**ALTERATION OF PURPOSE/CONDITIONS
OF A WESTERN LANDS LEASE**

IT is hereby notified that in pursuance of the provisions of section 18J Western Lands Act 1901, the conditions of the undermentioned Western Lands Lease have been altered as shown.

KEVIN HUMPHRIES, M.P.,
Minister for Natural Resources, Lands and Water

*Administrative District – Cobar; Shire – Cobar
Parish of Lambrigg, County of Robinson*

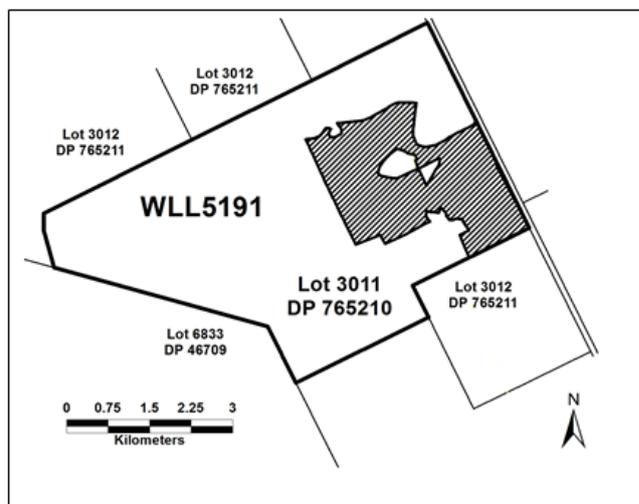

The purpose of Western Lands Lease 5191, being the land contained within Folio Identifier 3011/765210 has been altered from "Grazing" to "Grazing & Cultivation (Dryland)" effective from 15 September 2014.

As a consequence of the alteration of purpose/conditions rent will be assessed annually in line with the Western Lands Act 1901 and Regulations.

The conditions have been altered by the inclusion of the special conditions following.

1. The lessee must only cultivate an area of 603 hectares on Western Lands Lease 5191 as indicated by the hatched area on the diagram hereunder, and must ensure that no cultivation or ancillary works associated with cultivation occurs outside of these areas.
2. The lessee must ensure that sandhills and other soils with a surface texture of loamy sand or coarser are left uncultivated unless specifically approved by the Commissioner.
3. The lessee must ensure land within 50 metres of any texture contrast or duplex soil area remains uncultivated except in accordance with a plan approved by the Commissioner. Texture contrast (or duplex) soils are soil types which have a sandy to loamy topsoil abruptly overlying a clay subsoil and are prone to scalding (producing clay pans and hummocks).
4. The land leased must only be used for the purpose of Grazing and Cultivation (Dryland).
5. The lessee must ensure areas with a slope greater than 2% remain uncultivated until any soil conservation measures documented in a plan approved by the Commissioner have been implemented at the lessee's expense.
6. The lessee must ensure incised drainage lines, other than man-made structures, which carry water after storms are left uncultivated in the channels and for a distance of at least 20 metres on either side of the banks of the channels except when the Commissioner specifies otherwise.
7. The lessee must ensure that cultivation and associated activities do not interfere with any road formation within the allowable area.
8. The lessee must ensure stubble is retained on the soil surface and must not be burnt, except with the approval of the Commissioner or his delegate.
9. The lessee must undertake any appropriate measures, at his/her own expense, ordered by the Commissioner to rehabilitate and degraded cultivated areas.

10. The lessee must establish wind breaks at his/her own expense as may be ordered by the Commissioner to provide adequate protection of the soil.
11. The lessee must ensure that cultivation and cropping do not alter the natural flood regime or obstruct the reasonable passage of floodwaters. Crops are not to be protected by levees.

14. Subpoenas to produce

14.1 Parties must issue subpoenas as soon as is practicable after the proceedings are commenced so that documents can be produced and inspected in a timely manner and are available for the proper preparation of the case, including submission to experts.

14.2 The issuing party must endorse on the subpoena the proposed access orders sought by the party.

14.3 The parties should confirm with the court registry prior to the return date that the documents under subpoena have been produced to the court.

