**Government
of South Australia**

**TREASURER'S
QUARTERLY STATEMENT**

for the

**THREE MONTHS ended on
30 JUNE, 2011 and 30 JUNE, 2010**

*Presented by the
Honourable J. J. Snelling M.P.
Treasurer of South Australia*

GOVERNMENT OF SOUTH AUSTRALIA**COMMENTARY TO THE STATEMENT OF THE AMOUNTS CREDITED TO
AND ISSUED FROM THE CONSOLIDATED ACCOUNT FOR THE QUARTERS
ENDED 30 JUNE 2011 AND 30 JUNE 2010*****Receipts****Taxation*

Higher payroll tax receipts for 2010-11 compared to 2009-10 reflects growth in taxable payrolls.

The increase in land tax collections in the twelve months to June 2011 compared with the same period a year ago primarily reflects growth in land values. The increase is offset, in part, by the land tax relief provided by the Government in 2010-11.

Stamp duty receipts were lower in the June quarter 2011 compared to the same period a year ago. This was due to lower conveyance duty collections reflecting a softening in the property market, and the timing of receipts relating to stamp duty on motor vehicle registrations and transfers and renewal certificates for Compulsory Third Party insurance from the Department of Transport. Stamp duty collections in 2010-11 were well below budget largely due to the softer than expected property market, with the number of property transfers well below expectations.

Gambling tax receipts were down slightly in the year to June 2011 compared with the previous year. Higher receipts from gaming machines in hotels and clubs were more than offset by lower collections from the Lotteries Commission and S.A. T.A.B.

Royalties

Higher royalty receipts for 2010-11 compared to 2009-10 mainly relate to an increase in royalties from Olympic Dam following the return to full production from May 2010 and higher royalties from Prominent Hill, with the first full year of production in 2010-11.

Fees and charges

The higher fees and charges in 2010-11 compared to 2009-10 largely reflect the increase in collections of guarantee fees from government agencies.

Commonwealth—General Purpose Grants

General Purpose Grants were higher in 2010-11 compared to 2009-10 due to growth in the G.S.T. pool. In the Commonwealth's 2011-12 Budget, the Commonwealth Government estimated the G.S.T. pool available for distribution to the states would grow by 3.2 per cent in 2010-11 on an accrual basis.

There were lower G.S.T. revenue grants in the June quarter 2011 compared to the same period a year ago. Monthly grants are paid according to a schedule prepared by the Commonwealth.

Commonwealth—National Partnership grants

National partnership payments received in 2010-11 were lower than 2009-10 reflecting the cessation of the First Home Owners Boost in December 2009.

Commonwealth—Specific Purpose Grants

Specific Purpose Grants for 2010-11 were higher than 2009-10 mainly as a result of higher receipts for healthcare, schools and disabilities.

Other Receipts

Other receipts in 2010-11 are lower compared to 2009-10 due to the lower repayments of equity contributions and Treasurer's Loans.

Payments

Appropriations to agencies were \$162 million lower than forecast in the original 2010-11 Budget. The major areas contributing to this outcome are as follows:

- Department of Further Education, Employment, Science and Technology (\$51 million)
- Defence SA (\$16 million)
- Department for Families and Communities (\$18 million)
- Department of Education and Children's Services (\$18 million)
- Attorney-General's Department (\$11 million)
- Administered Items for Attorney-General's Department (\$12 million)
- South Australia Police (\$19 million)
- Department for Transport, Energy and Infrastructure (\$18 million)

Further details of appropriations paid under the *Appropriation Act 2010* and *Public Finance Audit Act 1987* are provided in the Treasurer's Statements as published in the Auditor-Generals Report that was tabled on the 18th of October 2011.

Payments pursuant to Specific Appropriation authorised in Various Acts were lower than estimated in the 2010-11 Budget.

The final Consolidated Account result, funded by borrowing from the South Australian Government Financing Authority was a deficit of \$1.779 billion which was \$126 million more than that estimated at the time of the 2010-11 Budget.

Note

Caution should be exercised in interpreting the quarterly statement of Consolidated Account transactions. Unlike the State Budget, which comprises transactions on an accrual basis, the information reflected in the quarterly statements is limited to cash transactions. Also, the Consolidated Account does not capture all the transactions undertaken by the general government sector (in particular, it does not record receipts to and payments from special deposit accounts). Finally, the timing of receipts and payments could be volatile within a particular year. As a result, apparently large movements between years may only be due to changes in the timing of receipts and payments and therefore may not have consequences for the underlying budget position.

