## PROFESSIONAL STANDARDS ACT 1994 (NSW)

### THE AUSTRALIAN PROPERTY INSTITUTE VALUERS LIMITED SCHEME

Amended 27 May 2011

#### PREAMBLE

- A. The Australian Property Institute Valuers Limited (APIV) is an occupational association.
- B. The APIV has made an application to the Professional Standards Council, constituted under the *Professional Standards Act 1994* (NSW) (the Act), for a scheme under the Act.
- C. The scheme is prepared by the APIV for the purposes of limiting occupational liability to the extent to which such liability may be limited under the Act.
- D. The APIV has furnished the Council with a detailed list of the risk management strategies intended to be implemented in respect of its members and the means by which those strategies are intended to be implemented.
- E. The APIV has furnished the Council with APIV insurance standards with which members must comply for purposes of this scheme.
- F. The scheme is intended to remain in force for five years from its commencement unless, prior to that time, it is revoked, its operation ceases, or it is extended pursuant to Section 32 of the Act.

#### THE AUSTRALIAN PROPERTY INSTITUTE VALUERS LIMITED SCHEME

##### 1. Occupational association

- 1.1 The Australian Property Institute Valuers Limited Scheme (the scheme) is a scheme under the *Professional Standards Act 1994* (NSW) (the Act) prepared by the Australian Property Institute Valuers Limited (APIV) whose business address is  
6 Campion Street,  
Deakin,  
ACT 2600
- 1.2 The scheme is intended to operate in New South Wales, the Australian Capital Territory, the Northern Territory, Queensland, South Australia, Victoria and Western Australia.

##### 2. Persons to Whom the Scheme Applies<sup>1</sup>

- 2.1 The scheme applies to all members of the Australian Property Institute Valuers Limited who or which comply with the requirements of the APIV Limited and the insurance requirements set out in Clause 3.2, unless exempted by the APIV.
- 2.2 This scheme also applies to all persons to whom the scheme applied under clause 2.1 at the time of any act or omission giving rise to occupational liability.<sup>2</sup>

---

<sup>1</sup> Sections 18 and 19 of the Act provide that if the scheme applies to a body corporate, the scheme also applies to each officer of the body corporate and if the scheme applies to a person, the scheme also applies to each partner of the person, and if the scheme applies to a person the scheme also applies to each employee of the person, provided that if such officer of the corporation or partner of the person or employee of the person is entitled to be a member of the same occupational association, such officer, partner or employee is a member of the occupational association. Section 20 provides that the scheme may also apply to other persons as specified in that section. Section 20A extends the limitation of liability of persons to whom the scheme applies by virtue of sections 18 to 20.

- 2.3 The APIV may, on application by a member to whom this Scheme applies, exempt the member from the Scheme provided that the Scheme does not apply to the person by operation of ss.18, 19 or 20 of the Act.

### 3. Limitation of Liability

- 3.1 This scheme only affects the liability for damages<sup>3</sup> arising from a single cause of action to the extent to which the liability results in damages exceeding \$1,000,000.
- 3.2 If a person or corporation, who was at the time of the act or omission giving rise to occupational liability, a person or corporation to whom this scheme applied and against whom a proceeding relating to occupational liability is brought, is able to satisfy the court that such person or corporation has the benefit of an insurance policy:
- (a) of a kind which complies with the APIV Insurance Standards,
  - (b) insuring such person or corporation against the occupational liability to which the cause of action relates, and
  - (c) under which the amount payable in respect of that occupational liability is not less than the monetary ceiling specified in the 4<sup>th</sup> column (titled "Monetary Ceiling") of the table in Clause 3.3 of this scheme relating to the class of person and the kind of work to which the cause of action relates,

that person or corporation is not liable in damages in relation to that cause of action above the monetary ceiling specified in this scheme.

