**Note.** A partnership contract does not cover an accredited certifier for any period before he or she became a partner or employee of the partnership. Consequently, the person will need to obtain separate indemnity for that period in order to comply with the requirements of section 63 of the Act unless the person is indemnified by a current partnership contract that complies with this Part and the person was formerly a partner or employee of the partnership that that holds the contract.

- (4) The indemnity provided by a partnership contract may be limited to those acts and omissions in respect of which a claim is made against the insured, and notified to the insurer, before the contract's expiry date.

Insurance

Part 4

- 
- (3) Subclause (1) applies to an insured that is a partnership in the same way that it applies to an insured who is an individual, except that the relevant overall limit is to be multiplied by:

  - (b) if the contract is the fourth or subsequent contract issued to the partnership, whether by the same or by another insurer, the average number of accredited certifiers who have been partners or employees of the partnership during the previous 3 years.
- (4) Nothing in subclause (2) or (3) requires the indemnity provided by a professional indemnity contract, with respect to all claims made against a company or partnership in any one year in relation to any liability covered by the contract, to be for an amount greater than \$20,000,000 in total including relevant expenses.
- (5) For the purposes of this clause:

### Division 3 Exceptions and exclusions

#### 15 Buildings for which no occupation certificate issued

A professional indemnity contract may provide that the indemnity provided by the contract does not apply to any claim made against the insured in relation to building work in respect of which no occupation certificate has been issued unless the claim is made against the insured, and notified to the insurer, before the expiration of 10 years from:

- (a) the last date on which the building work was inspected by a certifying authority, or
- (b) if no such inspection has been conducted, the date on which that part of the building in relation to which the building work was carried out is first occupied or used.

**Note.** Section 109M (2) of the *Environmental Planning and Assessment Act 1979* provides that, in certain circumstances, a building in respect of which building work has been carried out may be occupied and used without an

JOHN DELLA BOSCA, M.L.C.,

### Explanatory note

Schedule 4 to the *Workers Compensation Regulation 2003* declares certain Lutheran Pastors to be a class of ministers of religion employed as workers by the Administrator of the Lutheran Church of Australia, New South Wales District for the purposes of clause 17 of Schedule 1 to the *Workplace Injury Management and Workers Compensation Act 1998*.

The object of this Regulation is to remove the reference to the Lutheran Church of Australia, New South Wales District from that Schedule because the issue of a policy of insurance covering those ministers means they are now deemed to be workers under clause 18 of Schedule 1 to the *Workplace Injury Management and Workers Compensation Act 1998*.

This Regulation is made under the *Workers Compensation Act 1987*, including section 280 (the general regulation-making power).
