### PRACTICE NOTE NO. 1

The Children's Court of New South Wales

Practice Note for the Youth Drug and Alcohol Court

#### 1. Objective

The Youth Drug and Alcohol Court ("YDAC") is a program concerned with reducing drug and/or alcohol related criminal activity by children through judicial and therapeutic interventions that are designed to reduce or manage drug and/or alcohol usage.

#### 2. Sittings of the YDAC

The YDAC will be conducted at the following Children's Courts:

- Campbelltown
- Bidura
- Parramatta
- Such other courts as directed by the President of the Children's Court

#### 3. Referral to the YDAC Program

If the Children's Court considers that a child is prima facie eligible or may be able to prove eligibility for participation in the Program, the court may refer the child to the YDAC.

#### 4. Referral to the YDAC

A child may be referred to the YDAC as follows:

(a) Application by the child

The child makes an application to the court for the matters before the court to be referred to the YDAC.

(b) Court referral without consent of child

The court of its own motion determines that the child should be assessed as to their suitability for the YDAC Program whether or not the child consents to the matters being referred to the YDAC.

#### 5. Directions applying to referrals to the YDAC

The following directions apply to all referrals to the YDAC:

- (a) All referrals to the YDAC must be made in accordance with this paragraph and paragraph 6 of this Practice Note;
- (b) The offence(s) can be dealt with to finality in the Children's Court (and the offence is not a sex offence);
- (c) The child has a demonstrable drug and/or alcohol problem;
- (d) The child either,
  - i. resides within the current boundaries of the YDAC,

- ii. has committed his/her offence(s) within the current boundaries and although the child does not reside within the boundaries can demonstrate that he/she identifies with the area within the boundaries,
  - iii. although not residing in or having committed his/her offence(s) within the current boundaries, can demonstrate that he/she otherwise identifies with the area in the boundaries.
- (e) The child is ineligible for a caution or Youth Justice Conference under the Young Offenders Act 1997;
  - (f) The child pleads guilty to or admits the offence(s), or the referring court and the YDAC exercise their discretion to refer and accept a child who has pleaded "not guilty" to some offence(s), where the overall penalty will not alter significantly if the child is found guilty of those defended matters;
  - (g) The child has been found guilty of the offence(s) but the Court believes nevertheless that a referral to the YDAC is appropriate;
  - (h) The child is aged between 14 and 18 at the time of commission of the offence.

#### 6. General Procedure

- 6.1 At the time of the referral to the YDAC, the prosecution shall ensure that the following documents have been tendered to the court;
  - (a) a statement of the facts and circumstances of the offence(s),
  - (b) a brief of evidence (if necessary and available) and
  - (c) the child's antecedents
- 6.2 The child may personally give evidence and call or tender statements or other evidentiary material. The child or his/her legal representative may make submissions in respect of the application for referral. The prosecution may make submissions in respect of the application for referral. After hearing submissions the Court will, depending on the circumstances of the case, either determine the application immediately or stand that matter over for consideration and decision.
- 6.3 In matters where the child has made an application for referral to the YDAC, the Children's Court hearing an application for referral to the YDAC may either agree to make the referral or decline to make a referral.
- 6.4 If the Children's Court declines to make a referral, the judicial officer will endorse the court record "YDAC declined" and proceed to deal with the matter in the same manner as an ordinary plea of guilty in the Children's Court.
- 6.5 If the Children's Court refers a matter to the YDAC, the judicial officer shall cause an inquiry to be made of the registrar of the YDAC to ascertain the date and place to which the matter shall be adjourned. The registrar of the YDAC is to be informed of the particulars of the referral.
- 6.6 Where a child is referred to the YDAC after a finding of guilt, the referring court shall attach to the referral the findings as to fact made within the hearing.
- 6.7 Once a referral has been made, the registrar of the referring court shall, on the day of the referral, provide the YDAC registrar with a copy of the court record.