(a) At its November 2008 meeting, the Council of Australian Governments agreed on new Commonwealth-State funding arrangements that were introduced on 1 January 2009. These arrangements provide for the payment of specific purpose payments to the treasuries of each state and territory rather than to the relevant line agencies as was the case under the previous arrangements.

1—Short title

These rules may be cited as the *Youth Court (Children's Protection) Rules 2012*.

2—Commencement

These rules will come into operation on 1st April 2012.

3—Interpretation

(1) In these rules—

children's protection jurisdiction of the Court means the jurisdiction of the Court under the *Children's Protection Act 1993*;

Court means the Youth Court;

direction of the Court means a practice direction or specific direction or order of the Court; and ***direct*** has a corresponding meaning;

interlocutory application means an application for a direction of the Court relating to—

- (a) the course or conduct of proceedings for a final order of the Court; or
- (b) matters preliminary or ancillary to such proceedings;

the term includes an application for an order that the Court is empowered to make on an adjournment of proceedings for a final order of the Court and any application that the Court directs be treated as interlocutory for the purposes of these rules;

investigation and assessment application means an application for orders of the Court under section 21(1) of the *Children's Protection Act 1993*;

working day means a day other than a Saturday or a Sunday or other public holiday.

- (2) In these rules, a reference to an appropriate form for an application to the Court is a reference to a form specified by the Court, by practice direction, for applications of the relevant kind, or a form approved or accepted by the Court or the Registrar in the particular case.
- (3) In these rules, a reference to service of a document on the other parties is a reference to service of the document on the persons required to be served under the *Children's Protection Act 1993*, or required to be served by direction of the Court.

4—Application of rules

These rules apply to the children's protection jurisdiction of the Court.

5—Youth Court Rules varied

- (1) The *Youth Court Rules* are varied by deleting Section D (comprising rules 23.00 to 36.00 and the headings immediately preceding those rules).
- (2) The *Youth Court Rules*, as so varied, continue to apply according to their terms to the children's protection jurisdiction of the Court (as well as to other jurisdictions of the Court).

6—Object of rules

The object of these rules is the fair, effective, expeditious and efficient conduct of the proceedings of the Court.

7—Power to give directions etc

The Court may, in any proceedings, if it considers it appropriate to do so in particular circumstances, do either or both of the following:

- (a) give directions as to the practice and procedure to be followed in the circumstances;
- (b) dispense with compliance with a provision of these rules (including a provision governing the exercise of a power of the Court).

8—Applications to Court

- (1) This rule applies to any application to the Court other than an interlocutory application.
- (2) An application must—
 - (a) be in writing in an appropriate form; and
 - (b) state the orders that are sought; and
 - (c) state the statutory provision under which each such order might be made; and
 - (d) state the grounds of the application; and
 - (e) include particulars of the factual allegations or circumstances relied on to make out the grounds of the application; and

- (f) be signed by the applicant, or on the applicant's behalf by the applicant's legal representative.
- (3) In case of an application seeking a care and protection order, if an order sought is for the custody or guardianship of the child and no family care meeting has been held in respect of the alleged risk to child, the application must state the reasons why a family care meeting has not been held.
- (4) All statements and particulars in an application must be in plain language, and set out and expressed clearly, specifically and succinctly.
- (5) If multiple or alternative orders are sought in an application, the application must indicate this clearly and, for each such order, link the grounds and supporting statements and particulars relevant to that order clearly and specifically to that order.

