### CHARITABLE TRUSTS ACT 1993

#### NOTICE UNDER SECTION 15

#### CY PRES SCHEME RELATING TO WESTERN SYDNEY LOCAL HEALTH DISTRICT: SPECIAL PURPOSE & TRUST ACCOUNT COST CENTRE 422035

Section 9(1) of the *Charitable Trusts Act 1993* permits the application of property cy-pres where the spirit of the original trust can no longer be implemented.

The Western Sydney Local Health District ('WSLHD') is trustee of the Special Purpose & Trust Account 422035, or "AUBN Community Health Advisory Committee" ('the Trust'). The Trust was established for the purpose of providing funding in support of the activities of the Auburn Community Health Advisory Council ('the Council').

Among other funds received into the Trust, the Community Development Support Expenditure Program (now known as ClubGRANTS), provided a grant in 2002 specifically for the Occupational Therapy School Program conducted by the Council. The Program funded a part-time Occupational Therapist who provided therapy to children in local primary schools.

The Council has ceased meeting due to an inability to secure sufficient ongoing funding and, as a result, the Occupational Therapy School Program is no longer provided.

The Trust is considered to be a charitable trust for charitable purposes, with the objects of the Trust being the relief of the impotent. The value of the Trust is approximately \$8,650, being residual funds from various grants received.

The Child and Family Occupational Therapy program ('the Program') at the Auburn Community Health Centre ('ACHC') has been identified as having a similar purpose to the original purposes of the Trust. The Program provides comprehensive assessment and limited sessions of occupational therapy intervention to eligible children between the ages of zero to eight within the Auburn area. Children eligible for the Program are those within the normal to mildly delayed range of intellectual functioning, who require occupational therapy. The Program aligns with the original purpose of the Trust, broadly being the provision of occupational therapy to children with difficulties that require such intervention. The trustee has proposed to direct the Trust funds toward the Program.

In circumstances where the funds held on trust cannot be applied to the original purpose of the Trust, due to the Council no longer meeting, the Solicitor General, as the Attorney General's delegate, recommends the establishment of a cy pres scheme to apply the funds held on Trust to the Program at the ACHC, that being as close as possible to the original purposes of the Trust.

Take note that within one month after the publication of this notice any person may make representations or suggestions to the Attorney General in respect of the proposed scheme.

Signed  
Lida Kaban  
General Counsel, Department of Justice

## SUPREME COURT PRACTICE NOTE SC CL 6

### SUPREME COURT COMMON LAW DIVISION – POSSESSION LIST

#### Commencement

1. This Practice Note was issued on 6 February 2019 and commences on 6 February 2019.

#### Application

2. This Practice Note applies to proceedings in, or to be entered in, the Possession List.

#### Definitions

3. In this Practice Note:

**ADR** means alternative dispute resolution

**List** means the Possession List

**Registrar, CLCM** means the Registrar, Common Law Case Management

**UCPR** means the Uniform Civil Procedure Rules 2005

4. In this Practice Note ADR includes:

- (a) mediation;
- (b) arbitration; and
- (c) referral to a referee under UCPR Part 20.

#### Introduction

5. The purpose of this Practice Note is to explain the operation of the List, which is provided for by UCPR Rule 45.4.
6. UCPR Rule 45.4(1) specifies that, subject to exceptions in Rule 45.4(2), proceedings in the Common Law Division in which a claim for possession of land is made are to be entered in the List.

**Short form of Statement of Claim**

7. In the case of a claim for possession, or possession and debt, against a Defendant who is a borrower/mortgagor, it is open to the Plaintiff to commence proceedings by filing a short form of Statement of Claim in accordance with [Annexure 1](#) of this Practice Note. The principal purpose of the short form is to provide a simplified form of pleading to facilitate an understanding by the Defendant of the nature of the claim which is brought and of the practical consequences which may result.
8. The short form is not a prescribed form, nor is its use compulsory. A Plaintiff may commence proceedings by way of a Statement of Claim pleaded in conventional form, in particular where the claim is not straightforward and involves additional parties (including guarantors). It is necessary for a Statement of Claim, whether or not in short form, to comply with the requirements as to pleadings contained in UCPR Rule 14.15.

