on the actual number of stamps Members' received. This allowance has increased steadily since that time as demonstrated in the following table:

	Communication – non-electronic	
	Legislative Assembly	Legislative Council
1999 Initial Determination	\$9,400	\$2,800
2000 Annual Determination	\$11,000	\$2,800
2001 Annual Determination	\$11,770	\$3,000
2002 Annual Determination	\$11,770	\$3,000
2003 Annual Determination	\$12,170	\$3,100

The cost of standard postage was increased by 5 cents or 11 percent in January 2002. As indicated above the Tribunal has provided an equivalent increase in the communication - non-electronic component of the LSA since the scheme was first introduced in 2000. The Tribunal does not consider that any further increase is warranted in the communication non-electronic component of the LSA.

The Tribunal provided an increase of 3.4 percent in the LSA for the 2003 annual review. On this occasion the Tribunal will adjust the allowance in line with movements in the CPI and other economic indicators, i.e. 3 percent.

Committee Allowance

The purpose of this Allowance is to remunerate Members serving as Chairpersons on Committees for the extra time and effort required to carry out this role. In previous Determinations this allowance has been increased in line with Members' salary increases.

Member's salaries were increased from 1 July 2003 by 4 percent. In accordance with normal practice, therefore, the Committee Allowance will be increased by 4 percent.

Reimbursement of Expenses for Charter Transport for Members of the Legislative Assembly

Electorate charter transport allowances for Members of the Legislative Assembly were reviewed in 2002 when the Tribunal provided for an increase of 15 percent. No further increase was provided in 2003. This year, in response to submissions received, the Tribunal has undertaken a review of these costs.

As part of this review, the Tribunal has undertaken a survey of fees charged by air charter transport operators. The results of the survey indicate that since 2002 fees have increased by approximately 8 percent. Air charter operators have attributed the increase to increased fuel, insurance and landing costs. Having regard to the above, the Tribunal has determined that an increase of 8 percent in the maximum amount reimbursable for charter transport for members of the Legislative Assembly. Actual amounts and conditions applying in respect of charter transport allowances are specified in the annual determination.

In addition, the Tribunal has considered a request to amend condition 5 of the Charter Transport Allowance guidelines. Currently, the Determination provides that where the only source of available charter transport is outside the boundaries of the electorate, the reasonable additional expenses consequently incurred may be included in the reimbursement available under this determination.

The Tribunal has now been advised that in certain circumstances, while charter transport services may exist within an eligible member's electorate, these may not necessarily be the most convenient for the eligible member to use.

The Tribunal considers that, especially in the larger rural electorates where members are often required to travel long distances, a members should be able to access their closest charter transport provider whether that be located inside or outside of their electorate. As such, the Tribunal has agreed to amend condition 5 of the Charter Transport Allowance to allow a member to use the closest charter transport provider to his/her electorate office or principal place of residence.

Travelling Allowances for Recognised Office Holders

The Tribunal has undertaken a review of the travelling allowances paid to Recognised Office Holders. The Tribunal's Determination is based on those rates provided to NSW Public Servants and those deemed "reasonable" by the Australian Taxation Office (ATO). In both the NSW Public Sector and ATO guidelines, travel allowances are differentiated on the basis of destination and salary level of officer.

In previous determinations the Tribunal has classified Recognised Office Holders into one of three groups for the purpose of providing travelling allowances. These groupings have been amended to ensure compatibility with guidelines applicable in the NSW Public Sector. Based on those guidelines, Recognised Office Holders and all Members fall within either Group One or Group Two for the purpose of determining allowances for travel. The Tribunal has made an appropriate adjustment to reflect these changes.

In addition, the Tribunal has included a number of Recognised Office Holders not previously listed in the Tribunal's determination. The list of Recognised Office Holders eligible to receive travelling allowances now reflects those Recognised Office Holders listed in Schedule 1 of the Act.

Recognised Office Holder and Other Member Entitlements

The Tribunal has received a number of submissions seeking changes to the additional allowances for recognised office holders and other member entitlements. These allowances are expressed as a percentage of each of the four components of the LSA and were originally calculated on the basis of actual additional entitlements provided to the various office holders i.e., number of stamps in addition to those provided to an ordinary member.

The Tribunal has made a small adjustment to the printing, stationery and office supplies component for a Party Leader (not less than 10 Members). This allowance has been increased from 20 percent to 40 percent to bring it in line with allowances provided to other equivalent office holders.