14.4 Where the subpoena has not been served or where no documents have been produced the issuing party may seek a further return date from the court on the return of subpoena or the Registrar of the court following the mention of the return of subpoena.

14.5 Where an application is to be made to set aside the subpoena by the producer or any other party or person with sufficient interest, written notice of the application stating the grounds for the application in broad terms only is to be provided to the court and the issuing party prior to the return date. No particular form of notice is required. Where an application to set aside the subpoena is to be made the applicant and the issuing party is to attend the court on the return date.

14.6 Where the producer or any other party objects to the access orders proposed by the issuing party written notice of the objection is to be provided to the court and the issuing party prior to the return date but no particular form of notice is required. Where an objection to the proposed access orders is made and agreement is not reached between the parties prior to the return date the issuing party and the objecting party are to attend the court on the return date.

14.7 Where the documents have been produced and no objection to the proposed access orders has been raised the court may make orders in accordance with the proposed access orders in the absence of the parties subject to any application to set aside the subpoena.

14.8 Where proposed access orders have not been endorsed on the subpoena and no objection to access has been raised the court may make the following **standard access orders** in the absence of the parties subject to any application to set aside the subpoena:

'The issuing party is to have first access within 3 working days and thereafter access to all parties. Leave is granted to a legal practitioner of a party to uplift documents for 3 working days and photocopy documents that the party proposes to rely on at the hearing or to be forwarded to the Children's Court Clinic or other expert.'

14.9 Before making an order for access in the absence of the parties under paragraph 14.7 or 14.8 the court must be satisfied that Rule 30A(8) of the Children's Court Rule 2000 has been complied with. Written notice of compliance by a legal practitioner for the issuing party will in the ordinary course be regarded as sufficient.

14.10 Where a party is not represented by a legal practitioner access is to take place in the presence of a member of the registry staff. Photocopy access may only be provided to an unrepresented party with leave of the court.

14.11 If photocopy access is granted to any document produced on subpoena, it shall be a condition of

photocopy access that the copy shall not be used for any purpose other than the proceedings for which the document has been produced, unless the court otherwise directs.

- 14.12 A subpoena for production cannot be issued after the commencement of a contested final hearing, except with the leave of the court.
- 14.13 The producer may produce a copy of any document instead of the original document unless the issuing party has clearly indicated in the schedule of documents that the original document is required to be produced.
- 14.14 Where copies of documents have been produced on subpoena and those documents are not admitted into evidence during the course of the proceedings the documents will be destroyed by the Registrar of the court 42 days after the conclusion of the matter unless arrangements have been made with the Registrar to collect the documents.
- 14.15 Original documents produced on subpoena and not admitted into evidence during the course of the proceedings will be returned to the producer at the conclusion of the matter.
- 14.16 Original documents produced on subpoena and admitted into evidence during the course of the proceedings will be returned to the producer on request at the completion of proceedings on the understanding that the documents may be required in future proceedings and should not be destroyed.

15. Standard Directions in Care proceedings

- 15.1 The following **standard directions** will apply to an application by the Secretary for a care order (other than an application for an ECPO or an application for an assessment order) except where the listing arrangements at a particular regional or country court do not allow strict compliance with the standard directions or where the special circumstances of a particular case (for example, where the case falls within the Short Term Care Orders Pilot Project) warrant departure from the standard directions.
- 15.2 The court may direct that relevant standard directions be given in an application under section 90 of the Care Act where the Secretary seeks variation or rescission of an order allocating parental responsibility.
- 15.3 The standard directions may be departed from to allow for the conducting of a dispute resolution conference under section 65 of the Care Act, or the referral of the proceedings by the court to an alternative dispute resolution service under section 65A of the Care Act.
- 15.4 In relation to ADR procedures in the Children's Court generally, see Practice Note No. 3 "Alternative Dispute Resolution Procedures in the Children's Court".
- 15.5 Directions by the court as to filing of affidavits and other documents must be complied with. Should a party, without satisfactory explanation, fail to comply with a direction to file material, the court may order that the party will have no further opportunity to file the material.
- 15.6 Standard Directions
- 15.6.1. Establishment stage

