and includes a motor vehicle of the type commonly known as a utility, station sedan or panel van;

'normal hours' means the hours between 7.30 a.m. and 5 p.m. on any day other than a Saturday, Sunday or Public Holiday;

(2) If the work involved in supplying a service to which this order applies is carried out partly during normal hours and partly outside normal hours, the maximum price that may be charged for providing the service must be calculated according to the maximum price specified in the Schedule for providing the service during the time of day at which the work is actually carried out.

(3) The maximum price that may be charged for supplying a service for which the Schedule specifies a maximum price per hour is to be calculated in accordance with the following formula:

where—

- A is the maximum amount that may be charged for the service;
- B is the maximum price per hour for the service specified in the Schedule;

Where a person who is not provided with a vehicle in their substantive position is appointed on a temporary basis to act as a Judge, Court Officer or Statutory Officer, that person is entitled after the expiration of the first calendar month of service to receive a Conveyance Allowance in accordance with Clause 3.1.

3.2 Use of Taxis and Private Vehicles

3.2.1 Judges and Court Officers

A Judge or Court Officer is not entitled to use a Government fleet vehicle allocated to the Courts Administration Authority, or to engage taxis or hire car at the expense of the State Courts Administrator, or to seek the payment of any additional allowance for the use of a private vehicle, whether for official or unofficial purposes unless:

- (a) it has been certified by the State Courts Administrator that it was inefficient or not cost effective for the Judge or Court Officer to use the vehicle available for their official and private use; or
- (b) such use or engagement is consistent with a general direction given by the Chief Judicial Officer of the relevant Court, or in the case of Court Officers, the presiding officer of the relevant Tribunal, as to the circumstances where the vehicle available for official and private use, need not be used by reason of efficiency and cost effectiveness.

For members of the Industrial Relations Court and Commission of South Australia and the Workers Compensation Tribunal, the Registrar is the relevant approval authority.

An example of circumstances where such certification or general directions may be given is for journeys to and from the airport, where it may be more efficient or cost effective to use a taxi.

3.2.2 Statutory Officers

A Statutory Officer must not engage a taxi or hire car, and is not entitled to the payment of any additional allowance for the use of a private vehicle, whether for official or unofficial purposes, unless it is inefficient or not cost effective to use the vehicle available for the Officer's official and private use.

3.2.3 Amount of Reimbursement

Where any person subject to this determination is seeking payment of an additional allowance to cover the use of a private motor vehicle for official purposes, reimbursement of the cost will be made, calculated at the rate per kilometre at a rate equating to that pursuant to the SA Public Sector Salaried Employees Interim Award.

4. Vehicles for Official and Private Use

4.1 Selection of Vehicle

Persons who are subject to this Determination are entitled, in accordance with the conditions specified herein, to elect to have allocated to them a motor vehicle of any model and type in the attached Schedule of vehicles (as varied from time to time). Notice of the selected motor vehicle should be made in writing as follows:

- by Judges and Court Officers to the State Courts Administrator;
- by members of the Industrial Relations Court and Commission of South Australia and the Workers Compensation Tribunal of South Australia to the Registrar, including members who are Statutory Officers;
- by other Statutory Officers to the Director, Fleet SA.

The annual charge payable for each vehicle, determined by Fleet SA on the same basis as the calculation made in respect of the use of motor vehicles by Executives, and current at the date of this Determination, is set out in the Schedule.

4.2 Alternative Vehicle

An alternative vehicle may be supplied where required because of a Judge's, Court Officer's or Statutory Officer's disability or family circumstances. The annual charge for the use of the vehicle will be calculated on the same basis as the calculation made by Fleet SA for annual charges for use of motor vehicles by Executives.

4.3 Temporary Appointees

Persons appointed on a temporary basis to act as a Judge, Court Officer or Statutory Officer are not entitled to make an election under Clause 4.1.

4.4 Charges for Use of Vehicles

The amount payable by a Judge, Court Officer or Statutory Officer for the use of a selected vehicle is the amount set out in the Schedule adjacent to the description of the type of vehicle under the heading 'Annual Charge Payable'.

