ENGINEERS AUSTRALIA VICTORIA
PROFESSIONAL STANDARDS SCHEME

1. Occupational Association

- 1.1 The Engineers Australia Victoria Professional Standards Scheme (scheme) is a scheme under the Act prepared by Engineers Australia whose business address is 11 National Circuit, Barton, ACT 2600.
- 1.2 The scheme is intended to operate in Victoria and in New South Wales.

2. Persons to Whom the scheme Applies¹

- 2.1 The scheme applies to all members of Engineers Australia who are at the same time also members of the Engineering Science and Technology Professional Standards Society (Society).
- 2.2 This scheme also applies to all persons to whom the scheme applied under Clause 2.1 at the time of any act or omission giving rise to occupational liability².

¹ Sections 20 and 21 of the Act provide that if the scheme applies to a body corporate, the scheme also applies to each officer of the body corporate and if the scheme applies to a person, the scheme also applies to each partner of the person, and if the scheme applies to a person the scheme also applies to each employee of the person, provided that if such officer of the corporation or partner of the person or employee of the person is entitled to be a member of the same occupational association, such officer, partner or employee is a member of the occupational association. ‘Partner’ and ‘Officer’ have particular meanings as defined in the Act. Section 22 provides that the scheme may also apply to other persons as specified in that section.

² The definition of ‘occupational liability’ in section 4 of the Act, applies in this scheme. By that definition, ‘occupational liability’ means ‘civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted to be done by a member of an occupational association acting in the performance of his or her occupation’. However, section 5 (1) of the Act relevantly provides that

3 Limitation of liability

3.1 If a person to whom this scheme applies who was at the time of the act or omission giving rise to occupational liability a category A member or a category B member or a category C member or a category D member against whom a proceeding relating to occupational liability is brought is able to satisfy the court³ that:

- (a) such member has the benefit of an insurance policy insuring the member against the occupational liability to which the cause of action relates, and
- (b) the amount payable under the policy in respect of that occupational liability⁴ is not less than the amount of the monetary ceiling (maximum amount of liability) specified in clause 3.2 hereof as applying to such members at the time at which the act or omission giving rise to the cause of action occurred,

the member is not liable in damages in relation to that cause of action above the amount of that monetary ceiling (maximum amount of liability).

3.2 The monetary ceiling (maximum amount of liability) required for the purposes of limitation of liability under this scheme at the time at which the act or omission giving rise to the cause of action occurred is to be determined according to the following table:

<i>Class</i>	<i>Description</i>	<i>Monetary ceiling (maximum amount of liability)</i>
1	Category A member	\$1.5 million
2	Category B member	\$4 million

the Act does not apply to liability for damages arising from the death of, or personal injury to, a person, , a breach of trust, fraud or dishonesty. Section 5 (2) of the Act also provides that ‘the Act does not apply to liability which may be the subject of proceedings under section 110 of the Transfer of Land Act 1958’ (Victoria).

The definition of ‘occupational association’ in section 4 of the Act, applies in this scheme. By that definition ‘occupational association’ means ‘a body corporate – (a) which represents the interests of persons who are members of the same occupational group; and (b) the membership of which is limited principally to members of that occupational group.’

The definition of ‘occupational group’ in section 4 of the Act, applies in this scheme. By that definition ‘occupational group’ includes ‘a professional group and a trade group’.

The definition of ‘Damages’ in section 4 of the Act, applies in this scheme. By that definition, ‘damages’ means

- (a) damages awarded in respect of a claim or counter-claim or claim by way of set-off; or
- (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant); or
- (c) any interest payable on the amount of those damages or costs.

³ The definition of ‘court’ in section 4 of the Act, applies in this scheme. By that definition, ‘court’ ‘includes a tribunal and an arbitrator’.

⁴ Clause 3.1 invokes 23 of the Act. Section 4 (2) of the Act provides that ‘a reference in the Act to the amount payable under an insurance policy in respect of an occupational liability’ (referred to in clause 3.1 of this scheme and s 23 of the Act) ‘includes a reference to –

- (a) defence costs payable in respect of a claim, or notification that may lead to a claim (other than reimbursement of the defendant for time spent in relation to the claim), but only if those costs are payable out of the one sum insured under the policy in respect of the occupational liability; and
- (b) the amount payable under or in relation to the policy by way of excess.’

Class	Description	Monetary ceiling (maximum amount of liability)
3	Category C member	\$8 million
4	Category D member	\$20 million

3.3 This scheme limits the occupational liability in respect of a cause of action founded on an act or omission occurring during the period when the scheme was in force of any person to whom the scheme applied at the time the act or omission occurred.

- (c) a sole trader whose total annual fee income for the most recent financial year is \$10 million or more, but is less than \$20 million.

3.5 This scheme only affects the liability for damages arising from a single cause of action to the extent to which the liability results in damages exceeding \$1,500,000.

3.6 Notwithstanding anything to the contrary contained in this scheme, if in particular circumstances giving rise to occupational liability the liability of any person who is subject to this scheme should be capped both by this scheme and also by any other scheme under Professional Standards legislation (whether of this jurisdiction or under the law of any other Australian state or territory) and if the amount of such caps should differ then the cap on the liability of such person arising from such circumstances which is higher shall be the applicable cap.

4 Conferral of discretionary authority

4.1 Pursuant to section 26 (b) of the Act this scheme confers on Engineers Australia a discretionary authority to specify, on application of a member of Engineers Australia to whom the scheme applies, a higher monetary ceiling (maximum amount of liability) not exceeding \$20 million than would otherwise apply under this scheme in relation to the person, either in all cases or in any specified case or class of case.

4.2 If in the exercise of its discretion under clause 4.1, Engineers Australia has specified a higher monetary ceiling (maximum amount of liability) than would otherwise apply under the scheme in relation to a person, the maximum amount of liability in relation to that person is that higher maximum amount.

