Management Act 1997)

Declaration Number 20131101; Area Number 3316

THE Environment Protection Authority (EPA) declares the following land to be significantly contaminated land under the Contaminated Land Management Act 1997 ("the Act"):

1. Land to which this declaration applies ("the site")

The site to which this declaration relates is described as:

Lots 1 in Deposited Plan 742871 – 116 Old South Head Road, Woollahra

in the municipality of Woollahra. A map of the site is available for inspection at the offices of the Environment Protection Authority, Level 14, 59 Goulburn Street, Sydney NSW.

2. Nature of contamination affecting the site:

The EPA has found that the site is contaminated with the following substances ("the contaminants"):

- Benzene, toluene, ethylbenzene, xylenes, polycyclic aromatic hydrocarbons and total petroleum hydrocarbons C6-C36.

3. Nature of harm that the contaminants may cause:

The EPA has considered the matters in section 12 of the Act and for the following reasons has determined that the land is contaminated and that the contamination is significant enough to warrant regulation under the Act:

- Benzene, toluene, ethylbenzene and xylenes are present in groundwater at the site at concentrations that exceed human health guideline values and environmental investigation levels;
- Petroleum hydrocarbon contamination has migrated from the site and been identified within groundwater and soils down gradient of the site; and
- Human exposures to the contamination may occur if excavations are undertaken at the site or in the vicinity of the site, or if volatile petroleum hydrocarbon contaminant vapours are accumulating in enclosed spaces, such as buildings.

4. Further action under the Act

The making of this declaration does not prevent the carrying out of voluntary management of the site and any person may submit a voluntary management proposal for the site to the EPA.

5. Submissions invited

The public may make written submissions to the EPA on:

- Whether the EPA should issue a management order in relation to the site; or

Section 58 of the Act requires the EPA to maintain a public record. A copy of this significantly contaminated land declaration will be included in the public record.

Information recorded by councils

Section 59 of the Act requires the EPA to give a copy of this declaration to the relevant local council. The council is then required to note on its planning certificate issued pursuant to section 149 (2) of the Environmental Planning and Assessment Act 1979 that the land is declared significantly contaminated land. The EPA is required to notify council as soon as practicable when the declaration is no longer in force and the notation on the section 149 (2) certificate is no longer required.

**STATUTORY AND OTHER OFFICES
REMUNERATION ACT 1975**

Report and Determination: Assistant Commissioner,
NSW Crime Commission

REPORT:

1. On 15 March 2013 the Premier, the Hon. Barry O'Farrell, M.P., wrote to the Statutory and Other Offices Remuneration Tribunal ("the Tribunal") advising that the Assistant Commissioner, NSW Crime Commission, Mr Robert Inkster, had elected to receive remuneration benefits pursuant to section 11A of the Statutory and Other Offices Remuneration Act 1975 ("SOOR Act"). The Premier has approved Mr Inkster's election and nominated the position of Assistant Commissioner, NSW Crime Commission as one to which section 11A of the Act applies.

Background:

2. When the SES was introduced in 1989 the Government considered that some Statutory Office Holders, exercising independent functions (excluding judicial officers) should be able to receive employment benefits similar to those provided to the SES. Section 11A of the Act provides that remuneration for such office holders is to be determined on a total cost basis aligned to the SES in lieu of salary. This Group is known collectively as "11A Office Holders" and their remuneration packages are expressed as a total cost of employment.
3. Unlike SES officers, the office holders are not subject to contractual employment provisions or performance agreements. In addition, the remuneration of these office holders is expressed as a fixed amount rather than a range as with the normal SES Levels.

Review:

4. The NSW Crime Commission is a statutory corporation established under the Crime Commission Act 2012 (the Act). The statutory objectives of the Commission are to reduce the incidence of organised and other crime. The Commission also has responsibility for the confiscation of assets of those involved in serious criminal activity.

5. The Act provides for the appointment of one or more Assistant Commissioners and for the Crime Commissioner to determine and allocate the functions for each Assistant Commissioner. As the Assistant Commissioner in charge of Operations, Mr Inkster is responsible for overseeing and managing the investigative matters of the Crime Commission.
6. For remuneration purposes the position of Assistant Commissioner, NSW Crime Commission is listed in Schedule 1 of the SOOR Act. The Assistant Commissioner, NSW Crime Commission currently receives an annual salary of \$401,255.
7. In determining a package the Tribunal has applied the standard methodology and considers that a total remuneration package of \$419,405 would be appropriate and so determines.

DETERMINATION:

Pursuant to section 14 (1) of the Statutory and Other Offices Remuneration Act 1975 the Tribunal determines that the total remuneration package for the Assistant Commissioner, NSW Crime Commission shall be \$419,405 pa with effect from the date of this determination.

Date: 27 March 2013.
