SPECIAL SUPPLEMENT

New South Wales

Fisheries Management Legislation Amendment Regulation 2007

under the

Fisheries Management Act 1994

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Fisheries Management Act 1994*.

IAN MACDONALD, M.L.C.,
Minister for Primary Industries

Explanatory note

The object of this Regulation is to make provision for the following:

- (a) additional fishing business transfer rules (these affect the transfer of shares in share management fisheries or endorsements in restricted fisheries),
- (b) records to be made by commercial fishers and fishing employers,
- (c) certain administrative arrangements with respect to commercial fishing licences and fishing boat licences, and fees and contributions that are charged in connection with those licences (including arrangements to facilitate a uniform expiry date for commercial fishing licences and fishing boat licences of 30 June),
- (d) the phasing-out of annual contributions by commercial fishers under section 106 of the *Fisheries Management Act 1994*,
- (e) the declaration of the southern fish trawl restricted fishery (currently a component of the ocean fish trawl restricted fishery),
- (f) new arrangements for the nomination of fishers in restricted fisheries (these complement arrangements for the nomination of fishers in share management fisheries),
- (g) amendments consequential on the making of share management plans for the following share management fisheries:
 - (i) estuary general,
 - (ii) estuary prawn trawl,
 - (iii) ocean hauling,

Fisheries Management Legislation Amendment Regulation 2007

Explanatory note

- (iv) ocean trap and line,
- (v) ocean trawl,
- (h) savings and transitional matters.

This Regulation also makes minor amendments to other fisheries management legislation, including amendments to the *Abalone Share Management Plan* and the *Lobster Share Management Plan* that adopt the provisions of the *Fisheries Management Supporting Plan* relating to nomination of fishers.

This Regulation is made under the *Fisheries Management Act 1994*, including sections 34T, 40, 60, 104, 108, 113, 116, 230, 231 and 289 (the general regulation-making power) and the sections referred to in the Regulation.

[46] Part 5A, Divisions 3–6

Insert after clause 133E:

Division 3 Transfer of restricted fishery endorsements

133F Transfer of sea urchin and turban shell endorsements

- (1) For the purposes of section 114 of the Act, the transfer of a sea urchin endorsement or turban shell endorsement, in accordance with this clause, is authorised.
- (2) A sea urchin endorsement or turban shell endorsement that is a component of a fishing business may be transferred by the owner of the fishing business to another person only if:
 - (a) all components of the fishing business are transferred to that person, or
 - (b) the transfer is part of an arrangement for the endorsement concerned to be surrendered to the Minister for cancellation.

Note 1. Endorsements in a restricted fishery are not transferable unless authorised by the regulations under section 114 of the Act.

Note 2. Clause 171 provides that if the transfer of an endorsement is in accordance with this Part, the person who transfers the endorsement ceases to be eligible for that endorsement, and the person to whom the transfer is made becomes eligible for that endorsement.

- (3) In this clause:
sea urchin and turban shell endorsement means an endorsement that authorises the taking of fish for sale in the sea urchin and turban shell restricted fishery.

133G Transfer of southern fish trawl endorsements

- (1) For the purposes of section 114 of the Act, the transfer of a southern fish trawl endorsement, in accordance with this clause, is authorised.
- (2) A southern fish trawl endorsement that is a component of a fishing business may be transferred by the owner of the fishing business to another person (the *transferee*) only if:
 - (a) all components of the fishing business are transferred to the transferee, or
 - (b) all shares (if any) in the ocean trawl fishery that are a component of the fishing business are transferred to the transferee and that transferee is, immediately before the

transfer, an owner of a fishing business the components of which include a share in a fishery referred to in clause 133J (2), or

- (c) the transferee is, immediately before the transfer, a shareholder in the ocean trawl fishery, or
- (d) the transfer is part of an arrangement for the endorsement concerned to be surrendered to the Minister for cancellation.

Note 1. Endorsements in a restricted fishery are not transferable unless authorised by the regulations under section 114 of the Act.

Note 2. Clause 194 provides that if the transfer of an endorsement is in accordance with this Part, the person who transfers the endorsement ceases to be eligible for that endorsement, and the person to whom the transfer is made becomes eligible for that endorsement.

- (3) In this clause:

southern fish trawl endorsement means an endorsement that authorises the taking of fish for sale in the southern fish trawl restricted fishery.

