COMPULSORY THIRD PARTY INSURANCE PREMIUM SCHEDULE

Compulsory Third Party (CTP) Insurance - Policy of Insurance

1. The insurer (the Motor Accident Commission) insures the owner of the motor vehicle and any other person who at any time drives or is a passenger in or on the vehicle, whether with or without the consent of the owner, in respect of all liability that may be incurred by the owner or other person in respect of the death of, or bodily injury to, any person caused by, or arising out of the use of the vehicle in any part of the Commonwealth.
2. A person so insured warrants that he or she will not-
 - (a) drive the vehicle, or do or omit to do anything in relation to the vehicle, with the intention of causing the death of, or bodily injury to, a person or damage to another's property or with reckless indifference as to whether such death, bodily injury or damage results; or
 - (b) drive the vehicle while so much under the influence of intoxicating liquor or a drug as to be incapable of exercising effective control of the vehicle; or
 - (c) drive the vehicle while there is present in his or her blood a concentration of .15 grams⁴ or more of alcohol in 100 millilitres of blood; or
 - (d) drive the vehicle while not duly licensed or otherwise permitted by law to drive the motor vehicle; or
 - (e) drive the vehicle while the vehicle is overloaded, or in an unsafe, unroadworthy or damaged condition; or
 - (f) use the vehicle otherwise than-
 - (i) for the purposes stated in the application for registration, renewal of registration, exemption from registration or a permit, in respect of the vehicle; or
 - (ii) if trade plates are affixed to the vehicle - for purposes stated in the application for the issuing of those plates; or
 - (iii) for purposes agreed on between the insurer and the registered owner of the vehicle.
3. The owner of the vehicle warrants that no person will, with his or her knowledge or consent (which will be presumed in any proceedings in the absence of proof to the contrary), drive or use the vehicle, or do or omit to do anything in relation to the vehicle, contrary to any paragraphs of clause 2.
4. This policy of insurance does not extend to liability arising from death of, or bodily injury to, a participant in a road race caused by the act or omission of another participant in the road race.

IMPORTANT INFORMATION FOR VEHICLE OWNERS ON CTP INSURANCE

ASSISTANCE IN DETERMINING THE APPROPRIATE PREMIUM CLASS

The premium class and premium payable may be determined by referring to the CTP Insurance Schedule shown overleaf. In determining the premium class, attention should be given to:

- Type of vehicle
- The purpose for which it is used
- The input tax credit (ITC) entitlement of the registered owner (see below)
- The postcode area in which it is usually garaged (see below)

GST

The premiums shown overleaf include a component to recover the cost of stamp duty payable by the insurer. In accordance with GST laws, no GST is payable on this component of the premium. Consequently, the GST payable will be less than 1/11th of the total premium.

The Input Tax Credit (ITC) Entitlement of the registered owner

You MUST select an 'ITC Entitled' higher premium class if the vehicle is used for any purpose that entitles you to claim back any part of the GST component of the CTP Premium. Under the Commonwealth GST Law⁵, this is known as an 'Input Tax Credit' (ITC). Upon payment of any 'ITC Entitled' premium, a Tax Invoice will automatically be provided with your Certificate of Registration.

A 'No ITC Entitlement' premium is only available where you are NOT entitled to an ITC in relation to the premium paid. Where a 'No ITC Entitlement' premium class has been selected a Tax Invoice will not be provided with your Certificate of Registration. If a Tax Invoice is required for a 'No ITC Entitlement' premium class payment, an Application for Issue of a Tax Invoice form (MR173) must be completed and lodged with the Department for Transport, Energy and Infrastructure.

Failure to notify the insurer of the correct premium may incur a penalty up to \$250. This penalty is in addition to any premium differential payable.

In addition, if the incorrect premium is paid this constitutes a breach of the Policy of Insurance. Section 124A(2) of the Motor Vehicles Act 1959 allows the insurer, by action in a court of competent jurisdiction, to recover from the insured person a portion of the money paid or costs incurred by the insurer in respect of the liability incurred by the insured person. Accordingly, use of the vehicle otherwise than for the purposes stated in your application renders you liable to recovery action in the event that a claim on your policy is paid by the insurer. In cases of incorrect registration of GST status, the insurer may seek 10% of the money paid or costs incurred by the insurer as settlement of its claim under Section 124A(2) of the Motor Vehicles Act 1959.

⁵GST Law means the Commonwealth legislation: A New Tax System (Goods and Services Tax) Act 1999.

The postcode area in which the vehicle is garaged

"INSURANCE RATING DISTRICT 1" - "District 1" consists of the following postcodes.

All postcodes between 5000 and 5201 inclusive (with the exception of 5001 and 5174) and postcodes, 5231, 5232, 5233, 5240, 5241, 5242, 5243, 5244, 5245, 5250, 5251, 5252, 5942, and 5950.

'EXCESS' PROVISIONS - MOTOR VEHICLES ACT 1959

Section 124AB of the Motor Vehicles Act states that where an insured person (and that includes the driver) incurs a liability (against which he or she is insured under the policy) and is more than 25% at fault, the insurer may recover up to \$300.00 from the insured person as a debt. This does not prevent the insurer at a later date exercising any other right of recovery against you under Part IV of the Act (eg for breach of warranty relating to intoxicating liquor).