**Cover sheet to Statement of Claim**

9. A cover sheet in the approved form (Form 93), which incorporates information for the Defendant translated into several different languages, is required by UCPR Rule 6.8A to be used with all initiating process in the Possession List, including both the conventional form and short form of Statement of Claim.

**Removal from the list**

10. Upon proceedings being removed from the List, this Practice Note shall not, subject to paragraph 11 below, apply to the proceedings from the making of the order.
11. The Court may direct that this Practice Note shall continue to apply to the proceedings to the extent stated in the direction.
12. The making of an order removing proceedings from the List shall not affect any orders made or directions given prior to such removal.

**Directions hearings**

13. Defended proceedings in the List will be managed by way of Directions Hearings which will be conducted in the Online Court in accordance with the Online Court Protocol set out in Annexure 2.
14. Upon a Defence or a Cross-Claim being filed, the registry will give notice to all parties with an address for service in the proceedings of the date for the Online Court sitting of the Initial Directions Hearing before the Registrar, CLCM. If the Registrar, CLCM determines that certain matters are to be heard in open court, the times for the commencement of such direction hearings and/or special fixtures and the Court location may change and practitioners and parties should always check the daily Court Lists prior to attendance at Court.

15. The parties are to be cognisant of the timeframes in the Online Court Protocol to submit requests or consent orders.

**Action prior to initial Directions hearing before the Registrar, CLCM**

16. It is expected that, where practicable, the parties' solicitors will have discussed the case before the Initial Directions Hearing before the Registrar, CLCM and will have:
- (a) narrowed issues;
  - (b) agreed on suitable interlocutory orders, directions or arrangements;
  - (c) prepared a draft timetable for the future management of the proceedings;
  - (d) submitted draft orders to be sought to the Registrar, CLCM using the Online Court by no later than 2.30pm on the second day preceding the Online Court sitting; and
  - (e) discussed the possibility of settling the dispute by mediation or other ADR processes.
17. At the Initial Directions Hearing, the Registrar, CLCM may make such orders as are appropriate in the circumstances and will, at this or at a subsequent Directions Hearing, list the matter for a Directions Hearing before a Judge ("Judicial Directions Hearing").

**Judicial Directions Hearing**

18. A Judicial Directions Hearing of defended matters will be listed before a Judge and is intended to achieve the following:
- (a) to allow the Judge to scrutinise, at an early time, the issues raised in the proceedings including the nature of the Defence and any Cross-Claim - if no reasonable defence on the merits is disclosed, the Judge may consider striking out the Defence at that time, whether or not a Notice of Motion seeking such an order has been filed and served;
  - (b) identification of steps which are required to facilitate the just, quick and cheap resolution of the real issues in the proceedings: s.56 Civil Procedure Act 2005;
  - (c) early examination of the likelihood of a Cross-Claim or joinder of other parties to the proceedings - if a party indicates that consideration is still being given to the joinder of other parties (including the issue of a Cross-Claim), the Court will expect a clear explanation as to the steps being taken in this respect, and the time within which any application will be made;
  - (d) the Court will consider a referral to mediation under Part 4 (ss.25-34) Civil Procedure Act 2005, given the advantage of mediation occurring at a time before costs and interest have accumulated.