133H Effect of contravention

- (1) If an endorsement that is a component of a fishing business is transferred in contravention of this Division, the Minister may take one or more of the following actions:
 - (a) cancel or refuse to renew any NSW fishing authority that is a component of the fishing business or of the fishing business of the other party to the transfer,
 - (b) refuse to transfer, or to approve the transfer of, a NSW fishing authority that is a component of the fishing business, or refuse to issue a new NSW fishing authority to the other party to the transfer,
 - (c) impose (in accordance with the Act) conditions on any NSW fishing authority that is a component of the fishing business or of the fishing business of the other party to the transfer (or both), so as to restrict the fishing activities of the fishing business, or exercise any other powers conferred on the Minister by the Act so as to restrict the fishing activities of either or both fishing businesses.
- (2) The Director-General may refuse an application to revoke or amend a fishing business determination of a fishing business if satisfied that an endorsement that is a component of that fishing business has been transferred in contravention of this Division.

Fisheries Management Legislation Amendment Regulation 2007

Schedule 1 Amendment of Fisheries Management (General) Regulation 2002

Division 4 Transfer of shares

133I Definitions

In this Division:

ocean share means a share of any of the following classes:

- (a) Ocean trawl—inshore prawn shares,
- (b) Ocean trawl—offshore prawn shares,
- (c) Ocean trawl—deepwater prawn shares,
- (d) Ocean trawl—fish northern zone shares,
- (e) Ocean trap and line—spanner crab northern zone shares,
- (f) Ocean hauling—general ocean hauling shares—Regions 1, 2, 3, 4, 5, 6 and 7,
- (g) Ocean hauling—pilchard, anchovy and bait net (hauling) shares—Regions 1, 2, 3, 4, 5, 6 and 7,
- (h) Ocean hauling—garfish net (hauling) shares—Regions 1, 2, 3, 4, 5, 6 and 7,
- (i) Ocean hauling—hauling net (general purpose) shares—Regions 1, 2, 3, 4, 5, 6 and 7,
- (j) Ocean hauling—purse seine net shares.

southern fish trawl endorsement means an endorsement that authorises the taking of fish for sale in the southern fish trawl restricted fishery.

133J Application of Division

- (1) For the purposes of section 34T of the Act, the owner of a fishing business may transfer shares that are a component of the fishing business only in accordance with this Division.
- (2) This Division applies in respect of transfers of shares in the following fisheries only:
 - (a) ocean trawl fishery,
 - (b) ocean trap and line fishery,
 - (c) ocean hauling fishery,
 - (d) estuary general fishery,
 - (e) estuary prawn trawl fishery.
- (3) If the transfer of shares also involves a transfer of an endorsement in a restricted fishery, Division 3 of this Part must also be complied with.

Fisheries Management Legislation Amendment Regulation 2007

Amendment of Fisheries Management (General) Regulation 2002

Schedule 1

133K Transfer to owners in the same fishery

- (1) A share that is a component of a fishing business may be transferred by the owner of the fishing business (the *transferor*) to another person (the *transferee*) if the transferee is, immediately before the transfer, an owner of a fishing business the components of which include a share or shares in the same fishery as the share being transferred.
- (2) If the share being transferred is an ocean share, the share may be transferred to the transferee only if:
 - (a) the transferee holds a share or shares of that class immediately before the transfer, or
 - (b) all shares of that class held by the transferor, that are a component of the transferor's fishing business, are transferred to the transferee.
- (3) If the share being transferred is an ocean share in the ocean trawl fishery, the share may also be transferred if the transferee is, immediately before the transfer, the owner of a fishing business the components of which include a southern fish trawl endorsement and all ocean shares of the class proposed to be transferred, that are a component of the transferor's fishing business, are transferred to the transferee.

133L Transfer to owners in other fisheries

- (1) A share in a fishery that is a component of a fishing business may be transferred by the owner of the fishing business (the *transferor*) to another person if the person is, immediately before the transfer, an owner of a fishing business the components of which include a share in another fishery referred to in clause 133J (2) and all shares held in the fishery, that are a component of the transferor's fishing business, are transferred to that person.
- (2) If the share being transferred is a share in the ocean trawl fishery, any southern fish trawl endorsement that is a component of the same fishing business must also be transferred to the person.

133M Other transfers

A share that is a component of a fishing business may be transferred by the owner of the fishing business to any person (whether or not the owner of a fishing business) if:

- (a) all components of the fishing business are transferred to that person, or

Fisheries Management Legislation Amendment Regulation 2007

Schedule 1 Amendment of Fisheries Management (General) Regulation 2002

- (b) the transfer is part of an arrangement for the shares concerned to be surrendered to the Minister for cancellation.