It is an offence to provide false information or withhold any information which may be necessary to determine the appropriate insurance premium.

CTP INSURANCE PREMIUM SCHEDULE Effective 1 July 2009

Where a vehicle is within more than one category the premium shall be that fixed by the category deemed by the insurer to be the appropriate category for that vehicle. Where the Act¹ provides for a vehicle to be registered and insured for a term beyond 12 months, a premium calculated in proportion to the 12 month premium applies. ¹All premiums are inclusive of GST. See over for further information.

NATURAL RESOURCES MANAGEMENT ACT 2004

Notice of Assessment of Quantity of Water Taken when Meter Readings are not Used

PURSUANT to section 106 of the Natural Resources Management Act 2004, I, Jay Weatherill, Minister for Environment and Conservation, hereby declare that the basis of assessment of water use rates and the method by which the assessment of water use where meter readings are not used or when water is taken without licence or authorisation will be as set out in Schedule 1.

SCHEDULE 1

The basis of the assessment of water use will be the estimation of water requirements for a crop.

The method by which the estimation of water requirements for crops will be used is the methodology of Doorenbos and Pruitt (1977), as refined by Allen *et al.* (1998) and set out in the PIRSA Technical Report No. 263, second edition ('the Report'). Crop factors will be calculated from Kc (crop coefficient) values from Food and Agriculture Organisation of the United Nations, Rome *Irrigation and Drainage Paper 56* (Allen, Pereira *et al.* 1998) ('FAO 56') and using site specific monthly Kp (pan coefficient) values and average monthly Kg values (bird guard coefficient) set out in the Report.

The methodology incorporates the use of Bureau of Meteorology evaporation data, the application of crop specific factors to evaporation figures to calculate crop evapotranspiration for the crop and location in question, subtraction of effective rainfall and an allowance for leaching for salinity control and irrigation efficiency.

The water requirement calculated by this method is expressed as depth of water required in millimetres for a particular crop grown over a particular season. Depth multiplied by the number of hectares of that crop grown (in each specified season for short season crops), multiplied by 10 gives the volume of water required for each crop in kilolitres.

A copy of each of the Report and FAO 56 is obtained through the GEO Science Library at the Department of Primary Industries and Resources South Australia. The reference number for the Report is ISBN No. 07308-4349-1 and the reference number for FAO 56 is Kinetica/Amicus No. 000020037000 or ISBN No. 92-5-104219-5.

This notice has effect in relation to the financial year commencing on 1 July 2009.

Dated 10 June 2009.

UNIVERSITY OF SOUTH AUSTRALIA, CARNEGIE MELLON UNIVERSITY and TABOR ADELAIDE

Students studying full time at all campuses of the above Universities are issued with a plastic photographic identification card for the duration of their enrolment.

These cards have been approved by the Department for Transport, Energy and Infrastructure (DTEI), for **concession fare travel** on all Adelaide Metro bus, train and tram services.

FULL TIME TERTIARY STUDENT CONCESSION CARD issued by the Department for Transport, Energy and Infrastructure, South Australian Government, and approved Registered Training Organisations

ONLY Full Time Tertiary Students are eligible to receive a Full Time Tertiary Student concession card which entitles them to **concession fare travel** on all Adelaide Metro bus, train and tram services.

Full Time students are students who are undertaking at least $\frac{3}{4}$ of a full time study load over the school year – ie at least 3 out of a possible 4 subjects every semester. It is the responsibility of the Institution the student is attending to determine and provide their student status and ensure that only full time students are issued with the above card.

Full Time Tertiary Student concession cards are issued by the Department for Transport, Energy and Infrastructure (DTEI) and are also administered by individual training organisations approved by DTEI, who are Registered Training Organisations as listed in the nationally recognised database provided by the National Training Information Service (www.ntis.gov.au).

Full Time Tertiary Student concession cards can be either a laminated cardboard insert or a plastic credit card style card. Both cards feature the same design (as per the above image) except that the plastic credit card style card may not feature a serial number.

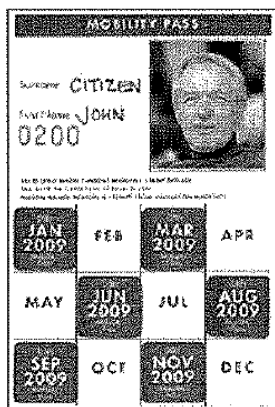

FULL TIME SECONDARY STUDENT CONCESSION CARD issued by the Department for Transport, Energy and Infrastructure, South Australian Government, and approved South Australian Secondary schools

Full time students under 15 years of age **travel at the STUDENT RATE** on all Adelaide Metro services. They are not required to hold identification cards but most Secondary schools do issue the above cards to students.

Full time South Australian Secondary students aged 15 years and over are eligible to travel at student rate if they are the holder of an approved full time secondary student card

Students over the age of 15 years must be able to produce their full time secondary student card when requested by an authorised person. Failure to do so may result in the issue of an Expiation Notice (an "on the spot" fine).

Secondary Student concession cards can be either a laminated cardboard insert or a plastic credit card style card. Both cards feature the same design (as per the above image) except that the plastic credit card style card does not feature a serial number.