While the Tribunal has been asked to adjust these additional allowances for other recognised office holders, it has not received any details of additional costs incurred or any rationale to warrant such increases. In light of this the Tribunal has determined no further adjustments are to be made to these allowances at this time.

Sydney Allowance	3 percent increase
Logistic Support Allocation	3 percent increase
Electorate Mailout Account	No increase

 - 1.1.12 Participation in a Parliamentary Group such as the Asia Pacific Friendship Group; provided that, such group is approved in writing by the President of the Legislative Council and the Speaker of the Legislative Assembly. Such written approval shall be forwarded to the Tribunal.

2. Where any additional entitlement fixed by this Determination is to be used for the purpose of facilitating Members' participation in the activities of recognised political parties, the Tribunal sets out the following guidelines as to the use of that additional entitlement:
 - 2.1 Parties registered under the *Parliamentary Electorates and Elections Act 1912*, and included in the register of parties maintained by the Electoral Commissioner, are to be treated as recognised political parties.
 - 2.2 Additional entitlements should not be used to fund:
 - 2.2.1 activities such as those associated with party Membership drives;
 - 2.2.2 mail distributions for non-electorate or non-Parliamentary activities;
 - 2.2.3 costs associated with election campaigning for an individual Member;
 - 2.2.4 fund raising for other party political Members (such as the purchase of raffle tickets, raffle prizes or tickets to attend functions, etc); and
 - 2.2.5 costs previously borne by political parties which are not principally related to a Member's Parliamentary or electorate duties.
 - 2.3 The electorate office provided for a Member of the Legislative Assembly is not to be used as an election campaign office.
3. The Tribunal sets out the following additional and general guidelines:
 - 3.1 Some intermingling of a Member's Parliamentary duties and private activities is in practical terms not always easily avoided, but the onus is always on the Member to show that any expenditure or any claim for reimbursement relates to Parliamentary duties, or to the Parliamentary duties component of costs incurred for intermingled Parliamentary duties and private purposes.
 - 3.2 In the case of electorate work, any activities within the electorate, and in respect of which a Member's involvement may reasonably be regarded as deriving from the Member's status as the Parliamentary representative for the electorate, should be treated as Parliamentary duties.
 - 3.3 In the case of Parliamentary work, any activities in which a Member's involvement may reasonably be regarded as deriving from the Member's responsibilities as a Parliamentary representative should be treated as Parliamentary duties.
 - 3.4 In the case of a Member's activities within the broader community outside the Member's electorate, activities that may reasonably be regarded as deriving from the Member's status as a Parliamentary representative should be treated as Parliamentary duties.

2. **Conditions**

The following general conditions will apply to all additional entitlements determined hereunder. These conditions are in addition to any special conditions attaching to the provision of allowances or other benefits (as specified later in this Determination):

1. All procurement by Members will be in accordance with the Parliament's purchasing policies.
2. Members must ensure that they have sufficient funds to meet the costs associated with their Parliamentary duties.

3. Each Member shall have, in addition to payments of the Electoral and Sydney Allowance, an account entitled the "Logistic Support Allocation" which shall cover expenditure in the areas of transport (excepting for electorate to Sydney travel), communications, printing and stationery and office supplies.
4. The Logistic Support Allocation shall be established and maintained by the Clerks of the Parliament. Members should be advised by the Clerks each month as to the balance of their Logistic Support Allocation
5. The funds in the Logistic Support Allocation shall only be used by the Member to carry out the purpose for which the allowance is established, but otherwise may, subject to these conditions, manage the funds as he/she thinks appropriate.
6. Nothing shall prevent the use of the Electoral Allowance for legitimate electorate expenses which might also fall within the categories of expenses covered by the Logistic Support Allocation.
7. All accounts and Members' claims must be submitted to the Legislature for payment within 60 days of receipt or occurrence of the expense.
8. All Members' additional entitlements in the nature of fixed allocations and Sydney allowance provided to Members shall be audited annually for compliance. In addition to any internal audit conducted by the Parliament, Members' additional entitlements in the nature of fixed allocations and the Sydney allowance provided to Members shall be the subject of an external audit conducted by the Auditor-General of NSW. The cost of any audit shall be met by the Parliament. Members should ensure they maintain appropriate records of expenditure for the purpose of any audit.
9. Expenditure is only to be incurred in connection with the Parliamentary duties of Members (and in this respect the Member should refer to the guidelines in this Determination).
10. The various allowances determined here, as well as the Logistic Support Allocation are for the sole use of the Member and are not to be transferred to other persons or organizations including Members. The Member may use his/her entitlements to meet official costs of the approved relative and/or staff employed by the Parliament when that expenditure is in connection with official Parliamentary duties.
11. Benefits accrued by a Member by way of loyalty/incentive schemes such as frequent flyers, as a consequence of the Member using his or her additional entitlements, are to be used only for Parliamentary duties and not for private purposes. Any outstanding benefits of this nature, when the Member ceases to be a Member, are to be forfeited.