 - (a) may grant leave to the Secretary to file and serve further evidence on the issue of establishment within 14 days, and
 - (b) direct (or grant leave to) the respondent mother/father/other party to file and serve evidence in reply within 14 days after the filing of the Secretary's further evidence, and
 - (c) if appropriate, list the matter for a dispute resolution conference on the issue of establishment at the earliest opportunity following service of any further evidence by the Secretary and the respondent mother/father/other party.
 - (vii) If following the filing of further evidence and the conducting of any dispute resolution conference the court is advised that the issue of establishment is still contested then the court will list the matter for hearing on the issue of establishment on the first available date to be heard expeditiously.

(viii) For the purposes of this paragraph, a **Summary of the Proposed Plan for the Child/Young Person** should briefly and succinctly set out the following:

15.6.2 Placement stage

- (i) If an application is to be made for an assessment order under section 53 or 54 of the Care Act the application should be filed as soon as possible after establishment.
- (ii) As to the procedures for the making of an Assessment Application, providing all relevant documents to the Children's Court Clinic following the making of an Assessment Order and making arrangements for the Authorised Clinician of the Children's Court Clinic (or an assessor appointed under s 58 (2) of the Care Act) to attend court to give evidence or to attend a dispute resolution conference under section 65 or an external mediation conference under section 65A of the Care Act see: Children's Court Practice Note No. 6.
- (iii) Pursuant to paragraph 4.3 of Practice Note No. 6, an Assessment Application cannot be made by a party until all documents relevant to the application that can be reasonably be identified by the applicant at the time of making the application have been obtained (including through the issue of subpoenas) and are ready to be forwarded to the Children's Court Clinic together with the Assessment Order.
- (iv) The Secretary is to file and serve a final care plan and permanency plan and draft minute of order within 21 days of the receipt of a Clinic assessment report, or if no assessment report is ordered, within 21 days of establishment.
- (v) The respondent mother/father or any other party is to file and serve evidence replying to the care plan and permanency plan within 14 days of the filing of the care plan and permanency plan.

16. Listing a case for hearing

- 16.1 A matter may only be listed for hearing by a Children's Magistrate or by a Children's Registrar at the direction of a Magistrate.
- 16.2 The parties are to provide to the court with an "**Application for hearing date to be set**" which is to be jointly completed and signed by or on behalf of all parties. In the Application the parties are to advise the court, inter alia, the names of witnesses required for cross-examination, the availability of all witnesses required for cross-examination (including an Authorised Clinician or assessor appointed under s 58 (2) of the Care Act and other expert witnesses) and the issues that are in dispute.
- 16.3 A case will not be listed for hearing unless the court is satisfied that all directions of the court have been complied with (including any direction under section 65 of the Care Act that the parties attend an alternative dispute resolution conference or under section 65A of the Care Act that the parties attend an alternative dispute resolution service) and that the matter is otherwise ready for hearing.
- 16.4 In the event that more than one expert witness is to be called to give evidence in relation to a particular issue or issues, the parties are to raise with the court whether directions should be made for the taking of the evidence under concurrent evidence procedures such as a joint conference of witnesses.
- 16.5 Where an Authorised Clinician (or an assessor appointed under s 58 (2) of the Care Act) is required for cross-examination, the party seeking such attendance must in accordance with Practice Note No. 6 file with the court a Notice to Authorised Clinician to Attend Court within **7 days** following the matter being set down for hearing.
- 16.6 At the same time as the court lists the matter for hearing it will list the matter for a **Readiness Hearing** one month before the hearing date.
- 16.7 Further Standard Directions
 - 16.7.1 The following **further standard directions** will apply in all contested hearings (other than a contested hearing on an interim order application or a contested hearing for leave under section 90) unless the court otherwise directs.
 - 16.7.2 The Secretary will serve on the other parties a bundle of any documents produced under subpoena upon which the Secretary proposes to rely at the hearing, including by way of cross examination at least **14 days** before the **Readiness Hearing**.

