**ALTERATION OF PURPOSE/CONDITIONS OF A
 WESTERN LANDS LEASE**

IT is hereby notified that in pursuance of the provisions of section 18J, Western Lands Act 1901, the purpose and conditions of the undermentioned Western Lands Lease have been altered as shown.

ANDREW STONER, M.P.,
 Minister for Regional Infrastructure and Services

*Administrative District – Balranald;
 Shire – Balranald;
 Parish of Euston; County of Taila*

The purpose/conditions of Western Lands Lease 9829, being the land contained within Folio Identifier 4/1059036 have been altered from “Grazing” to “Conservation” effective from 1 August 2013.

As a consequence of the alteration of purpose and conditions rent will be assessed annually in line with the Western Lands Act 1901 and Regulations.

The conditions previously annexed to Western Lands Lease 9829 have been revoked and the following conditions have been annexed thereto.

**CONDITIONS AND RESERVATIONS ATTACHED TO
 WESTERN LANDS LEASE WLL No. 9829**

- (1) In the conditions annexed to the lease, the expression “the Minister” means the Minister administering the Western Lands Act 1901, and any power, authority, duty or function conferred or imposed upon the Minister by or under those conditions may be exercised or performed either by the Minister or by such officers of the Department of Trade and Investment as the Minister may from time to time approve.
- (2) In these conditions and reservations the expression “the Commissioner” means the Commissioner charged with the administration of the Western Lands Act 1901 (“the Act”) in accordance with section 4(2) of the Act.
- (3) (a) For the purposes of this clause the term Lessor shall include Her Majesty the Queen Her Heirs and Successors the Minister and the agents servants employees and contractors of the Lessor Her Majesty Her Majesty’s Heirs and Successors and the Minister.
 (b) The lessee covenants with the Lessor to indemnify and keep indemnified the Lessor from and against all claims for injury loss or damage suffered by any person or body using or being in or upon the Premises or any adjoining land or premises of the Lessor arising out of the Holder’s use of the Premises and against all liabilities for costs charges and expenses incurred by the Lessor in respect of the claim of any such person or body except to the extent that any such claims and demands arise wholly from any negligence or wilful act or omission on the part of the Lessor.
 (c) The indemnity contained in this clause applies notwithstanding that this Lease authorised or required the lessee to undertake or perform the activity giving rise to any claim for injury loss or damage.
- (4) The lessee expressly agrees that the obligations of the Holder under this clause shall continue after the expiration or sooner determination of this Lease in respect of any act deed matter or thing occurring before such expiration or determination.
- (5) The rent of the lease shall be assessed in accordance with Part 6 of the Western Lands Act 1901.
- (6) The rent shall be due and payable annually in advance on 1 July in each year.
- (7) (a) “GST” means any tax on goods and/or services, including any value added tax, broad-based consumption tax or other similar tax introduced in Australia.
 “GST law” includes any Act, order, ruling or regulation, which imposes or otherwise deals with the administration or imposition of a GST in Australia.
 (b) Notwithstanding any other provision of this Agreement:
 (i) If a GST applies to any supply made by either party under or in connection with this Agreement, the consideration provided or to be provided for that supply will be increased by an amount equal to the GST liability properly incurred by the party making the supply.
 (ii) If the imposition of a GST or any subsequent change in the GST law is accompanied by or undertaken in connection with the abolition of or reduction in any existing taxes, duties or statutory charges (in this clause “taxes”), the consideration payable by the recipient of the supply made under this Agreement will be reduced by the actual costs of the party making the supply that are reduced directly or indirectly as a consequence of the abolition of or reduction in taxes.
- (8) The lessee must pay all rates and taxes assessed on or in respect of the land leased during the currency of the lease.
- (9) The lessee must hold and use the land leased bona fide for the lessee’s own exclusive benefit and shall not transfer, convey or assign the land or any portion thereof without having first obtained the written consent of the Minister.
- (10) The lessee must not enter into a sublease of the land leased unless the sublease specifies the purpose for which the land may be used under the sublease, and it is a purpose which is consistent with the purpose for which the land may be used under this lease.
- (11) If the lessee enters into a sublease of the land leased, the lessee must notify the Commissioner of the granting of the sublease within 28 days after it is granted.
- (12) The land leased must be used only for the purpose of **Conservation**.
- (13) The lessee must maintain and keep in reasonable repair all improvements on the land leased during the currency of the lease and must permit the Minister or

