NOTES:

1. The proponent has an obligation under the Aboriginal Heritage Act 1988, whereby any 'clearance' work, which may require permission to disturb, damage or destroy Aboriginal Sites, must be undertaken with the full authorisation of the Minister for Aboriginal Affairs, according to section 23 of the Aboriginal Heritage Act.

2. An environmental authorisation granted by the Environment Protection Authority will include conditions requiring compliance with the standards of site preparation, management and maintenance detailed in the Environmental Management Plan, dated 21 August 2003, Revision 2 and the following requirements:

- The monitoring of the separation distance between ground-water and underside of the clay liner. Measures will be required to put in place to ensure corrective actions being activated prior to the separation distance being at, or less than 1 m. It is proposed to set a trigger level at 1.10 m separation distance for more frequent level monitoring (minimum daily) and a second one at 1.05 m separation distance to activate corrective actions. The Environment Protection Authority licence condition will require water levels to be measured weekly and assessed and reported monthly to the Environment Protection Authority for the first year of operation.
- Maintenance of all drains and ponds.

3. The Minister has a specific power to require testing, monitoring and auditing under section 48 (c) of the Development Act 1993.

Given under my hand at Adelaide, 12 October 2006.

Assessment Commission

DEVELOPMENT ACT 1993

Salisbury (City) Development Plan—Residential (Happy Home Reserve) Plan Amendment Report—Draft for Public Consultation

NOTICE is hereby given that the City of Salisbury has prepared a draft Plan Amendment Report to amend the Salisbury (City) Development Plan as it affects Happy Home Reserve.

In consultation with the South Australian Housing Trust, the City of Salisbury has come to an arrangement with the South Australian Housing Trust to acquire a portion of the Trust's residential land. This decision was reached after investigations indicated a need to improve accessibility and safety within the Happy Home Reserve area.

The acquisition of this land will improve accessibility between the residential area on Hunter Crescent and Rolleston Avenue to the Happy Home Reserve.

Whilst providing better access to the Reserve, safety will also be improved within the surrounding area.

As part of the arrangement, Council has agreed to transfer two small portions, behind allotments 397 and 399 of the Happy Home Reserve to the South Australian Housing Trust.

Given the abovementioned issues, the draft Residential (Happy Home Reserve) Plan Amendment Report seeks to amend the Salisbury (City) Development Plan by replacing Maps 26 and 60.

The draft Residential (Happy Homes Reserve) Plan Amendment Report, including the Statement of Investigations, will be available for public inspection during normal office hours from Thursday, 19 October 2006 to Thursday, 21 December 2006 at:

City of Salisbury Council Office
12 James Street
Salisbury, S.A. 5108
www.salisbury.sa.gov.au

The draft Residential (Happy Homes Reserve) Plan Amendment Report is also available at Council's libraries and neighbourhood houses throughout the City and on the abovementioned website.

Written submissions regarding the draft Residential (Happy Home Reserve) Plan Amendment Report will be accepted by Council until Thursday, 21 December 2006. Written submission should also clearly indicate whether you wish to speak at the public hearing on your submission. All submissions should be addressed to the City Manager of the City of Salisbury at the abovementioned address.

Copies of all submissions received will be available for inspection by interested persons at the City of Salisbury Council Office from Friday, 22 December 2006 until the date of the public hearing.

The public hearing will be held at the John Harvey Gallery, City of Salisbury Council at the abovementioned address on Wednesday, 24 January 2007 at 6.30 p.m.. The public hearing may not be held if no submission received indicates an interest in speaking at the public hearing.
