PURSUANT to section 24 of the Prices Act 1948, I, Margaret Thetis Phelps, being a person to whom the Minister for Consumer Affairs has delegated his powers under that section, make the following order.

Citation

1. This order may be cited as Prices Order No. 1127 (S.A.).

Commencement

2. This order will come into operation on the 18th day of July 2003.

Order No. 1126 (S.A.) Superseded

3. This order supersedes Prices Order No. 1126 (S.A.) (see *Gazette* 18 October 2001 p. 4558).

Interpretation

4. (1) In this order:

‘GST’ means the tax payable under the GST law;

‘GST law’ means:

- (a) *A New Tax System (Goods and Services Tax) Act 1999* (Commonwealth); and
 (b) the related legislation of the Commonwealth dealing with the imposition of a tax on the supply of goods, services and other things;

‘motor car’ means a motor vehicle (as defined in section 5 of the *Motor Vehicles Act 1959*):

- (a) designed for the principal purpose of carrying passengers; and
 (b) designed to carry not more than 8 adult persons (including the driver),

and includes a motor vehicle of the type commonly known as a utility, station sedan or panel van;

‘normal hours’ means the hours between 7.30 a.m. and 5 p.m. on any day other than a Saturday, Sunday or public holiday;

‘prescribed motor vehicle’ means a motor car, motor bike, caravan or trailer;

‘running kilometres’, in relation to the distance travelled for the purposes of supplying a service to which this order applies, means the number of kilometres travelled from the registered premises of the person supplying the service to the scene of the accident, from the scene of the accident to the place of repair or storage of the prescribed motor vehicle to which the services relate and from the place of repair or storage of the vehicle to those registered premises.

(2) In this order the expressions ‘accident’, ‘caravan’, ‘declared area’, ‘motor bike’, ‘quotation for repair’, ‘registered premises’, ‘tow’, ‘towtruck’ and ‘trailer’ have the same meaning as in the *Motor Vehicles Act 1959*.

- (a) in the case of a service provided during normal hours—the amount specified opposite in the second column of the table;
 (b) in the case of a service provided outside normal hours—the amount specified opposite in the third column of the table.

(2) If the work involved in supplying a service to which this order applies is carried out partly during normal hours and partly outside normal hours, the maximum price that may be charged for providing the service must be calculated according to the maximum price specified in the Schedule for providing the service during the time of day at which the work is actually carried out.

(3) The maximum price that may be charged for supplying a service for which the Schedule specifies a maximum price per hour is to be calculated in accordance with the following formula:

$$A = \frac{B}{20} \times C$$

where—

- A is the maximum amount that may be charged for the service;
 B is the maximum price per hour for the service specified in the Schedule;
 C is the number of complete 6 minute periods spent in providing the service.

(4) If the use of more than one towtruck is necessary to supply a service to which this order applies, the maximum price specified in the Schedule may be charged in respect of each towtruck used in supplying the service.

3. the rate at which surface water is taken from the designated area is such that the surface water available in the designated area can no longer meet the demand,

SALISBURY (CITY) DEVELOPMENT PLAN—PARAFIELD GARDENS INDUSTRIAL/RESIDENTIAL PLAN AMENDMENT REPORT BY THE COUNCIL

Draft for Public Consultation

THE City of Salisbury has prepared a draft Plan Amendment Report to amend the Salisbury (City) Development Plan as it affects the area of Parafield Gardens that is generally bounded by Port Wakefield Road, Shepherdson Road, Martins Road and Ryans Road.

The Plan Amendment Report will amend the Salisbury (City) Development Plan by introducing policies to change the land use zone and controls for a significant area of land that is currently zoned for Industry to Residential. The study area is currently zoned mainly as Industry with smaller portions zoned Special Residential and Residential. The location of the North East Ring Route has been determined to intersect with Port Wakefield Road some distance to the south of the study area at Globe Derby. Access to Port Wakefield Road for industrial and commercial activities is expected to be more difficult from the study area. To address the access, amount of suitable industrial land available within the Council area, and the land use conflicts, it is proposed that the area be rezoned in the following manner:

- Retain the existing developed areas along Port Wakefield Road for commercial and industrial uses;
- Identify alternative access opportunities for these activities;
- Allocate adequate buffers to ensure that the commercial/industrial operations can continue in a viable fashion and that impacts on residential areas are minimised;
- Delete the 'Special Residential' zone;
- Reduce the 'Industry' zone and extend the 'Residential' zone to the west and the north in the study area.

The draft Plan Amendment Report and statement will be available for public inspection and purchase during normal office hours at the City of Salisbury Office, 12 James Street, Salisbury, and will be available on the council's web-site at www.salisbury.sa.gov.au from Tuesday, 22 July 2003 to Monday, 22 September 2003. A copy of the Plan Amendment Report can be purchased from council, at a cost of \$10 per copy.

Written submissions regarding the draft amendment will be accepted by the City of Salisbury until 22 September 2003. The written submission should also clearly indicate whether you wish to speak at the public hearing about your submission. All submissions should be addressed to the City Manager, City of Salisbury, P.O. Box 8, Salisbury S.A. 5108.

Copies of all submissions received will be available for inspection by interested persons at 12 James Street, Salisbury, from Tuesday, 22 July 2003 until the date of the public hearing. A Public Hearing will be held at 6.30 p.m. on Monday, 29 September 2003 at Morella Community House, 90 Kings Road, Parafield Gardens.

The Public Hearing may not be held if no submission indicates an interest in speaking at the Public Hearing.

Council staff will be available to discuss the draft Plan Amendment Report and answer questions on Tuesday, 19 August 2003 between the hours of 5 p.m. and 7 p.m. at the Parafield Gardens Community Club, 61-69 Shepherdson Road, Parafield Gardens.