19. At the Judicial Directions Hearing the Judge may:
- (a) order that the proceedings be referred for mediation: s.26 *Civil Procedure Act 2005*;
  - (b) adjourn a matter for further directions before that Judge, if that is considered appropriate to facilitate the just, quick and cheap resolution of the real issues in the proceedings (including by way of mediation);
  - (c) otherwise adjourn the matter for further directions before the Registrar, CLCM;
  - (d) consider any application which a party has notified (orally or in writing) to other parties as being an application which may be made, including an application to strike out a pleading or an application for summary judgment or default judgment, whether or not a Notice of Motion seeking such an order has been filed and served - if default judgment is to be sought, the Plaintiff must ensure that all necessary affidavits are in Court to allow the application to proceed.
20. It is not intended that the Judicial Directions Hearing procedure will involve protracted or intensive case management of defended matters by Judges, instead of the Registrar, CLCM. The procedure is intended to promote early resolution of defended matters (in particular by way of mediation), to remove matters from the Defended List if no reasonable defence is disclosed and to reduce delay, in the interlocutory phase, of defended matters which are to proceed to hearing.

### **Representation**

21. Each party not appearing in person must be represented at each Directions Hearing before a Judge or Registrar, CLCM by a barrister or a solicitor familiar with the subject matter of the proceedings and with instructions sufficient to enable all appropriate orders and directions to be made.

### **Action at Directions hearing**

22. At a Directions Hearing before a Judge, Associate Judge or Registrar, CLCM, the Court may give directions and make orders as it considers appropriate with a view to the just, quick, cheap and effective management and disposal of the proceedings. Orders or directions may include:
- (a) if the List is not the most appropriate place for the proceedings, the removal of the proceedings from the List, with consequential orders and directions;
  - (b) setting a timetable for case management;
  - (c) for the whole or any part of the evidence in the proceedings to be given on affidavit;
  - (d) for adjournment of the Directions Hearing;

- (e) the filing of other pleadings;
- (f) the provision of any particulars;
- (g) the making of admissions;
- (h) the filing of lists of documents;
- (i) the provision of copies of documents;
- (j) the administration and answering of interrogatories;
- (k) the service and filing of affidavits or statements of evidence;
- (l) orders for the preservation of evidence;
- (m) hearing of applications for summary disposal under UCPR Part 13 or for judgment on admissions;
- (n) applications under UCPR Part 14 or Part 15 which relate to pleadings and particulars;
- (o) matters relating to proof; and
- (p) the provision of any further information to the Court;
- (q) the making of any order or judgment under UCPR Rule 16.3 (default judgment) including an order granting possession of land (in the case of the Registrar, CLCM, where the Registrar may so order under delegation).

### **Alternative dispute resolution**

23. At a Directions Hearing before a Judge or Registrar, CLCM, the Court will consider whether the proceedings are suitable for ADR. Legal practitioners should ensure that instructions have been obtained prior to a Directions Hearing so that it may be indicated to the Court whether the matter can be mediated.
24. If the matter appears to the Court to be appropriate for resolution by mediation, the Court will refer the proceedings for mediation with or without the consent of the parties.
25. In the event that a party or parties to existing defended matters in the Possession List are reluctant to engage in mediation, the Registrar, CLCM may refer such matters to the Possession List Judge so that mediation may be directed under s.26 Civil Procedure Act 2005 if the Court sees fit, without the consent of the parties to the proceedings.
26. The Court may give directions requiring statements from parties including a timetable to enable parties to be prepared for mediation.

**Call-Up of delayed defended matters**

27. There will be a quarterly call-up before the Possession List Judge of defended matters in which there is no listing for final hearing or referral for mediation and (subject to the determination of the Possession List Judge in a particular case) more than nine months have elapsed since the filing of a Defence or Cross-Claim. At the call-up, the parties and/or their legal representatives will be required to explain to the Court why the matter has not been listed for final hearing and what steps have been and are being taken to comply with the parties' statutory duty to assist the Court to further the overriding purpose of the Civil Procedure Act 2005 and the UCPR of facilitating the just, quick and cheap resolution of the real issues in the proceedings (s.56 Civil Procedure Act 2005). The Court will have regard to the guiding principles contained in ss.56-60 Civil Procedure Act 2005 and will utilise appropriate case-management measures with a view to eliminating unreasonable delay between the commencement of proceedings and their final determination (s.59).