133N Effect of contravention

- (1) If a share that is a component of a fishing business is transferred in contravention of this Division, the Minister may take one or more of the following actions:
 - (a) cancel or refuse to renew any NSW fishing authority that is a component of the fishing business or of the fishing business of the other party to the transfer,
 - (b) refuse to transfer, or to approve the transfer of, a NSW fishing authority that is a component of the fishing business, or refuse to issue a new NSW fishing authority to the other party to the transfer,
 - (c) impose (in accordance with the Act) conditions on any NSW fishing authority that is a component of the fishing business or of the fishing business of the other party to the transfer (or both), so as to restrict the fishing activities of the fishing business, or exercise any other powers conferred on the Minister by the Act so as to restrict the fishing activities of either or both fishing businesses.
- (2) The Director-General may refuse an application to revoke or amend a fishing business determination of a fishing business if satisfied that a share that is a component of that fishing business has been transferred in contravention of this Division.

Note. In addition, under clause 133O, the Director-General may refuse to approve a transfer that contravenes this Part.

Division 5 Dealings in endorsements and shares

133O Approval of transfers by Director-General

- (1) In addition to the other requirements relating to the transfer of components of fishing businesses under this Part, an endorsement or share that is a component of a fishing business referred to in this Part may be transferred only with the approval of the Director-General.
- (2) The Director-General may refuse to approve a transfer of an endorsement or share that is a component of a fishing business if:
 - (a) the transaction would contravene the Act, or the regulations, or

Fisheries Management Legislation Amendment Regulation 2007

Amendment of Fisheries Management (General) Regulation 2002

Schedule 1

-
- (b) the person to whom the endorsement or share is to be transferred is a person who:
- (i) is prohibited from holding the endorsement or share, or
 - (ii) is a natural person who may not be nominated to take fish on behalf of the fishing business, or
 - (iii) could be refused an endorsement, or
- (c) the Director-General is satisfied that the purpose of the transaction is to avoid share forfeiture, or
- (d) any fee, contribution or other amount owing under the Act or the regulations in respect of the endorsement or share has not been paid, or
- (e) any mortgage that applies to the share has not been discharged or cancelled, or
- (f) there is a nominated fisher in respect of the fishing business and the nomination has not been revoked by the owner of the fishing business transferring the endorsement or share.
- (3) An application for the Director-General's approval under this clause:
- (a) is to be made jointly by the owner of the fishing business transferring the endorsement or share (as the case may be) and the person to whom the endorsement or share is to be transferred, and
 - (b) is to be in a form approved by the Director-General.
- (4) If the transfer relates to shares, the approved form of application under this clause may include or be comprised of the approved form of application for registration of the transaction under section 91 of the Act, so as to enable the applications for approval and registration to be dealt with together.
- Note.** A transaction that has the effect of transferring, assigning or transmitting a share is to be registered in the Share Register, and a prescribed fee in respect of the application for registration is payable under clause 141.
- (5) If the transfer relates to an endorsement, and no fee is charged in respect of the registration of the transaction, the Director-General may charge a fee in respect of the application for approval of \$238.

Fisheries Management Legislation Amendment Regulation 2007

Schedule 1 Amendment of Fisheries Management (General) Regulation 2002

-
- (6) An owner of a fishing business who proposes to transfer an endorsement or share may request that the Minister review a determination of the Director-General under this clause in relation to the transfer within 30 days after notice of the determination is given to the owner of the fishing business.
 - (7) The Director-General is to give effect to any determination made by the Minister in respect of that review.

133P Transferee owns more than one fishing business

- (1) If a transfer of an endorsement or share is permitted if the person to whom the transfer is made (the *transferee*) is the owner of a fishing business (or a particular kind of fishing business), and the transferee is the owner of more than one fishing business, the transferee must nominate one fishing business against which compliance with the fishing business transfer rules, in respect of that transfer, is to be assessed.
- (2) If the transfer is approved by the Director-General, the fishing business determination in respect of the nominated fishing business is to be amended so that the transferred endorsement or share becomes a component of the nominated fishing business.

Division 6 General

133Q Application of rules

- (1) The fishing business transfer rules apply to the following transfers in the same way as they apply to a transfer made or proposed to be made by the owner of a fishing business:
 - (a) a transfer of a fishing business, or a component of a fishing business, that is made or proposed to be made by a mortgagee, receiver, liquidator or trustee in bankruptcy in the exercise of a power of sale,
 - (b) a transfer of a fishing business, or a component of a fishing business, that is made or proposed to be made by a person in his or her capacity as the legal personal representative of a deceased person.
- (2) For that purpose, a reference in this Part to the owner of a fishing business includes a reference to any such mortgagee, receiver, liquidator, trustee in bankruptcy or legal personal representative.

[64] Clause 147 (6)

Omit clause 147 (6)–(8). Insert instead:

- (6) An application for renewal of a commercial fishing licence received by the Minister after the expiry date of the licence may be treated as an application for the issue of a commercial fishing licence, and in such a case the fee payable in respect of the application is the fee for the application for the issue of a commercial fishing licence under clause 144 (2).

[65] Clauses 147A and 147B

Insert after clause 147:

147A Early renewal of licences—transitional arrangements to facilitate uniform licence expiry date of 30 June

- (1) The Minister may renew a commercial fishing licence that was in force immediately before the commencement of this clause, without an application being made by the holder of the licence, for a period commencing on the date the new licence is issued and ending on 30 June 2008 (this is referred to as an *early renewal*).
- (2) The renewed licence may be of the same or a different class from the licence that was in force immediately before the commencement of this clause.
- (3) If a commercial fishing licence is given an early renewal under this clause, a fee is payable in respect of the renewal by the commercial fisher whose licence is renewed, in lieu of the fee for an application for renewal of a licence.
- (4) The amount of the fee varies, depending on whether the licence that is given an early renewal was due to expire on or before 30 June 2007 (a *pre-30 June licence*) or was due to expire on or after 1 July 2007 (a *post-30 June licence*).
- (5) **Pre-30 June licences**

In the case of a pre-30 June licence that is given an early renewal, the amount of the fee payable by the holder of the licence is calculated as follows:

$$A = (RF \times D/365) + RF$$

where:

A is the fee payable.

RF is the renewal fee for a licence.

Fisheries Management Legislation Amendment Regulation 2007

Schedule 1 Amendment of Fisheries Management (General) Regulation 2002

D is the number of days in the period starting on the day after the date the pre-30 June licence would have expired, but for the early renewal, and ending on (and including) 30 June 2007.

(6) **Post-30 June licences**

In the case of a post-30 June licence that is given an early renewal, the amount of the fee payable by the holder of the licence is calculated as follows:

$$A = RF \times D / 365$$

where:

A is the fee payable.

RF is the renewal fee for a licence.

D is the number of days in the period starting on the day after the post-30 June licence would have expired, but for the early renewal, and ending on (and including) 30 June 2008.

- (7) The fee must be paid in accordance with arrangements for payment approved by the Minister.
- (8) The fee is not payable if the new licence is cancelled before the date that the previous commercial fishing licence would have expired, but for an early renewal.
- (9) If an amount calculated under this clause includes a fraction of a dollar, the amount is to be rounded down to the nearest whole dollar.
- (10) For the purposes of this clause, *renewal fee* for a licence means the fee that would be payable under clause 147 (2A) if an application were made for a renewal of a commercial fishing licence of the class issued to the person following the early renewal.

147B Issue of class 3 licences to registered crew—transitional arrangements to facilitate uniform licence expiry date of 30 June

- (1) The Minister may issue a class 3 commercial fishing licence, without an application being made for the licence, to a person who, immediately before the commencement of this clause, was registered as a crew member under section 110 of the Act.
- (2) The licence may be issued to have effect for a period commencing on the date it is issued and ending on 30 June 2008.

Schedule 1 Amendment of Fisheries Management (General) Regulation 2002

Class 2 commercial fishing licence in respect of the period from 1 July 2007 to 30 June 2008, subject to this clause and clause 150A.

Note. Section 106 is to be repealed on 30 June 2008. This clause and clause 150A provide for the phasing-out of the annual contribution by that date, in connection with the transition to a uniform licence expiry date of 30 June.

- (2) If a Class 1 or Class 2 commercial fishing licence is first issued to a person before 1 July 2007:
 - (a) the prescribed proportion of the annual contribution is payable by the person in respect of the period from the commencement date of the licence to 30 June 2007, and
 - (b) the annual contribution of \$418 is payable by the person in respect of the period from 1 July 2007 to 30 June 2008.
- (3) If a Class 1 or Class 2 commercial fishing licence is first issued to a person after 1 July 2007 and before 1 July 2008, the prescribed proportion of the annual contribution is payable by the person in respect of the period from the commencement date of the licence to 30 June 2008.
- (4) An amount payable under this clause must be paid in accordance with arrangements for payment approved by the Minister.
- (5) In this clause, the *prescribed proportion* of the annual contribution means the proportion of \$418 specified in column 2 of the Table to this clause next to the commencement date of the licence concerned.
- (6) If an amount calculated under this clause includes a fraction of a dollar, the amount is to be rounded down to the nearest whole dollar.

Table

Fisheries Management Legislation Amendment Regulation 2007

Amendment of Fisheries Management (General) Regulation 2002

Schedule 1

150A Transitional arrangements for payment of annual contributions

- (1) This clause provides for transitional arrangements in respect of the payment of annual contributions by commercial fishers who, immediately before the commencement of this clause:
- (a) held a commercial fishing licence that was due to expire before 30 June 2007 (a *pre-30 June licence*), or
 - (b) held a commercial fishing licence that was due to expire on or after 1 July 2007 (a *post-30 June licence*).

Note. Before the commencement of this clause, an annual contribution was payable by holders of Class 1, Class 2, Class 3 or Class 5 commercial fishing licences on the issue or renewal of a licence. New arrangements provide for all commercial fishing licences to have a uniform expiry date of 30 June. This clause sets out the transitional arrangements for payment of annual contributions by commercial fishers who, immediately before the commencement of this clause, held licences that were due to expire on a date other than 30 June.

(2) **Pre-30 June licences**

If a pre-30 June licence is renewed:

- (a) the relevant proportion of the annual contribution is payable by the person in respect of the period from the date the pre-30 June licence expires (or would have expired but for an early renewal under clause 147A) to 30 June 2007, and
 - (b) the annual contribution of \$418 is payable by the person in respect of the period from 1 July 2007 to 30 June 2008 (as provided for by clause 150).
- (3) The *relevant proportion* of the annual contribution is calculated as follows:

$$P = AC \times D / 365$$

where:

P is the relevant proportion of the annual contribution.

AC is \$418.

D is the number of days in the period starting on the day after the pre-30 June licence expires (or would have expired but for an early renewal under clause 147A) and ending on (and including) 30 June 2007.

- (4) If the amount calculated under subclause (3) includes a fraction of a dollar, it is to be rounded down to the nearest whole dollar.

Fisheries Management Legislation Amendment Regulation 2007

Schedule 1 Amendment of Fisheries Management (General) Regulation 2002

(5) The relevant proportion of the annual contribution must be paid in accordance with arrangements for payment approved by the Minister.

(6) **Post-30 June licences**

If a post-30 June licence is renewed, there is to be deducted from the annual contribution payable by the commercial fisher under clause 150 in respect of the period from 1 July 2007 to 30 June 2008 an allowance for the amount of annual contribution already paid by the commercial fisher in respect of the period from 1 July 2007 to the date the post-30 June licence expires (or would have expired but for an early renewal under clause 147A).

(7) The allowance is to be calculated as follows:

$$A = AC \times D / 365$$

where:

A is the allowance to be deducted.

AC is \$418.

D is the number of days in the period starting on 1 July 2007 and ending on (and including) the date the post-30 June licence expires (or would have expired but for early renewal under clause 147A).

(8) If the amount calculated under subclause (7) includes a fraction of a dollar, it is to be rounded up to the nearest whole dollar.

(9) This clause does not require the payment of any contribution in respect of any Class 4 commercial fishing licence held immediately before the commencement of this clause.

Note. A fee may also be payable by the fisher if the licence is given an early renewal under clause 147A. That fee is in lieu of the fee for an application for renewal of a licence.

150B Annual contribution by participants in tuna bait fishery

(1) For the purposes of section 106 of the Act, an annual contribution of \$316 is payable by the holder of a commercial fishing licence who is authorised by or under the Act to take fish for use as bait in the tuna bait fishery.

(2) The annual contribution is payable towards the cost of carrying out fishery monitoring programs approved by the Minister.

(3) The contribution must be paid in accordance with arrangements for payment approved by the Minister.

-
- (4) The Minister may determine that all or part of a contribution is not payable under this clause in such cases, or classes of case, as the Minister considers appropriate.
 - (5) The contribution payable under this clause in relation to a commercial fishing licence is additional to any other contribution, fee or charge that is payable in relation to the licence (including the contributions referred to in clauses 150 and 150A).
 - (6) In this clause:
tuna bait fishery means the fishery comprised of the use of a purse seine net or submersible lift net (bait) to take blue mackerel, yellowtail scad or pilchards from ocean waters within 3 nautical miles of the natural coast line for use as live bait in tuna fishing operations.

150C Annual contribution by participants in southern fish trawl restricted fishery

- (1) For the purposes of section 115A of the Act, an annual contribution is payable, towards the costs referred to in section 115A (1) of the Act, by a participant in the southern fish trawl restricted fishery who is the owner of a fishing business a component of which is an endorsement authorising the taking of fish for sale in that restricted fishery (a *southern fish trawl fishing business*).
- (2) The amount of the contribution is \$316 for each southern fish trawl fishing business.
- (3) The contribution must be paid in accordance with arrangements for payment approved by the Minister.
- (4) The Minister may determine that all or part of a contribution is not payable under this clause in such cases, or classes of case, as the Minister considers appropriate.
- (5) The contribution payable under this clause is additional to any other contribution, fee or charge that is payable in relation to a licence (including the contributions referred to in clauses 150 and 150A).

