Explanatory Note

These Guidelines are made pursuant to section 44 (1)
 (d) of the Motor Accidents Compensation Act 1999 ("the
 Act"). They apply in respect of a motor accident occurring
 on or after 5 October 1999. Pursuant to section 65 (1) of the
 Act these Guidelines operate by force of law as if they were
 delegated legislation.

The Guidelines explain the operation of those sections
 of the Act relating to Medical Assessments and the Medical

Assessment Service (“MAS”). MAS has been established by the Motor Accidents Authority (“the Authority”) to resolve medical disputes as they arise during the course of a claim and usually before proceedings are commenced at the Claims Assessment Resolution Service (“CARS”) or Court. This will assist in the reduction of costs for the Motor Accidents Compensation Scheme and help maintain the affordability of premiums. The MAS process facilitates the earlier settlement of claims to the benefit of all parties.

These Guidelines instruct officers of the MAA, members of the legal profession and the insurance industry and parties to claims as to how to make and deal with an application to MAS. Easy to understand information directed towards claimants who wish to represent themselves is also available from the MAA. These Guidelines are also intended to direct Medical Assessors as to the manner in which an assessment is to be conducted.

These Guidelines replace the Medical Assessment Guidelines gazetted on 31 August 2001 and will apply to all new applications received at MAS on or after 1 May 2006 and all disputes current at MAS on or after that date, that have not been determined.

Questions about MAS and these Guidelines should be directed to the Medical Assessments Manager at the Authority.

DAVID BOWEN,
General Manager,
Motor Accidents Authority
March 2006

These Guidelines are made pursuant to section 69 (1) of the Motor Accidents Compensation Act 1999 (“the Act”). They apply in respect of a motor accident occurring on or after 5 October 1999. Pursuant to section 106 (1) these Guidelines operate by force of law as if they were delegated legislation.

The Guidelines explain the operation of those sections of the Act relating to the Claims Assessment and Resolution Service (“CARS”). CARS has been established by the Motor Accidents Authority (“the Authority”) to reduce the need for injured persons or insurers to commence legal or court proceedings. It is intended this will assist in the reduction of costs for the Motor Accidents Compensation Scheme and will therefore help maintain the affordability of premiums. It is intended that the CARS process will facilitate the earlier settlement of claims to the benefit of all parties.

These Guidelines instruct officers of the MAA, members of the legal profession and the insurance industry and parties to claims as to how to make and deal with an application to CARS. Easy to understand information directed towards claimants who wish to represent themselves is also available from the MAA. These Guidelines are also intended to guide Claims Assessors as to the manner in which an assessment is to be conducted.

These Guidelines replace the Claims Assessment Guidelines gazetted on 1 August 2002 and will apply to all new applications received at CARS on or after 1 May 2006 and all matters current at CARS on or after that date, that have not been determined.

Questions about CARS and these Guidelines should be directed to the Principal Claims Assessor at the Authority.

General Manager,

11.6.1 further information or documentation has been requested (see clause 11.5), or

11.6.2 there are other claims or matters in dispute or likely to be in dispute which would more conveniently be determined at the same time, or

11.6.3 there has not been a genuine attempt by one or both parties to settle the claim and it may be capable of resolution (see clause 11.7), or

11.6.4 the issues in dispute involve matters that require a MAS assessment and that MAS assessment has not occurred (see clause 11.8), or

11.10 A party may, within 10 days of the date of sending of notification of the name of the assessor, apply to the PCA to have the claim re-allocated to a different assessor. Such an application must be made in writing and be accompanied by a detailed statement of factual matters and/or reasons as to why the assessor might be unsuitable.

11.11 The PCA shall within five days make a decision on such an application under clause 11.10, and may re-allocate the claim if satisfied that there are reasonable grounds for believing that the assessor might be unsuitable.

Chapter 12. Preliminary Assessment & Preliminary Conference

12.6 If any party is, without reasonable excuse, unavailable at the time of a preliminary conference then the assessor may conduct the preliminary conference in the absence of the party.

12.7 The assessor must within 10 days of any preliminary conference provide a preliminary conference report to the PCA and the parties in writing advising:

12.7.1 the way in which the assessment is to proceed under clause 14.8, and
