- (4) The Chief Inspector may exempt a person from the obligation to pass an examination conducted by the Chief Inspector for the purposes of these regulations (other than the examination in mining law, environment and occupational health and safety law) if the person satisfies the Chief Inspector that he or she is sufficiently qualified in the subject of the examination.

9—Permits

- (1) The Chief Inspector may grant to a person a special permit to act as the manager of a mine where less than 10 persons work if the Chief Inspector is satisfied that the person has had sufficient practical experience in mining, and has sufficient knowledge of these regulations, and other regulations relating to safe and appropriate mining practices and procedures.
- (2) A special permit—
 - (a) will authorise the holder of the permit to act as manager only for the mine specified in the permit; and
 - (b) will remain in force for the period (not exceeding 12 months) specified in the permit; and
 - (c) may be granted subject to terms and conditions specified by the Chief Inspector.

10—Record

The Chief Inspector must keep a record of all certificates and permits issued under this Schedule.

Part 2—Suspension and cancellation

11—Suspension and cancellation

- (1) If the holder of a certificate or permit issued under this Schedule—
 - (a) contravenes or fails to comply with a requirement of the Act, these regulations, or other regulations or laws relating to safe or appropriate mining practices or procedures; or
 - (b) contravenes or fails to comply with a term or condition of the certificate or permit; or
 - (c) acts negligently or in an unsafe manner, or in a manner amounting to misconduct, in or in connection with the work of a manager; or
 - (d) ceases for any other reason to be a fit and proper person to be the holder of the certificate or permit,

the Chief Inspector may suspend or cancel the certificate or permit.

 - (a) stating the proposed action; and
 - (b) stating the reasons for the proposed action; and
 - (c) inviting him or her to show, within a specified time (of at least 21 days), why the proposed action should not be taken.

- (5) If the Chief Inspector takes action under subclause (3), the notice must also state the reasons for the action.

12—Immediate suspension

- (1) If the Chief Inspector considers that there would be an immediate threat to safety at a mine unless a certificate or permit is suspended immediately, the Chief Inspector may, without following the procedures set out in clause 11, suspend the certificate or permit immediately for a period, and on terms, specified in a written notice of suspension given to the holder of the certificate or permit.
- (2) The Chief Inspector may—
 - (a) withdraw a suspension under this clause at any time; or
 - (b) extend a suspension under this clause (pending resolution of the matter under clause 11, as appropriately modified to meet the circumstances of the case).

13—Review of decision

- (1) Subject to this clause, a person who is (or has been) the holder of a certificate or permit and who is aggrieved by a decision of the Chief Inspector to suspend or cancel the certificate or permit may, within 14 days after receiving notice of the relevant decision, apply for a review of the matter under this clause.

- (4) Unless otherwise specifically directed by the Chief Inspector, the operation of the decision to which the review relates is suspended pending the outcome of the review.
- (5) On the receipt of an application for review, the Minister must, in consultation with the Attorney-General, appoint an independent person to review the relevant decision.
- (6) In conducting a review, the person appointed under subclause (5)—
 - (a) must give the applicant and the Chief Inspector a reasonable opportunity to submit evidence, information and arguments relevant to the matters in issue; and
 - (b) is not bound by the rules of evidence, but may inform himself or herself on a matter as he or she thinks fit; and
 - (c) may determine the procedure to be followed in the matter.
- (7) At the conclusion of the review, the person appointed under subclause (5) may do 1 or more of the following:
 - (a) affirm, vary or quash the relevant decision or substitute, or make in addition, a decision that the person thinks appropriate;
 - (b) remit the matter to the Chief Inspector for further consideration;
 - (c) make further or other orders that are appropriate to the circumstances of the case.

14—Inquiries by Chief Inspector