150D Annual contribution by participants in sea urchin and turban shell restricted fishery

- (1) For the purposes of section 115A of the Act, an annual contribution is payable, towards the costs referred to in section 115A (1) of the Act, by a participant in the sea urchin and turban

- (1) This clause applies in respect of any fishing boat licence authorising the use of the boat to take prawns in the ocean trawl fishery, being a licence that specifies the maximum hull units of the boat or the engine power of the boat.
- (2) An additional fee is payable in respect of an application for the issue or renewal of a fishing boat licence to which this clause applies. The fee is additional to the fee under clause 151 or 154.
- (3) The additional fee is calculated by multiplying the total units of the boat to which the licence applies by \$1.78.
- (4) The total units of a boat is the sum of the following:
 - (a) the maximum hull units for the boat, as specified on the licence for the boat,
 - (b) the engine power of the boat, as determined by the Director-General on the basis of the continuous or A brake kilowatt rating of the boat as at 5 November 1985 (or, if the Director-General is of the opinion that the boat replaces another boat that was licensed at 5 November 1985, the continuous or A brake kilowatt rating of that other boat as at 5 November 1985).

Omit clause 157. Insert instead:

157 Voluntary suspension of licence

- (1) If a licensed fishing boat is disposed of, destroyed or lost at sea, and has not been replaced by the holder of the licence, the holder of the licence may, by application in writing to the Minister in a form approved by the Director-General, request the Minister to suspend the fishing boat licence.
- (2) If the Minister grants the request and suspends the licence, the Minister may amend the licence so as to omit the identifying particulars for the boat from the licence.
- (3) The holder of the suspended licence is required to pay an annual fee in respect of the suspended licence.
- (4) The amount of the annual fee is the amount that would be charged in respect of an application to renew the licence had the boat not been disposed of, destroyed or lost at sea and the licence not been suspended (including any additional fee that would have been charged under clause 155).
- (5) The annual fee is to be calculated as at 1 July in each year (the *charging date*) and must be paid in accordance with such arrangements for payment as may be approved by the Minister and advised to the holder of the suspended licence.
- (6) On replacement of the boat disposed of, destroyed or lost at sea, the holder of the suspended licence may apply for the suspension to be lifted, but only if a request is made for the licence to be amended to insert the identifying particulars for the new boat on the licence (as provided for by clause 157A).
- (7) The lifting of a suspension does not affect the licence holder's obligation to pay an annual fee under this clause in respect of a charging date that occurred before the lifting of the suspension, and does not affect the calculation of that fee.

Amendment of Fisheries Management (General) Regulation 2002

Schedule 1

-
- (8) The Minister may refuse a request for a suspension under this clause if the holder of the licence has transferred his or her right to a licence under clause 158.

Note. This clause allows the holder of a fishing boat licence to retain a right to a licence in respect of a boat if the licensed boat is disposed of, destroyed or lost at sea. Under clause 152 (a), the Minister is authorised to refuse to issue a new fishing boat licence in respect of a boat that was not licensed before 5 February 2007.

157A Change to identifying particulars of boat noted on licence

- (1) The holder of a fishing boat licence may, by application in writing to the Minister in a form approved by the Director-General, request the Minister to amend the licence:
- (a) by changing any identifying particulars for the boat that are noted on the licence, or
 - (b) by inserting new identifying particulars for a boat on the licence.
- (2) The Minister may:
- (a) grant the request, or
 - (b) refuse to grant the request.
- (3) The Minister may refuse to grant a request if:
- (a) the applicant fails to provide sufficient information or evidence to enable the Minister to grant the request, such as information or evidence of any identifying particulars for the boat, or
 - (b) the identifying particulars for the boat do not comply with any maximum boat specifications set out on the fishing boat licence, or
 - (c) the applicant has transferred his or her right to the fishing boat licence under clause 158.
- (4) This clause does not affect the power of the Minister to cancel or suspend a fishing boat licence if a boat does not comply with any maximum boat specifications set out on a fishing boat licence.
- (5) If an amendment to a licence affects the calculation of the fee payable in respect of the renewal of a licence, the amendment applies only to a renewal that occurs on or after the amendment to the licence takes effect.

276 Definitions

In this Division:

fishing business owner means the owner of a fishing business the components of which include an endorsement in a restricted fishery.

nominated fisher of a fishing business owner, means a person who has been duly nominated by a fishing business owner to take fish in a restricted fishery on behalf of the fishing business owner, pursuant to this Division.

