06/07**COMPULSORY THIRD PARTY INSURANCE PREMIUM SCHEDULE****Compulsory Third Party (CTP) Insurance - Policy of Insurance**

1. The insurer (the Motor Accident Commission) insures the owner of the motor vehicle and any other person who at any time drives or is a passenger in or on the vehicle, whether with or without the consent of the owner, in respect of all liability that may be incurred by the owner or other person in respect of the death of, or bodily injury to, any person caused by, or arising out of the use of the vehicle in any part of the Commonwealth.
2. A person so insured warrants that he or she will not-
 - (a) drive the vehicle, or do or omit to do anything in relation to the vehicle, with the intention of causing the death of, or bodily injury to, a person or damage to another's property or with reckless indifference as to whether such death, bodily injury or damage results; or
 - (b) drive the vehicle while so much under the influence of intoxicating liquor or a drug as to be incapable of exercising effective control of the vehicle; or
 - (c) drive the vehicle while there is present in his or her blood a concentration of .15 grams* or more of alcohol in 100 millilitres of blood; or
 - (d) drive the vehicle while not duly licensed or otherwise permitted by law to drive the motor vehicle; or
 - (e) drive the vehicle while the vehicle is overloaded, or in an unsafe, unroadworthy or damaged condition; or
 - (f) use the vehicle otherwise than-

3. The owner of the vehicle warrants that no person will, with his or her knowledge or consent (which will be presumed in any proceedings in the absence of proof to the contrary), drive or use the vehicle, or do or omit to do anything in relation to the vehicle, contrary to any paragraphs of clause 2.
4. This policy of insurance does not extend to liability arising from death of, or bodily injury to, a participant in a road race caused by the act or omission of another participant in the road race.

IMPORTANT INFORMATION FOR VEHICLE OWNERS ON CTP INSURANCE**ASSISTANCE IN DETERMINING THE APPROPRIATE PREMIUM CLASS**

The premium class and premium payable may be determined by referring to the CTP Insurance Schedule shown overleaf. In determining the premium class, attention should be given to:

- Type of vehicle
- The purpose for which it is used
- The input tax credit (ITC) entitlement of the registered owner (see below)
- The postcode area in which it is usually garaged (see below)

GST

The premiums shown overleaf include a component to recover the cost of stamp duty payable by the insurer. In accordance with GST laws, no GST is payable on this component of the premium. Consequently, the GST payable will be less than 1/11th of the total premium.

The Input Tax Credit (ITC) Entitlement of the registered owner

Where alternative premiums are offered, you MUST select an 'ITC Entitled' higher premium class if the vehicle is used for any purpose that entitles you to claim back any part of the GST component of the CTP Premium. Under the Commonwealth GST Law*, this is known as an 'Input Tax Credit' (ITC). Upon payment of any 'ITC Entitled' premium, a Tax Invoice will automatically be provided with your Certificate of Registration.

A 'No ITC Entitlement' premium is only available where you are NOT entitled to an ITC in relation to the premium paid. Where a 'No ITC Entitlement' premium class has been selected a Tax Invoice will not be provided with your Certificate of Registration. If a Tax Invoice is required for a 'No ITC Entitlement' premium class payment, an Application for Issue of a Tax Invoice form (MR173) must be completed and lodged with the Department for Transport, Energy and Infrastructure.

Failure to notify the insurer of the correct premium may incur a penalty up to \$250.
This penalty is in addition to any premium differential payable.

In addition, if the incorrect premium is paid this constitutes a breach of the Policy of Insurance. Section 124A(2) of the Motor Vehicles Act 1959 allows the insurer, by action in a court of competent jurisdiction, to recover from the insured person a portion of the money paid or costs incurred by the insurer in respect of the liability incurred by the insured person. Accordingly, use of the vehicle otherwise than for the purposes stated in your application renders you liable to recovery action in the event that a claim on your policy is paid by the insurer. In cases of incorrect registration of GST status, the insurer may seek 10% of the money paid or costs incurred by the insurer as settlement of its claim under Section 124A(2) of the Motor Vehicles Act 1959.

*GST Law means the Commonwealth legislation: A New Tax System (Goods and Services Tax) Act 1999.

The postcode area in which the vehicle is garaged

"INSURANCE RATING DISTRICT 1" - "District 1" consists of the following postcodes.

"INSURANCE RATING DISTRICT 2" - "District 2" is any area within the State of South Australia outside the above postcodes, plus the following localities within the postcode areas listed below.

5118	Concordia	5157	McHarg Creek	5172	Willunga Hill	5244	Harrogate
5118	Kangaroo Flat	5172	Hope Forest	5172	Willunga South	5252	Kanmantoo

5120	Buckland Park	5172	Kyecma	5173	Aldinga Beach		
5157	Ashbourne	5172	Pages Flat	5173	Silver Sands		

In the case of premium classes 16, 20, 36, 40, 66, 70, 86 and 90, the insurance premium payable is based on the normal place of residence of the owner or the principal place of business of a Body Corporate.

It is advisable to check the insurance class and insurance premium payable shown on the registration renewal notice. If the information shown is incorrect, a Customer Service Centre should be notified immediately.

An 'Application to Change the Insurance Premium Class on a Registration' may be required where the premium has altered due to:

- A change of residential and/or garaging address
- An alteration to the vehicle
- A change in the GST status of the registered owner
- A change in concession status
- A change in the use of the vehicle

'EXCESS' PROVISIONS - MOTOR VEHICLES ACT 1959

Section 124AB of the Motor Vehicles Act states that where an insured person (and that includes the driver) incurs a liability (against which he or she is insured under the policy) and is more than 25% at fault, the insurer may recover up to \$300.00 from the insured person as a debt. This does not prevent the insurer at a later date exercising any other right of recovery against you under Part IV of the Act (eg for breach of warranty relating to intoxicating liquor).

It is an offence to provide false information or withhold any information which may be necessary to determine the appropriate insurance premium.
