THE COLLEGE OF INVESTIGATIVE AND REMEDIAL CONSULTING ENGINEERS AUSTRALIA PROFESSIONAL STANDARDS SCHEME

Preamble

- A. The College of Investigative and Remedial Consulting Engineers Australia (CIRCEA) is an occupational organisation.
- B. CIRCEA has made an application to the Professional Standards Council, appointed under the Professional Standards Act 1994 (NSW) (the Act), for a scheme under the Act.
- C. The scheme is prepared for the purposes of limiting occupational liability to the extent to which such liability may be limited under the Act.
- D. The scheme is to apply to all ordinary members of CIRCEA.
- E. CIRCEA has furnished the Council with a detailed list of the risk management strategies intended to be implemented in respect of its members and the means by which those strategies are intended to be implemented.
- F. The scheme is intended to commence on 1 December 2012 and remain in force for five years from its commencement unless, prior to that time, it is revoked, its operation ceases or it is extended pursuant to Section 32 (2) of the Act.
- G. The scheme is also intended to apply in the Australian Capital Territory, Victoria, South Australia, Western Australia, the Northern Territory and Queensland.

THE COLLEGE OF INVESTIGATIVE AND REMEDIAL CONSULTING ENGINEERS AUSTRALIA PROFESSIONAL STANDARDS SCHEME

Occupational Association

- 1.1 The College of Investigative and Remedial Consulting Engineers Australia Professional Standards Scheme (the scheme) is a scheme under the Professional Standards Act 1994 (NSW) (the Act) prepared for the College of Investigative and Remedial Consulting Engineers Australia (CIRCEA) whose business address is Suite 54, Technopark, 6 Herbert Street, St Leonards, N.S.W. 2066.
- 1.2 The scheme is intended to apply in New South Wales, the Australian Capital Territory, Victoria, South Australia, Western Australia, the Northern Territory and Queensland.

2. Persons to Whom the Scheme Applies¹

2.1 Subject to any exemption under Clause 2.3 of the scheme, the scheme applies to all ordinary members of CIRCEA who have the benefit of an insurance policy under which the amount payable in respect of occupational liability is not less than the maximum amount of liability applicable to that person at the relevant time, which insurance complies with standards set from time to time by CIRCEA in accordance with Section 27 of the Act.²

Section 17 of the Act provides that a scheme applies to all persons within an occupational association or to a specified class or classes of persons within an occupational association. The relevant sections of legislation in other jurisdictions in which the scheme is intended to apply under mutual recognition are: Civil Law (Wrongs) Act 2002 (ACT) Schedule 4 Professional Standards s 4.15; Professional Standards Act 2004 (NT) s 18; Professional Standards Act 2004 (Qld) s 19; Professional Standards Act 2003 (Vic) s 19; Professional Standards Act 1997 (WA) s 30; Professional Standards Act 2004 (SA) s 19.

² Equivalent sections of legislation in other jurisdictions in which the scheme is intended to apply under mutual recognition are: Civil Law (Wrongs) Act 2002 (ACT) Schedule 4 Professional Standards s 4.23; Professional Standards Act 2004 (NT) s 28; Professional Standards Act 2004 (Qld) s 28; Professional Standards Act 2003 (Vic) s 29; Professional Standards Act 1997 (WA) s 40; Professional Standards Act 2004 (SA) s 29.

- 2.2 The scheme may apply to other persons who are officers, partners, employees or associates of persons who are covered by the scheme.³
- 2.3 A person to whom the scheme applies, other than persons described under Clause 2.2 of the scheme, may, on written application to the Board of CIRCEA, be exempted from the scheme by the Board.

3. Limitation of Liability

- 3.1 The scheme only affects the liability for damages arising from a single cause of action to the extent to which the liability results in damages exceeding \$1 000 000.
- 3.2 If a person, who was at the time of the act or omission giving rise to occupational liability, a person to whom the scheme applied, against whom a proceeding relating to occupational liability is brought, is able to satisfy the court that such person has the benefit of an insurance policy:
 - (a) of a kind which complies with the standards determined by the CIRCEA;
 - (b) insuring such persons against that occupational liability; and
 - (c) under which the amount payable in respect of that occupational liability is not less than the monetary ceiling specified in the scheme,

that person is not liable in damages, in relation to that cause of action, above the monetary ceiling specified in this scheme.

3.3 The monetary ceiling required for the purposes of limitation of liability under this scheme at the time at which the act or omission giving rise to the cause of action occurred is to be determined according to the following table:

Class	Description	Monetary Ceiling
1	Category A member	\$1 000 000
2	Category B member	\$5 000 000
3	Category C member	Such amount specified pursuant to Clause 4.1 in excess of the monetary ceiling in respect of either Category A member or a Category B member but not exceeding \$10 000 000.

3.4 Relevant definitions for the purposes of this clause are as follows:

'Category A member' means a person who is an ordinary member of CIRCEA to whom the scheme applies, who provides advice other than as a Category B member.

'Category B member' means a person who is an ordinary member of CIRCEA to whom the scheme applies and who provides advice predominantly in the geotechnical engineering field.