9—Material supporting applications

- (1) An application to which rule 8 applies must be supported by material that sufficiently sets out the evidence on which the application is based.
- (2) Material in support of an application may be in the form of—
 - (a) affidavits (including annexures); or
 - (b) expert reports; or
 - (c) chronologies of significant events; or
 - (d) subject to a direction of the Court, other documentary evidence.
- (3) Material in support of an application must be filed in the Court and, unless the Court directs otherwise, served on the other parties.
- (4) The following provisions apply in relation to an application other than an investigation and assessment application:
 - (a) subject to subrule (3), material in support of the application must be filed in the Court and served on the other parties at least 10 working days before the pre-trial conference, or thereafter only with leave, and on such terms as the Court directs;
 - (b) leave to file further material may be sought orally, at any stage of the proceedings;
 - (c) subject to subrule (3), material filed in support of the application at any stage of the proceedings must be served on the other parties at least 2 working days before the next date for hearing in the proceedings.
- (5) In the case of an application seeking a care and protection order in respect of a child in respect of whom there has been a previous care and protection order, the material in support of the application must include—
 - (a) a document reporting the outcomes of any review meetings conducted during the operation of the previous order; and
 - (b) copies of any care plans implemented, or sought to be implemented, during the operation of the previous order; and
 - (c) a document reporting the extent to which each party has complied with requirements or undertakings applicable to the party under the previous order.

10—Responses

- (1) This rule applies to any application to the Court other than—
 - (a) an investigation and assessment application; or
 - (b) an interlocutory application; or
 - (c) an application of a kind excluded from the application of this rule by the Court by practice direction.
- (2) A party to an application who opposes the application in whole or part must file a response in the Court and serve the response on the other parties at least 5 working days before the pre-trial conference.
- (3) A response to an application must—
 - (a) be in writing in an appropriate form; and
 - (b) state clearly the order or orders sought in the application that are opposed and any order that is not opposed; and
 - (c) if an order is proposed as an alternative to an order sought in the application, indicate that clearly and specify the proposed order and which order it would replace; and
 - (d) in relation to each ground of the application, state whether the ground is—
 - (i) admitted, or
 - (ii) disputed; or
 - (iii) not admitted, but not disputed for the purposes of the determination of the application; and
 - (e) in relation to each separate particular of a factual allegation in the application, state whether the particular is—
 - (i) admitted, or
 - (ii) disputed; or
 - (iii) not admitted, but not disputed for the purposes of the determination of the application; and
 - (f) if a ground or particular is disputed, state briefly the manner in which the ground or particular is disputed.
- (4) A response should be supported by material that provides evidence of the respondent's version of events or of any matter relevant to the determination of the application.
- (5) Material in support of a response may be in the form of—
 - (a) affidavits (including annexures); or
 - (b) expert reports; or
 - (c) chronologies of significant events; or
 - (c) subject to a direction of the Court, other documentary evidence.
- (6) Material in support of a response must be filed in the Court and served on the other parties at least 5 working days before the pre-trial conference, or thereafter only with leave, and on such terms as the Court directs.
- (7) Leave to file further material may be sought orally, at any stage of the proceedings.

- (8) Material filed in support of a response, at any stage of the proceedings, must be served on the other parties at least 2 working days before the next date for hearing in the proceedings.
- (9) The Court will make such determinations based on the contents of a response, or the failure to file a response, as the Court considers appropriate, and proceed accordingly, subject to the provisions of the *Children's Protection Act 1993*.

11—Interlocutory applications

- (1) This rule does not apply to an application of a kind excluded from the application of this rule by the Court by practice direction.
- (2) An interlocutory application is to be in an appropriate form, accompanied by an affidavit evidencing the grounds on which the application is being made.
- (3) Nothing prevents an interlocutory application from being combined with an application for a final order of the Court.
- (4) The applicant must serve a copy of the application (and accompanying documents) on the other parties as soon as practicable after it is filed in the Court, but not later than 2 working days before the next date for hearing in the proceedings.
- (5) However, service on other parties is not required if the application does not affect the interests of other parties.
- (6) The Court may, on conditions the Court considers appropriate, dispense with a requirement of this rule—
 - (a) if the urgency of the case so requires; or
 - (b) by consent of the parties; or
 - (c) if for any other reason the Court considers it appropriate to do so.

Example—

The Court might permit a party to make an interlocutory application orally without service on the other parties if it considers it appropriate to do so in the circumstances of the case.

- (7) The Court may determine an interlocutory application without hearing oral submissions from the parties if—
 - (a) the application is not contentious; or
 - (b) the Court decides on the application of a party to determine the application on the basis of written submissions.
- (8) On an interlocutory application, the Court may give directions relating to the proceedings irrespective of whether the applicant has asked for such directions in the application.