ADDITIONAL ENTITLEMENTS IN THE NATURE OF ALLOWANCES

Purpose and Operation of the Provision

The allowance is based upon those factors which have historically been taken into account in assessing the quantum of the allowance (including the additional costs associated with the performance by Members of their Parliamentary duties in their electorates) and such other factors as may be determined from time to time as appropriate to be taken into account by the Tribunal under the Act.

Members whose principal place of residence is in either Category 1 or Category 2 electorates, as specified in Schedule 2, are eligible to receive the Sydney allowance.

Entitlement

The daily rate (including the number of overnight stays) and the annual amount for the Sydney allowance for categories 1 and 2 shall be in accordance with Table 1 below. Where a Member elects for a daily rate, he/she shall be entitled to the daily rate for the number of overnight stays per annum specified in that Table, except as provided in conditions 3 and 4.

TABLE 1

	Residence	Daily Rate			Annual amount
		Overnight Stays p.a.	Overnight in Sydney	In Transit to and from Sydney

2. Where a Member chooses to receive the daily rate of allowance the Member shall receive the overnight daily rate as specified in Table 1 at the 'Sydney' or the 'transit to and from Sydney' rate as applicable. The Member is entitled to the number of overnight stays per annum specified in Table 1 without the need to substantiate to the Parliament expenses up to the daily rate.
3. Where the reasonable daily costs exceed the daily rate, full substantiation of daily costs will be required (including tax invoices/receipts).
4. Where the number of overnight stays is exceeded, documentary evidence of each overnight stay will be required.
5. When in receipt of the annual allowance Members are required to certify at the end of the financial year the number of occasions they stayed in Sydney and that on each occasion the stay was for Parliamentary business. Members who nominate to receive the annual allowance cannot claim for additional overnight stays in excess of those specified in Table 1.
6. Members will need to maintain records or other relevant evidence that clearly document the occasions they stayed in Sydney in connection with their Parliamentary duties. Such documentation could include airline boarding passes for arrival and departure from Sydney or any other documentary evidence of having travelled and stayed in Sydney in connection with Parliamentary duties.

7. Members in receipt of the annual amount will be required to return to Parliament the unspent portion of the Allowance for re-credit of the Consolidated Fund.
8. Members are not to claim the Sydney Allowance if they stay in Government owned or funded accommodation including Parliament House.

3. Committee Allowances

Purpose and Operation of the Provision

Committee Allowances are paid to Chairpersons of Joint, Select and Standing Committees in recognition of the additional responsibilities of the office. Because of the statutory nature of the Public Accounts Committee and its role in Government activities, an annual rate of allowance is payable to Members of the Public Accounts Committee.

Entitlement

The allowances shall be paid as follows:

Members of the Legislative Council and the Legislative Assembly serving as Chairpersons of Joint Committees, Select Committees and Standing Committees shall be paid the sum of \$139.00 for each day upon which they attend a meeting or an official visit of inspection if that day is one upon which the Legislative Council (so far as a Member of the Council is concerned) or the Legislative Assembly (so far as a Member of the Assembly is concerned) is not sitting. This allowance is not payable to Chairpersons in receipt of a salary of office as specified in Schedule 1 of the Parliamentary Remuneration Act 1989.

Members of the Public Accounts Committee, other than the Chairperson, shall each receive a committee allowance of \$3,170 per annum.

8. A Member's air transport bookings for Parliamentary duties are to be made through the booking agent nominated in the NSW government travel contract, for all types of transport covered by the contract. 2. It is the primary responsibility of Members to ensure that they manage their Logistic Support Allocation Account to ensure that they do not over-expend their budgets. 6. The Presiding Officers are to provide administrative support to each Member in accordance with the following:
 - i. Subject to (ii), each Member of the Legislative Assembly shall have two staff Members employed at each electoral office.
 - ii. Each Member of the Legislative Assembly elected as an Independent shall have an additional staff Member employed at his/her electoral office.