**Usual order for hearing**

28. When ready for trial, proceedings will either be listed by the Registrar, CLCM, or leave will be given by the judge dealing with judicial directions to approach the Registrar or Listing Manager. In such cases the Usual Order for Hearing set out in [Annexure 3](#) is deemed to be made unless the Court otherwise orders. Where the Court otherwise orders, the Court may direct that one or more of the requirements of the Usual Order for Hearing be complied with. Ordinarily a joint statement of matters of fact and law in dispute will be directed. Cases where the Court may otherwise order include cases where one or more party is unrepresented or cases estimated to last no more than one day.

**Non-urgent applications for stay**

29. A non-urgent application to stay the execution of a writ of possession arises where no time has been fixed for the Sheriff to take possession of the property or such time has been fixed and that time is more than four working days from the time when application is brought to stay the execution of the writ. In these circumstances, the application should be brought by Notice of Motion and Affidavit in support, to be served on the opposing party, with the application to be listed for hearing before the Registrar, CLCM. Annexed to the affidavit should be any documents to be relied upon by the applicant, such as:
- (a) where the loan is to be refinanced – proof of steps undertaken to refinance;
  - (b) where the subject property is to be sold – copies of agent sale agreements, contract for sale of property, advertisements, etc.;
  - (c) where the proceedings are to be defended – a draft Defence; and
  - (d) where hardship is claimed - the facts and circumstances relied upon in this regard.

In the event that an order abridging time for service of the Notice of Motion and Affidavit is required, application for such an order should be made to the Duty Registrar who is available by appointment from 9.30 am to 4.30 pm each weekday.

### **Urgent applications for stay**

30. Urgent applications to stay the execution of a writ of possession arise where a time has been fixed for the Sheriff to take possession of the property and that time is less than four working days from the time of the stay application. In those circumstances, application should be made to the Duty Registrar who is available from 9:30am to 4.30pm each weekday or by lodging the application through the online registry website. Applicants should ordinarily produce an affidavit in support annexing documentary material, such as:
- (a) where the loan is to be refinanced – proof of steps undertaken to refinance;
  - (b) where the subject property is to be sold – copies of agent sale agreements, contract for sale of property, advertisements, etc.;
  - (c) where the proceedings are to be defended – a draft Defence, and
  - (d) where hardship is claimed - the facts and circumstances relied upon in this regard.
31. A Duty Registrar determining an urgent stay application on an ex parte basis may order that the execution of a writ of possession be stayed for a period (usually not exceeding seven working days) and direct the applicant to file and serve a Notice of Motion seeking appropriate orders and an Affidavit in support of the motion, and may abridge time for service of any order and motion, and list the matter before the Registrar, CLCM. In the event that an ex parte stay is granted, the Duty Registrar should record short reasons for granting the stay by reference to the relevant circumstances referred to in paragraph 30.
32. In the ordinary course, an officer of the Court will inform the Sheriff if an ex-parte stay has been granted and will provide the Plaintiff's solicitor by email with copies of the Court order and any affidavit relied upon on the stay application.
33. In the case of an applicant who has previously been granted a stay, unless there is good reason not to do so, the Duty Registrar should stand down an urgent application, and require the applicant to notify the Plaintiff that application for a stay is to be made so as to permit that party an opportunity to appear on the application. Where the Plaintiff does not oppose an urgent stay application, the Duty Registrar should determine the application. Where the Plaintiff opposes an urgent stay application, the Duty Registrar should refer the application to the Registrar, CLCM, so that the application may be heard and determined in open court.

**Stay applications generally**

34. The Duty Registrar or Registrar, CLCM, must refer the proceedings to an Associate Judge or Duty Judge for consideration where a Judge or Associate Judge has refused the applicant a stay on an earlier occasion.
35. The Duty Registrar or Registrar, CLCM, may refer the proceedings to an Associate Judge or Duty Judge for consideration:
  - (a) where the Duty Registrar or Registrar, CLCM, is not prepared to grant a stay to the applicant, or
  - (b) where the Registrar, CLCM, is not in a position to hear an urgent and opposed stay application which has been referred by the Duty Registrar in accordance with paragraph 33.
36. Apart from the circumstances referred to in paragraphs 34 and 35 above, it is expected that all stay applications in Possession List matters will be considered and determined by the Registrar, CLCM or a Duty Registrar.
37. If a stay application is made directly to an Associate Judge or to the Duty Judge, the applicant will be directed to the Duty Registrar.