Where a person to whom this Determination applies is appointed on a part time basis, and elects pursuant to Clause 4.1 to have a motor vehicle, the charge payable by that person pursuant to Clause 4.5 shall be an amount determined by Fleet SA, which may be greater than the standard charge to a full time officer to appropriately reflect the proportionately greater private use of such a motor vehicle.

4.5 Payment of Vehicle Charges

If a Judge, Court Officer or Statutory Officer makes an election under Clause 4.1 and a vehicle is supplied in accordance with that election, then the salary and allowances otherwise payable to the Judge, Court Officer or Statutory Officer must be abated and reduced so as to offset the charges for the use of the vehicle for the period during which the Judge, Court Officer or Statutory Officer has the use of the vehicle.

4.6 New Models or Types

4.6.1 If a new type of vehicle, or a new model of a type specified in the Schedule becomes available for selection in terms of Clause 4.1 after the date of election but before the placement of a binding order, the Judge, Court Officer, or Statutory Officer is entitled to withdraw the original election and elect to take the new model or type of vehicle.

4.6.2 The annual charge payable for a new model or new type of vehicle is that amount determined by Fleet SA as the annual charge for private use of the vehicle by Executives. The annual charge takes into account the following:

- purchase price and depreciation;
- fuel, maintenance, insurance and registration costs and interest rates; (operating costs are calculated on the basis of an average of 70% private usage);
- Goods and Services Tax (GST);
- Fringe Benefits Tax (FBT) based on an attributed business rate of 20 000 kilometres per year;
- the vehicle being retained for three years or 60 000 kilometres travelled, whichever first occurs.

4.6.3 If a model or type of vehicle selected by a Judge, Court Officer or Statutory Officer becomes unavailable before the placement of a binding order, the Judge, Court Officer or Statutory Officer must be advised accordingly and allowed to make a further election under Clause 4.1.

4.6.4 If a model becomes unavailable after the date of placement of a binding order and a later or better model vehicle is supplied, any Judge, Court Officer or Statutory Officer who has selected the unavailable vehicle is liable only to pay the annual charge for the vehicle as selected, and not the charge payable for the vehicle as supplied.

4.7 Accessories

The Judge, Court Officer or Statutory Officer may choose to have manufacturer approved accessories fitted to the vehicle. The full cost of the accessories and the expense of having them fitted (including any tax incurred) is payable by the Judge, Court Officer or Statutory Officer. When the vehicle is due for return the Judge, Court Officer or Statutory Officer may have personally-installed accessories removed from the vehicle, providing the Judge, Court Officer or Statutory Officer, meets the full cost of restoring the vehicle to the same condition as if the accessories had not been fitted. No compensation will be paid if options are left on the vehicle unless agreed by the relevant authority.

Options such as airbags, ABS brake systems and cruise control may not be removed, and tow bars must not be reinstalled on another vehicle.

4.8 Retention of Vehicle

Once having made an election and receiving the vehicle, the Judge, Court Officer or Statutory Officer must keep the vehicle for a period equivalent to the period determined from time to time by Fleet SA as the period for the replacement of vehicles provided to Executives.

At the conclusion of that period the Judge, Court Officer or Statutory Officer will be entitled to make a new election, or, if he or she does not make an election, to be paid the allowance.

4.9 Conditions of Use

The vehicle will be fully maintained, serviced and insured by the relevant authority.

Parking for the vehicle will be made available at or near the place of duty of the Judge, Court Officer, or Statutory Officer and the vehicle will be available for private and official use, subject to the following:

4.9.1 The Judge, Court Officer, or Statutory Officer must make the vehicle available for official use (including for official use by the Judge, Court Officer, or Statutory Officer) at all times whilst the vehicle is parked at or near the usual place of work of the Judge, Court Officer, or Statutory Officer, and the Judge, Court Officer or Statutory Officer, does not require the vehicle for private use.

4.9.2 The Judge, Court Officer, or Statutory Officer will be authorised by the relevant authority to refuel the vehicle provided the vehicle is fuelled in accordance with any requirements specified by Fleet SA, which may include requirements that the vehicle be fuelled using a particular brand of motor fuel and that it be only fuelled in South Australia. (If fuelled otherwise than in accordance with those requirements, it will be at the cost of the Judge, Court Officer, or Statutory Officer).

