Plant Health Act

Control of Citrus Canker Declaration of Quarantine Place

I, Sarah Kathryn Corcoran, Chief Inspector of Plant Health:

- (a) under section 18(1) of the *Plant Health Act*, declare the following areas to be a quarantine place for the control of the declared pest Citrus Canker *Xanthomonas citri* subsp. *citri* (the **declared pest**):
 - (i) all the land located in an area shaded in grey on a plan in Schedule 1 and the whole of any parcel of land that is partly located in such a shaded area (the **restricted area**); and
 - (ii) all the land located in an area shaded in grey on the plan in Schedule 2 and the whole of any parcel of land that is partly located in such a shaded area (the **control area**); and
- (b) declare the quarantine place for the purposes mentioned in section 18(2)(a), (b), (c)(i) to (iv) and (d) of the Act; and
- (c) specify that the following prohibitions apply to the whole of the restricted area:
 - (i) the entry into the restricted area of any host plant for the declared pest (a **host plant**) or plant-related material is prohibited, other than:

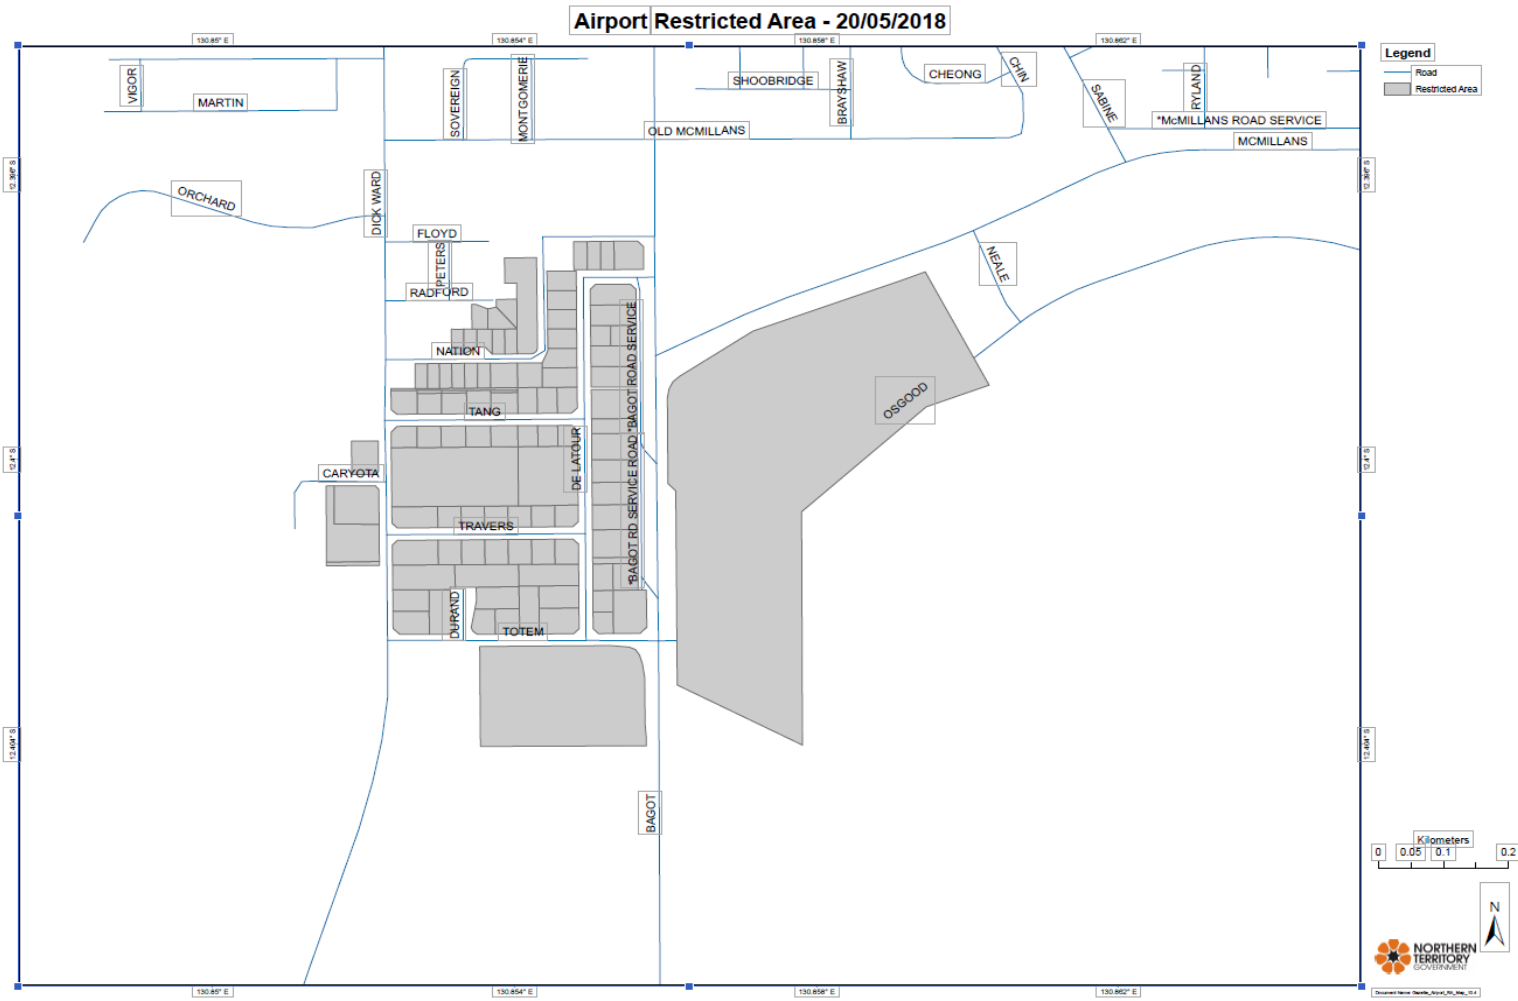

- (A) entry of fruit and juice imported from outside the control area for human consumption (the ***imported products***); or
 - (B) entry in accordance with a written permit given by the Chief Inspector;
 - (ii) the movement within the restricted area of any host plant or plant-related material is prohibited, other than:
 - (A) movement of imported products; or
 - (B) movement in accordance with a written permit given by the Chief Inspector;
 - (iii) the removal from the restricted area of any host plant or plant-related material is prohibited, other than:
 - (A) removal of imported products; or
 - (B) removal in accordance with a written permit given by the Chief Inspector;
 - (iv) the cultivation, propagation or planting within the restricted area of any host plant is prohibited, other than cultivation, propagation or planting in accordance with a written permit given by the Chief Inspector; and
- (d) specify that the removal of any host plant or plant-related material from the control area is prohibited, other than:
- (i) removal of imported products; or
 - (ii) removal in accordance with a written permit given by the Chief Inspector; and
- (e) specify that the reason for the decision to make this declaration is because the quarantine place is affected by the declared pest; and