- the Commissioner or any person authorised by the Minister or the Commissioner at all times to enter upon and examine the whole or any part of the land leased and the buildings or other improvements thereon.
- (13) The lessee must ensure that the land leased is kept in a neat and tidy condition to the satisfaction of the Commissioner and not permit refuse to accumulate on the land.
- (14) Upon termination or forfeiture of the lease the Commissioner may direct that the former lessee remove any structure or material from the land at his own cost and without compensation. Where such a direction has been given the former lessee must leave the land in a clean and tidy condition free from rubbish and debris.
- (15) The lessee must, within 1 year from the date of commencement of the lease or such further period as the Commissioner may allow, enclose the land leased, either separately or conjointly with other lands held in the same interest, with a suitable fence to the satisfaction of the Commissioner.
- (16) The lessee must undertake any fuel management and/or provision of fire trail access in accordance with fire mitigation measures to the satisfaction of the NSW Rural Fire Service.
- (17) The lessee must ensure that any access tracks must be arranged in such a manner as to minimise the disturbance of any land surface.
- (18) The lessee must not erect or permit any person to erect any buildings or extend any existing buildings on the land leased except in accordance with plans and specifications approved by the Council of the local government area.
- (19) The lessee shall ensure that any European heritage sites, artefacts, buildings or other areas of significance will not be damaged, destroyed or defaced by either the lessee or other persons present on the leased land.
- (20) The lessee shall undertake any appropriate measures, at his/her own expense as ordered by the Commissioner to rehabilitate any degraded or disturbed areas.
- (21) The lessee must not destroy populations or any endangered or threatened species, damage the critical habitat of endangered species, populations and ecological communities or damage the habitat of any threatened species, populations or ecological communities scheduled in the Threatened Species Conservation Act 1995 on any part of the lease whilst using the lands for the purpose of "recreational hunting" and shall prevent any other person from doing the same.
- (22) The lessee must within three months from the date of addition of these conditions to the lease erect and maintain to the satisfaction of the Commissioner a stock proof fence around the whole of the lease.
- (23) The lessee must ensure that during the term of the lease all domestic stock is excluded from the lease.
- (24) The Conservation Area partly covers Travelling Stock Reserve 30108 and suitable arrangements must be made with the relevant Livestock Health & Pest Authority. If suitable arrangements cannot be made with the Livestock Health & Pest Authority, the matter will be determined by the Commissioner.
- (25) The lessee must not clear any vegetation or remove and timber, fallen logs or rocks within the leased area unless written approval has been granted by either the Commissioner or the Minister.
- (26) These conditions are in addition to any and all conditions set out in Property Vegetation Plan for Euston Station (17PVP00105) approved 16 August 2013.
- (27) The area set aside for Conservation covers the whole of the lease and occupies 1383 ha.
- (28) The lessee is permitted to undertake activities that are directly associated with either Scientific Research, Field Studies or Education purposes.

Declaration Number 20131102; Area Number 3319

THE Environment Protection Authority (EPA) declares the following land to be significantly contaminated land under the Contaminated Land Management Act 1997 (“the Act”):

1. Land to which this declaration applies (“the site”)

This declaration applies to Lot 191, DP 1066404 known as 161 Fallon Street, Albury, in the local government area of Albury City Council. A map of the site is available for inspection at the offices of the Environment Protection Authority, 59 Goulburn Street, Sydney NSW 2000.

2. Nature of contamination affecting the site:

The EPA has found that the site is contaminated with the following substances (“the contaminants”):

- Chlorinated hydrocarbons including dichloromethane and tetrachloroethene.

3. Nature of harm that the contaminants have caused:

The EPA has considered the matters in s.12 of the Act and for the following reasons has determined that the land is contaminated and that the contamination is significant enough to warrant regulation under the Act:

- groundwater is contaminated with chlorinated hydrocarbons including dichloromethane and tetrachloroethene;
- the contaminated groundwater has migrated offsite beneath the adjoining roadway and footpath and may continue to migrate towards industrial areas;
- trichloroethene and tetrachloroethene soil vapour concentrations exceed environmental health criteria;
- there is a risk to workers undertaking excavations from exposures to chlorinated hydrocarbon vapours which may occur in excavations/ service utilities in the impacted areas; and,
- there may be risks to any users of groundwater in the impacted areas.

4. Further action under the Act

The making of this declaration does not prevent the carrying out of voluntary management of the site and any person may submit a voluntary management proposal for the site to the EPA.

5. Submissions invited

The public may make written submissions to the EPA on:

- Whether the EPA should issue a management order in relation to the site; or
- Any other matter concerning the site.

Submissions should be made in writing to:

Manager Contaminated Sites,
Environment Protection Authority,
PO Box A290,
Sydney South NSW 1232,
or faxed to (02) 9995 5930,
by not later than 6th September 2013.

Dated: 6th August 2013.

NIALL JOHNSTON,
Manager,
Contaminated Sites,
Environment Protection Authority

Note:**Management order may follow**

If management of the site or part of the site is required, the EPA may issue a management order under s.14 of the Act.

Amendment/Repeal

This declaration may be amended or repealed. It remains in force until it is otherwise amended or repealed. The subsequent declaration must state the reasons for the amendment or repeal (s.44 of the Act).

Information recorded by the EPA

Section 58 of the Act requires the EPA to maintain a public record. A copy of this significantly contaminated land declaration will be included in the public record.

Information recorded by councils

Section 59 of the Act requires the EPA to give a copy of this declaration to the relevant local council. The council is then required to note on its planning certificate issued pursuant to s.149 (2) of the Environmental Planning and Assessment Act 1979 that the land is declared significantly contaminated land. The EPA is required to notify council as soon as practicable when the declaration is no longer in force and the notation on the s.149 (2) certificate is no longer required.

Relationship to other regulatory instrument

This declaration does not affect the provisions of any relevant environmental planning instruments which apply to the land or provisions of any other environmental protection legislation administered by the EPA.

CONTAMINATED LAND MANAGEMENT ACT 1997

Environment Protection Authority

Declaration of Significantly Contaminated Land
(Section 11 of the Contaminated Land Management Act
1997)

Declaration Number 20131103; Area Number 3318

THE Environment Protection Authority (EPA) declares the following land to be significantly contaminated land under the Contaminated Land Management Act 1997 (“the Act”):

1. Land to which this declaration applies (“the site”)

The site includes the land listed below;

- All of Lot 1000 in DP 1168068.

The site is in the Parish of Kahibah, **which fall within the area bounded by the thick black line marked on the attached map** – Figure1: Declared area.

2. Nature of contamination affecting the site:

The EPA has found that the site is contaminated with petroleum including the following substances (“the contaminants”):

- Benzene
- Total Petroleum Hydrocarbons (TPH)

- Polycyclic Aromatic Hydrocarbons; and
- Lead

3. Nature of harm that the contaminants may cause:

The EPA has considered the matters in s.12 of the Act and for the following reasons has determined that the land is contaminated and that the contamination is significant enough to warrant regulation under the Act:

- groundwater is contaminated with volatile aromatic hydrocarbons at concentrations exceeding relevant criteria;
- the contaminants include benzene
- the contaminants in groundwater have migrated offsite and may continue to migrate offsite towards residential areas, and
- workers may become exposed to vapours when working in excavations.

4. Further action under the Act

The making of this declaration does not prevent the carrying out of voluntary management of the site and any person may submit a voluntary management proposal for the site to the EPA. If the proposal satisfies the requirements of s.17 of the Act, the EPA may agree not to issue a management order to the person or persons bringing the proposal.

5. Submissions invited

The public may make written submissions to the EPA on:

- Whether the EPA should issue a management order in relation to the site; or
- Any other matter concerning the site.

Submissions should be made in writing to:

Manager Contaminated Sites,
Environment Protection Authority,
PO Box A290,
Sydney South NSW 1232,
or faxed to (02) 9995 5930,
by not later than 6 September 2013.

Dated: 6 August 2013.

NIALL JOHNSTON,
Manager Contaminated Sites,
Environment Protection Authority

Note:

Management order may follow

If management of the site or part of the site is required, the EPA may issue a management order under s.14 of the Act.

Amendment/Repeal

This declaration may be amended or repealed. It remains in force until it is otherwise amended or repealed. The subsequent declaration must state the reasons for the amendment or repeal (s.44 of the Act).

Information recorded by the EPA

Section 58 of the Act requires the EPA to maintain a public record. A copy of this significantly contaminated land declaration will be included in the public record.

Information recorded by councils

Section 59 of the Act requires the EPA to give a copy of this declaration to the relevant local council. The council is then

required to note on its planning certificate issued pursuant to s.149 (2) of the Environmental Planning and Assessment Act that the land is declared significantly contaminated land. The EPA is required to notify council as soon as practicable when the declaration is no longer in force and the notation on the s.149 (2) certificate is no longer required.

Relationship to other regulatory instrument

This declaration does not affect the provisions of any relevant environmental planning instruments which apply to the land or provisions of any other environmental protection legislation administered by the EPA.