## 7. First appearance in the YDAC following referral

- 7.1 The purpose of the first appearance in the YDAC is to determine the child's eligibility to participate in the program. If the child is found to be eligible for the program, the matter is adjourned for a Comprehensive Assessment by the Joint Assessment and Review Team (JART) and for the development of an appropriate Program Plan.
- 7.2 At the time of the first appearance before the YDAC, the YDAC Court Team, consisting of the YDAC judicial officer, the registrar, the prosecutor, the legal representative for the child and a member of JART, shall be provided with a written report of the Initial Assessment.
- 7.3 The child or his/her legal representative may make submissions about the child's eligibility. The prosecution may make submissions about the child's eligibility. The YDAC may, depending on the circumstances of the case, immediately determine whether the child is eligible or stand the matter over for consideration and decision.
- 7.4 The YDAC may exercise a discretion to exclude a child who is eligible because
- the monthly quota has been reached, or
  - the child is eligible for a caution or a Youth Justice Conference, or
  - there is no likelihood of a control order being imposed, or
  - the child's offence(s) or history of offending is so serious that despite satisfactory completion of the YDAC Program, the child would still be sentenced to a control order.
- 7.5 If the child is found to be ineligible or is otherwise excluded from the Program, the YDAC will note the court record "Ineligible for YDAC" and note the reason therefore. The YDAC shall adjourn the matter to the referring court for finalisation.
- 7.6 If the child is found to be eligible and the YDAC does not exercise his/her discretion to exclude the child from the Program, the court record is to be endorsed by the YDAC "Eligible for YDAC." The matter shall be adjourned for the child to undergo a Comprehensive Assessment. The Comprehensive Assessment will be conducted by JART.
- 7.7 The Comprehensive Assessment shall be conducted either in custody or in the community if the child is on bail.

## 8. Appearance in the YDAC following Comprehensive Assessment

- 8.1 The purpose of this appearance in the YDAC is to determine whether a suitable Program Plan has been developed for the child and if appropriate, to formally accept the child into the YDAC program.
- 8.2 Prior to the appearance before the YDAC, the YDAC Court Team shall be provided with a written report of the Comprehensive Assessment by JART.
- 8.3 If a Program Plan cannot be developed for a child, the YDAC shall return the matter to the referring court for finalisation. The YDAC may direct a Background Report be prepared.
- 8.4 Where a suitable Program Plan has been developed and the child consents to enter the program, the

YDAC may, depending upon the circumstances of the case, determine immediately whether the child is to be accepted into the Program or stand the matter over for consideration and decision.

## 9. Adjournment under section 33(1)(c2) Children (Criminal Proceedings) Act 1987

Upon acceptance into the YDAC Program:

- the court record will be endorsed by the YDAC "Admitted to the YDAC Program";
- the matter shall be adjourned pursuant to s 33(1)(c2) of Children (Criminal Proceedings) Act 1987 for a period of not less than six months;
- the child shall be placed on bail (in accordance with the Bail Act 1978) with conditions that facilitate participation in the Program Plan;
- a date shall be fixed for the child's first Report Back with the YDAC Court Team.

## 10. Report Back Sessions

- 10.1 The objective of the Report Back sessions is to provide an intensive monitoring process and continuing supervision of the child's progress and general compliance with the Program Plan.
- 10.2 Initially, the child will meet fortnightly with the YDAC Court Team, together with other support persons including family members as may be asked to attend, to discuss the child's progress and compliance with the Program Plan.
- 10.3 Before the Report Back Session, the YDAC Court Team shall be provided with a written report addressing the child's progress and compliance with the Program Plan during the period of the adjournment. The YDAC Judicial Officer will meet with the YDAC Court Team and discuss the child's progress before commencing the Report Back session.
- 10.4 Report Back sessions are not conducted in open court.
- 10.5 Report back sessions shall be conducted with as little formality as the circumstances of the case permits. This is to promote open and frank discussion. It will, however, be common practice for notes to be made of discussion at the Report Back session by the YDAC judicial officer to maintain a record of Program Plan compliance and decisions taken.
- 10.6 The frequency of Report Back sessions may be varied as appropriate
- 10.7 Any decisions taken at Report Back sessions shall be made by the YDAC Judicial Officer with the assistance of recommendations from members of the YDAC Court Team.
- 10.8 A Program Plan will ordinarily be completed in six months but may be extended.

## 11. Compliance with the YDAC Program

When the manager of JART forms the view that a child is in breach of their YDAC Program, the breach is to be assessed by the manager of JART as either a serious breach or a minor breach.

## 12. Serious breaches of the YDAC Program

- 12.1 If the breach is assessed as a serious breach, or if the child is at risk of serious harm due to the

Program Plan non-compliance, or the whereabouts of the child is not known, the manager of JART shall advise the YDAC prosecutor. The YDAC prosecutor may make application to the YDAC registrar for the issue of an arrest warrant for breach of bail conditions.

- 12.2 In the event of an arrest warrant being issued, the YDAC registrar shall endorse the warrant "please contact the YDAC prosecutor (name) on 0409 711 668 when this warrant is executed."
- 12.3 Following arrest on the warrant, arresting police or the custody manager MUST notify the YDAC prosecutor. The YDAC prosecutor will then:
- request that the police, if possible, take the child to the YDAC, if sitting;
  - if the YDAC is not sitting, the YDAC prosecutor will contact the registrar of the YDAC to ascertain if any YDAC judicial officer is sitting at a convenient Children's Court location. The arresting police will be requested to take the child to the Children's Court where the YDAC judicial officer is sitting.
  - if the arresting police cannot transport the child as per (a) or (b) above, the child is to be taken to the nearest Children's Court in accordance with ordinary procedures. Arrangements will be made by the YDAC prosecutor for the child's matters to be listed at the next sitting of the YDAC.
  - if the child is charged with a further offence in addition to the warrant matter, the further offence shall not be adjourned to the YDAC unless a plea of guilty has been entered and the fresh charges referred to the YDAC.

### 13. Procedure regarding serious breaches of the YDAC Program

- 13.1 At the first appearance of the child before the YDAC following the execution of the arrest warrant, the YDAC will ask if the breach is admitted or denied. If the breach is admitted or established, the YDAC shall consider if the breach is of such a nature that the child's continued participation in the Program should be reviewed by JART and the YDAC. If the YDAC determines that the child's participation should be reviewed, the matters shall be adjourned for two weeks.
- 13.2 On the adjourned date, the Manager of JART shall provide the YDAC Court Team with a treatment review report and any recommendations thought appropriate by JART. The YDAC will hear any evidence and/or submissions regarding any application by the child to remain on the YDAC Program, or on an adjusted or extended YDAC Program.
- 13.3 If the YDAC determines that the child should be discharged from the YDAC Program, the YDAC may proceed to sentence the child or adjourn the matter for a further period and request such reports as considered necessary to finalise the matter.

### 14. Minor breaches of the YDAC Program

- 14.1 If a child is not complying with their YDAC Program, or is not complying with the directions of JART, and the breach of Program is not regarded as

a serious breach, the Manager of JART will direct that the child attend the next sitting of the YDAC.

- 14.2 If the child appears at the YDAC when directed to do so, the breach will be dealt with as per paragraph 15 below.
- 14.3 If the child does not attend the next sitting of the YDAC as directed, the failure to appear will be treated as a serious breach and dealt with as such, unless there is a good reason for the child not complying with the direction to appear at the YDAC.

### 15. Procedure regarding minor breaches of the YDAC Program

- 15.1 When before the YDAC for a minor breach of Program the child will be asked if the breach is admitted or denied. If either admitted or proved, the YDAC will hear any evidence and/or submissions regarding any application by the child to remain on the YDAC Program, or an adjusted or extended YDAC Program.
- 15.2 The YDAC may also direct that a discharge hearing be conducted pursuant to paragraph 13.
- 15.3 If the child continues to fail to comply with his/her YDAC program to the satisfaction of the manager of JART, a further breach may be regarded as a serious breach and dealt with as such.

### 16. Absence from the YDAC program for a period greater than six months

In circumstances where a child has been absent from the Program for a period greater than 6 months a child shall be automatically discharged from the Program as follows:

- Upon a warrant being issued, the YDAC registrar is to lift the matter in the YDAC court diary on the next list day after expiry of 6 months.
- If the warrant is not executed after six months, the child shall be automatically discharged from the YDAC. The court papers shall be endorsed "Discharged from YDAC."
- The YDAC shall order that the court papers are to be returned to the court registry from which the matters were referred. Where there are matters from a number of registries, the court shall determine which registry shall hold the court papers.
- The YDAC prosecutor shall endorse the child's record on the NSW Police COPS system with an entry stating that the YDAC referral has been discharged and that upon execution of a warrant, the young person is to be taken to the court holding the court papers.

### 17. Withdrawal of consent by child

If a child informs the YDAC that they withdraw their consent to continue to participate in the YDAC Program, the YDAC shall (unless the presiding judicial officer otherwise determines):

- Note the court papers that consent has been withdrawn;
- Adjourn all matters for sentence;
- Request a Juvenile Justice Background Report.

### 18. Sentencing

- 18.1 Whether a child:
- successfully completes the Program;

- (b) withdraws consent to continue to participate in the Program; or  
 (c) is discharged from the Program

the YDAC shall, when sentencing the child in accordance with section 33(1) of the Children (Criminal Proceedings) Act 1987, take into account the child's participation in the Program and, where appropriate, the child's successful completion of the Program.

- 18.2 Any sentence imposed following completion of the Program shall not be more punitive than that which may have been imposed had the child not participated in the Program. Such sentence may require the child to participate in the after-care phase of his/her Program Plan.

His Honour Judge MARK MARIEN, SC,  
 President

### **STATUTORY AND OTHER OFFICES REMUNERATION ACT 1975**

Report and Determination pursuant to Section 14 of the Act

#### **REPORT:**

- On 3 June 2009, the Minister for Public Sector Reform, the Hon John Robertson MLC, directed the Statutory and Other Offices Remuneration Tribunal (the Tribunal), pursuant to section 14(1) of the Statutory and Other Offices Remuneration Act 1975 (SOOR Act), to make a determination concerning the remuneration to be paid to the positions of the President and Deputy President of the Mental Health Review Tribunal (MHRT). The President and Deputy Presidents are referred to in this determination as Presidential members.
- For remuneration purposes the offices of the President and Deputy President of the MHRT are listed in Schedule 2 of the SOOR Act. The President currently receives remuneration of \$250,125 per annum and the Deputy President \$220,260 per annum. While the Tribunal currently determines the full time remuneration levels for these positions, Schedule 2 provides for the Tribunal to also determine remuneration for both the President and Deputy President should the roles be undertaken on a part