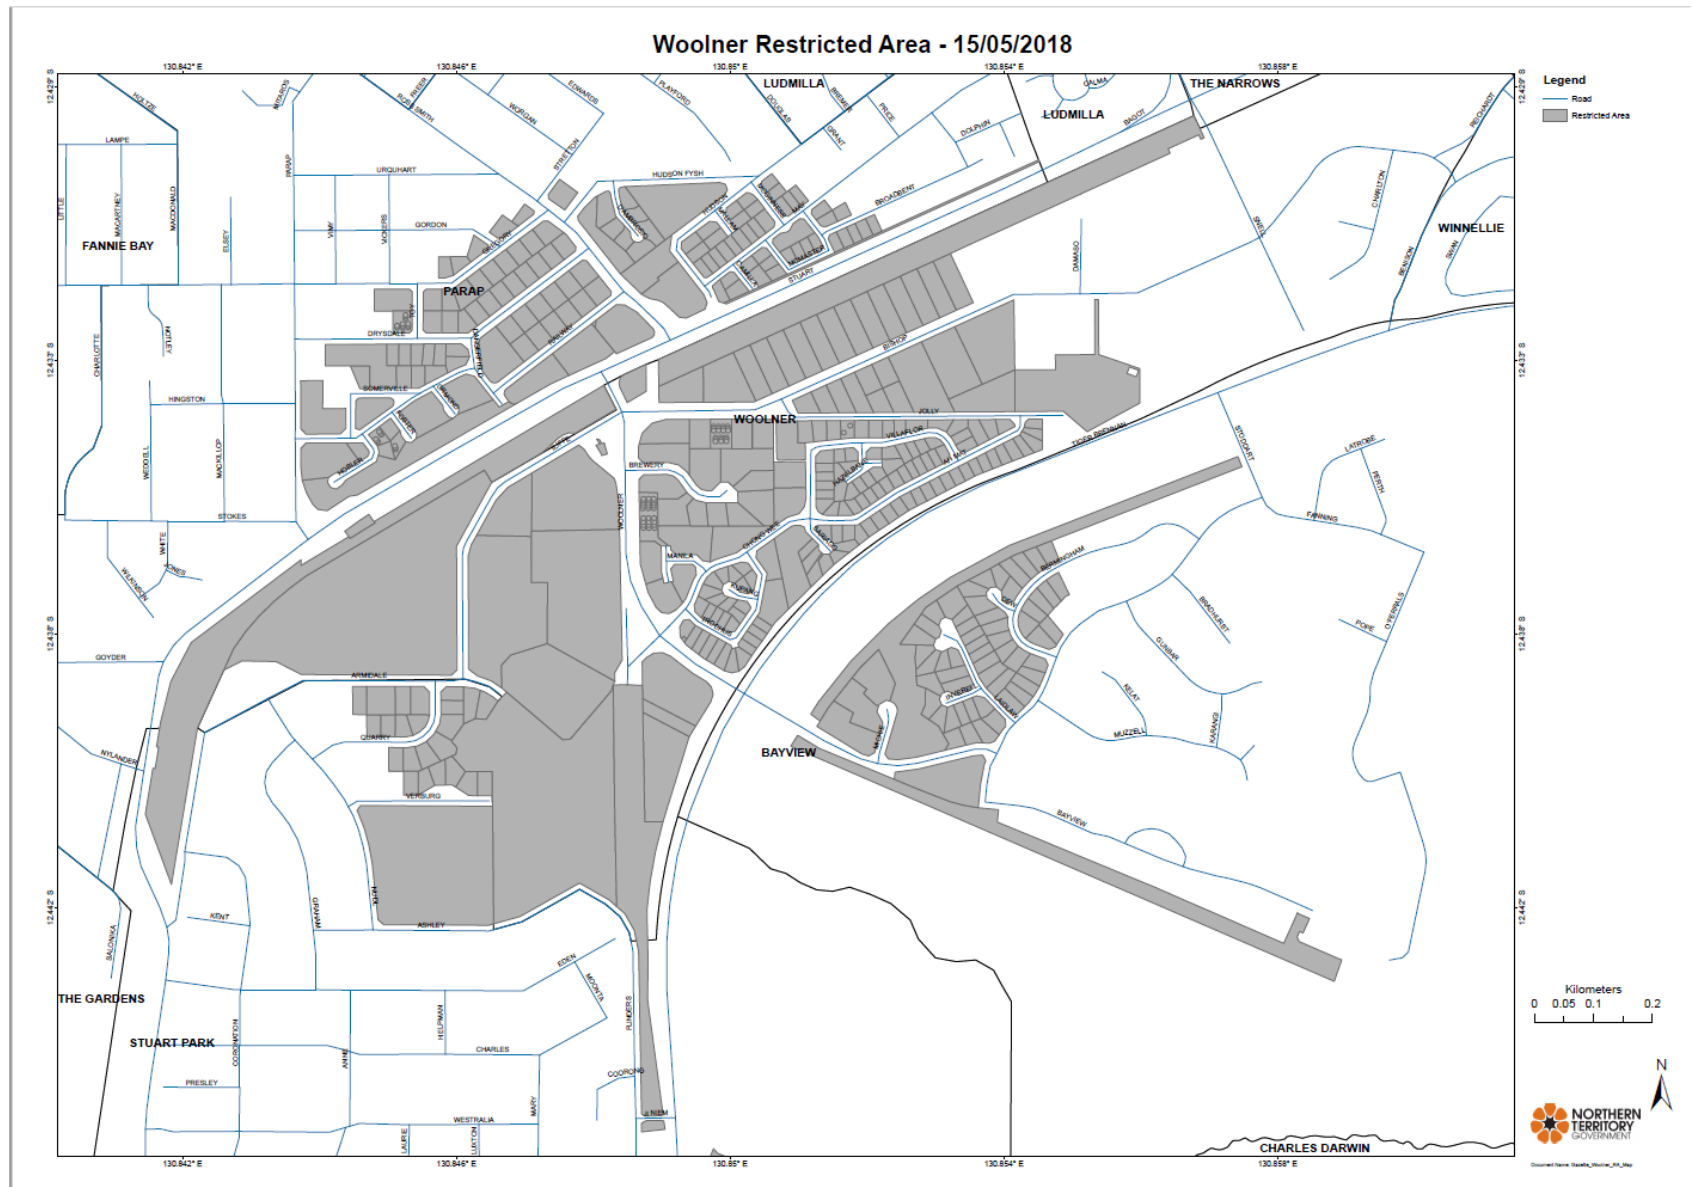

- (f) specify that a person whose interests are or might be affected by the decision has a right to apply under section 58 of the Act for reconsideration of the decision.

Plant Health Act

**Prohibition of Export from the Territory of
Specified Plant and Material**

I, Sarah Kathryn Corcoran, Chief Inspector of Plant Health, under section 17(2) of the *Plant Health Act* and with reference to section 17(1)(b) of the Act, for the control of the declared pest Citrus Canker *Xanthomonas citri* subsp. *citri* (the **declared pest**), prohibit the export from the Territory of a declared host plant or plant-related material for the declared pest, for a period of 12 months on and from the date of publication of this notice, other than in accordance with a written permit given by the Chief Inspector.

Dated 14 May 2018

S. K. Corcoran
Chief Inspector of Plant Health