MOBILITY PASS issued by the Department for Transport, Energy and Infrastructure, South Australian Government

The Department for Transport, Energy and Infrastructure provides a Mobility Pass to people who cannot manage the physical validation of tickets. The Mobility Pass is issued FREE OF CHARGE annually. Mobility Pass holders must purchase a MONTHLY VALIDATING STICKER, currently at a cost of \$55.20 each month (as of 1 July 2008 fare schedule).

A Mobility Pass is only valid if a sticker is affixed to the relevant month. A valid Mobility Pass entitles the holder to unlimited travel/transfer (during the validated month) on all Adelaide Metro bus, train and tram services.

ENTITLEMENT CARD FOR SPECIAL ANNUAL TICKET issued by the Department for Transport, Energy and Infrastructure, South Australian Government

Holders of a valid Entitlement Card and Special Annual Ticket are entitled to **FREE TRAVEL** on all Adelaide Metro bus, train and tram services. FREE TRAVEL is provided by way of a Special Annual Ticket which is personalised and issued annually to eligible recipients.

The Department for Transport, Energy and Infrastructure (DTEI) issues Entitlement Cards and Special Annual Tickets to the following recipients annually:

STATE PARLIAMENTARIANS – Parliament House provides a list of eligible, sitting and retired parliamentarians. In order to eliminate the perception that some people may be evading the payment of fares, holders of a numbered State Parliament or a Life Pass Gold Medallion are issued with a Special Annual Ticket (SAT) and Entitlement Card annually. The SAT is supplementary to the Gold Medallion and Parliamentarians are required to validate them upon each boarding instead of presenting their medallion.

FEDERAL PARLIAMENT – Sitting Senators, members of the House of Representatives and eligible retired MP's are also issued with an SAT and Entitlement Card which must be validated upon each boarding.

APPROVED DISABILITY ORGANISATIONS - DTEI, Public Transport Division (PTD) issues Special Annual Tickets (SAT) and Entitlement Cards to organisations providing transport training to disabled persons. Requests are received annually from a variety of organisations seeking assistance in providing public transport to disabled persons. Requests for SAT's for training instructors are approved by the Executive Director of the PTD.

TEMPORARY CONCESSION TRAVEL CARD issued by the Department for Transport, Energy and Infrastructure, South Australian Government

Holders of a temporary Concession Travel Card are entitled to travel at **concession fares** on all Adelaide Metro bus, train and tram services. This card was previously issued to persons who had lost or were awaiting a Pensioner Concession Card issued by either Centrelink or the Department of Veteran's Affairs. This card is rarely issued.

Dated 24 June 2009.

- (1) A person may apply to the Registrar for a request for service in a Convention country of a local judicial document.
- (2) The application must be accompanied by 3 copies of each of the following documents:
 - (a) a draft request for service abroad, which must be in the approved form,
 - (b) the document to be served,
 - (c) a summary of the document to be served, which must be in the approved form.

- (3) The application must contain a written undertaking to the Court, signed by the legal practitioner on the record for the applicant in the proceedings to which the local judicial document relates or, if there is no legal practitioner on the record for the applicant in those proceedings, by the applicant:
 - (a) to be personally liable for all costs that are incurred:
 - (i) by the employment of a person to serve the documents to be served, being a person who is qualified to do so under the law of the Convention country in which the documents are to be served, or
 - (ii) by the use of any particular method of service that has been requested by the applicant for the service of the documents to be served, and

 - (c) to give such security for those costs as the Registrar may require.
- (4) The draft request for service abroad:
 - (a) must be completed (except for signature) by the applicant, and
 - (b) must state whether (if the time fixed for entering an appearance or address for service in the proceedings to which the local judicial document relates expires before service is effected) the applicant wants service to be attempted after the expiry of that time, and

- (c) must be addressed to the Central Authority, or to an additional authority, for the Convention country in which the person is to be served, and
 - (d) may state that the applicant requires a certificate of service that is completed by an additional authority to be countersigned by the Central Authority.
- (5) Any translation required under subrule (2)(d) must bear a certificate (in both English and the language used in the translation) signed by the translator stating:
- (a) that the translation is an accurate translation of the documents to be served, and
 - (b) the translator's full name and address and his or her qualifications for making the translation.

41E How application to be dealt with

- (1) If satisfied that the application and its accompanying documents comply with rule 41D, the Registrar:
- (a) must sign the request for service abroad, and
 - (b) must forward 2 copies of the relevant documents:
 - (i) if the applicant has asked for the request to be forwarded to a nominated additional authority for the Convention country in which service of the document is to be effected—to the nominated additional authority, or
 - (ii) in any other case—to the Central Authority for the Convention country in which service of the document is to be effected.

- (3) If not satisfied that the application or any of its accompanying documents complies with rule 41D, the Registrar must inform the applicant of the respects in which the application or document fails to comply.

