The New South Wales Government Gazette is the permanent public record of official NSW Government notices. It also contains local council, non-government and other notices.

Each notice in the Government Gazette has a unique reference number that appears in parentheses at the end of the notice and can be used as a reference for that notice (for example, (n2019-14)).

The Gazette is compiled by the Parliamentary Counsel's Office and published on the NSW legislation website (www.legislation.nsw.gov.au) under the authority of the NSW Government. The website contains a permanent archive of past Gazettes.

To submit a notice for gazettal, see the Gazette page.

Proposed Environmental Planning and Assessment Regulation 2021

The NSW Department of Planning, Industry and Environment welcomes your feedback on the consultation draft of the Environmental Planning and Assessment Regulation 2021 (2021 Regulation) and Regulatory Impact Statement.

We propose replacing the *Environmental Planning and Assessment Regulation 2000* (current Regulation) with the 2021 Regulation. The object of the 2021 Regulation is to support the *Environmental Planning and Assessment Act 1979* by providing key operational provisions for the NSW planning system. While the 2021 Regulation retains many requirements of the current one, it also includes changes that will reduce red tape, make procedures more efficient and establish a simpler, more modern and transparent planning system.

Have your say
