- a claims agent, self-managed or exempt employer; or
- a worker's representative or advocate.

(Refer to the report preparation guidelines on page 1 of the explanatory booklet "Schedule B—Workers Compensation".)

**Note 2:** The date of request is taken to be 2 business days after the date the letter of request is posted, or 1 business day after the request is faxed. A business day is any day, excluding Saturday, Sunday and public holidays.

**Note 3:** Most reports are expected to be completed on the basis of the medical practitioner's clinical notes, therefore a consultation is not necessarily a pre-requisite for the preparation of a report. However, if required in the judgement of the medical practitioner, the consultation is billed in the usual manner.

**Note 4:** Reading time for treating doctor medical reports is not normally chargeable. However, an appropriate fee for reading time for treating doctor medical reports will be authorised by the claims agent, self-managed or exempt employer if the costs are reasonable; for example, if the medical practitioner believes he or she has been asked to read an unusually large amount of material supplied by the requestor.

**Note 5:** A report clarification fee may be charged for clarification of a report if it is considered reasonable and not sought as a result of failure by the provider to address the original request. The claims agent, self-managed or exempt employer will authorise the cost if it is considered reasonable.

**Note 6:** Payment for reports will not be made in advance.

**Note 4:** Reports should be concise and focused. The anticipated length of a short report is approximately half an A4 page. (Refer to the report preparation guidelines on page 1 of the explanatory booklet "Schedule B—Workers Compensation".)

**Note 5:** A short report should be based on the medical practitioner's notes and should not require a consultation with the patient. There may be occasions where a consultation is deemed appropriate; for example, if the practitioner has not seen the patient for some time or detailed information is required about the range of duties being considered, a consultation fee may be billed in the usual manner.

**Note 6:** Short reports may be faxed to the requestor with the relevant account.

**Note 7:** A report clarification fee may be charged for clarification of a report if it is considered reasonable and not sought as a result of failure by the provider to address the original request.