- 16.7.3 Any other party will serve on all the other parties a bundle of documents produced under subpoena upon which the party proposes to rely at the hearing and that have not been already served by the Secretary pursuant to paragraph 16.7.2 at least **7 days** before the **Readiness Hearing**.
- 16.7.4 The parties, other than the independent legal representative of a child, shall, at least **7 days** before the **Readiness Hearing**, file and serve on the other parties a proposed Minute of Order.
- 16.7.5 All parties shall, at least **7 days** before the **Readiness Hearing**, file and serve on the other parties a **Case Management Document** which contains:
- (i) a list of all affidavits (and other documents) to be relied upon by the party at the hearing;
 - (ii) a schedule of all documents produced under subpoena upon which a party proposes to rely at the hearing, including by way of cross-examination;
 - (iii) a **detailed** statement of the real issues in dispute (for example, a statement that an issue in dispute is “whether there is a realistic possibility of restoration” is not sufficient), and
 - (iv) confirmation of the witnesses required for cross-examination.
- 16.7.6 Each party shall, **24 hours** before the hearing file their bundle of subpoenaed documents listed in their schedule of documents referred to at paragraph 16.7.4 (ii).
- 16.8 At the **Readiness Hearing** all legal representatives and unrepresented parties have a collective responsibility to assist the court by ensuring that:
- (a) all relevant applications, affidavits and reports have been filed;
 - (b) the application(s), affidavits and any reports have been reviewed and there is no need to amend the application nor file further evidence;
 - (c) all relevant interlocutory matters have been attended to and that the matter is ready for hearing;
 - (d) all possibilities of reaching agreement have been fully explored;
 - (e) the issues to be addressed at the final hearing are clearly identified;
 - (f) evidence addressing those issues is filed or otherwise available;
 - (g) all expert witnesses (including an Authorised Clinician or an Assessor appointed under section 58 (2) of the Care Act) who are required for cross-examination are available to attend the hearing and that the witness has been provided with all relevant material including all relevant material (as agreed by the parties) that has been filed since their report was prepared. Any further agreed additional material is to be provided to the witness **no later than three weeks** before the witness is required to give evidence;
- (h) any directions made concerning the taking of expert evidence under concurrent evidence procedures have been complied with;
 - (i) all other parties have been notified of which witnesses are required for cross-examination;
 - (j) the length of time required for the cross-examination of each witness has been estimated;
 - (k) all witnesses have been timetabled and are available;
 - (l) expert witnesses in particular have been allotted specific dates and times for their evidence, and the length of time allocated for their evidence must be carefully assessed to ensure that it can be given without the expert witnesses being required to give evidence on a further occasion;
 - (m) all documents, the production of which is sought upon subpoena, have been produced;
 - (n) a schedule of all documents produced under subpoena upon which a party proposes to rely at the hearing (including by way of cross-examination) has been filed and served on all the parties and the documents referred to in that schedule have been served on all of the parties;
 - (o) a chronology of relevant events will be filed a week before the hearing. In the usual course the chronology is to be prepared by the independent legal representative or, if there is no independent legal representative, by a party nominated by the court;
 - (p) care plans and permanency plans have been filed and served on other parties;
 - (q) (where applicable) all Children’s Court Clinic assessments have been carried out;
 - (r) the attendance of the Authorised Clinician, (or an assessor appointed under section 58 (2) of the Care Act), if required, has been requested through the court’s registry in accordance with Children’s Court Practice Note No. 6;
 - (s) arrangements have been made for the appearance of any party at the hearing by AVL and, where required, a remote witness room is available;
 - (t) arrangements have been made for the playing of any evidence by video or CD (for example, a JIRT interview), and
 - (u) where required, a request has been made for the attendance of an interpreter at the hearing.
- 16.9 Although all relevant evidence must be filed by the parties prior to the Readiness Hearing the court may at the Readiness Hearing grant leave to a party to file prior to the hearing an affidavit which updates an affidavit previously filed.

16.10 If at the Readiness Hearing the court is satisfied that all parties have complied with all court directions and is satisfied that the matter is ready for hearing then the court will confirm the hearing date.

