SPECIAL SUPPLEMENT

WATER ACT 1912

Reduction in Water Allocations for the Belubula River Catchment Water Source 2012
under the
Water Act 1912

I, DAVID HARRISS, having delegated authority from the Water Administration Ministerial Corporation, in pursuance of section 20Z of the Water Act 1912, as it appears to me that:

- (a) the Belubula River Catchment Water Source, which is subject to a scheme, is unlikely to have sufficient water available to meet the requirements for the year commencing 1 July 2012, of the persons authorised by law to take water from the water source; and
 - (b) such other possible requirements for water from the water source as are determined by the Water Administration Ministerial Corporation,
- make the following Notice.

Dated this 24th day of June 2012.

DAVID HARRISS,
Commissioner
Signed for the Water Administration Ministerial Corporation
(by delegation)

Explanatory Note:

This Notice is made under section 202 of the Water Act 1912. The object of this Notice is to reduce water allocations for certain entitlements in the Belubula River Catchment Water Source for the year commencing on 1 July 2012.

Reduction in Water Allocations for the Belubula River Catchment Water Source 2012
under the
Water Act 1912

1. Name of Notice

This Notice is the Reduction in Water Allocations for the Belubula River Catchment Water Source 2012.

2. Commencement

This Notice commences on the day on which it is published in the *New South Wales Government Gazette* and in a newspaper circulating in the district in which the Belubula River Catchment Water Source is located.

3. Period

This Notice will remain in force until 30 June 2013, unless it is repealed or modified by further notice before that date.

4. Reduction in water allocations

Water allocations for General Security entitlements in the Belubula River Catchment Water Source for the year commencing on 1 July 2012, are reduced by 90%.

Notes:

- (1) This allows holders of General Security entitlements to access up to 10% of their entitlement.
- (2) The Belubula River Catchment Water Source was declared to be subject to a volumetric water allocations scheme by order made under section 20W of the Water Act 1912 and published in the *New South Wales Government Gazette* No. 115 at page 4340 on 14th August 1981.