12—Pre-trial conferences

- (1) This rule applies to any application to the Court other than—
 - (a) an investigation and assessment application; or
 - (b) an interlocutory application; or
 - (c) an application of a kind excluded from the application of this rule by the Court by practice direction.
- (2) Defended applications will be listed for pre-trial conference with the goal that, so far as is practicable, each conference is held within 6 weeks from the filing of the application.

- (3) If matters remain in dispute at the end of a pre-trial conference, the application concerned will be allocated a trial date, and a status conference date.
- (4) The Judicial Officer presiding over a pre-trial conference may, subject to section 42 of the *Children's Protection Act 1993*, determine what matters are in dispute for the purposes of the trial and direct that the trial be limited to such matters.

13—Documents required for pre-trial conferences

A party to an application listed for pre-trial conference must, at least 2 working days before the date fixed for the pre-trial conference, file in the Court, and serve on other parties—

- (a) a list of all witnesses to be called by the party at the trial; and
- (b) copies of reports of any proposed expert witnesses; and
- (c) a synopsis of the evidence of any other proposed witnesses.

14—Status conferences and facilitation of trials

- (1) A status conference may be held before the trial of a defended application.
- (2) A status conference will, if practicable, be presided over by the Judicial Officer who is to hear the trial.
- (3) At a status conference, the Court may give directions—
 - (a) requiring a party (normally the Minister or the Chief Executive) to prepare and distribute trial books or chronologies of significant events; or
 - (b) limiting the issues to be determined at the trial; or
 - (c) appointing a party *dux litis* in relation to issues to be determined at the trial; or
 - (d) requiring or relating to the discovery, inspection and copying of evidentiary material; or
 - (e) enabling non-parties to be present or participate at the trial; or
 - (f) arranging for the interviewing of a child by the trial Judicial Officer; or
 - (g) requiring the concurrent calling of expert witnesses; or
 - (h) arranging for the taking of views; or
 - (i) arranging for the taking of evidence by telephone link, video link or other medium; or
 - (j) otherwise facilitating the conduct of the trial.
- (4) Unless the Court directs otherwise, a trial book must—
 - (a) contain the application and all material filed by parties in the proceedings; and
 - (b) be provided to the Court and other parties at least 2 working days before the trial.
- (5) Any such direction may, in any event, be given before or at the trial,

15—Trials

A trial will be conducted, as far as practicable, on the basis that—

- (a) each party's case is substantially contained in documentary material filed in accordance with these rules, and incorporated in the trial book; and

- (b) examination-in-chief of witnesses avoids undue repetition of matters contained in the filed material and is limited to necessary and reasonable explanation, correction or supplementation of the filed material and to eliciting responses to, or comments on, another party's case.

16—Minutes of orders

- (1) This rule applies to any interim or final order made by the Court on an application, but does not apply to a purely procedural direction.
- (2) Subject to any direction of the Court to the contrary, the applicant must prepare minutes of the order and provide them to the Court at the hearing at which the order is made, or cause them to be filed in the Court within 2 working days of the making of the order.

17—Telephone and video links

- (1) In appropriate cases, the Court will facilitate the appearance of parties or counsel via telephone link or video link, or other medium.
- (2) A party wishing to appear via link must provide adequate notice and adequate information to the Court to enable arrangement of the link.
- (3) In the ordinary course, a telephone link will be via a landline, not a mobile telephone; and will be from a courthouse, State Government office, or other appropriate facility.

18—Proof of service

- (1) If an application or other document is required to be served on the other parties, the Court may decline to consider the application or document until proof of service of the application or document on the other parties has been filed in, or produced to, the Court.
- (2) Proof of service of an application or document may consist of an affidavit made by the person who served the application or document setting out—
 - (a) the date, time and place of service; and
 - (b) how the person to be served was identified; and
 - (c) how service was effected.
- (3) The Court may, however, require oral evidence of service.

19—Litigation Guardians

- (1) If the Court is satisfied that a party, other than a child the subject of proceedings, is incapable by reason of a disability of adequately conducting the proceedings, then the Court may appoint a litigation guardian to conduct the proceedings on behalf of the party.
- (2) The litigation guardian is responsible for the conduct of the proceedings on behalf of the party under a disability and may take any step in the proceedings that such party might have done if of full capacity.
- (3) The Court may appoint a person as a litigation guardian if the person:
