CHARITABLE TRUSTS ACT 1993

Notice Under Section 15

Proposed Cy-pres Scheme Relating to the Craven Assembly Church of Open Brethren

SECTION 9 (1) of the Charitable Trusts Act 1993 permits the application of property cy-pres where the spirit of the original trust can no longer be implemented.

On 25 June 1926, William James Yates, Walter Sidney Blanch and William Dean Wood purchased land being Block 39 of the Gloucester Estate Limited Avon Valley Subdivision. On the same day, by Declaration of Trust, the purchasers gave the land to the "Craven Union Church" and declared that the land be held on trust "to permit the said Church to use and enjoy the said hereditaments and premises and to receive the rents and profits thereof for and during the continuation or existence of the said Church". The Craven Union Church is the local assembly in Craven of a religious organisation called the Open Brethren or the Christian Brethren ("the Brethren").

In addition, an account with the Westpac Banking Corporation in the name of Assembly Hall Craven contains approximately \$2,795.02, comprising money donated by members of the Brethren during collections taken in services conducted in the Church.

The Church has not been used as a place of worship by either the members of the Craven Brethren or by any other religious denomination since 1982, and because there is only one remaining member of the Church living in Craven, the Acting Solicitor General has determined that it is appropriate for a cy-pres scheme to be ordered pursuant to section 12 (1) (a) of the Charitable Trusts Act 1993. The proposed scheme authorises the sale of land held on trust for the Craven Union Church and the application of the proceeds of the sale of the land and the proceeds of the Westpac Bank account to be used for the purpose of supporting evangelists and missionaries of the Church in Australia and overseas in their evangelical and missionary work.

Take note that within one month after the publication of this notice any person may make representations or suggestions to the Attorney General in respect of the proposed scheme.

A copy of the proposed scheme may be inspected, by appointment, during business hours at Level 9, Goodsell Building, 8-12 Chifley Square, Sydney. Please telephone (02) 9228 7799 for an appointment.

LAURIE GLANFIELD,
Director General,
Attorney General's Department

CHARITABLE TRUSTS ACT 1993

Order Under Section 12

Varying the Cy-Pres Scheme in Relation to the John Williams Memorial Hospital

BY Declaration of Trust dated 22 August 1951, Ernest Williams declared a trust leaving property at 35-45 Water Street Wahroonga NSW to the Crown on trust that it would be used as a convalescent home for NSW children with infantile paralysis or, when not used for that purpose, as an annexe for

the Royal Alexandra Hospital for Children Sydney to relieve pressure of accommodation on the main Hospital. The Trust property was named the John Williams Memorial Hospital (JWMH). Following a decrease in the number of children with infantile paralysis, the JWMH came to provide respite care for children with severe intellectual disabilities.

In 1980 the Supreme Court made declarations and orders that trusts be effected cy pres to allow the JWMH to be used for the care of physically and intellectually disabled children under the administration of the Hornsby and Ku-ring-gai Hospital. The JWMH Trust property was then administered by the Department of Health.

In 1989 an agreement was reached between the Minister for Health and the Minister for Family and Community Services that the then Department of Family and Community Services would take over from the Department of Health the provision of services for people with developmental disabilities. The responsibility for the Trust property fell within the transfer of such services. In 1991 the Department of Family and Community Services became known as the Department of Community Services (DOCS).

In 1995 the Attorney General applied to the Supreme Court to vary the 1980 scheme, to transfer the administration of the Trust Property from the Department of Health to the Director General of DOCS.

In 2002, the Attorney General approved an application by the Director General of DOCS to vary the Trust by permitting the sale of the Trust property and the proceeds of the sale to be applied towards the cost of purchasing and building 'respite and care service buildings' for disabled children. In August 2002, His Honour Justice Palmer approved the variation of the JWMH Trust in relation to the sale of the Trust property and made orders accordingly. However pursuant to this scheme, only the Director General of DOCS was authorised to carry out administration of the JWMH Trust, including the specific power to sell and purchase or build trust property.

Disability Services were transferred to the Department of Ageing, Disability and Home Care (DADHC) from DOCS in 2001. DADHC wished to sell the trust property and apply the proceeds of sale to purchase other trust properties to provide respite care and accommodation for children with a disability.

In August 2004 the Director General of DADHC formally requested that the Attorney General approve the transfer of the administration of the JWMH Trust from the Director General of DOCS to the Director General of DADHC. The Attorney General has the power to approve such application, pursuant to Order 6 of the Orders made by Palmer J in August 2002, in so far as the application does not seek to vary the substance of the trust.

I have formed the view that a transfer of the administration of the Trust property from the Director General of DOCS to the Director General of DADHC so as to transfer the powers of sale and purchase would not affect the substance of the JWMH Trust and would fall within the terms of the referral by the Court to the Attorney General.

I approve the application for the transfer of the administration of the John Williams Memorial Hospital Trust from the Director General of DOCS to the Director General of the DADHC.

Therefore, pursuant to section 12 of the Charitable Trusts Act, I hereby order that the administration of the John Williams Memorial Hospital be transferred from the Director General of DOCS to the Director General of the DADHC, such Order to take effect 21 days after its publication in the Government Gazette, in accordance with section 16 (2) of the Charitable Trusts Act.

Date of Order: 31 January 2005

THE Environment Protection Authority declares the following land to be a remediation site under the Contaminated Land Management Act 1997 ("the Act"):

1. Land to which this declaration applies ("the site")
 - Lot 1, DP1048142 currently used as a car park.
 - Part of Lot 7, DP 758013 currently used as a childcare centre.
 - Part of Lot 1, DP 849269 currently used as a car park.
 - Lot 9, DP 758013 currently used commercially.
 - Lot 1, DP 784635 currently used commercially.

A map of the site is available for inspection at the offices of the Department of Environment and Conservation at Level 15, 59-61 Goulburn Street, Sydney and on 4th Floor, 553 Kiewa Street, Albury.

2. Nature of the substances causing the contamination:

The contamination detected at the site consists of separate phase and dissolved phase petroleum hydrocarbons including monocyclic, polycyclic, and heterocyclic hydrocarbons and solvents.

3. Nature of harm that the substance may cause:

The EPA has considered the matters in s.9 of the Act and determined that the land is contaminated in such a way as to present a significant risk of harm for the following reasons:

The chemicals detected at the site include known, probable and possible human carcinogens as well as compounds that are toxic to aquatic ecosystems. The contaminants are present at high concentrations. Human exposures to the chemicals may result from the inhalation of volatile emissions, the use of groundwater (e.g., for irrigation of domestic gardens or park land) and contact with contaminated groundwater during excavation and/or maintenance works. Aquatic species may become exposed to the chemicals should the contaminated groundwater ultimately discharge into the Murray River. In addition, vapours associated with nonaqueous phase liquids that exist in parts of the site may present an explosion hazard.

4. Further action under the Act

The making of this declaration does not prevent the carrying out of a voluntary remediation of the site and any person may submit a voluntary remediation proposal for the site to the EPA. If the proposal satisfies the requirements of section 26 of the Act, the EPA may agree not to issue a remediation order to the person or persons bringing the proposal.

5. Submissions invited

The public may make written submissions to the EPA on:

- Whether the EPA should issue a remediation order in relation to the site; or
- Any other matter concerning the site.

Submissions should be made in writing to:

Director Contaminated Sites
Department of Environment and Conservation
PO Box A290
Sydney South NSW 1232
or faxed to: 02 9995 5999

by not later than 4 March 2005.

CAROLYN STRANGE,
Director Contaminated Sites,
Department of Environment and Conservation
(by Delegation)

NOTE:

Remediation order may follow

If remediation of the site or part of the site is required, the EPA may issue a remediation order under section 23 of the Act.

Variation/Revocation

This declaration remains in force until it is otherwise varied or revoked. A declaration may only be revoked when the EPA does not have reasonable grounds to believe that land is contaminated in such a way as to present a significant risk of harm (section 44 of the Act).

Information recorded by the EPA

Section 58 of the Contaminated Land Management Act 1997 requires the EPA to maintain a public record. A copy of this remediation declaration will be included in the public record.