- 3.3 The monetary ceiling (maximum amount of liability) required for the purposes of limitation of liability under this scheme at the time at which the act or omission giving rise to the cause of action occurred is to be determined according to the following table:

Class	Description	Upper End Value	Monetary Ceiling
1	Category A Member	\$0.0 million to < \$3.0 million	\$1.0 million
2	Category B Member	\$3.0 million to < \$5.0million	\$ 2.0 million
3	Category C Member	\$5.0 million to < \$10.0 million	\$ 3.0 million
4	Category D Member	\$10.0 million to < \$15.0 million	\$ 4.0 million
5	Category E Member	\$15.0 million to < \$40.0 million	\$ 5.0 million
6	Category F Member	\$40.0 million >	\$10.0 million

- 3.4 Clause 3.2 only affects liability for damages arising from a single cause of action to the extent to which the liability results in damages exceeding such amount as is specified in clause 3.1.

<sup>2</sup> For the purposes of the operation of the scheme in New South Wales, "occupational liability" has the same meaning as it has in the Act and excludes any liability which may not from time to time be limited pursuant to the Act. Similarly, for the purposes of the operation of the scheme in other jurisdictions in which it applies, "occupational liability" has the same meaning as it has in the corresponding legislation of those jurisdictions and excludes any liability which may not from time to time be limited pursuant to that legislation.

Occupational liability is defined in s4(1) of the Act to mean 'civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of an occupational association acting in the performance of his or her occupation'. However, s5(1) of the Act provides that the Act does not apply to liability for damages arising from the death of or personal injury to a person, a breach of trust or fraud or dishonesty. [Note: All jurisdictions other than NSW and WA exclude a lawyer acting in a personal injury matter.] Section 5(2) of the Act also provides that the Act does not apply to liability which may be the subject of proceedings under Part 13 or 14 of the *Real Property Act 1900* (NSW).

<sup>3</sup> Damages as defined in section 4(1) of the Act means (a) damages awarded in respect of a claim or counter-claim or claim by way of set-off and (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant), and (c) any interest payable on the amount of those damages or costs.

- 3.5 This scheme limits the occupational liability in respect of a cause of action founded on an act or omission occurring during the period when the scheme was in force of any person to whom the scheme applied at the time the act or omission occurred.

#### 4. Conferral of discretionary authority

- “4.1 Pursuant to Section 24 of the Act, this scheme confers on the APIV a discretionary authority to specify, on application by a member to whom the scheme applies, in relation to that person a higher monetary ceiling (maximum amount of liability) not exceeding \$20 million, in relation to the person either in all cases or in any specified case or class or case.”

PLEASE NOTE the following document should have been included with the Notice by the Minister for Mineral Resources and Energy, for the Residential Energy Efficiency Scheme—*Minimum Specification for an Energy Audit*.

The Notice itself was gazetted on 1 December, 2011 (last entry in the left column of page 4687 of *Gazette* No: 81), however the document it makes reference to was not published with the original Notice signed by the Minister.

## **RESIDENTIAL ENERGY EFFICIENCY SCHEME (REES)**

### **Minimum Specification for an Energy Audit**

**November 2011**

#### **PURPOSE:**

This document establishes the minimum specification for an *energy audit* which an electricity retailer or gas retailer must comply with for the purposes of achieving its Energy Audit Target (ELEAT or GLEAT) under the Residential Energy Efficiency Scheme (REES).

Energy audits are to be conducted in priority group households, as defined in sub-regulation 7AE(1) of Part 2AA *Electricity (General) Regulations 1997* under the *Electricity Act 1996*, and sub-regulation 8DB(1) of Part 2AA *Gas Regulations 1997* under the *Gas Act 1997*.

This specification has been established by the Minister for Mineral Resources and Energy by Notice in the *Government Gazette* in accordance with the above regulations. Any future amendment to this specification will also be published by the Minister by Notice in the *Government Gazette*.

The specification contained within this document outlines minimum requirements for the purposes of complying with the REES. It is not intended to be exhaustive.

#### **SPECIFICATION:**

- (1) The audit must be conducted within the premises with the householder(s) actively involved in the audit.

*EXCEPTION*—the audit may be conducted by phone or separate interview, provided:

- the premises to which the audit relates is in a regional or remote postcode as defined in Table 1;
- the audit otherwise complies with this specification, including being conducted by a competent auditor; and
- the total value of phone or interview audits conducted does not exceed 10 per cent of the ELEAT or GLEAT of an electricity retailer or gas retailer. For the purposes of the REES, one phone or interview audit is taken to have a value of half of one credit towards the ELEAT or GLEAT of an electricity or gas retailer.