**Disposal of applications**

38. Applications, to which all relevant parties consent, may be dealt with at any time by arrangement with the Registrar, CLCM.
39. Applications for summary disposal will be listed for a Directions Hearing in the Online Court unless the Registrar, CLCM determines that the Directions Hearing should be dealt with in open Court for referral to an Associate Judge or Duty Judge for determination.
40. Applications to set aside default judgment will be heard by the Registrar, CLCM.

**Listing for hearing**

41. When ready for trial, proceedings will be listed by the Registrar, CLCM, for hearing with no priority over other proceedings unless an order for expedition is made.
42. All applications for expedition should ordinarily be made in the first instance to the Registrar, CLCM.

**Adjournment**

43. To ensure efficient use of Court time, proceedings fixed for trial will not normally be adjourned unless special circumstances have arisen which could not have been foreseen.

44. An application for adjournment requires supporting affidavits.
45. An application for adjournment will not usually be granted unless the party on whose behalf the application is made is present at the time the application is made or has sworn an affidavit verifying that that party is aware of the reasons for the application and identifying those reasons.

### **Inactive proceedings**

46. If a Defence or application for default judgment is not filed within 6 months of the claim being instituted, the Court may dismiss the proceedings on its own motion pursuant to UCPR Rule 12.8.
47. The Court will dismiss the claim (or where appropriate, the proceedings) without notice where it appears from the Court's records that, for over 9 months, no party to the proceedings has taken any step in the proceedings, unless the Plaintiff notifies the Court of its desire to show cause why an order for dismissal should not be made. Requests to show cause must be made through the online registry website.
48. The Court may, if the Plaintiff gives notice in accordance with paragraph 47, list the proceedings for further consideration by the Registrar, CLCM in the Online Court or the Possession List Judge, and notify the Plaintiff of such listing, and on the occasion listed, the Court may make such order as is appropriate, including dismissal of the claim or the proceedings.
49. Paragraph 46 does not apply to proceedings, or to a claim, that have or has been disposed of by judgment, final order, discontinuance or dismissal.
50. Unless the Court otherwise orders, where proceedings have been dismissed under UCPR Rule 12.8 and the Plaintiff applies to have the matter restored to the List, application is ordinarily to be made by Notice of Motion and affidavit in support, to be served upon the Defendant and made returnable before the Registrar, CLCM in the Online Court.

### **Summary disposal**

51. An application for summary disposal, made after proceedings are listed for hearing by the Registrar, CLCM, will be heard at the same time as the substantive proceedings, unless the Court otherwise orders.

### **Default judgment**

52. Entry in the List will not affect a party's entitlement to apply for default judgment.

**Applications to extend the time for service of the statement of claim**

53. Pursuant to UCPR Rule 6.2 (4)(a) a statement of claim is valid for service on the defendant for 6 months from the date of filing. An application to extend this period may be made to the Registrar, CLCM without filing or serving a notice of motion. Applications must be by affidavit lodged through the online registry website and set out the extended period of time that is sought, and the reason why an extension of time is required. If the extension of time is required as a result of a stay pending an investigation by an Ombudsman then an affidavit is not required. In all other cases an affidavit must be provided. Only one application for extension of time will be determined in chambers. Any subsequent application is to be made by filing a notice of motion with an affidavit in support which will be made returnable before the Registrar, CLCM for determination.

**Contacting the registrar**

54. Where a matter is eligible for the Online Court, all communication with the Registrar, CLCM must be conducted in accordance with the Online Court Protocol.