Information recorded by councils

Section 59 of the Act requires the EPA to give a copy of this declaration to the relevant local council. The council is then required to note on its planning certificate issued pursuant to section 149 (2) of the Environmental Planning and Assessment Act that the land is currently an area covered by a declaration issued under the Act. The EPA is required to notify council as soon as practicable when the declaration is no longer in force and the notation on the section 149 (2) certificate is removed.

ENVIRONMENTAL GUIDELINES: ASSESSMENT, CLASSIFICATION AND MANAGEMENT OF LIQUID AND NON-LIQUID WASTES (EPA 1999)

Addendum to Tables A3 and A4

THE Environmental Guidelines: Assessment, Classification and Management of Liquid and Non-Liquid Wastes (EPA 1999) under subpart (f) of '3.4.3 Rules for assessing and classifying non-liquid waste' (page 24) states that: "If the waste contains potentially toxic and/or ecotoxic contaminants not listed in Tables A3 and A4, the person doing the assessment must ask the EPA to provide assessment criteria for these contaminants and then must assess the waste against these criteria as well."

As a result of receiving requests, in accordance with the above requirement, the EPA has determined the following values of total concentration, for insertion into Table A3, and of leachable concentration and total concentration, for insertion into Table A4 of the Environmental Guidelines: Assessment, Classification and Management of Liquid and Non-Liquid Wastes (EPA 1999). These values are to be used for the assessment of waste containing these chemical contaminants. The following tables show details of all new contaminants added since publication in May 1999, including those previously gazetted.

**STATUTORY AND OTHER OFFICES
REMUNERATION ACT 1975**

Statutory and Other Offices Remuneration Tribunal

Report and Determination: Acting Deputy President of the Workers Compensation Commission.

REPORT:

Background:

- On 14 January 2005, the Premier of New South Wales, the Hon Bob Carr MP, directed the Statutory and Other Offices Remuneration Tribunal (SOORT), pursuant to section 14(2) of the Statutory and Other Offices Remuneration Act 1975 (the Act), to make a determination concerning the salary to be paid to the Acting Deputy Presidents of the Workers Compensation Commission (WCC).
- The WCC was established in 2001 to provide a fair and cost effective system for the resolution of disputes under the Workers Compensation legislation. The WCC is intended to provide a timely service to ensure workers' entitlements are paid promptly and that where necessary it provides an independent dispute resolution service that is effective in settling matters between the parties in accordance with the legislation.
- The Commission comprises a President, two Deputy Presidents a Registrar and Arbitrators. Recent amendments to the Workplace Injury Management and Workers Compensation Act 1998 establish a new part time office of Acting Deputy President to be appointed by the Minister.
- Consequential amendments to the Statutory and Other Offices Remuneration Act 1975 provide that the Tribunal is to determine the remuneration for the new office.
- The President of the Worker's Compensation Commission, the Hon Justice Terry Sheehan has suggested that the daily rate for the Acting Deputy Presidents should be equivalent to that of Acting Judges of the District Court.

Review:

- The Workplace Injury Management and Workers Compensation Act 1998, provides details of the circumstances under which Acting Deputy Presidents may be appointed.
- Schedule 5 Clause 7A of the Act provides:
 - "...(1) If a Deputy President is absent from duty, the Minister may appoint a person to be an Acting Deputy President during the absence of the Deputy President.
 - (2) The Minister may make an appointment for a particular absence or for any absence that occurs from time to time.
 - (3) The Minister may also appoint such additional Acting Deputy Presidents as the Minister determines may be necessary having regard to the workload of the Commission and the need for the proper and efficient exercise of its functions."

Clause 7A also sets out the role, duties and responsibilities of the Acting Deputy Presidents viz:

- "...(7) An Acting Deputy President has the functions of a Deputy President and anything done by an Acting Deputy President in the exercise of those functions has effect as if it had been done by a Deputy President."

8. Under the legislation, the Acting Deputy Presidents will perform similar duties and assume similar responsibilities as the full time Deputy Presidents.
9. As with Acting Judges of the Supreme Court and the District Court, Acting Deputy Presidents will be appointed on a daily basis during their term of appointment. Remuneration for these office holders, will, as in the case of Acting Judges, be determined on a daily basis.
10. The President of the Workers Compensation Commission has suggested that the daily rate should be identical to that of Acting Judges of the District Court. This is consistent with previous submissions, made for the 2003 and 2004 annual reviews, from both the President and the full time Deputy Presidents that remuneration of full time Deputy Presidents should be identical with that of District Court Judges. On both occasions the Tribunal considered these submissions and determined that a link with the remuneration of a District Court Judge would be inappropriate.
11. The Tribunal can see no reason why the remuneration of the Acting Deputy Presidents should be linked to the part time rates of Acting Judges of the District Court when no such link exists between the full time equivalent office holders.
12. The daily rates of Acting Judges of the Supreme Court and District Court are calculated from the full time rates for the respective offices. The Tribunal considers that the same principle should be adopted in this instance.
13. The Tribunal considers that the remuneration for Acting Deputy Presidents of the Workers Compensation Commission should reflect the daily equivalent of the full Deputy President rate, noting that Acting Deputy Presidents will exercise the same functions as the full time Deputy Presidents.

DETERMINATION:

Pursuant to section 14 of the Act, the Tribunal determines that the rate of remuneration for Acting Deputy Presidents of the Workers Compensation Commission shall be \$855 per day.

WORKPLACE INJURY MANAGEMENT AND WORKERS COMPENSATION ACT 1998

Workcover Authority of NSW

Guideline on Market Rate of Remuneration for
Assessment of Trust Distributions as Wages

I, Jon Blackwell, the Chief Executive Officer of the WorkCover Authority of New South Wales, under section 376 of the Workplace Injury Management and Workers Compensation Act 1998 and section 174AA (7) (c) of the Workers Compensation Act 1987, issue the following Guideline.

JOHN WATSON,
Acting Chief Executive Officer,
WorkCover Authority

Date: 27 January 2005

Workcover Authority of NSW

Guideline on Market Rate of Remuneration for
Assessment of Trust Distributions as Wages

Explanatory Note

This Guideline is issued under section 376 of the Workplace Injury Management and Workers Compensation Act 1998 and section 174AA (7) (c) of the Workers Compensation Act 1987. The Guideline sets out a default market rate of remuneration for the assessment of trust distributions as wages in cases where the market rate cannot be determined by reference to a State or Commonwealth industrial instrument.

This Guideline will come into effect on the date it is published in the Gazette.

1 Introduction

- 1.1 Under section 174AA of the Workers Compensation Act 1987, a distribution by a trust to a beneficiary who works for the trust is to be included in the worker's wages for the purpose of calculating workers compensation insurance premium, to the extent that the distribution is paid in lieu of wages.
- 1.2 A distribution is considered to be in lieu of wages where there is a wages shortfall. A wages shortfall

occurs when the total wages paid to a working beneficiary (not including distributions from the trust) are less than the 'market rate' for the work.

1.3 Subsection 174AA (7) sets out the mechanism for the determination of a market rate. It provides:

- (7) The market rate for work is the minimum wage rate applicable in respect of the work (or work that is comparable to the work):
- pursuant to an industrial instrument in force under a law of the State, or
 - if paragraph (a) does not apply, pursuant to an industrial instrument in force under a law of the Commonwealth, or
 - if neither paragraph (a) nor (b) applies, as provided by the WorkCover Guidelines or as determined and notified by the Authority in the particular case.

2 Market Rate where neither a State nor Commonwealth Industrial Instrument applies

2.1 If the market rate cannot be established under a State industrial instrument (section 174AA (7) (a)) or a Commonwealth industrial instrument (section 174AA (7) (b)), the market rate to be applied pursuant to section 174AA (7) (c) is the average weekly earnings figure 'Full-time adult ordinary time earnings – NSW – Original – Persons' for the February quarter prior to the beginning of the relevant financial year, as published in Australian Bureau of Statistics publication 6302.0 – *Average Weekly Earnings Australia*.

2.2 As an example, the market rate for the 2004/05 financial year will be the relevant average weekly earnings figure for the February 2004 quarter, while for the 2005/06 year it will be the figure for the February 2005 quarter.