4.9.3 The Judge, Court Officer, or Statutory Officer must make the vehicle available as required by the relevant authority for the purposes of the maintenance and repair of the vehicle and must deliver the vehicle to such place as the relevant authority may specify for that purpose.

4.9.4 The relevant authority will ensure that Judges, Court Officers and Statutory Officers are insured (which may be pursuant to Government 'self-insurance') in respect of compulsory third party liability, third party property damage and any property damage to the vehicle and will hold the Judge, Court Officer, or Statutory Officer harmless in respect of any such property damage. Personal items within the vehicle need not be covered. The Judge, Court Officer, or Statutory Officer must comply with any requirements of the insurance policy of which the member is aware or should have been aware.

4.9.5 The Judge, Court Officer or Statutory Officer will be responsible for any driving or parking fines for offences incurred.

4.9.6 The vehicle is available to the Judge, Court Officer or Statutory Officer while on leave. Where the Judge, Court Officer or Statutory Officer is absent from duty for a period greater than seven days then the Judge, Court Officer, or Statutory Officer will be responsible for fuelling the vehicle until returning to duty.

4.9.7 Vehicles may be driven interstate during periods of leave and there is no limit to privately travelled kilometres. Fuel charges for private interstate trips are entirely the personal responsibility of the Judge, Court Officer, or Statutory Officer.

4.10 Special Conditions of Use

Notwithstanding anything else in this Determination:

4.10.1 where any damage is the result of wilful or deliberate act of any person, the relevant authority may take such action as he or she thinks fit to recover the cost of such damage;

4.10.2 the insurance and discharges are not applicable if the driver is under the influence of drugs and/or alcohol;

4.10.3 the insurance and discharges are not applicable if the insurance has been brought to the attention of the Judge, Court Officer or Statutory Officer and is avoided by an action of the driver of the vehicle;

4.10.4 where the insurance policy contains an excess clause, then the Judge, Court Officer or Statutory Officer will be liable to repay the relevant authority the amount of that excess (or any part thereof) in the event that it becomes payable by reason of the driver of the vehicle being blameworthy for any of the damage giving rise to a claim on the policy when the vehicle is being used other than for official use.

4.11 Care of Vehicle

The Judge, Court Officer or Statutory Officer is responsible for ensuring that reasonable care is taken of the vehicle. Off street parking at the home of the person concerned is to be used if available and reasonable steps are to be taken to ensure its security. Where any damage to a vehicle supplied to a:

4.12 Additional Drivers

The vehicle may be driven by any other Government employee who requires the vehicle for official use.

Judges, Court Officers, and Statutory Officers, must nominate to the relevant authority the names of any persons to use the vehicle at times when it is not required to be available for official use and, subject to the control and direction of the Judge, Court Officer or Statutory Officer, such persons will be authorised to use the vehicle upon such nomination.

Approval is required from the relevant authority for the vehicle to be driven by holders of any form of provisional licence or learner's permit. Approval is also required if any other category of person not otherwise mentioned, is to drive the vehicle.

4.13 Right to Purchase

At any time during the 12 months immediately preceding the date of his or her retirement or resignation, a Judge, Court Officer, or Statutory Officer may, by notice in writing to the relevant authority, elect to purchase the vehicle then allocated to him or her as at the date of his or her retirement or resignation or at the end of the lease period. After such notification has been given, the relevant authority must take such steps as are necessary to ensure that it can sell the vehicle to the member.

4.14 No Changeover

Part 3—Liability to pay premiums

1. For the purposes of Section 67 (1) of the Act, the employer will be liable to pay a premium for each premium period.

Part 4—Calculation of Base Premium*Explanatory Note*

For the purposes of Section 70 (9) of the Act, the intent of the formula set out below is to calculate an employer's base premium by multiplying an employer's remuneration by their relevant industry premium rate. Given that an employer could have more than one location, each with its own industry premium rate, the formula is written to show that an employer's base premium could be the aggregate of many calculations.

