**TREASURER'S  
QUARTERLY STATEMENT**

**for the**

**THREE MONTHS and NINE MONTHS ended on  
31 MARCH 2009 and 31 MARCH 2008**

---

*Presented by the  
Honourable Kevin Foley MP  
Treasurer of South Australia*

---

**GOVERNMENT OF SOUTH AUSTRALIA****COMMENTARY TO THE STATEMENT OF THE AMOUNTS CREDITED TO  
AND ISSUED FROM THE CONSOLIDATED ACCOUNT FOR THE QUARTERS  
ENDED 31 MARCH 2009 AND 31 MARCH 2008*****Receipts******Taxation***

Land tax collections for the first nine months of 2008-09 and the March quarter 2009 were lower than for the same periods in 2008-09. This shortfall reflects a timing issue relating to the South Australian Housing Trust's annual land tax payment. The Housing Trust paid its 2007-08 land tax liability in the March quarter of 2008 but the 2008-09 payment had not been made by 31 March 2009. The Housing Trust paid its 2008-09 land tax liability in April 2009.

Excluding the impacts relating to the Housing Trust timing issue, land tax receipts are higher for the first nine months of 2008-09 and the March quarter 2009 reflecting growth in land values.

Higher payroll tax collections for the first nine months of 2008-09 compared with the same period in 2007-08 reflect growth in employer payrolls for the first nine months of 2008-09 relative to the first nine months of 2007-08 (notwithstanding the cut in the payroll tax rate from 5.25% to 5.0% and the increase in the tax-free threshold from \$504 000 to \$552 000, both of which took effect from 1 July 2008).

Payroll tax collections for the March quarter 2009 are lower than the same period in 2007-08 reflecting the beginning of the impact of the global financial crisis on employment and employment conditions.

Lower levels of stamp duty receipts for the first nine months of 2008-09 and the March quarter 2009 compared with the same periods a year ago mainly reflect a significant downturn in property sales compared with property experience for the corresponding periods in 2007-08.

Gambling taxation receipts for the nine months to 31 March 2009 were lower than for the same period in 2007-08 reflecting lower gaming machine expenditure in hotels and clubs, following the implementation of the full smoking ban in hotels and clubs from 31 October 2007, as well as reflecting an underlying reduction in gaming machine expenditure.

***Contribution from State Undertakings***

The contributions from State Undertakings are lower for the first nine months of 2008-09 compared with the same period in 2007-08. Distributions from SA Water have been revised down over the forward estimates reflecting the assumed continuation of Level 3 Water restrictions.

***Fees and charges***

Receipts from fees and charges for the first nine months of 2008-09 and the March quarter 2009 are lower compared with the same periods in 2007-08 predominantly due to lower receipts from land service fees.

The reduction in land service fees reflects the significant downturn in property sales compared with property experience for the corresponding periods in 2007-08.

### *Recoveries*

Recoveries for the first 6 months of 2008-09 are lower than recoveries for the same period in 2007-08 due to the repayments in 2007-08 of surplus deposit account balances pursuant to the Cash Alignment Policy. These payments were once off transactions.

### *Royalties*

Higher royalty collections for the first nine months of 2008-09 compared with the first nine months of 2007-08 reflect higher production levels and prices for copper and iron ore as well as higher production levels for oil.

### *Commonwealth – General Purpose Grants*

Growth in general purpose grants in the first nine months of 2008-09 compared with the same period in 2007-08 is not directly related to underlying Goods and Services Tax (GST) revenue collections. This is because monthly grants are paid according to a payment schedule prepared by the Commonwealth Government rather than the actual pattern of monthly GST collections.

In the Commonwealth's *Updated Economic and Fiscal Outlook*, released in February 2009 and again in the May budget the Commonwealth Government announced significant downward revisions to expected GST collections in 2008-09. Based on Commonwealth estimates, the total GST pool is expected to fall by around 3% in 2008-09.

### *Commonwealth – Specific Purpose Grants*

Specific purpose grants for the first nine months of 2008-09 and the March quarter 2009 are higher compared with the same periods in 2007-08 reflecting the receipt of Commonwealth funds relating to the Commonwealth Government's First Home Owner Boost scheme.

### **Payments**

Payments were made pursuant to the *Appropriation Act 2008* and also in accordance with various other Acts for which specific appropriation has been authorised.

Payments made from the Consolidated Account during the first three quarters of 2008-09 were higher than the same period in 2007-08.