41F Procedure on receipt of certificate of service

- (1) Subject to subrule (5), on receipt of a certificate of service in due form in relation to a local judicial document to which a request for service abroad relates, the Registrar:
 - (a) must arrange for the original certificate to be filed in the proceedings to which the document relates, and
 - (b) must send a copy of the certificate to:
 - (i) the legal practitioner on the record for the applicant in those proceedings, or
 - (ii) if there is no legal practitioner on the record for the applicant in those proceedings - the applicant.
- (2) For the purposes of subrule (1), a certificate of service is in due form if:
 - (a) it is in the approved form, and
 - (b) it has been completed by a certifying authority for the Convention country in which service was requested, and
 - (c) if the applicant requires a certificate of service that is completed by an additional authority to be countersigned by the Central Authority, it has been so countersigned.
- (3) On receipt of a statement of costs in due form in respect of the service of a local judicial document referred to in subrule (1), the Registrar must send to the legal practitioner or applicant who gave the undertaking referred to in rule 41D(3) a notice specifying the amount of those costs.
- (4) For the purposes of subrule (3), a statement of costs is in due form if:
 - (a) it relates only to costs of a kind referred to in rule 41D(3)(a), and
 - (b) it has been completed by a certifying authority for the Convention country in which service was requested.
- (5) Subrule (1) does not apply unless:
 - (a) adequate security to cover the costs mentioned in subrule (3) has been given under rule 41D(3)(c), or
 - (b) to the extent to which the security so given is inadequate to cover those costs, an amount equal to the amount by which those costs exceed the security so given has been paid to the Registrar.

41G Payment of costs

- (1) On receipt of a notice under rule 41F(3) in relation to the costs of service, the legal practitioner or applicant, as the case may be, must pay to the Registrar the amount specified in the notice as the amount of those costs.

- (2) If the legal practitioner or applicant fails to pay that amount within 28 days after receiving the notice:
 - (a) except by leave of the Court, the applicant may not take any further step in the proceedings to which the local judicial document relates until those costs are paid to the Registrar, and
 - (b) the Registrar may take such steps as are appropriate to enforce the undertaking for payment of those costs.

41H Evidence of Service

A certificate of service in relation to a local judicial document, (being a certificate in due form within the meaning of rule 41F(2)) that certifies that service of the document was effected on a specified date, is, in the absence of any evidence to the contrary, sufficient proof that:

- (1) service of the document was effected by the method specified in the certificate on that date, and
- (2) if that method of service was requested by the applicant, that method is compatible with the law in force in the Convention country in which service was effected.

Sub-Division 3 Default judgment following service abroad of initiating process

41I Application of Division

This Sub-Division applies to civil proceedings in respect of which an initiating process has been forwarded following a request for service abroad to the Central Authority (or to an additional authority) for a Convention country.

41J Restriction on power to enter default judgment if certificate of service filed

- (1) This rule applies if:
 - (a) a certificate of service of initiating process has been filed in the proceedings, (being a certificate in due form within the meaning of rule 41F(2)) that states that service has been duly effected, and
 - (b) the defendant has not appeared or filed a notice of address for service.
- (2) In circumstances to which this rule applies, default judgment may not be given against the defendant unless the Court is satisfied that:
 - (a) the initiating process was served on the defendant:
 - (i) by a method of service prescribed by the internal law of the Convention country for the service of documents in domestic proceedings on persons who are within its territory, or

- (ii) if the applicant requested a particular method of service (being a method under which the document was actually delivered to the defendant or to his or her residence) and that method is compatible with the law in force in that country, by that method, or
 - (iii) if the applicant did not request a particular method of service, in circumstances in which the defendant accepted the document voluntarily, and
- (b) the initiating process was served in sufficient time to enable the defendant to enter an appearance or a notice of address for service in the proceedings.
- (3) In subrule (2)(b), *sufficient time* means:
 - (a) 42 days from the date specified in the certificate of service in relation to the initiating process as the date on which service of the process was effected, or
 - (b) such lesser time as the Court considers, in the circumstances, to be a sufficient time to enable the defendant to enter an appearance or notice of address for service in the proceedings.

41K Restriction on power to enter default judgment when certificate of service not filed

- (1) This rule applies if:
 - (a) a certificate of service of initiating process has not been filed in the proceedings, or
 - (b) a certificate of service of initiating process has been filed in the proceedings (being a certificate in due form within the meaning of rule 41F(2)) that states that service has not been effected, and the defendant has not appeared or filed a notice of address for service.
- (2) If this rule applies, default judgment may not be given against the defendant unless the Court is satisfied that:
 - (a) the initiating process was forwarded to the Central Authority, or to an additional authority, for the Convention country in which service of the initiating process was requested, and
 - (b) a period that is adequate in the circumstances (being a period of not less than 6 months) has elapsed since the date on which initiating process was so forwarded, and
 - (c) every reasonable effort has been made:
 - (i) to obtain a certificate of service from the relevant certifying authority, or
 - (ii) to effect service of the initiating process, as the case requires.

41L Setting aside judgment in default of appearance or notice of address for service

- (1) This rule applies if default judgment has been entered against the defendant in proceedings to which this Division applies.
- (2) If this rule applies the Court may set aside the judgment on the application of the defendant if it is satisfied that the defendant:
 - (a) without any fault on the defendant's part, did not have knowledge of the initiating process in sufficient time to defend the proceedings, and
 - (b) has a prima facie defence to the proceedings on the merits.
- (3) An application to have a judgment set aside under this rule may be filed:
 - (a) at any time within 12 months after the date on which the judgment was given, or
 - (b) after the expiry of that 12-month period, within such time after the defendant acquires knowledge of the judgment as the Court considers reasonable in the circumstances.
- (4) Nothing in this rule affects any other power of the Court to set aside or vary a judgment.

