**Government
of South Australia**

**TREASURER'S
QUARTERLY STATEMENT**

for the

**THREE MONTHS ended on
30 SEPTEMBER 2014 and 30 SEPTEMBER 2013**

GOVERNMENT OF SOUTH AUSTRALIA**COMMENTARY TO THE STATEMENT OF THE AMOUNTS CREDITED TO
AND ISSUED FROM THE CONSOLIDATED ACCOUNT FOR THE QUARTERS ENDED 30
SEPTEMBER 2014 AND 30 SEPTEMBER 2013*****Receipts****Taxation*

Payroll tax receipts in the September quarter 2014 were higher than for the same period last year mainly due to growth in taxable payrolls.

Stamp duty receipts in the September quarter 2014 are lower compared to the same period last year mainly due to stamp duty on a very large transaction being received in the first quarter of 2013-14.

Gambling tax in the September quarter 2014 was higher than last year mainly due to timing in the receipt of gambling tax payments into the Consolidated Account.

Land tax receipts in the September quarter 2014 were lower than for the same period last year mainly due the timing of land tax payments from the Urban Renewal Authority.

Royalties

Royalty receipts in the September quarter 2014 were lower than for the same period last year because the September quarter 2013 included royalty payments for the six months to June 2013.

Fees and charges

Fees and charges in the September quarter 2014 were higher than for the same period last year due to the timing of guarantee fees which were paid in the September quarter 2014 compared to the December quarter 2013.

Commonwealth – General Purpose Payments

Growth in general purpose grants in the September quarter 2014 compared to the same period in the previous year is not indicative of underlying Goods and Services Tax (GST) revenue growth. This is because monthly grants are paid according to a payment schedule prepared by the Commonwealth Government rather than in accordance with the actual emerging monthly GST collections.

In its 2014-15 Budget, the Commonwealth Government indicated that the GST pool available for distribution to the states was estimated to grow by 5.9 per cent in 2014-15.

Commonwealth – Specific Purpose Payments

Specific Purpose Payments (SPPs) for the September quarter 2014 were lower than for the same period a year ago mainly because the recurrent SPP for Government schools is now being paid directly to the Department of Education and Child Development under the new National Education Reform Agreement.

Commonwealth – National Partnership Payments

National Partnership (NP) payments received in the September quarter 2013 were not recognised in the Consolidated Account until the December quarter 2014. Underlying payments in the September quarter 2014 were lower than received in the same period last year mainly due to the Commonwealth Government no longer funding the NP on Certain Concessions for Pensioner Concession Card and Seniors Card Holders.

Other receipts

Other receipts in the September quarter 2014 are lower than the same period last year due to the timing of the receipting of Treasurer's loans for September.

Payments

Payments of appropriation are made to Public Authority bank accounts in accordance with cash flow requests.

They are consistent with the previous year, with the exception of payments to DTF Administered Items for the Past Service Superannuation payment (\$422m) and other miscellaneous payments (\$240m). These were paid in the September quarter in 2013, but not until the December quarter in 2014.

Note

Caution should be exercised in interpreting the quarterly statement of Consolidated Account transactions. Unlike the State Budget, which comprises transactions on an accrual basis, the information reflected in the quarterly statements is limited to cash transactions. Also, the Consolidated Account does not capture all the transactions undertaken by the general government sector (in particular, it does not record receipts to and payments from special deposit accounts). Finally, the timing of receipts and payments could be volatile within a particular year. As a result, apparently large movements between years may only be due to changes in the timing of receipts and payments and therefore may not have consequences for the underlying budget position.

NOTICE is hereby given that the District Council of Lower Eyre Peninsula, pursuant to Sections 24 and 25 of the Development Act 1993, has prepared a Development Plan Amendment Report (DPA) to amend its Development Plan.

The Amendment will replace Council's existing Development Plan with a new reformatted Development Plan. - introduction of Precincts within the Coastal Settlement Zone at East Mount Dutton Bay and Mary Ellis Wreck Beach;
- deletion of the existing Kellidie Bay and Mount Dutton Bay Policy Area and conversion of part of the area to a Precinct within the Coastal Conservation Zone;
- introduction of a number of precincts within the Coastal Conservation Zone to maintain right to develop a single detached dwelling in various locations;
- introduction of an Aquaculture Zone in various locations;
- adoption of SAPPL policies for Coastal Conservation Zone and inclusion of policy which lists farming as a non-complying form of development;
- updating the existing Mixed Use (Point Boston) Zone policies;
- conversion of the existing Special Uses Zone at Coffin Bay to part Industry Zone Infrastructure Policy Area and part Community Zone Recreation Policy Area;
- introduction of a Precinct within the Residential Zone at Coffin Bay to accommodate tourist accommodation, hotel and supported accommodation;
- retain dwellings as on merit forms of development within the Primary Production Zone;
- adoption of the SAPPL policies for the Deferred Urban Zone which lists land division as a non-complying form of development;
- amend policies relating to horse keeping in the Rural Living Zone;
- incorporation of a number of caravan parks into the Caravan and Tourist Park Zone; and
- inclusion of an area at Shelley Beach at Kellidie Bay within the Coastal Settlement Zone.
