and

- (b) the change of ownership has not been noted or registered on the title by the end of the financial year in which the change occurs,

(2) Where a person ceases to be the owner of any other land, he or she (or his or her personal representative) must, within one month after the change of ownership occurs, give the Commissioner notice of the change in a form approved by the Commissioner.

- (3) A person who fails to comply with this regulation is guilty of an offence.

#### **Notification of change of address**

6. (1) Unless the Commissioner otherwise determines, if an owner of land changes his or her postal or residential address, the owner must, within one month, give notice of the change to the Commissioner.

- (2) A notice under subregulation (1) must be in a form approved by the Commissioner.

- (a) all buildings on the land must be designed, constructed or adapted for use as a private dwelling or as outbuildings ordinarily used in connection with a private dwelling; and
- (b) the land and all buildings on the land must be solely or principally used for residential purposes and not—
  - (i) for the purpose of any trade (other than the business of primary production or a home activity); or
  - (ii) as a boarding house; or

(3) Where land is owned by a company entitled to the benefit of section 5 of the Act and the criteria set out in subregulation (2) are satisfied by each shareholder in respect of the dwelling that he or she has the right to occupy, then the criteria will be satisfied in respect of all of the land consisting of those dwellings (and any land appurtenant to those dwellings).

(4) Where land is owned by a company entitled to the benefit of section 5 of the Act but the criteria set out in subregulation (2) are not satisfied by all of the shareholders who have a right to occupy dwellings that comprise the group, the exemption from land tax extends only to land consisting of those dwellings (and any land appurtenant to those dwellings) where the relevant shareholder satisfies the criteria.

(2) If, on an application under section 23 of the Act, the Commissioner is satisfied—

the Chief Executive Officer may direct that the officer's remuneration be reduced by one seventieth (or in the case of an officer at the classification level of Lecturer's Assistant, one seventy-fifth) of the officer's fortnightly salary for each hour (or part of an hour) for which the officer was so absent or so failed to discharge his or her duties.

(2) For the purposes of this regulation, the fortnightly salary of an officer who is employed on a part-time basis is the fortnightly salary that the officer would be entitled to receive if he or she were employed on a full-time basis.

### **Minister may recover remuneration wrongly paid to officer**

- (b) in the case of an officer resident outside this State at the time of his or her appointment as an officer—all amounts specified in subregulation (1) are limited to not more than the amounts that would be payable under that subregulation on removal from his or her current location to Adelaide.

(5) The Chief Executive Officer may authorise the payment to an officer who is transferred to another college and moves residence as a result of that transfer of an allowance approved by the Chief Executive Officer for the depreciation of the officer's household furniture and effects, except where—

- (a) the officer is establishing a home for the first time; or
- (b) the officer has less than 3 years' satisfactory service at a college and is transferred solely at his or her own request.

(6) The Chief Executive Officer may, where travelling expenses are payable under this regulation, grant an allowance to the officer concerned in lieu of payment of those expenses.

(7) Despite this regulation, the Minister may, on the recommendation of the Chief Executive Officer, approve the payment—

- (a) of an allowance greater than is otherwise payable under this regulation; or
- (b) the whole or part of an allowance of a kind provided for in this regulation to an officer who is not entitled to claim such an allowance.

(8) For the purposes of this regulation a transfer will not be taken to be solely at an officer's own request if the officer applied for the transfer to another college in response to a call by the Department for such applications.
