**Planning Act**  
SECTION 41

REASONS FOR DECISION IN RELATION TO  
PROPOSED EXCEPTIONAL DEVELOPMENT PERMIT

The decision to refuse to grant an Exceptional Development Permit for Lot 000AA (45) Stow Road and Section 4049 (55) Stow Road, Hundred of Bagot for the purpose of a Temporary Workers Accommodation Village was made pursuant to section 40(2)(d) of the *Planning Act* for the following reasons:

1. It is considered that the scale and intensity of the proposed development is such that there would be an adverse impact on the character and amenity of the locality.
2. The application does not demonstrate adequate buffering to screen the development and its associated impacts of noise and traffic on adjoining land owners resulting from 248 persons being accommodated on the site.
3. The development, other than being a prohibited land use in the zone, fails to demonstrate that additional workers accommodation is appropriate in this particular locality.
4. The application does not demonstrate adequately how land with severely to poorly drained land can accommodate an on-site wastewater treatment plant and disposal.
5. The application does not demonstrate how an increase in the hard paved areas will not adversely impact on stormwater management in this locality.