8. Rule 50 is amended by adding a new subrule (5) as follows:

“When a document is required for a hearing which is to take place within two business days after the document is filed, the document must have noted prominently on or near the top of its Form 1: “Urgent: This document is required for use before [*insert name of Judge*] on [*insert date and time*].”

9. Rule 125 is amended by:

10.1 Inserting in subrule (4) at the end of subpara (a) but before the semicolon the following:

“or dispense with holding any settlement conference”

10.2 Adding a new subrule (6) as follows:

10. Rule 129 is amended by adding a new subrule (3) as follows:

“(3) Rule 129 does not apply after directions have been given deferring consideration of whether a settlement conference should be held or dispensing with the holding of a settlement conference.”

- (1) give further directions about the future conduct of the action;
- (2) set a date for a directions hearing;
- (3) refer the matter to the Chief Judge or the Chief Judge's delegate for consideration under Rule 115 of the assignment of a special classification to the action;

41G Payment of costs

- (1) On receipt of a notice under rule 41F(3) in relation to the costs of service, the legal practitioner or applicant, as the case may be, must pay to the Registrar the amount specified in the notice as the amount of those costs.

 - (a) except by leave of the Court, the applicant may not take any further step in the proceedings to which the local judicial document relates until those costs are paid to the Registrar, and

- (b) the Registrar may take such steps as are appropriate to enforce the undertaking for payment of those costs.

41H Evidence of Service

A certificate of service in relation to a local judicial document, (being a certificate in due form within the meaning of rule 41F(2)) that certifies that service of the document was effected on a specified date, is, in the absence of any evidence to the contrary, sufficient proof that:

- (1) service of the document was effected by the method specified in the certificate on that date, and
- (2) if that method of service was requested by the applicant, that method is compatible with the law in force in the Convention country in which service was effected.

 - (b) the defendant has not appeared or filed a notice of address for service.
- (2) In circumstances to which this rule applies, default judgment may not be given against the defendant unless the Court is satisfied that:
 - (a) the initiating process was served on the defendant:
 - (i) by a method of service prescribed by the internal law of the Convention country for the service of documents in domestic proceedings on persons who are within its territory, or
 - (ii) if the applicant requested a particular method of service (being a method under which the document was actually delivered to the defendant or to his or her residence) and that method is compatible with the law in force in that country, by that method, or
 - (iii) if the applicant did not request a particular method of service, in circumstances in which the defendant accepted the document voluntarily, and
 - (b) the initiating process was served in sufficient time to enable the defendant to enter an appearance or a notice of address for service in the proceedings.

- (3) In subrule (2)(b), *sufficient time* means:
- (a) 42 days from the date specified in the certificate of service in relation to the initiating process as the date on which service of the process was effected, or
 - (b) such lesser time as the Court considers, in the circumstances, to be a sufficient time to enable the defendant to enter an appearance or notice of address for service in the proceedings.

41K Restriction on power to enter default judgment when certificate of service not filed

- (1) This rule applies if:
- (a) a certificate of service of initiating process has not been filed in the proceedings, or

- (2) If this rule applies, default judgment may not be given against the defendant unless the Court is satisfied that:
- (a) the initiating process was forwarded to the Central Authority, or to an additional authority, for the Convention country in which service of the initiating process was requested, and
 - (b) a period that is adequate in the circumstances (being a period of not less than 6 months) has elapsed since the date on which initiating process was so forwarded, and
 - (c) every reasonable effort has been made:
 - (i) to obtain a certificate of service from the relevant certifying authority, or
 - (ii) to effect service of the initiating process, as the case requires.

41L Setting aside judgment in default of appearance or notice of address for service

- (1) This rule applies if default judgment has been entered against the defendant in proceedings to which this Division applies.
- (2) If this rule applies the Court may set aside the judgment on the application of the defendant if it is satisfied that the defendant:
- (a) without any fault on the defendant's part, did not have knowledge of the initiating process in sufficient time to defend the proceedings, and
 - (b) has a prima facie defence to the proceedings on the merits.
- (3) An application to have a judgment set aside under this rule may be filed:
- (a) at any time within 12 months after the date on which the judgment was given, or

- (b) after the expiry of that 12-month period, within such time after the defendant acquires knowledge of the judgment as the Court considers reasonable in the circumstances.
- (4) Nothing in this rule affects any other power of the Court to set aside or vary a judgment.

Sub-Division 4 Local service of foreign judicial documents

the Registrar must refer the request to the Attorney-General's Department of the Commonwealth together with a statement of his or her opinion.

WORKERS REHABILITATION AND COMPENSATION ACT 1986*Provisional Payment Guidelines**Preamble*

Part 4 Division 7A of the *Workers Rehabilitation and Compensation Act 1986* (the Act), contains ‘Special provisions for commencement of weekly payments after initial notification of a disability’.

Section 50A of that Division provides the following definitions and reads:

‘In this Division—

Initial notification means the notification of a disability that is given to an employer (if the worker is in employment) and the Corporation, in the manner and form required by Provisional Payment Guidelines, by the worker or by a person acting on behalf of the worker (for example, by an employer or a medical expert);

Provisional Payment Guidelines means guidelines published by the Minister from time to time in the *Government Gazette* for the purposes of this Division.’

