- dust and mud control;
- noise control;
- stormwater management;
- vegetation management;

2. The proposed tennis courts lights must be directed and shielded, if necessary, to prevent glare and light overspill outside the courts impacting on road users on War Memorial Drive.

3. Retail floor space must be limited to a maximum floor area of 100 m² and must only be used for equipment servicing and the sale of goods/clothing/equipment associated with the tennis and sporting/fitness facilities in the Centre.

4. The use of the proposed hair dressing, facial and manicure facilities must, at any time, be limited to a maximum floor area of 80 m².

The proponent shall consult with the Adelaide City Council and Planning SA in relation to such methods.

8. If the South Australian Cricket Association wishes and so permits, the applicant (or any person hereafter having the benefit of this approval) must plant semi-mature trees adjacent to the southern bowling green, along the eastern elevation of the tennis centre.

No roots of the tree shall be severed or damaged unless personally supervised by the said arborculturalist. Pruning to balance the canopy of the tree may be undertaken to minimise stress associated with root pruning.

11. Provision must be made for at least 25 bicycle parks on the site.

12. All buildings and structures must be certified as complying with the Building Rules prior to any building work commencing.

13. The colour of the shade sail over the swimming pool and the small sail canopy must be of a light shade to blend in with the main building.
