If the procedure involves one or more of the indicators of high cost or complexity listed on the certificate, the higher banding is payable. A certificate of complexity must accompany the invoice claiming a higher banding level.
- (5) The facility fees also include the cost of pharmaceutical items provided during the admission. Only pharmaceutical items provided at discharge may be charged separately.
- (6) The overnight facility fees also include the cost of all allied health services provided during the admission except for overnight Rehabilitation patients.

- (7) Same day admissions for full and half day Rehabilitation and Psychiatric programs (excluding ECT) should be charged using the applicable Day Facility Fee. This fee includes the cost of all allied health services provided during the admission (including any allied health services which may not be covered by a Workers Compensation Fees Order)

- (a) A Full-Day Rehabilitation Program is for patients who have an established rehabilitation need, do not require overnight care, and whose rehabilitation program and goals require the involvement of a multidisciplinary team. Full-Day rehabilitation programs should be used for treatments with a minimum of 3 hours' duration.