16.11 If at the Readiness Hearing the court finds that a party has failed to prepare their case in accordance with court directions and relevant Practice Notes (including this Practice Note), a hearing date may nevertheless still be confirmed in the best interests of the child or young person. However, the defaulting party will be given specific, detailed directions, and compliance with those specific directions will be compelled.

16.12 Failure to comply with such a specific direction will usually result in the proceedings being determined on the evidence that has been filed in compliance with the court's timetable and directions.

17. Order for costs

17.1 Failure to comply with directions of the court or this Practice Note may result in an order for costs being made against the non-complying party.

18. Re-listing for non-compliance with directions

18.1 If any direction of the court is not complied with, the case may be re-listed before the court by any party on 48 hours notice for further directions. The court may re-list a matter for further directions on its own motion if any direction is not complied with.

19. Application to vacate hearing

19.1 If it appears to a party that a hearing date is in jeopardy as a result of non-compliance with orders or directions of the court or because of intervening events, the party must immediately approach the court for the urgent re-listing of the matter before a Children's Magistrate.

19.2 Any application to vacate a hearing date must be in writing on the prescribed form "**Application to vacate hearing date**" and must state the reasons for the application.

19.3 The party bringing the application to vacate a hearing must give reasonable notice to all other parties that an application to vacate is being made.

19.4 When a hearing date has been allocated, it will not be vacated unless the party seeking to vacate the hearing provides cogent and compelling reasons.

20. Explanation of proceedings

20.1 The court may, in proceedings in which a legal practitioner represents a child or young person, request the legal practitioner to advise the court of the steps taken to ensure the child or young person understands:

- (a) the proceedings;
- (b) the nature of any assertions made in the proceedings; and
- (c) the legal implications of any such assertions, for the purpose of enabling the court to perform the duties imposed upon it by section 95(1) of the Care Act.

21. Consolidation of applications

21.1 The court may direct that multiple applications concerning the same child or young person or other children or young persons be heard together. The court may give such directions as are necessary for the expeditious conduct of all those proceedings.

22. Evidence on affidavit

22.1 Except for the following documents evidence on behalf of a party shall be filed in affidavit form unless the court otherwise directs:

- (a) a written report under s 61(2)(b) of the Care Act
- (b) a report from an Authorised Clinician
- (c) any other report containing expert opinion evidence to be admitted into evidence pursuant to paragraph 28.1 of this Practice Note
- (d) documents produced under subpoena that are specified in the schedule of documents referred to at paragraph 16.7.5 (ii) of this Practice Note.

22.2 An affidavit shall be made in the first person.

22.3 The body of an affidavit shall be divided into paragraphs numbered consecutively, each paragraph being as far as possible confined to a distinct portion of subject matter.

22.4 Where an affidavit contains or annexes an extract from a document, it shall be a fair extract and the original document shall be made available for inspection by the court or another party at the direction of the court.

23. Evidence of witnesses

23.1 At a contested hearing where a witness is required for cross-examination, the usual procedure will be for each witness to be called and the affidavit or affidavits of that witness will be identified and formally read as the witness's evidence in chief.

23.2 If no party wishes to cross-examine a witness, the affidavit of that witness may be formally read as the evidence of the witness and the witness is to be advised prior to the hearing that his or her attendance at court is not required.

23.3 The court will not usually permit a witness to be called if no affidavit of that witness has been filed. The court may, however, give leave for such a witness to be called and give oral evidence. In determining whether to grant such leave, the court will consider the interests of justice, the interests of the child or young person who is the subject of the proceedings, the opportunity the party has had to place the evidence otherwise before the court and any prejudice caused to another party.

23.4 The court may grant leave to enable a party to supplement the affidavit evidence of the witness called by that party with further oral evidence or to clarify matters within the written evidence by further oral evidence. In determining whether to grant such leave, the court will consider the interests of justice, the interests of the child or young person who is the subject of the proceedings, the opportunity the party has had to

place the evidence otherwise before the court and any prejudice caused to another party.

