His Excellency the Lieutenant-Governor, with the advice of the Executive Council, has made the following Regulation under the *Centennial Park and Moore Park Trust Act 1983*.

SANDRA NORI, M.P.,
Minister for Tourism, Sport and Recreation

Explanatory note

Section 20A of the *Centennial Park and Moore Park Trust Act 1983* provides that the Centennial Park and Moore Park Trust is under a duty not to authorise the use or to enter into arrangements for the use of any Trust lands for the purpose of a concert or other event for which it is reasonably anticipated that more than 20,000 persons at one time will resort to the land unless the use of the land for that purpose is authorised by a regulation relating specifically to that concert or other event or to a class of concerts or other events that includes that concert or other event. The object of this Regulation is to authorise the use of the land for the New Mardi Gras Parade and Party and up to 8 film festivals, musical events, cultural events and food and beverage events that are of a kind that are consistent with the objects of the Trust in relation to the Trust land in any calendar year.

This Regulation is made under the *Centennial Park and Moore Park Trust Act 1983*, including sections 20A and 22 (the general regulation-making power).

Conveyancing (Sale of Land) Further Amendment (Smoke Alarms) Regulation 2006

under the

Conveyancing Act 1919

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Conveyancing Act 1919*.

ANTHONY KELLY, M.L.C.,
Minister for Lands

Explanatory note

Section 52A (2) of the *Conveyancing Act 1919* provides that a vendor under a contract for the sale of land must, before the contract is signed by or on behalf of the purchaser, attach to the contract certain documents prescribed by the regulations (or copies of them).

The *Conveyancing (Sale of Land) Amendment (Smoke Alarms) Regulation 2006*, therefore, inserted clause 15 into Schedule 1 to the *Conveyancing (Sale of Land) Regulation 2005* to prescribe that, if a contract for the sale of land relates to land on which a building is situated and smoke alarms or heat alarms are required by Division 7A (Smoke alarms) of Part 9 (Fire safety and matters concerning the Building Code of Australia) of the *Environmental Planning and Assessment Regulation 2000* to be installed in the building, a statement by the vendor that the building complies with that requirement must be so attached to the contract.

Given that clause 186F of the *Environmental Planning and Assessment Regulation 2000* provides that a legal obligation under clause 186A (being the legal obligation under Division 7A of Part 9 of that Regulation to install a smoke alarm) does not arise until 1 November 2006, the legal obligation of clause 15 of Schedule 1 to attach the prescribed statement to a contract for the sale of land, by reference, similarly does not arise until 1 November 2006.

The object of this Regulation is, for the avoidance of doubt, to clarify that the requirement to include a statement relating to smoke alarms has effect only on and from 1 November 2006.

This Regulation is made under the *Conveyancing Act 1919*, including sections 52A (2) and 202 (the general regulation-making power).