- iii. Each Member of the Legislative Council, who is not a Minister, shall be entitled to one staff Member. When the staff Member is on annual recreation leave or other extended period of leave, a relief staff member may be employed for the period of absence.
- iv. Each Member of the Legislative Council, who is not a Minister, and who is elected as a cross bench Member shall be entitled to two staff Members.
- v. Ministers shall receive a reasonable allocation of staff Members.
- vi. This provision specifies the minimum staffing required in electorate offices. Nothing in this Determination removes from the employer of staff the obligations arising under the Occupational Health and Safety Act 2000.

Advice of the Secretary of Treasury Pursuant to Section 12(A) of the *Parliamentary Remuneration Act, 1989*

The following comments on the Parliamentary Remuneration Tribunal's 2004 annual determination are made pursuant to Section 12 (A) of the *Parliamentary Remuneration Act, 1989* by the Secretary of the Treasury.

Financial Implications

The 2004 annual determination is fundamentally consistent with the previous determination and the NSW Budget Administration and Policy framework.

The table below shows the variation in entitlements over the 2003 determination.

For the purpose of calculating the costs, the estimates are based on the 2003 composition of the Legislative Assembly and the Council membership. It is also assumed that there were no changes to the electorate groupings. Estimates have not been provided where the maximum remuneration limits for the particular allowances are not defined. The Sydney allowance is calculated on the annual amount allocated to members.

ENTITLEMENT	2003 DET.	2004 DET.	CHANGE
Electoral Allowance	\$ 5,402,851	\$ 5,564,936	\$ 162,085 (3%)
Sydney allowance*	\$ 1,410,500	\$ 1,452,815	\$ 42,315 (3%)
Committee Allowance**	\$ 15,250	\$ 15,860	\$ 610 (4%)
Logistic Support Allocation	\$ 3,496,450	\$ 3,601,344	\$ 104,894 (3%)
Electorate Mail-out Account	\$ 5,600,000	\$ 5,600,000	NIL
Electorate Charter Transport Allowance - LA Members	\$ 89,980	\$ 97,178	\$ 7,198 (8%)
Travelling Allowance for Recognised Office Holders	Not Estimated	Not Estimated	Increased***
Recognised Office Holder & Other Member Entitlement	Not defined	Not defined	Minor increase
TOTAL MINIMUM EXPENDITURE	\$ 16,015,031	\$ 16,332,133	\$ 317,102 (2%)

- * Calculated on annual amount allocated to members
- ** Includes members of Public Account Committee only
- *** Adjusted in line with movements in public sector rates

Member entitlements have increased by a minimum of **\$317,102** over the 2003 determination, which represents a rise of 2 percent.

The increase in Electoral Allowance, Sydney Allowance and Logistic Support Allocation is above the projected **Sydney CPI of 2.5 percent** for year 2004-05 and a **4 percent** increase granted to Committee Allowance reflects increases in Members' salaries. The **8 percent** increase to the Electorate Charter Transport Allowance reflects the general cost increase in the transport industry.

While the Electorate Mail-out Allowance has not increased, the increases to the Travel Allowance to Recognised Office Holders and the inclusion of newer Office Holders in the eligibility list may drive up the expenditure slightly.

The increase in entitlement is supported, however considering the Government's tight fiscal position, the increase should be fully met from the escalation provided in the 2004-05 Budget.

Accountability and Control

While retaining flexibility, the Parliamentary Remuneration Tribunal has maintained strict guidelines to ensure greater accountability and transparency over the use of entitlements by Members.

TRAVEL AGENTS ACT 1986 LIST OF LICENSED TRAVEL AGENTS

SECTION 40 (2) of the Travel Agents Act 1986 requires the Commissioner for Fair Trading to publish in the Government Gazette from time to time a list of licence holders.

Section 40 (7) of the Act deems the supplier of travel services to an unlisted travel agent to have aided and abetted that person in carrying on business as a travel agent. Thus the supplier could be subject to the same penalty of 500 penalty units as the agent is trading without a licence.

Suppliers of travel services should not deal with an unlisted person or corporation unable to produce a travel agent's licence.