24. Orders and directions agreed between the parties in proceedings

24.1 Parties are encouraged to consult and determine the best way of resolving any issues in dispute. If a common position is reached by the parties as to what orders, undertakings and/or directions should be made by the court, the parties should record those agreed orders, undertakings and/or directions in the form of a draft minute of order.

24.2 Any agreements reached by the parties must reflect the objects and principles of the Care Act. The court is not obliged to make any orders or directions that are recorded in a draft minute of order.

25. Hearing of interim and leave applications

25.1 The hearing of a contested application for an interim order or a contested leave application under section 90 (1) of the Care Act must be no longer than two hours except in exceptional circumstances.

25.2 Cross-examination will be allowed at such a hearing only in exceptional circumstances.

26. Duration of Interim orders

26.1 If an interim order does not specify the duration of the order or the date upon which it expires, then the interim order will be taken to continue until the court makes a further order which is contrary to that interim order.

27. Excusing personal attendance of child or young person from hearing

27.1 The court is taken to have excused the attendance of a child or young person who is the subject of the proceedings unless a direction to the contrary is given.

28. Facilitating admission and admissibility of expert evidence

28.1 A report containing expert opinion evidence, whether prepared for the purpose of the proceedings or otherwise, may be admitted into evidence if:

- (a) a copy of the report has been served (or filed and dealt with pursuant to clause 18 or 36 of the Children's Court Rule 2000); and
- (b) no party required the author of the report to attend for cross-examination; or
- (c) the author is available for cross-examination either in person or by audio or visual link; or
- (d) the court excuses the attendance of the author for cross-examination.

28.2 The court may excuse the author from attending for cross-examination where it appears to the court that:

- (a) the author is unfit to attend;
- (b) the author is outside the jurisdiction of the court and it is not reasonably practical to secure his or her attendance; or
- (c) having regard to all the circumstances of the case, undue delay or expense would be caused by calling the author to testify.

29. Expert opinion in proceedings

29.1 A document to be tendered in evidence in proceedings that includes matters of expert opinion shall also state the author's qualification to express that expert opinion including the author's relevant qualifications, training and experience.

29.2 This clause does not apply to a document produced on subpoena or as an annexure to an affidavit or to a document, which includes expert opinion, which is not contested.

30. Expert Witness Code of Conduct

30.1 The Expert Witness Code of Conduct as set out in Schedule 7 to the Uniform Civil Procedure Rules 2005 is to apply to all expert reports referred to in this Practice Direction. The expert report must expressly state that there has been compliance with the Code of Conduct in the preparation of their report.

31. Emotionally damaging material in reports – child under twelve years of age

31.1 The court may direct that a report or other documentary evidence (or any part thereof) not be given, or its contents disclosed, to a child who is under twelve years of age and the subject of a care application. In making that determination the court may take into account the prejudicial effect on the child of not becoming aware of the information contained in the report or document, and any psychological or emotional harm that is likely to be occasioned to the child if the child is made aware of that information.

31.2 If the court determines that the report or other documentary evidence (or any part thereof) should not be disclosed to the child, the court shall give such directions as the court considers necessary to prevent the child becoming aware of such information contained in the report or document.

31.3 If the court determines that the report or other documentary evidence (or any part thereof) should be disclosed to the child, the court may nonetheless delay the release of the information or give further directions which, in the court's opinion, may minimise any likely psychological/emotional harm to the child.

32. Emotionally damaging material in reports – child over twelve years of age

32.1 The court may make directions to ensure a child/young person who is over twelve years of age receives any information that has the potential to cause psychological or emotional harm in an appropriate setting and from a suitably qualified person.

33. Birth Certificate to be filed when final orders made

33.1 In the event that the court makes a final order allocating parental responsibility (or any aspect of parental responsibility) for a child or young person to the Minister, the Secretary shall, before or at the time final orders are made, file with the court a certified copy of the birth certificate relating to the child or young person.

34. Commencement

34.1 This amended Practice Note commences on Monday, 22 September 2014.

Dated: Friday 19 September 2014.