NOTICE

For the purpose of Part 4, Division 7A of the Act I publish these Provisional Payment Guidelines.

1. Initial Notification

PURSUANT to section 50A of the Act, the following manner and form will apply to the initial notification of a disability for the purposes of Division 7A:

- 1.1 An initial notification of disability means the first notification of a disability that is given to an employer (if the worker is in employment) **and** the Corporation **or** only the employer where that employer is self-insured. A worker, or their representative (for example, the employer, a member of the worker’s family, a legal representative or a medical expert) can give the initial notification of a disability to the Corporation or self-insured employer.
- 1.2 Where the employer is **not** self-insured, initial notification must be given to the Corporation or the Corporation’s appointed claims agent (currently Employers Mutual) in any one of the following manners:
 - in person at: **WorkCoverSA, 100 Waymouth Street, Adelaide**, or to **Employers Mutual, 15th Floor, 26 Flinders Street, Adelaide, S.A. 5000**; or
 - via post to: **WorkCoverSA, 100 Waymouth Street, Adelaide, S.A. 5000** or **G.P.O. Box 2668, Adelaide, S.A. 5001** or **Employers Mutual, 26 Flinders Street, Adelaide, S.A. 5000** or **G.P.O. Box 2575, Adelaide, S.A. 5001** or **DX 270 Adelaide**; or
 - via facsimile to: **WorkCoverSA (08) 8233 2466** or **Employers Mutual (08) 8127 1200**; or
 - via telephone to: **WorkCoverSA 13 18 55** or **Employers Mutual 1300 365 105**, (but such a form of notification is subject to the operation of paragraph 3.1.1).
- 1.3 Initial notification by the worker or their representative must also be provided to their employer (as highlighted in clause 1.1) and in accordance with one of the manners described in 1.2; or, if employed by a self-insured employer, to the self-insured employer. Initial notification to the employer (where the employer is not self-insured) is satisfied if the Corporation has received the initial notification by the worker or their representative, with all of the information required for an initial notification referred to in 1.4, and has provided this information to the employer.
- 1.4 The initial notification must be by the form approved by the Corporation for the purposes of section 52 of the Act for a claim for compensation and must include the following information in order to satisfy the minimum requirements of initial notification, so as to constitute an initial notification of disability for the purpose of section 50B of the Act:

Worker’s information:

- name;
- postal address and/or telephone number;
- date of birth;
- gender; and
- job role or occupation.

Employer’s information:

- business name; and
- business address.

Treating doctor information:

- in the manner and form of a designated medical certificate (or, if not available, other credible evidence that the worker obtained medical treatment for the disability but such a form of notification is subject to the operation of paragraph 3.1.2); and

- if the worker is hospitalised, the name of the hospital.

Disability and accident details:

- description of disability (injury/disease suffered and part of body affected);
- date and time of the workplace disability or the period of time over which the disability emerged from date of first symptoms;
- description of how the workplace disability happened;
- date the employer was notified of the disability and name of person notified; and
- whether the worker had any time lost as a result of the disability and is seeking weekly payments of compensation and/or medical and other expenses.

Notifier information:

- name of person making the initial notification;
- contact details, telephone number and/or address (if not the worker).

- 1.5 A decision to commence or not commence provisional liability payments cannot be made until all of the minimum information that is required for an initial notification is provided to the employer and the Corporation, or the self-insured employer.

2. Commencement of Weekly Payments

Pursuant to section 50B (1) of the Act, provisional weekly payments of compensation, by the employer, the Corporation or self-insured employer, are to commence within seven calendar days after initial notification of a disability by the worker, unless the Corporation or self-insured employer determines that there is a reasonable excuse for not commencing those weekly payments.

The Corporation or self-insured employer is deemed to have complied with the requirement to commence payments within seven calendar days if it has authorised the commencement of the weekly payments in writing to the worker and the actual payment of weekly compensation would then be made by the employer, Corporation or self-insured employer in accordance with the next scheduled pay period.

2.1 Reasonable excuse to not commence provisional payments

A 'reasonable excuse' will occur in the following instances:

2.1.1 Claim for compensation already determined:

If a claim for compensation in respect of the same disability has been received by the Corporation or self-insured employer and has already been determined by the Corporation or self-insured employer.

2.1.2 The injured person is unlikely to be a worker under the Act:

The applicant has been unable to establish their status as a worker, and the Corporation or self-insured employer considers, on a reasonable basis (which must be evidence based), that the applicant is unlikely to be a 'worker' under the Act.

2.1.3 The injury is not work related:

The Corporation or self-insured employer has a reasonable excuse if it considers on a reasonable basis (which must be evidence based), that it is likely that the worker did not sustain a disability or that the disability did not arise from employment within the meaning of section 30 (1) of the Act or that it does not meet the criteria of section 30A of the Act.

2.1.4 The injury is notified after 13 weeks of incapacity:

The Corporation or self-insured employer has a reasonable excuse if the notice of disability is not given within 13 weeks after the date of the commencement of incapacity. However, the Corporation or self-insured employer may not rely upon this excuse if a liability is likely to exist and if it believes paying weekly compensation to the worker under provisional liability will be an effective injury management strategy for the worker to return to work.

