"EXCESS" PROVISIONS - MOTOR VEHICLES ACT

Section 124ab of the Motor Vehicles Act states that where an insured person (and that includes the drivers) incurs a liability (against which he or she is insured under the policy) and is more than 25% at fault, the insurer may recover up to \$300.00 from the insured person as a debt. This does not prevent the insurer at a later date exercising any other right of recovery against you under part IV of the Act (e.g. for breach of warranty relating to intoxicating liquor).

It is an offence to provide false information or withhold any information which may be necessary to determine the appropriate insurance premium.