(2) The audit must include the following as a minimum:

- an assessment of the thermal performance of the premises. This will include, but not be limited to, insulation, draught proofing, and shading; and
- an assessment of the major energy consuming appliances and energy use practices within the premises. This will include, but not be limited to, water heating, lighting, space heating and cooling, standby power and any other significant energy uses.

(3) The audit must identify the energy savings opportunities and energy saving practices that may realistically be undertaken or installed in the premises.

(4) The auditor must provide the household with a written record of the assessment and recommendations made.

(5) The auditor must use best endeavours to complete a follow up visit or phone call to the household within a reasonable time, which time shall not be less than 4 weeks following the date of the audit.

(6) Only one audit may be conducted per premises, unless it is demonstrated that the occupants of that premises have changed.

(7) The audit must be conducted by a competent person. A competent person is one who is able to demonstrate the following competencies:

- knowledge and appreciation of the implications of household energy use—including environmental, social, and economic impacts.
- knowledge and skills in assessing the main ways in which households use energy. This includes assessing major energy using appliances, practices and behaviours, and identifying matters related to the thermal performance of the dwelling.
- understanding of practical and cost-effective ways of reducing household energy use.
- skills in identifying and evaluating energy saving opportunities, and communicating these to households in an empowering way, explaining results and recommendations, and motivating household energy efficiency action.
- skills in interpreting energy bills.
- skills in minimising risk when conducting an audit.
- ability to engage sensitively and effectively with low income households or those in hardship, tailoring and prioritising recommendations to suit their particular circumstances.

For the purposes of demonstrating a person has these competencies, it must be shown that:

- (a) The person has received a Statement of Attainment for the following three units of the Certificate IV in Home Sustainability Assessment;
- CPPHSA4001A *Assess Household Energy Use; and*
  - CPPHSA4005A *Minimise health, safety and security risks when assessing home sustainability; and*
  - CPPHSA4007A *Promote the adoption of home sustainability practices by residents; or*
- (b) The person has received a Statement of Attainment for the units CPPHSA4001A and CPPHSA4005A, described above, and these units were delivered in a way that has embedded the core principles of unit CPPHSA4007A to the satisfaction of the Department for Manufacturing, Innovation, Trade, Resources and Energy; or
- (c) Prior to 1 January 2012:
- i. the person has completed a relevant training course, program or qualification which develops these competencies—i.e.: Energy Friends<sup>®</sup>, the Home Sustainability Assessment Course developed by Sustainability Victoria or other relevant training course as approved by the Department for Manufacturing, Innovation, Trade, Resources and Energy or the former Department for Transport, Energy and Infrastructure; AND have applied these competencies in practice within residential premises; or
  - ii. the person had more than 12 months experience conducting in-home energy audits which are consistent with the specification and with written references from at least two persons/organisations substantiating the competencies of the person undertaking the audit; or
  - iii. the person was an accredited Green Loans Assessor for the purposes of the Commonwealth Government's Green Loans Program.

file a statement, verified by affidavit, containing with reference to the date of rescission or determination (as the case may be) the information required by subrule (6) (c) (ii).

**Exception—**

The Court or the Registrar may, on the application of the manager or of the persons beneficially interested in the estate of the deceased or of the personal representative of the deceased, dispense with the obligation contained in subrule (7) (b) if satisfied that the costs of the preparation of such a statement are not warranted.

- (8) A manager other than Public Trustee must, within 14 days of a request by Public Trustee, deliver to Public Trustee such documents as Public Trustee may request in relation to a statement of the manager which has been, or should have been, filed under subrules (6) or (7).
  - (9) If a manager other than Public Trustee does not comply with an obligation contained in subrules (6), (7) or (8), or Public Trustee or an interested person considers that a statement, or a report filed under s 19 (4) of the Act, discloses matters which should be drawn to the Court's attention, Public Trustee or the interested person may, by interlocutory application made under Rule 131, seek orders from the Court.
  - (10) On an application under subrule (9) the Court may:
    - (a) make such orders as the circumstances of the case require;
    - (b) terminate the manager's appointment, and make such consequential orders as are necessary."