277 Nomination of fisher to take fish in restricted fishery

- (1) A fishing business owner may nominate another person to take fish on behalf of the fishing business owner in a restricted fishery under an endorsement.
- (2) A nominated fisher is eligible for an endorsement in a restricted fishery of the same kind as the endorsement for which the fishing business owner is eligible, or would be eligible (were it not for a nomination), during the period in which the nomination has effect.
- (3) A fishing business owner who nominates another person to take fish on behalf of the fishing business owner under an endorsement ceases to be eligible for that endorsement, during the period in which the nomination has effect.
- (4) Despite the nomination, an endorsement remains a component of the fishing business in respect of which the nomination is made, and may be transferred by the fishing business owner in accordance with the fishing business transfer rules.

277A Procedure for nomination of fisher

- (1) A fishing business owner may nominate a person to take fish on behalf of the fishing business owner in a restricted fishery only if the nominated person is an eligible fisher in respect of the fishing business.

Note. Eligible fishers are persons registered by the Director-General as eligible fishers in respect of a fishing business under Part 8A.

Fisheries Management Legislation Amendment Regulation 2007

Amendment of Fisheries Management (General) Regulation 2002

Schedule 1

-
- (2) The nomination of an eligible fisher does not take effect until:
 - (a) the nomination is given to the Director-General in the form and manner approved by the Director-General, and
 - (b) if the fishing business owner has been issued with a fishing business card in respect of the fishing business to which the nomination applies, possession of the fishing business card is given to the nominated fisher.
 - (3) A nomination has effect for a minimum period of 48 hours, or a lesser period approved by the Director-General.
 - (4) If a nomination is revoked before the end of the period of 48 hours (or the lesser period approved by the Director-General), a further nomination cannot be made until the end of the relevant period.

277B One nominated fisher per fishing business

- (1) An eligible fisher nominated to take fish on behalf of a fishing business owner must be nominated in respect of all endorsements in a restricted fishery that are a component of that fishing business and all shares that are a component of that fishing business.
- (2) A fishing business owner may nominate one (and not more than one) eligible fisher to take fish on behalf of the fishing business owner for each fishing business of which he or she is the owner.
- (3) A nomination applies in respect of the fishing business indicated by the fishing business owner and operates to authorise an eligible fisher to take fish only in respect of those endorsements (and shares) that are a component of the relevant business.
- (4) A separate nomination must be made in respect of each separate fishing business.
- (5) If a person owns more than one fishing business the components of which include endorsements in a restricted fishery, either the same or a different eligible fisher may be nominated in respect of each separate fishing business, subject to this clause.

277C Revocation of nomination of commercial fisher

- (1) A fishing business owner's nomination of a person to take fish on behalf of the fishing business owner may be revoked:
 - (a) by the fishing business owner, or
 - (b) by the Director-General, if revocation by the Director-General is authorised by this clause.

Fisheries Management Legislation Amendment Regulation 2007

Schedule 1 Amendment of Fisheries Management (General) Regulation 2002

-
- (2) A revocation of a nomination by a fishing business owner is to be made in a form and manner approved by the Director-General.
 - (3) The fishing business owner must inform the nominated fisher of the revocation of the nomination.
 - (4) The Director-General is authorised to revoke a fishing business owner's nomination of a person to take fish on behalf of the fishing business owner (without the consent of the fishing business owner) if:
 - (a) the nominated fisher requests the revocation, in a form and manner approved by the Director-General, or
 - (b) the Director-General cancels the registration of the person as an eligible fisher in respect of the fishing business owner under this Regulation.
 - (5) The Director-General revokes a nomination by giving the fishing business owner notice in writing of the revocation.
 - (6) The Director-General must, by notice in writing, inform the person whose nomination has been revoked of that revocation.
 - (7) A nomination of a fisher ceases to have effect when revoked under this clause.

290 Definition

In this Division, *prescribed record* means a record that includes any of the following information:

- (a) particulars of all fishing activities engaged in by a commercial fisher or nominated fisher (including those where no fish were taken),
- (b) particulars of all fish taken during those fishing activities,
- (c) particulars of all fish disposed of during or after those fishing activities,
- (d) particulars of the location in which all fish taken during those fishing activities were carried out,
- (e) particulars of the fishing gear used in connection with those fishing activities, including any fishing gear lost during those activities,

Fisheries Management Legislation Amendment Regulation 2007

Amendment of Fisheries Management (General) Regulation 2002

Schedule 1

-
- (f) particulars of the boats used in connection with those fishing activities,
 - (g) particulars of all individuals who engaged in or assisted with those fishing activities,
 - (h) the fishing business number allocated to the fishing business under which those fishing activities were authorised to be undertaken,
 - (i) particulars of all sightings or any other interaction with any threatened species or protected species,
 - (j) any period in which the commercial fisher or nominated fisher did not engage in fishing activities that he or she is authorised to engage in by his or her commercial fishing licence.

