ADELAIDE, FRIDAY, 23 APRIL 2004

FISHERIES ACT 1982: SECTION 59
FT00635

TAKE notice that, pursuant to section 59 of the Fisheries Act 1982, Stephen J. Morris (19760), 26 Bordeaux Drive, Woodcroft, S.A. 5162 (the 'exemption holder'), or a person acting as his agent, shall not be guilty of an offence when engaging in the activities and to do the acts specified in Schedule 1 subject to the conditions specified in Schedule 2 from the date of gazettal of this notice until 30 June 2004.

SCHEDULE 1

The importation and release of Carp (*Cyprinus carpio*) into ponds, dams and tanks located at section 399 in the Hundred of Kuitpo.

SCHEDULE 2

1. The exemption holder must obtain an independent risk assessment on the proposed farm site and farm management practices, and submit the risk management strategy to the Director of Fisheries for approval prior to the introduction of fish.

2. The exemption holder must not sell Carp (*Cyprinus carpio*) to any person, company or agent in South Australia.

3. The exemption holder must not import any live fish (ova, fry, or adult) into South Australia unless the shipment has certification from an appropriate authority in the State from which they are obtained that they are free from all relevant notifiable diseases listed in Schedule 4 of the Fisheries (Exotic Fish, Fish Farming and Fish Diseases) Regulations 1984.

4. No movement of Carp (*Cyprinus carpio*) either on or off the farm is permitted without prior notification to, and approval from, the Director of Fisheries.

5. The exemption holder must not contravene or fail to comply with the Fisheries Act 1982 or any regulations made under the Act, except where specifically permitted by this notice.

6. The exemption holder must retain the copy of this exemption notice, and if requested by a PIRSA Fisheries Compliance Officer, produce that permit for inspection.

7. The exemption holder must report all notifiable diseases to the Director of Aquaculture.

8. The exemption holder must monitor farm fish mortalities and notify the Director of Aquaculture of a mortality rate that is in excess of 5 per cent within a 24 hour period.

Dated 22 April 2004.

W. ZACHARIN, Director of Fisheries
