FLINDERS UNIVERSITY OF SOUTH AUSTRALIA ACT 1966

Amendments to By-Laws

AT its meeting held on 2 December 2010, the Council of Flinders University approved amendments to the following by-law, a copy of which is attached hereto:

BY-LAWS 1: DEFINITIONS

Explanatory Notes

The proposed amendments seek to amend a by-law of the Flinders University of South Australia Act 1966, to change the definition of 'University grounds' to the broader definition used in the University Act.

Those by-laws that refer to 'University grounds' are interpreted as not applying to geographical locations other than 'lands in the municipalities of Mitcham and Marion'. This definition was appropriate at the time the University was established. However, with the expansion of the University to locations outside of the specified municipalities, including to rural South Australia and to other states and territories, the definition is out of date which has implications for the application of the by-laws to these other locations.

Amendments Approved by Council on 2 December 2010

That By-Law 1: Definitions, be amended, as follows:

Definitions

1. In these by-laws:

The Act means The Flinders University of South Australia Act 1966, as amended from time to time.

Authorised person means a person appointed by the Council to be an authorised person for the purposes of Section 20 of the Act.

Delegate means a person appointed by the Council to be a delegate for the purposes of these by-laws, or for the purpose of the by-law or by-laws in relation to which the expression is used.

Council means the Council of the University.

Give-way sign means a sign inscribed with the words 'give-way' across the face thereof.

Intersection means that area comprised within imaginary straight lines joining the corners formed by the convergence of the lateral boundaries or the prolongation of the lateral boundary lines of two or more roads which cross each other.

Junction means the part of a road which is comprised within the prolongation across the road of the lateral boundary lines of another road which joins it: a road shall be deemed to join another road within the meaning of this definition if it joins that road but does not cross it.

Metered space means a space within the University grounds which is marked out or designated for the accommodation of a vehicle and at which space a parking meter has been installed.

Pedestrian crossing means a crossing for the use of pedestrians established in accordance with these by-laws.

Road includes way and track.

Stop sign means a sign inscribed with the word 'Stop' across the face thereof.

University means The Flinders University of South Australia.

University grounds means all land owned and occupied by the University or of which the University has care, control and management.

Vehicle includes any motor car, motor truck, motor cycle, aircraft, carriage, cart, bicycle or other vehicle of whatsoever kind or nature and howsoever ridden, driven or propelled.