290A Records to be made by commercial fishers

- (1) For the purposes of section 121 of the Act, a commercial fisher is required to make the prescribed record of fishing activities engaged in by the commercial fisher for commercial purposes, for each relevant period that the commercial fisher engages in fishing activities.
- (2) For the purposes of this clause, a *relevant period* means a month, or in the case of the sea urchin and turban shell restricted fishery or the abalone fishery, a day.
- (3) The commercial fisher must make a separate record in respect of each fishing business that relate to the fishing activities engaged in by the commercial fisher for commercial purposes.
- (4) The commercial fisher must ensure that a copy of the record is sent to the Director-General within 28 days after the end of the relevant period to which the record relates (or in the case of the sea urchin and turban shell restricted fishery or the abalone fishery, within 24 hours of the end of the relevant period to which the record relates).
- (5) A commercial fisher who engages in fishing activities in any of the following fisheries, on behalf of a fishing employer (within the meaning of section 122 of the Act), is not required to make a record under this clause in respect of those activities:
 - (a) a share management fishery (other than the abalone or lobster fishery),

Fisheries Management Legislation Amendment Regulation 2007

Schedule 1 Amendment of Fisheries Management (General) Regulation 2002

- (b) a restricted fishery (other than the sea urchin and turban shell restricted fishery).

Note. However, section 122 (5) of the Act requires the commercial fisher to provide the fishing employer with such information concerning those activities as the fishing employer may reasonably require to comply with section 122 of the Act.

- (6) This clause does not apply in respect of fishing activities in a share management fishery if the share management plan for the fishery makes alternative arrangements for the records to be made in respect of those activities under section 121 of the Act.

290B Records to be made by fishing employers

- (1) For the purposes of section 122 of the Act, a fishing employer is required to make the prescribed record of fishing activities engaged in by all nominated fishers on behalf of the fishing employer, for each period of a month that the nominated fishers engage in fishing activities.
- (2) The fishing employer must make a separate record in respect of each fishing business that relates to the fishing activities engaged in by all nominated fishers on behalf of the fishing employer for commercial purposes.
- (3) The fishing employer must ensure that a copy of the record is sent to the Director-General within 28 days after the end of the monthly period to which the record relates.
- (4) A fishing employer is not required to make a record under this clause in respect of activities engaged in by a nominated fisher in any of the following fisheries:
- (a) the abalone or lobster fishery,
- (b) the sea urchin and turban shell restricted fishery.
- (5) This clause does not apply in respect of fishing activities in a share management fishery if the share management plan for the fishery makes alternative arrangements for the records to be made by fishing employers in respect of those activities under section 122 of the Act.

430 Saving of arrangements for licences voluntarily suspended

- (1) A licence placed in abeyance under clause 157 before that clause was substituted by the *Fisheries Management Legislation Amendment Regulation 2007* (the **amending Regulation**), which is still in abeyance immediately before the commencement of the amending Regulation, is taken to have been suspended under clause 157 (as substituted by the amending Regulation).
- (2) Accordingly, the holder of such a suspended licence is required to pay an annual fee in respect of the suspended licence as provided by clause 157. The first charging date in respect of the annual fee is 1 July 2007.
- (3) If the suspension of such a licence is lifted, the holder of the licence is required to pay any fee that the holder would have been required to pay under clauses 154 (9), 154 (10) and 155 (6), as in force before their repeal by the amending Regulation, but only in respect of each year or part of a year for which the licence was in abeyance before 1 July 2007.

431 Continuation of MACs following commencement of certain management plans

- (1) On the commencement of the *Fisheries Management Legislation Amendment Regulation 2007*:
 - (a) a Management Advisory Committee established for a restricted fishery that has become a share management fishery is taken to have been established for the corresponding share management fishery, and
 - (b) an industry member of a Management Advisory Committee who was elected and appointed to represent a particular class of endorsement holder in a restricted fishery that has become a share management fishery is taken to have been elected and appointed to represent the corresponding class of shareholder (as determined by the Minister) in the share management fishery, subject to subclause (2).
- (2) Any person who, immediately before the commencement of the *Fisheries Management Legislation Amendment Regulation 2007*, held office as a member of the MAC for the estuary prawn trawl restricted fishery and was elected to represent commercial fishers who held an endorsement referred to in clause 217 (1) (a) (as in force immediately before the commencement of that Regulation), ceases to hold that office and is not entitled to any remuneration or compensation for the loss of that office.
