WATER RESOURCES ACT 1997

Restriction of Water Use in the Kangaroo Flat Area

I, MARK BRINDAL, Minister for Water Resources, am of the opinion that the rate at which water is being taken from wells obtaining access to the T2 aquifer Lower Port Willunga Formation ('the wells') in the area bounded by the bold line in GRO Plan No 45/2000 (the 'defined area') is likely to affect the quality of water in those underground aquifers, and is also such that there is a risk that the available water will not be sufficient to meet future demand.

Accordingly, pursuant to section 16(1) of the Water Resources Act 1997, I HEREBY PROHIBIT the taking of water from 'the wells' subject to the exceptions specified in Schedule 1.

SCHEDULE 1

A person may take water in accordance with the terms of a written authorisation granted by me or my delegate in accordance with the Guidelines for Authorisation in the Kangaroo Flat Area ('the Guidelines') dated 16 March 2000 and signed by me.

Any authorisation to take water from wells in the 'defined area' may be varied by further written authorisation issued by me or my delegate in accordance with 'the Guidelines'.

This prohibition does not apply to the taking of water pursuant to section 7(5) of the Act for domestic purposes or watering stock (other than stock subject to intensive farming) or to taking of water for firefighting or reticulating supplies of potable water for townships in the 'defined area'.

The period of this restriction will commence at the expiration of seven days from the publication of this notice in the *Government Gazette* or newspaper (whichever is the later).