2.2 Incidence of liability

2.2.1 Subject to this clause, the Corporation is liable for the payment of provisional weekly payments of compensation.

2.2.2 Where liability for the payment of provisional weekly payments of compensation arises from employment by a self insured employer, the self insured employer is liable to make such payments.

- 2.2.3 Subject to this clause, where a worker is, as a result of a disability, wholly or partially incapacitated for work and is in employment when the incapacity arises, the worker's employer is liable to pay provisional weekly payments of compensation:
- 2.2.3.1 if the period is two weeks or less—for the whole period; or
- 2.2.3.2 if the period is more than two weeks—for the first two weeks of the period.
- 2.2.4 Where a worker is, at the commencement of a period, in the employment of two or more employers, they are liable to pay the compensation referred to in clause 2.2.3 in proportions determined by agreement between them or, in default of agreement, by the Corporation.
- 2.2.5 Where an employer pays provisional weekly payments of compensation under clause 2.2.3 in respect of a disability that did not arise from employment by that employer, that employer may recover the amount of the payment from the Corporation, and the Corporation may, in turn, recover that amount from the employer from whose employment the disability arose.
- 2.2.6 The Corporation shall also undertake any liability of an employer under clause 2.2.3 in respect of a particular disability if the Corporation is satisfied that the employer has given notice to the Corporation of receipt of an initial notification, from or on behalf of a worker, within two business days after receipt of the relevant initial notification (and if an employer pays compensation despite the operation of this clause, the employer may recover the amount of the payment from the Corporation up to the amount of the provisional weekly payments of compensation payable to the worker under Division 7A of the Act in respect of the relevant period).
- 2.2.7 However, the waiver contained in paragraph 2.2.6 will not apply if the employer has unreasonably failed to provide the necessary information requested by the Corporation's claims agent, within two business days of such request, to determine a worker's Average Weekly Earnings.

2.3 Notice to the worker of commencement of weekly payments

Notice in accordance with section 50E of the Act that weekly payments have commenced or are authorised to commence must be given in writing to the worker by the Corporation or self-insured employer.

3. Discontinuing Provisional Weekly Payments of Compensation

- 3.1 Pursuant to section 50C (4) of the Act, provisional weekly payments of compensation may be discontinued by the Corporation or self-insured employer in the following circumstances:
- 3.1.1 If the initial notification was given by telephone, the worker has not provided the form referred to in paragraph 1.4 within 10 calendar days of the initial notification; or
- 3.1.2 if the initial notification did not include a designated medical certificate, such certificate is not provided by the worker within 10 calendar days of the initial notification; or
- 3.1.3 if the Corporation or self-insured employer receives new credible and substantiated evidence that leads to the conclusion that the disability is not compensable, that was not obtained by, or provided to, the Corporation or self-insured employer at the time it decided to commence provisional liability and payments began; or
- 3.1.4 if contact with the worker cannot be made despite reasonable attempts being made over seven calendar days; or
- 3.1.5 if the worker consents to the discontinuance of weekly payments; or
- 3.1.6 the Corporation or self-insured employer is satisfied, on the basis of a certificate of a recognised medical expert, that the worker has ceased to be incapacitated for work by the notified disability; or
- 3.1.7 the worker has obtained work as an employee, or is self-employed and is earning remuneration equal to or above the rate of the provisional weekly payments of compensation; or
- 3.1.8 the worker is dismissed from employment for serious and wilful misconduct; or
- 3.1.9 the worker breaches the obligation of mutuality; or
- 3.1.10 the worker fails to provide a WorkCover medical certificate identifying an incapacity for work for a period in respect of which provisional liability payments would otherwise have been payable; or
- 3.1.11 once a worker's claim for weekly payments is determined, then provisional weekly payments will cease.

For the purpose of clause 3.1.9 a worker breaches the obligation of mutuality in the same circumstances as are described in subsections 36 (1a) (a), 36 (1a) (d), 36 (1a) (e), 36 (1a) (f), 36 (1a) (fa) and 36 (1a) (g) of the Act.

Once a worker's claim for weekly payments is determined, provisional weekly payments will cease, if the claim is rejected. If the claim is accepted, weekly payments of compensation will continue but will no longer be on a provisional basis.

-
- 3.2 If the Corporation or self-insured employer determines to discontinue provisional liability payments pursuant to section 50C (4) of the Act, it shall provide notice in writing to the worker, and in the case of the Corporation, to the employer. The worker shall be provided with seven calendar days notice before the decision to cease provisional weekly payments of compensation takes effect, unless:
- 3.2.1 that would result in payments exceeding 13 weeks; or
 - 3.2.2 payments are discontinued as the worker has obtained work as an employee or is self-employed and is earning remuneration equal to or above the rate of the provisional weekly payments of compensation; or
 - 3.2.3 a worker's claim for weekly payments is determined; or
 - 3.2.4 the worker consents to the decision to discontinue provisional weekly payments.

Dated 15 June 2009.

Further explanation on the completion of this form

¹To give **notice of injury only** under section 51 of the *Workers Rehabilitation and Compensation Act 1986* (the Act) means that you wish to give written notice that an injury has occurred, but do not request any compensation payments at this time. If, at a later date, you wish to claim compensation (weekly payments and/or other expenses) you will need to lodge a claim for compensation.

²To give **notice of an injury and claim weekly payments and/or medical expenses** means that you seek weekly payments of compensation which, if there is any delay in determining the claim, may be paid initially to you on a provisional basis under Part 4, Division 7A of the Act. Provisional weekly payments will start within seven (7) calendar days (in most cases) but will be limited to 13 weeks of weekly payments. The claim for medical and other expenses is a claim for payment of expenses resulting from your injury and may also be paid to you on a provisional basis under section 32A but will be limited to \$5000. Claims for payments exceeding these limits will only be paid if your claim for compensation under section 52 of the Act is accepted.

WORKERS REHABILITATION AND COMPENSATION ACT 1986*Publication of Designated Forms**Preamble*

Section 50D of the WRCA states:

If weekly payments of compensation are not commenced because of a reasonable excuse under the Provisional Payment Guidelines, the Corporation must within the prescribed period give the worker notice in writing that there is a reasonable excuse for not commencing weekly payments of compensation and include in that notice:

- (a) details of that reasonable excuse; and
- (b) a statement in the designated form about the worker's rights under this Act (including to make a claim under Division 8).

Section 50E of the WRCA states:

As soon as practicable after weekly payments of compensation commence under this Division, the employer or Corporation (as required under the Provisional Payment Guidelines) must give the worker notice in writing:

- (a) notifying the worker that weekly payments of compensation to the worker have commenced on the basis of provisional acceptance of liability; and
- (b) setting out a statement in the designated form about the operation of this Act in relation to the payments and the making of a claim.

Section 3 (13) of the WRCA provides that:

A reference in a provision of this Act to a designated form is a reference to a form designated for the purposes of that provision by the Minister from time to time by notice in the *Government Gazette*.

NOTICE

1.1 Pursuant to sections 50D and 50E of the WRCA, I give notice that, from 1 July 2009, the forms at Appendices 1 and 2 respectively are the 'designated forms' for the purposes of those sections.

Dated 15 June 2009.

Appendix 1**Statement of workers' rights under the WRCA—section 50D****What you need to know about your rights under the Act**

A decision has been made not to commence provisional weekly payments under the Provisional Payment Guidelines. This decision is not reviewable. This means a decision not to pay provisional weekly payments cannot be disputed or resolved at the Worker's Compensation Tribunal under Parts 6A and 6B of the Workers Rehabilitation and Compensation Act 1986. Refer to section 50I (b) of the attached extract of the Act.

However, your claim for compensation under section 52 of the Workers Rehabilitation and Compensation Act 1986 will be determined and if you are not satisfied with the decision, you can dispute the decision at the Workers Compensation Tribunal under Parts 6A and 6B of the Act. Should there be an undue delay in the determination of your claim you may apply to the Workers Compensation Tribunal for an expedited determination of the matter.

If you believe the explanation provided to you for not commencing provisional weekly payments was unreasonable e.g., based on wrong information, or you have further information, you may wish to discuss this with your case manager.

If you are dissatisfied with the response from your case manager and you believe the decision does not comply with the Provisional Payment Guidelines, you may discuss the matter with the case manager's manager or make a complaint to the WorkCover Ombudsman by contacting the WorkCover Ombudsman as follows:

Appendix 2**Statement about the operation of the Act for the purposes of section 50E****What you need to know about these payments**

You are receiving provisional weekly payments of compensation paid on the basis of provisional acceptance of liability whilst we are determining your claim under section 53 of the Act. Please note that these payments do not constitute an admission of liability under the Act.

Payment of provisional weekly payments will commence in accordance with the next scheduled pay period. Payments can only be paid to you for a maximum period of 13 weeks whilst your claim is being determined.

After provisional weekly payments have commenced for a period, they can be discontinued on the basis of any grounds contained in the Provisional Payment Guidelines, which are as follows:

- if you gave a telephoned initial notification of your injury, you do not provide a completed claim form within 10 calendar days of that initial notification;
- if you did not provide a designated medical certificate with your initial notification, you do not provide such a certificate within 10 calendar days of that initial notification;
- there is new credible and substantiated evidence (e.g., you are not a worker as defined in the Act) that leads to the conclusion that the disability is not compensable;
- you consent;
- your case manager cannot contact you for over a week despite making reasonable attempts;
- your case manager receives a certificate from a doctor which certifies that you have recovered and that you have ceased to be incapacitated for work;
- you return to work and are earning wages equal to or in excess of the rate of your provisional weekly payments;
- you are dismissed from employment for serious and wilful misconduct;
- you have breached the obligation of mutuality; or
- you fail to provide a WorkCover medical certificate for a period for which you have claimed weekly compensation.

Your claim under section 52 will still be determined even if you are receiving or have received provisional weekly payments. Once your claim is determined provisional weekly payments will cease and you will not receive additional weekly payments for the same period for which you have already received provisional weekly payments. Whether you continue to receive weekly payments will depend after that time on whether your claim has been accepted. Please refer to the attached copy of section 52 of the Act.

For further information, refer to the attached copy of Division 7A and the Provisional Payment Guidelines which can be found on www.workcover.com.
