Errata

(1) In the *Government Gazette*, 18 April 2002, the information appearing on pages 1614 incorrectly stated the course code of a certificate relating to the Declared Vocation of Electrical Tradesperson (Fire Systems and Security Systems), as follows:

- UTE30299 - Certificate III in Electrical Tradesperson (Fire Systems and Security Systems) – 48 months – 1040 hours – 3 months

Correction should now appear as:

Please note that this correction is in addition to the errata of 2 May 2002, which did not correct the original error completely.