The higher level of payments was in line with the higher budgeted appropriation for 2008-09 compared with 2007-08

### **Note**

Considerable caution should be exercised in interpreting the quarterly statement of Consolidated Account transactions. Unlike the State budget, which comprises transactions on an accrual basis, the information reflected in the quarterly statements is limited to cash transactions. In addition, the Consolidated Account does not capture all the transactions undertaken by the general government sector (in particular, it does not record receipts to and payments from special deposit accounts). Finally, it should be noted that the timing of receipts and payments could be volatile within a particular year. As a result, apparently significant movements between years may only be due to changes in the timing of receipts and payments, and therefore may not have implications for the underlying budget position.

## CITY OF MOUNT GAMBIER

## DEVELOPMENT ACT 1993

*Centres, Shopping and Local Centres Zone Development Plan  
Amendment (DPA) by the City of Mount Gambier—  
Draft for Public Consultation*

NOTICE is hereby given that the City of Mount Gambier has, pursuant to section 25 of the Development Act 1993, prepared a draft Centres, Shopping and Local Centres Zone DPA to amend the City of Mount Gambier Development Plan.

The draft DPA proposes to amend the City of Mount Gambier Development Plan by providing a review of the City's Centres, Shopping and Commercial Zones, with the intention to re-zone appropriate land for retail purposes.

Currently, a lack of suitably sized vacant or developable allotments within the existing City Centre Zone, along with increased pressure on Council to identify areas where both large scale retail development and smaller scale commercial pursuits can occur, constrains the growth of retail development within the Council area.

The investigations have identified a need to re-zone suitable land within proximity of the City Centre Zone for retail purposes, along with providing additional land for commercial and mixed use activities. As a result, this DPA proposes to re-zone relevant land from Residential to Mixed Use and Commercial, Commercial to City Centre and Local Shopping to Local Centre, in order to establish appropriate areas to accommodate the demand for retail and commercial activity.

The draft DPA will be on public consultation from Thursday, 16 July 2009 to Friday, 11 September 2009.

Copies (both hard copy and electronic) of the draft DPA are available during normal office hours at the offices of the City of Mount Gambier, or can be viewed on the internet at [www.mountgambier.sa.gov.au](http://www.mountgambier.sa.gov.au).

- Civic Centre, 10 Watson Terrace, Mount Gambier.

Written submissions regarding the draft DPA should be submitted not later than 5 p.m. on Friday, 11 September 2009. All submissions should be addressed to the Chief Executive Officer, City of Mount Gambier, P.O. Box 56, Mount Gambier, S.A. 5290, marked attention to: Tracy Tzioutziouklaris, Strategic Project Officer and should clearly indicate whether you wish to be heard in support of your submission at the public meeting. ## DEVELOPMENT ACT 1993

*Rural Living**Development Plan Amendment by Wakefield Regional Council—  
Draft for Public Consultation*

NOTICE is hereby given that Wakefield Regional Council has, pursuant to section 25 of the Development Act 1993, prepared a draft Rural Living DPA to amend the Wakefield Regional Council Development Plan.

The draft DPA proposes to amend the Wakefield Regional Council Development Plan to provide for rural living zones at:

- Balaklava, as an extension to the existing Horse Keeping Policy area to the west of the racecourse;
- to the south of Halbury;
- to the south and south-west of Owen; and
- to the north of Blyth.

These are in addition to the existing rural living zone at Port Wakefield.

In addition to the above, the DPA provides for township expansion to the north and east of Blyth, and introduces a Concept Plan to provide for the logical extension and linking of roads and infrastructure at Blyth.

A minor zone anomaly at Blyth is also corrected with rail land being removed from the Township zone and added to the Light Industry zone.

Land division policies are introduced for each of the above areas to ensure that development reflects the intended use of the land for rural living purposes.

The draft DPA will be on public consultation from Thursday, 16 July 2009 to Friday, 11 September 2009.

Copies (both hard copy and electronic) of the draft DPA are available during normal office hours at the offices of the Wakefield Regional Council, Scotland Place, Balaklava, or can be viewed on the internet at [www.wakefieldrc.sa.gov.au](http://www.wakefieldrc.sa.gov.au).

All submissions should be addressed to the Chief Executive Officer, Wakefield Regional Council, P.O. Box 167, Balaklava, S.A. 5461, marked to the attention of Elca McCarthy, Environmental Services Manager, and should clearly indicate whether you wish to be heard in support of your submission at the public meeting.