Sections 18 and 19 of the Act provide that if the scheme applies to a body corporate, the scheme also applies to each officer of the body corporate and if the scheme applies to a person, the scheme also applies to each partner of the person, and if the scheme applies to a person the scheme also applies to each employee of the person, provided that if such officer of the corporation or partner of the person or employee of the person is entitled to be a member of the same occupational association, such officer, partner or employee is a member of the occupational association. Section 20 provides that the scheme may also apply to other persons as specified in that section. Section 20A extends the limitation of liability of persons to whom the scheme applies by virtue of Sections 18 to 20. Equivalent sections of legislation in other jurisdictions in which the scheme is intended to apply under mutual recognition are: Civil Law (Wrongs) Act 2002 (ACT) Schedule 4 Professional Standards s 4.15; Professional Standards Act 2004 (NT) s 18, Professional Standards Act 2004 (Qld) ss 19, 21A; Professional Standards Act 1997 (WA) ss 31, 32; Professional Standards Act 2004 (SA) ss 20, 21.

- 'Category C member' means a person who is an ordinary member of CIRCEA to whom the scheme applies and who has sought a higher limit of liability under Clause 4.1 of the scheme.
- 3.5 Notwithstanding anything to the contrary contained in this scheme if, in particular circumstances giving rise to occupational liability, the liability of any person who is subject to this scheme should be capped both by this scheme and also by any other scheme under professional standards legislation (whether of this jurisdiction or under the law of any other Australian state or territory) and, if the amount of such caps should differ, then the cap on the liability of such person arising from such circumstances which is higher shall be the applicable cap.

4. Conferral of Discretionary Authority

4.1 Pursuant to Section 24⁴ of the Act, this scheme confers on CIRCEA a discretionary authority to specify, on written application of a member of CIRCEA to whom the scheme applies, in relation to that member, a monetary ceiling in excess of the monetary ceiling that would otherwise apply, but not exceeding \$10 million, in relation to the member either in all cases or in any specified case or class of case.

5. Duration

5.1 This scheme will be in force for a period of five years from the date of commencement.

6 Commencement

6.1 This scheme will commence on 1 December 2012. In the event the scheme, or a notice relating to the scheme, is published in the *Government Gazette* of any jurisdiction after 1 December 2012, the scheme will commence on such day two months after the date of its publication in that jurisdiction.

Dated 6 March 2013.

JOHN RAU, Deputy Premier, Attorney-General

Equivalent sections of legislation in other jurisdictions in which the scheme is intended to apply under mutual recognition are: Civil Law (Wrongs) Act 2002 (ACT) Schedule 4 Professional Standards s 4.20; Professional Standards Act 2004 (NT) s 25; Professional Standards Act 2004 (Qld) s 25; Professional Standards Act 2003 (Vic) s 26; Professional Standards Act 1997 (WA) s 37; Professional Standards Act 2004 (SA) s 26.

DISTRICT COUNCIL OF YORKE PENINSULA DEVELOPMENT ACT 1993

Yorke Peninsula Council Development Plan Four Towns (Maitland, Minlaton, Warooka and Yorketown) Development Plan Amendment—Draft For Public Consultation

NOTICE is hereby given that the District Council of Yorke Peninsula Four Towns (Maitland, Minlaton, Warooka and Yorketown) Development Plan Amendment (DPA) has been prepared by Council under the provisions of the Development Act 1993 and is now available for comment.

The draft DPA reviews the zoning of the four main service towns within the Council area; Maitland, Minlaton, Warooka and Yorketown

A comprehensive review of these townships has not occurred since the amalgamation of Central Yorke Peninsula, Minlaton, Warooka and Yorketown District Council's in 2001. On this basis a review of each of the four towns is now warranted to determine the appropriateness of the current zoning and to assess the need for more suitably zoned land for various types of development.

The DPA proposes a number of zoning amendments to land within and immediately adjoining the townships. Key amendments for each town include:

Maitland

Rezoning the Rural Living land to the south-east of the town to Deferred Urban.

Minlaton

Rezoning the large Light Industry zone (Home Industry Policy Area) to the north of town to a combination of Light Industry, Primary Production, Rural Living and Mixed Use.

Warooka

Realigning the existing Industry zone and change its designation to Light Industry.

Yorketown

Realigning the Residential zone boundary to the south, southwest and south-east of the township in order to return a large amount of surplus residentially zoned land back to Primary Production

Residents are urged to view the DPA and all the proposed amendments to determine if the proposed rezoning affects your land and make any relevant comment to Council.

The draft DPA and Investigations will be available for public inspection from Thursday, 28 March 2013 until Friday, 24 May 2013 during normal office hours at the Yorke Peninsula Council offices located at Maitland, 8 Elizabeth Street; Minlaton, 18 Main Street; Yorketown, 15 Edithburgh Road and Warooka, Player Street, as well as being accessible on Council's website at www.yorke.sa.gov.au. A copy of the Development Plan Amendment can be downloaded free of cost from Council's website or a hard copy purchased from the Council office at Minlaton only for \$150 (full colour) or for \$50 (black-and-white only), or a CD-ROM copy purchased for \$5.

Written submissions regarding the draft amendment will be accepted by the Council until 5 p.m. on Friday, 24 May 2013. All submissions should be addressed to Council's Chief Executive Officer, District Council of Yorke Peninsula, P.O. Box 88, Minlaton, S.A. 5575. The written submission should clearly indicate whether you will wish to speak at the public meeting on your submission.

Copies of all written submissions received will be available for inspection by interested persons at the Council offices from Monday, 27 May 2013 until the date of the public meeting. A public meeting may be held, if required, in each of the four towns at the conclusion of the consultation period. The meeting details are provided below:
