STOCK (CHEMICAL RESIDUES) REGULATION 2010

NOTICE is given in accordance with section 5 of Subordinate Legislation Act 1989 of the intention to re-make a regulation under the Stock (Chemical Residues) Act 1975.

The object of the Stock (Chemical Residues) Act 1975 is to protect human health by preventing the slaughter of stock for human consumption which contains unacceptable concentrations of chemicals residues. The Act also facilitates international trade by helping ensure that livestock products for export markets comply with the chemical residue requirements of international trading partners.

The 2005 Regulation helps to give effect to the objectives of the Act through prescribing the means of disposal of affected stock, the reporting of chemical residue test results and, among other things, stock identification requirements and penalty notice offences and amounts.

It is proposed to make a new Regulation under the Act the Stock (Chemical Residues) Regulation 2010.

The proposed Regulation and Regulatory Impact Statement will be available for public comment from 10 May to 11 June 2010 and can be accessed via the Industry and Investment NSW website <http://www.dpi.nsw.gov.au/aboutus/about/legislation-acts/review> or by contacting:

NOTICE is given in accordance with section 5 of the Subordinate Legislation Act 1989 of the intention to re-make a regulation under the Stock Foods Act 1940.

The object of the Stock Foods Act 1940 is to reduce the risk of unacceptable levels of contaminants entering the human food chain via stock feeds; to protect human health from diseases potentially transmitted via stock feeds; to facilitate international trade in animal-derived human food by reducing the risk of unacceptable levels of contaminants; and to protect animal welfare.

The Stock Foods Regulation 2005 gives effect to the objectives of the Act by defining 'foreign ingredients', 'stock animals' and 'stock feeds'; prescribing stock feed labelling requirements and information statements, restricting foreign ingredients, and providing for inspectors to take samples.

STOCK MEDICINES REGULATION 2010

NOTICE is given in accordance with section 5 of Subordinate Legislation Act 1989 of the intention to re-make a regulation under the Stock Medicines Act 1989.

The object of the Stock Medicines Act is to protect human health by ensuring that illegal or unsuitable levels of chemical residues from stock medicines do not transfer to the human food chain. The Act also facilitates international trade by helping ensure that livestock products for export markets comply with the chemical residue requirements of international trading partners.

 - (b) To promote, foster and develop within the executive and legislative arms of the Government of Victoria and within the general community, an understanding and appreciation that a strong and independent Bar is indispensable to the rule of law and to the continuation of a democratic society;
 - (c) To improve the relationship between the Victorian Bar and the executive and legislative arms of the Government of Victoria without in any way diminishing the independence of the Victorian Bar and its members;
 - (d) To promote, maintain and improve the quality of the Victorian Bar;
 - (e) To seek to ensure that access to the courts is open to all members of the community;
 - (f) To arrange training for Bar Readers and regulate entry to membership of the Bar;

 - (m) Without limiting (l), to make recommendations with respect to legislation, law reform, rules of court and the business and procedure of courts.

Nature of the Scheme

- G. The scheme operates for the purpose of improving the occupational standards of professionals and others, and to protect the consumers of their services. It also limits the civil liability of persons to whom the scheme applies;
- H. The liability limited by the scheme includes, to the extent permitted by the Act, all civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of the Victorian Bar or to any person to whom this scheme applies in acting in the performance of his or her occupation. The scheme does not apply to liability for damages arising from any matter to which the Act does not apply, including, but not limited to, liability for damages arising from death or personal injury to a person, a breach of trust, fraud or dishonesty;
- I. The scheme does not affect damages which are below the monetary ceiling specified in the Scheme for each member. The scheme limits liability for damages to the monetary ceiling specified for that member provided that the person has insurance as required by s23 of the Act;

Risk Management

- J. The Victorian Bar has adopted strategies which cover requirements for professional entry to practice at the Bar and continuing professional development in the areas of ethics and regulation of the profession; management; substantive law, practice and procedure, and evidence, and advocacy, mediation and other barristers' skills;
- K. The complaints and disciplinary system operates pursuant to the requirements of the Legal Profession Act 2004;
- L. The Bar Association will report annually on the implementation and monitoring of its risk management strategies, the effect of those strategies and any changes made or proposed to be made to them;

Standards of Insurance

- M. Scheme members are required to maintain current professional indemnity insurance policies on offer to barristers with a Victorian practising certificate and otherwise to comply with any regulations relating to professional indemnity insurance from time to time of the Victorian Bar Council;
- N. The Legal Services Board determines the statutory minimum level of professional indemnity insurance required to be taken out by barristers and also approves the professional indemnity insurance policy on offer from the Legal Practitioners Liability Committee;

- P. Scheme members are subject to a complaints and discipline system operating under the Legal Profession Act 2004. All scheme members must comply with the provisions of that Act, the Constitution and rules and regulations of the Victorian Bar;

Scheme Administration

- Q. Responsibility for administration of the scheme and ensuring that it complies with the requirements of the Professional Standards Act 2003 (Vic) and of the Professional Standards Council rests with the Victorian Bar;

THE VICTORIAN BAR SCHEME

4. Limitation of Liability
- (1) If a person to whom the Scheme applies and against whom a cause of action relating to occupational liability is brought, is able to satisfy the court that the person has the benefit of an insurance policy or more than one insurance policy –
 - (a) that insures the person against that occupational liability; and
 - (b) under which the amount payable in respect of the occupational liability relating to that cause of action is not less than the maximum amount of liability specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates at the time at which the act or omission giving rise to the cause of action occurred

the person is not liable in damages in relation to that cause of action for anything done or omitted on or after the commencement of the Scheme for any amount above the monetary ceiling (a maximum amount of liability) subject to clause 4(2), of \$2 million.

 - (3) In this Scheme document –
 - (a) “occupational liability” has the same meaning as it has in the Act and excludes any liability which may not from time to time be limited pursuant to the Act; and
 - (b) a reference in clause 4(1) to the amount payable under an insurance policy in respect of occupational liability includes a reference to –
 - (i) defence costs payable in respect of a claim, or notification that may lead to a claim (other than reimbursement of the defendant for time spent in relation to the claim), but only if those costs are payable out of the one sum insured under the policy in respect of the occupational liability; and
 - (ii) the amount payable or in relation to the policy by way of excess.
 - (4) If the provisions of section 23 of the Act are amended by any subsequent Act or Acts, the provisions of clause 4(1) above shall be taken to have been amended correspondingly and shall operate as so amended.
5. Discretionary authority
- (1) The Victorian Bar has a discretionary authority, on application from time to time or at any time by a person to whom the Scheme applies, to specify in relation to the person a higher maximum amount of liability than would otherwise apply under the scheme in relation to the person either in all cases or in any specified case or class of case.
