## **SPECIAL SUPPLEMENT**

### **WATER ACT 1912**

Notice under Section 22B of the Water Act 1912

THE Water Administration Ministerial Corporation hereby cancels the Notice given under section 22B of the Water Act 1912 and published on 4 January 2008 in the *Government Gazette* in respect of the restrictions imposed on “B” and “C” class water licences, permits and authorities in respect of the Unregulated Barwon River and Unregulated Darling River.

Dated this tenth day of January 2008.

Signed for the Water Administration Ministerial Corporation by:

DENNIS MILLING,  
Manager, Licensing,  
Department of Water and Energy

### **WATER ACT 1912**

Order under Section 117E of the Water Act 1912

Groundwater Allocation for 2007/2008 Water Year

Peel Valley Alluvium 005

THE Water Administration Ministerial Corporation notifies groundwater entitlement holders that the water shortage zone known as the Peel Valley Alluvium 005 is unlikely to have sufficient water available to meet the requirements of persons authorised by law to take water from this water source or to meet other requirements for water previously determined by the Ministerial Corporation.

Accordingly, except as provided for hereunder, all groundwater allocations are reduced to 75 per cent of licensed entitlement from 11 January 2008 to 30 June 2008.

This reduction does not apply to allocations under entitlements for town water supply and stock and domestic purposes.

This Order takes effect from 11 January 2007 and will continue in force until 30 June 2008 unless it is repealed by Order before that date.

This Order revokes any previous Order published in the *New South Wales Government Gazette* under section 117E of the Water Act 1912 for the Peel Valley Alluvium 005 [or the Peel Valley Groundwater Management Area Sub-zone 1 Alluvium].

Dated this 10th day of January 2008.

Signed for the Water Administration Ministerial Corporation:

ROBERT O'NEILL,  
Acting Deputy Director-General,  
Department of Water and Energy  
(by delegation)

**WATER ACT 1912**

Section 20Z of the Water Act 1912

Water Allocations for 2007/2008 Water Year

Peel Regulated River

THE Water Administration Ministerial Corporation, pursuant to section 20Z of the Water Act 1912, is satisfied that the water source known as the Peel Regulated River is unlikely to have sufficient water available during the 2007/2008 water year to meet the requirements of those persons authorised by law to take water from the water source. Accordingly, for the 2007/2008 water year, water allocations are reduced by the proportions set out in Schedule 1.

This Order revokes any previous Order published in the *New South Wales Government Gazette* under section 20Z for the Peel Regulated River.

This Order will continue in force until 30 June 2008 unless it is repealed or varied by a further Order before that date.

Dated this 10th day of January 2008.

Signed for the Water Administration Ministerial Corporation:

ROBERT O'NEILL,  
Acting Deputy Director-General,  
Department of Water and Energy  
(by delegation)

---

**SCHEDULE 1**

For General Security Entitlements, water allocations are reduced by 50%.
