The New South Wales Government Gazette is the permanent public record of official NSW Government notices. It also contains local council, non-government and other notices.

Each notice in the Government Gazette has a unique reference number that appears in parentheses at the end of the notice and can be used as a reference for that notice (for example, (n2019-14)).

The Gazette is compiled by the Parliamentary Counsel's Office and published on the NSW legislation website (www.legislation.nsw.gov.au) under the authority of the NSW Government. The website contains a permanent archive of past Gazettes.

Public Health Act 2010

Order under Section 11

Power to close public premises on public health grounds

I, Rose Webb, Deputy Secretary Better Regulation Division and delegate of the Secretary of the Ministry of Health, consider that access to **The Butcher Brothers** (the Premises) trading at Unit 1, 74 Hoxton Park Road, Liverpool, being premises on which the public, or sections of the public, are required, permitted or accustomed to congregate should be restricted or prohibited in order to protect public health as:

- 1) COVID-19 is a potentially fatal and highly contagious condition;
- 2) NSW has put in place a number of restrictions and requirements to respond to the COVID-19 pandemic in order to protect the public and minimise the risk of spread of COVID-19 in the community;
- 3) The Premises is not complying with the public health restrictions and requirements that apply to the Premises;
- 4) The risk to the public health arising from this lack of compliance is sufficient to warrant the closure of the premises in order to protect public health.

In such circumstances, I direct that:

- 1) The Premises are to be closed to the public from 5:00am Tuesday 20 July 2021 until 5:00am Tuesday 27 July 2021 or the Order is sooner revoked.

Signed this 19th day of July 2021

Rose Webb
Deputy Secretary, Better Regulation Division
Delegate of the Secretary

Notes:

- 1)** If the above premises are not under the control of a Minister, any person who
 (a) controls, or is involved in the control of, the premises, and
 (b) has notice of the direction,

must take such reasonably practicable action as is necessary to comply with the direction.

- 2)** This order will be published in the Gazette as soon as practicable after it is made. However, a failure to do so does not invalidate the order.

- 3)** A person who is subject to a direction under section 11 and who has notice of the direction and who fails to comply with the direction is guilty of an offence and is liable to imprisonment for 6 months and/or 100 penalty unit fine plus a further 50 penalty units each day the offence continues. Corporations who fail to comply with a direction are liable to a fine of 500 penalty units and 250 penalty units each day the offence continues.