13. If the matter is referred to private mediation, the original of the administrator's affidavits are to be filed in Court at the directions hearing following the mediation.
14. The administrator's legal representative is to advise the plaintiff's legal representative, in writing, of any beneficiary who is known to wish to attend the mediation, no later than 7 working days prior to the mediation.
15. If it is necessary to adjourn a mediation, the parties are expected to relist the matter before the Family Provision List Judge for the purpose of adjusting any timetable. Alternatively the parties may file Consent Orders adjusting the timetable with the List Judge's Associate for the making of Orders in Chambers.

Directions hearing following Mediation

16. If the parties settle the proceedings before a private mediator, the Court will make the necessary orders at the directions hearing following the mediation. If no approval of the court is required, or there is no order extending the time for the making of the application, and if the original of the orders, signed by the parties or his, her or their, legal representative, the orders may be made, in Chambers, by the Family Provision List Judge, provided that those

orders are received before noon on the day before the date of the directions hearing, in which event that date will be vacated.

17. If the matter has not settled, a timetable will be made for the preparation of the matter for final hearing. The timetable is to include provision for filing and service of a costs affidavit and any updating affidavit of any party or beneficiary:
 - 17.1 The plaintiff's final affidavit as to costs and disbursements should identify the costs and disbursements calculated on the indemnity basis and those costs and disbursements calculated on the ordinary basis and the amount, if any, already paid on account of costs and disbursements. If there is any uplift factor included in the calculation of the plaintiff's costs, or any agreement that provides for such an uplift factor, the quantum thereof and the terms of any such fee agreement should be identified in the costs affidavit.
 - 17.2 The administrator's affidavit as to costs and disbursements should identify the costs and disbursements calculated on the indemnity basis and the amount, if any, already paid out of the estate, or otherwise, on account of costs and disbursements.
18. The Court may set the matter down for hearing at this directions hearing or bring the matter back for a further directions hearing at which time the matter will be set down for hearing. Directions will also be given for the filing and service of a list of the affidavits of the respective parties, an agreed chronology, a joint statement of assets and liabilities and a short outline of submissions.

Consent Orders

19. Consent Orders finalising proceedings are to include the following provisions:
 - (a) The application was made within time;

 - (e) The administrator has filed an Appearance.
20. Consent orders requiring approval of a compromise, or of approval of a release, or an order extending time for the making of an application, will be listed before the Family Provision List Judge on a Friday only after all affidavits to be relied upon, as well as the pro forma document for approval of releases (whether inter vivos or involving the estate) have been completed and delivered to the Family Provision List Judge.

Proof of certain matters

21. Unless the court orders otherwise, or reasonable notice is given that strict proof is necessary, parties may give evidence as follows:

Expert Evidence

22. Practice Note SC Eq 5 – Expert Evidence in the Equity Division applies with any necessary adaptations, if expert evidence is necessary to assist the Court.

After the making of Orders

23. If a family provision order is made, whether by consent or otherwise, an administrator must, unless the Court otherwise orders, within 28 days after the order is recorded in the Court's computerised court record system, lodge in the Probate registry:

Costs

24. Orders may be made capping the costs that may be recovered by a party in circumstances including, but not limited to, cases in which the net distributable value of the estate (excluding costs of the proceedings) is less than \$500,000.

General Matters

25. In all family provision applications the Court expects that:
- 25.1 Each party not appearing in person, shall be represented, at any hearing before the Family Provision List Judge, by a legal practitioner familiar with the subject matter of the proceedings and with instructions sufficient to enable all appropriate orders and directions to be made.
 - 25.2 Legal practitioners will have communicated with a view to reaching agreement on Short Minutes recording the directions to be made in accordance with this Practice Note.
 - 25.3 The resources of the estate and of the Court will not be used in a manner that is out of proportion to the size of the estate and the provision that may be made.

Preliminary

1 Background

- (a) The Newcastle Buses and Ferries Services division of the State Transit Authority (STA) provides a ferry service in Newcastle (**Stockton Ferry Service**).
- (b) Section 11 of the *Independent Pricing and Regulatory Tribunal Act 1992* (**IPART Act**) provides IPART with a standing reference to conduct investigations and make reports to the Minister on the determination of the pricing of a government monopoly service supplied by a government agency specified in Schedule 1 of the IPART Act.
- (c) The STA (but excluding any bus services provided by the STA under a service contract to which section 28J of the *Passenger Transport Act 1990* applies) is listed as a government agency for the purposes of Schedule 1 of the IPART Act. The services of the STA declared as monopoly services (**Monopoly Services**) under the *Independent Pricing and Regulatory Tribunal (Passenger Transport Services) Order 1998* (NSW) are the regular passenger services (within the meaning of the *Passenger Transport Act 1990*) supplied by the STA but excluding the following:
 - (1) services supplied in accordance with the ticket known as the "Sydney Pass"; and
 - (2) the bus service known as the "Airport Express"; and
 - (3) the bus service known as the "Sydney Explorer", the bus service known as the "Bondi & Bay Explorer" and any other similar bus services operating in any other areas.
- (d) The Monopoly Services include the Stockton Ferry Service. Accordingly, IPART may determine maximum prices for the Stockton Ferry Service.
- (e) In accordance with section 13A of the IPART Act, IPART has fixed the maximum price for the Stockton Ferry Service.
- (f) In investigating and reporting on the pricing of the Stockton Ferry Service, IPART has had regard to a broad range of matters, including the matters set out in section 15 (1) of the IPART Act.
- (g) By section 18 (2) of the IPART Act, the STA may not fix a price below that determined by IPART for the Stockton Ferry Service without the approval of the Treasurer.