- time basis. Given the changes in the role and structure of the MHRT the Tribunal will determine both full and part time rates.
3. The MHRT is constituted under the Mental Health Act 2007. Its functions traditionally have included the review of the care, treatment and detention of persons subject to the Mental Health Act 2007 and the Mental Health (Criminal Procedure) Act 1990.
  4. The Tribunal previously considered a request to review the remuneration payable to the President and the Deputy Presidents of the MHRT during its 2007 annual review. In the 2007 annual Report and Determination for the Public Office Holders Group the Tribunal indicated that it was prepared to undertake a special determination to review the remuneration that was paid to the President and Deputy President of the MHRT "...arising from the new Mental Health Act 2007 [not yet proclaimed] which will place additional administrative workload on the President and full time Deputy Presidents. In addition there is currently a review of the forensic provisions of the Mental Health Act and the Mental Health [Criminal procedure] Act 1990 which may impose significant additional responsibilities on the president and full time Deputy Presidents" The Mental Health Act 2007 commenced on 16 November 2007. The outcome of the review of forensic provisions referred to above resulted in further legislative change.
  5. On 1 March 2009, the Mental Health Legislation Amendment (Forensic Provisions) Act 2008 commenced. This Act renames the Mental Health (Criminal Procedure) Act as the Mental Health (Forensic Provisions) Act 1990 and made a number of significant changes to that Act and the Mental Health Act 2007. The Minister for Health advised that these amendments will increase the functions and responsibilities of the President and Deputy President of the MHRT.
  6. These amendments have given the MHRT a new and wide range of responsibilities for making decisions about the care, treatment, detention and release of forensic patients. The MHRT must also exercise, in the sensitive area of the detention, care and treatment of persons mentally ill or unfit charged with a serious crime, the functions formerly the responsibility of the Minister and the Governor acting on the advice of the Executive Council, in respect of those matters dealing with the release of forensics patients. The new legislation places these and other responsibilities within the scope of the MHRT's Forensics Panel.
  7. In respect of release of patients the Mental Health (Forensic Provisions) Act 1990 now requires that when dealing with matters of patient release the Forensic Panel must be constituted with at least one member, being either the President or a Deputy President, who is the holder or former holder of judicial office. To reflect this new requirement the Mental Health Act 2007 was amended to expand the qualifications for the President and Deputy President to include a person who holds or has held the office of Supreme, District or Federal Court Judge.
  8. A President or Deputy President who is not a holder or former holder of judicial office may also preside over the Forensic Panel except when the Panel considers matters dealing with patient release. In practice Presidential Members, regardless of judicial experience, preside over a range of cases in both the Forensic and Civil Divisions of the Mental Health Review Tribunal.
  9. The Tribunal has had regard to the additional qualification requirements associated with Presidential Members hearing forensic release matters. The Tribunal has also had regard to the level of judgement and responsibility exercised by the President and all Deputy Presidents in dealing with cases of both a forensic and civil nature. The Tribunal considers that all Presidential members would be expected to exercise the same level of legal knowledge and judgement as well as the significant issues relating to the public interest when considering all matters on which they sit. Particularly when dealing with Forensic matters. On that basis, and having regard to the additional responsibilities resulting from abovementioned legislative changes, the Tribunal finds that an increase in remuneration is warranted for all Presidential Members.
  10. As these roles may also be undertaken on a part time basis, the Tribunal has determined daily rates applicable to these positions. The daily rate is based on the respective annual equivalent of the full time office holders.
  11. Material presented to the Tribunal from the President of the MHRT asked the Tribunal to give consideration to other conditions of employment such as leave, car allowance etc. Conditions of employment, other than salary, are the responsibility of the Minister. As such, the Tribunal does not have jurisdiction to intervene in that process.
  12. As the amendments to the Mental Health Act 2007 commenced on 1 March 2009 the Tribunal determines that the new fee structure will come into effect from that date.
- DETERMINATION:**
- Pursuant to section 14 of the Statutory and Other Offices Remuneration Act 1975 the Tribunal determines that the following rates of remuneration are payable to the President and Deputy Presidents of the Mental Health Review Tribunal with effect from 1 March 2009:
- |                              |                      |
|------------------------------|----------------------|
| • Full Time President        | \$307,750 per annum. |
| • Full Time Deputy President | \$269,250 per annum  |
| • Part Time President        | \$1,278 per day.     |
| • Part Time Deputy President | \$1,118 per day      |

## Erratum

THE Notice of Sale published in the Government Gazette of the 21 August 2009 No. 114, folio 4871 contained an error. The "Writ for Levy of Property Case Number 4920/08" was incorrect this should have read "Writ for Levy of Property Case Number 5920/08". This erratum now amends that error with the gazettal date remaining the 21 August 2009.