1. The base premium (BP) is to be calculated in accordance with the following formula:

$$BP = (Ra \times Ia) + (Rb \times Ib) + \dots (Rn \times In)$$

Where:

Ra, Rb, ...Rn are each a part of the total remuneration in respect of the period for which the premium is to be calculated, being a part of the total remuneration attributable to each relevant SAWIC applicable to the employer.

Ia, Ib, ...In are each an industry premium rate expressed as a percentage that corresponds to each relevant SAWIC applicable to the employer.

Part 5—Categories of Employers*Explanatory Note*

For the purposes of Section 68 of the Act and Regulation 13 of the *Workers Rehabilitation and Compensation Regulations 2010* (the Regulations), the intent of the values set out below is to set the thresholds for the categories established in the Regulations.

1. For the purposes of Regulation 13 (2) (a) (i) of the Regulations, the amount determined by the Corporation is \$20 000.
2. For the purposes of Regulation 13 (2) (a) (ii) of the Regulations, the amount determined by the Corporation is \$300 000.
3. For the purposes of Regulation 13 (2) (b) of the Regulations, the amount determined by the Corporation is \$500 000.

Part 6—Premium Payable by a Small Employer

1. Where an employer is a small employer, the premium payable ('P') is calculated in accordance with the following formula:

$$P = (BP - A) + SuR + GST + OHS$$

Where:

P is the premium payable for a premium period or part thereof.

BP is the base premium calculated in accordance with Part 4 of these WorkCover Premium Provisions.

A is the Apprentice and Trainee incentive amount, if any, for the employer determined with respect to the premium period or part thereof in accordance with Part 7 of these WorkCover Premium Provisions.

SuR is the net value of any supplementary payment (a positive value) or remission (a negative value) if applied under Section 72C of the Act.

GST is as defined in Part 2 of these WorkCover Premium Provisions.

OHS is as defined in Part 2 of these WorkCover Premium Provisions.

Part 7—Apprentice and Trainee Incentive Amount

1. The Apprentice and Trainee incentive amount (A) for an employer is to be calculated in accordance with the following formula:

$$A = (Aa \times Ia) + (Ab \times Ib) + \dots (An \times In)$$

Where:

Aa, Ab, ...An are each a part of the total remuneration payable by the employer to:

- 1.1 apprentices (as defined in Part 2) in respect of the period for which the premium is to be calculated, being a part of the total remuneration attributable to a SAWIC applicable to the employer.
- 1.2 trainees (as defined in Part 2) but only for the term or the balance of the term of the approved training contract entered into prior to 23 May 2013 and in respect of the period for which the premium is to be calculated, being a part of the total remuneration attributable to a SAWIC applicable to the employer.
- 1.3 in the case of an employer who is a GTO, GTO trainees (as defined in Part 2) employed by that GTO in respect of the period for which the premium is to be calculated, being a part of the total remuneration applicable to a SAWIC applicable to the employer.

Ia, Ib, ...In are each an industry premium rate being a percentage rate that corresponds to each relevant SAWIC applicable to the employer.

2. If the employer has not supplied a return with respect to remuneration (as required under the Act) in respect of any relevant period, the apprentice and trainee incentive amount (A) is taken to be zero for the purposes of the calculation of the employer's premium but the premium may be recalculated when the required return as to remuneration has been supplied.

Part 8—Transfer of Business

2. For the purposes of Section 72P (1) of the Act the Corporation will determine that a transfer of business has occurred:
 - 2.1 Where the new employer has employed workers who constituted all or a majority of the workers employed by the old employer at any time at the business location or locations transferred to the new employer, and
 - 2.2 The workers at any time carried out activities/services for the new employer that are the same or similar to activities/services carried out by those workers for the old employer, and
 - 2.3 These provisions apply whether or not the business of the new employer or the activities and/or services performed are at the same business location.
3. For the purposes of the premium calculation, where a transfer of business has been taken to occur under Clause 1 of this Part, the claims and remuneration history will transfer from the old employer to the new employer.

Part 9—Designated period and designated minimum premium

1. For the purposes of Section 71 (8) (a) of the Act, the designated period is a financial year.
2. For the purposes of Section 71 (8) (b) of the Act, the designated minimum premium is \$200.

I confirm that this is a true and correct record of the decision of the Board of the Corporation made on 24 June 2013.

Dated 25 June 2013.
