RETURN TO WORK ACT 2014

RETURN TO WORK CO-ORDINATOR TRAINING AND OPERATIONAL GUIDELINES

Preamble

Section 26 (1) of the Return to Work Act 2014 (the Act) requires an employer to appoint (and retain) a return to work co-ordinator.

Section 26 (5) (c) of the Act requires an employer to comply with any training or operational guidelines published by the Corporation from time to time for the purposes of Section 26 of the Act.

NOTICE

Pursuant to Section 26 (5) (c) of the Act and in accordance with the delegation provided to me by the Board of the Return to Work Corporation of South Australia (the Corporation) under the current Instrument of Delegation of the Return to Work Corporation of South Australia April 2015, I, Greg McCarthy, Chief Executive Officer, give notice that the attached Return to work coordinator training and operational guidelines constitute 'training or operational guidelines published by the Corporation' for the purposes of Section 26 (5) (c) of the Act.

The Return to work co-ordinator training and operational guidelines will take effect from 1 July 2015.

Confirmed as a true and accurate decision of the Corporation.

Dated 28 May 2015.

G. MCCARTHY, Chief Executive Officer

Return to work coordinator Training and Operational Guidelines

Purpose

These guidelines are to assist employers to understand the requirements and functions of the return to work coordinator role. They detail the support and assistance employers must provide in order to ensure a coordinator can effectively carry out their required functions.

Scope

These guidelines apply to all employers required to appoint a coordinator and should be read in conjunction with the *Return to Work Act 2014* ('the Act') and the Return to Work Regulations 2015 ('the Regulations').

In particular, section 26(1) of the Act requires that an employer appoint (and retain) a coordinator whilst section 26(5)(c) states an employer who is required to appoint a coordinator must comply with training or operational guidelines published by ReturnToWorkSA.

Training Guidelines

Appoint a coordinator; experience, knowledge and skills

An employer must appoint a coordinator, unless exempt from requirements. Refer to the section *Exemption from requirements* below for further detail.

When selecting and appointing a coordinator, employers should consider the experience, knowledge and skills required to perform the functions. The coordinator must have:

- a good knowledge of the workplace and the work carried out
- access to staff and supervisors with whom they need to discuss suitable duties
- an ability to communicate with and influence people
- the authority to make decisions about return to work on behalf of the employer.

Therefore the coordinator's position and authority within the organisation must be considered.

As the coordinator plays an active role in early intervention and the return to work process, an employer must ensure that a coordinator who has other role(s) within the business is sufficiently capable of carrying out the coordinator's functions.

Fill a vacancy

A coordinator must be appointed and trained within 3 months of the vacancy occurring.

Train a coordinator

An employer must ensure its coordinator:

- completes a training course approved by ReturnToWorkSA, or
- has completed training in another Australian jurisdiction approved by ReturnToWorkSA.

Details of the approved training course are located at www.rtwsa.com

Requirement to register a coordinator

An employer who appoints a coordinator, or fills a vacancy in the office of coordinator, must provide ReturnToWorkSA with the coordinators:

- name
- position title
- employer name (if not an employee, all details of the third party are also required)
- business address (the coordinator must be based in South Australia)
- mailing address
- telephone number(s)
- email address
- date of nomination
- date of certification, and certification number (from the training certificate issued)

The employer must forward this information to ReturnToWorkSA.

Operational Guidelines

Coordinator functions

The coordinator has a pivotal role in managing return to work following a work injury.

The coordinator functions are aligned with section 23(2) of the Act, this is to intervene as early as is reasonably practicable following injury and ensure those involved cooperate to achieve the best levels of recovery and return to work. Coordinator functions are listed in section 26(4) of the Act.

26(4)(a) to assist workers suffering from work injuries, where prudent and practicable, to remain at or return to work as soon as possible after the occurrence of the injury;

To fulfil this function, it is expected that the coordinator will make timely contact with the worker, appropriate to the worker's circumstances. The coordinator will provide support and assistance, identifying and addressing the worker's needs and any potential barriers to return to work. The coordinator will assist a worker to remain at work or return to work, in accordance with medical guidelines. The coordinator will consult with the worker, employer and treating doctor about the worker's capacity for work and suitable duties the worker can perform whilst recovering.

26(4)(b) to assist the Corporation in the preparation and implementation of any recovery/return to work plan for an injured worker;

To fulfil this function, it is expected that the coordinator will actively participate in return to work planning by preparing and submitting, or contributing to the preparation of, recovery/return to work plans. In line with work capacity certification, suitable duties will be negotiated. The coordinator will also consult with the case manager.

26(4)(c) to liaise with any persons involved in the provision of medical and other relevant services to workers;

To fulfil this function, it is expected that the coordinator will communicate with people involved in the provision of medical and other services, sharing information and encouraging teamwork. The coordinator will keep parties updated about progress and changes in capacity and/or suitable duties the worker is undertaking or can perform.

26(4)(d) *to monitor the progress of an injured worker's capacity to return to work;*

To fulfil this function, it is expected that the coordinator will monitor the progress of a worker's capacity for work, by reviewing changes, work capacity certificates, or other information or milestone is reached. Meetings occur with the worker and supervisor, either separately or together, to review progress.

26(4)(e) *to take steps to, as far as practicable, prevent the occurrence of an aggravation, acceleration, exacerbation, deterioration or recurrence of an injury when a worker returns to work.*

To fulfil this function, it is expected that the coordinator will ensure the cause of the injury is identified and rectified to prevent an aggravation, acceleration, exacerbation, deterioration or recurrence of the injury. This may include modification to the workplace, provision of equipment, or training.

The hierarchy of control for hazard management (elimination; substitution; engineering; administrative; personal protective equipment) must be used to manage any identified risk.

A supplementary payment may be applied to the employer's premium if the function or functions of the coordinator role are not performed. Please refer to *Compliance breaches* below for further information.

Employer Responsibilities

Confidentiality

An employer must ensure that an injured worker's personal and medical information is protected against loss and unauthorised access, use, modification or disclosure and against other misuse. Section 185 of the Act describes the obligation to maintain confidentiality in relation to a worker's medical condition and/or personal circumstances.

Facilities and assistance

An employer must provide the facilities and assistance reasonably necessary to enable a coordinator to perform their functions. These include, but are not necessarily limited to, the following:

- workstation or office
- telephone
- access to email
- secure onsite storage for files (including electronic) for any documents or material produced that contain personal and medical information about injured workers

Procedures

An employer must ensure everyone in the workplace understands how injury, recovery and return to work will be managed. An employer must develop, authorise and review procedures that address:

- the functions of the coordinator
- rights and responsibilities for the injured worker and employer
- the role of managers, supervisors and co-workers in assisting the return to work process
- early reporting of injury or illness
- the return to work process
- maintaining the confidentiality of personal and medical information
- resolving grievances

Workplace training

An employer must inform managers, supervisors and co-workers of their roles in the recovery and return to work process. This may be included at induction, discussed at team and/or tool box meetings.

A coordinator's name and contact details must be displayed in the workplace.

Multiple workplaces

An employer who has two or more workplaces must also appoint a contact person at each workplace to assist the coordinator to perform their functions. The contact person is not required to be a trained coordinator.

The coordinator's functions must be performed at all workplaces where an employer is required to nominate and retain a coordinator.

Exemption from requirements

An employer is exempt from the requirement to appoint a coordinator if:

- they employ less than 30 workers, and
- the remuneration level is less than or equal to an amount that represents the employment of fewer than 30 workers as determined by the Corporation. The remuneration amount is located at www.rtwsa.com.

Compliance breaches

Failure to appoint a coordinator within 6 months after the requirement for an employer to be registered first arises, or within 3 months after a vacancy occurs can, in the event of prosecution, result in a maximum penalty of \$10,000.00 under section 26(3) of the Act.

Supplementary payments relating to coordinator compliance include:

An employer that fails to:

- (a) ensure its coordinator is performing all required functions as detailed in section 26(4) of the Act; or*
- (b) comply with any training or operational guidelines published by the Corporation for the purposes of section 26 of the Act.*

Where an employer has engaged a third party to facilitate coordinator functions on its behalf, the employer remains responsible if these functions are not carried out.

Failure to comply with requirements may result in the imposition of a supplementary payment. The authority to impose a supplementary payment is detailed within section 147 of the Act in accordance with the scheme approved by the Minister.

Specific details regarding the imposition of supplementary payments are contained within the Remissions and Supplementary Payments Scheme document and guideline.

 - (a) ensure that proceedings before the Tribunal are dealt with in a way that is independent, transparent, accessible, fair, just, economical and quick, with as little formality and technicality as possible;
 - (b) guide the Tribunal and parties to proceedings to resolve disputes consistently, economically and quickly, while allowing flexibility to cater for different needs of particular parties;
 - (c) provide procedures that are the same for all matters, except if special procedures are required for a particular type or stream of matters.

- (2) The Rules are to be applied by:
 - (a) encouraging the early and economical resolution of disputes before the Tribunal, including, if appropriate, by conciliation, mediation, and inquisitorial processes; and

Part 6 - Pre-hearing procedures

26. Application for directions under s 37 of the SAET Act

- (1) Subject to rules which apply to relevant Acts or to streams of work under the SAET Act, a party seeking directions about the conduct of proceedings must apply by an application for directions in an approved form.
- (2) The registrar must, on receipt of an application for directions, list it for hearing by a Tribunal member.
- (3) The party filing an application for directions must serve a copy on all other parties whose interests are affected and give them not less than five clear days written notice of the time and place appointed for the hearing of it.
- (4) An application for directions must specify all orders sought and should be supported by an affidavit which sets out all the relevant facts. Any supporting affidavit should be served together with the application and in compliance with sub-rule (3).

27. Specific applications

- (1) An application of the kind specified below shall be filed by an application for directions in an approved form and shall comply with rule 26. Such application should make specific reference to the provision of the SAET Act concerned and should provide any information required by an applicable practice direction:

28. Disclosure and production of documents

- (1) The Tribunal may at any time, including during the course of the hearing of proceedings, order a person to disclose and produce to the Tribunal and to other parties to the proceedings, any documents which are in the possession or control of that person which are relevant to the proceedings.
- (2) A person with a relevant interest may object to production of a document being made on the grounds of privilege, or that the document should not be produced for some other reason, and the Tribunal may excuse the person who has made disclosure of the document from the need to produce the document or the relevant part of the document to the Tribunal or any party.

Part 7 - Summonses

29. Applications for summonses

Scope of rule

- (1) This rule concerns summonses generally. Where a summons for medical records is sought in proceedings under the RTW Act, r 89 must be complied with.

Form of Summons

- (2) A summons issued to a person under s 33 of the SAET Act must be issued in the prescribed form.

Complying with Summons

- (3) Subject to this Rule, unless he or she has a lawful excuse for not complying, the person named in the summons must comply with that summons and in particular:
 - (a) in the case of a summons to attend and give evidence, he or she must come to the Tribunal to give evidence on the date and at the time specified in the summons and remain until excused by the Tribunal; and
 - (b) in the case of a summons to produce documents or other things, he or she must, in accordance with the terms of the specific order made, either:
 - (i) attend and produce the documents or other things to the Tribunal at the place and by the date and time specified in the summons; or
 - (ii) send the summons or a copy of the summons and the documents or other things to a registrar at the place specified in the summons so that they arrive by the date specified in the summons.

- (4) The date for an attendance or for the production of things required by a summons may be varied to a later date by the person who applied for the summons by giving notice of the later date to the summonsed party. Such notice will be taken to vary the time to attend or produce things to the later date.
- (5) Unless a summons specifically requires the production of the original or a certified copy of a document, a copy of the document required by the summons, including an electronic copy, will satisfy the summons.

Objection to Summons

- (6) If the person named in the summons objects to complying with the summons or if another person affected by the summons objects to the summons being complied with, he or she must try to resolve the objection with the party who applied for the summons to be issued before the time for compliance.
- (7) If the objector is unable to resolve the matter informally, the objector must, before the time for compliance:
 - (a) in writing inform a registrar and the party who applied for the summons of the basis for the objection; and
 - (b) unless directed to do otherwise by the Tribunal, attend the Tribunal on the date for compliance to explain the basis for the objection.
- (8) The Tribunal may determine that objections that cannot be resolved by discussion and agreement will be referred to a conference with the persons concerned or to the principal registrar or a Member for decision. A registrar is expressly authorised to constitute the Tribunal for the purposes of this Rule.

Access to and use of documents and other things

- (9) In the case of a summons to produce documents or other things, if on the date for compliance no person objects to any party having access to the documents or other things, a registrar will make directions about access.
- (10) The standard access direction is for all parties to have electronic access to the documents or other things so that all parties can look at and, if necessary, obtain a copy of the documents or look at the other things produced.
- (11) If any person believes there may be grounds for objecting to one or more parties having access to the documents, that person can object to the parties being given access or can ask for 'first access' to the documents in order to check what the documents contain. If 'first access' is given to a person, that person will be able to look at the documents and decide whether to object to a party or parties having access to some or all of the documents.

- (12) If the documents or other things are privileged, confidential or should not be disclosed for some other reason, a person with a relevant interest can object to access being given and the Tribunal may restrict or prohibit access to those documents or other things.

Allowances and Expenses of Complying with Summons

- (13) A party who applied for a summons to be issued will be liable to pay:
- (a) reasonable witness allowances and expenses to the person named in the summons; and
 - (b) if other loss or expense is incurred in complying with a summons, a reasonable amount for that loss or expense.
- (14) If a summons to attend and give evidence is issued on the application of a party, the person named in the summons need not comply with the requirements of the summons unless the party pays the person his or her reasonable witness allowances and expenses and other reasonable costs of complying with the summons a reasonable time before attendance is required.
- (15) The amount to be paid for allowances, expenses or losses is either as agreed between the person named in the summons and the party who applied for the summons or, if they cannot agree, as determined by the Tribunal under these Rules.

Part 8 - Expert evidence

30. Application of Part

- (1) Subject to sub-rule (2), the provisions of this Part apply, to the extent relevant, whenever a party proposes to provide the Tribunal with evidence from an expert witness in any proceedings, including a report obtained from a health practitioner as defined by the RTW Act.
- (2) An expert report that complies with this part will be taken to be the evidence of the expert. The author of the report may only be called to give oral evidence at a hearing with permission of the Tribunal.
- (3) Where the expert is an independent medical advisor appointed under s 118 of the RTW Act, then any rule in Part 14 J of the Rules takes precedence over any rule in this Part 8 to the extent of any inconsistency.

31. Content of expert reports

If a party proposes to rely on expert evidence in any matter, the party must seek a written report from the expert, which should:

- (1) set out the expert's qualifications to make the report;
- (2) set out the facts and factual assumptions on which the report is based;
- (3) identify any documentary materials on which the report is based;
- (4) distinguish between objectively verifiable facts and matters of opinion that cannot be (or have not been) objectively verified;
- (5) set out the reasoning of the expert leading from the facts and assumptions to the expert's opinion on the questions asked;
- (6) set out the expert's opinion on the questions asked;
- (7) comply with any requirements imposed by any Practice Directions.

32. Time for seeking an expert report

Any expert report upon which a party may wish to rely must be sought before a matter is first before a Presidential member of the Tribunal at a pre-hearing conference held under s 45 of the SAET Act.

33. Disclosure and production of expert reports

A copy of any expert report relevant to or obtained for a matter in dispute must be provided by the party who received it to all other parties within 14 days of being received.

34. Special power in relation to expert evidence

- (1) The Tribunal may:
 - (a) direct that the evidence of an expert witness be deferred until all (non-expert) factual evidence has been taken; and / or,
 - (b) ask an expert witness to review the (non-expert) factual evidence and to state, by affidavit or in oral evidence, whether the witness wants to modify an opinion earlier expressed in the light of the evidence or a particular part of the evidence.
- (2) If two or more expert witnesses provide reports about the same, or a similar, question, the Tribunal may, on its own initiative or at the request of a party, give one or more of the following directions:
 - (a) that the expert witnesses confer;
 - (b) that the expert witnesses produce for use by the Court a document identifying:
 - (i) the matters and issues on which they are in agreement; and

35. Limit on number of experts

- (1) Except with the leave of the Tribunal, a party may not rely on more than 3 experts of any kind in a matter or matters which are to proceed to a hearing at the same time.
- (2) Except with the leave of the Tribunal, a party may not rely on more than 1 expert witness, including a health practitioner as defined by the RTW Act, in the same field of expertise. In the case of a health practitioner who is medically qualified, this means a person qualified to practice in a particular area or specialty of medicine or surgery.

PART 9 - Referrals to experts or special referees

36. Guide to Part

The Tribunal's usual practice is to have regard to expert evidence provided by the parties in a proceeding, however, in an appropriate case the Tribunal may appoint an expert under s 35 of the SAET Act or a special referee under s 60 of the SAET Act, either at the request of the parties, or of its own motion. While a rule in this Part applies to experts and special referees under s 35 and s 60 respectively, in a RTW Act matter, a rule in Part 14 about an expert report that conflicts with a rule in this Part prevails to the extent of any inconsistency between the two rules.

37. Referral at request of the parties

- (1) If the parties jointly seek the appointment of a s 35 expert or a s 60 special referee, the parties must apply for appropriate directions to be made by consent.
- (2) An application for directions under sub-rule (a) must contain, as a minimum:
 - (a) the name of the proposed expert or special referee, details of his or her expertise, and confirmation that he or she has agreed to accept the appointment; and
 - (b) the questions to be considered or determined, or the task to be performed, by the expert or special referee; and
 - (c) the date by which any documents (which must be clearly identified in the application) are to be provided to the expert or special referee and by whom; and
 - (d) the date by which the expert or special referee is to complete any report or determination subject to an extension of time being granted by the Tribunal; and
 - (e) Following receipt of the application for directions, the Tribunal may make an order appointing the expert or special referee, or may refer the application to a directions hearing for decision.
 - (f) The Tribunal may decline to appoint an expert or special referee if the terms of appointment appear to be outside the proposed appointee's expertise or for such other reason as the Tribunal thinks fit.

38. Referral on Tribunal's initiative

If the Tribunal proposes to appoint an expert or special referee on its own initiative it will first obtain the views of the parties in writing or at a directions hearing.

Part 10 - Assignment and conduct of proceedings

39. Assignment of hearing

- (1) Subject to any provision in the SAET Act, in any relevant Act or in the Rules, the President may assign proceedings to such Tribunal member as appropriate and may vary the assignment of a matter in order to resolve the proceedings more effectively.

- (3) The Presidential member to whom a matter is referred for hearing and determination shall decide where the matter is to be heard.

40. Notice of hearing

Before the Tribunal hears any application, a registrar must serve notice of the time and place of the hearing on the applicant and any other person served with a copy of the application by the Tribunal.

 - (a) when, where and by whom the mediation is to be conducted; and
 - (b) the responsibilities of the mediator and the parties prior to, during and after the mediation.

- (2) The person specified to conduct mediation must conduct it in accordance with recognised ethical and professional standards for mediators.
- (3) If the mediator is not a registrar or a member of the Tribunal, a party to the mediation may be directed by the Tribunal to pay or contribute to the costs of the mediation.

44. Mediation under section 46 conducted by the Tribunal

When the Tribunal decides to conduct mediation under s 46 of the SAET Act, the Tribunal will advise the parties of its decision and following consultation with the parties, will establish protocols and arrangements for the conduct of the mediation.

PART 11 - Costs, witness fees and paying monies into the Tribunal

Notwithstanding the general power to award costs conferred on the Tribunal by s 88 of the SAET Act, the Tribunal may only award costs of proceedings in a jurisdiction conferred by a relevant Act in accordance with the provisions of that relevant Act.

47. Witness fees and costs of complying with summonses

If witness fees or the costs of complying with a summons are not agreed, the Tribunal may, on application, determine the amount payable.

48. Paying monies into the Tribunal

- (1) The Registrar shall establish the SAET Fund (the Fund).
- (2) All monies paid into the Tribunal are to be paid into the Fund.
- (3) Monies are to be paid out of the Fund either:

 - (b) upon the direction of the senior registrar.
- (4) The Fund and any income it produces are to be invested by the senior registrar as a common fund pursuant to s 21 of the Public Finance and Audit Act, 1987.
- (5) As soon as practicable after the last days of June and December in each year, the senior registrar is to fix the rate of interest payable in respect of funds in the Tribunal for the preceding half-year and to credit interest to the common fund or any special fund at those times.
- (6) When money is paid out during any half-yearly period the rate of interest applicable to the previous half-year shall apply unless the senior registrar directs otherwise.

B. Application for Review

53. Reviewable decisions

- (1) An applicant who wishes to dispute a reviewable decision under s 97 of the RTW Act must complete and file in the registry an application for review in an approved form.
- (2) Copies of any relevant documentary material, including a copy of the decision complained of, shall be attached to an application for review.
- (3) An application for review should be filed electronically if possible, with scanned copies of any attached documentary material included with the application for review.

- (4) An application for review shall specify the grounds of review and shall detail the complaints made about the decision so as to enable the relevant compensating authority to understand why and on what bases the decision is disputed.
- (5) If in the opinion of a registrar the detail provided in an application for review is insufficient, or supporting documents which ought to be attached to the application for review are not attached, a registrar or other Tribunal member may refuse to accept the application.
- (6) In a matter which sub-rule (5) applies to, a party whose application for review is refused by a registrar is permitted to file a further application for review which complies with the Rules and any relevant Act within 14 days of the refusal and in any case where that happens, the date of filing will be taken to be the date the original application for review was filed.
- (7) Where an application for review complains about a decision which set average weekly earnings by reference to s 5 of the RTW Act, and a review or reviews of weekly payments has or have been undertaken under s 46 or s 47 of the RTW Act prior to the application for review being lodged, any and all such s 46 or s 47 reviews will also be taken to be the subject of the application for review.
- (8) In a matter which sub-rule (7) applies to, if a party files an application for review in relation to both a decision which set average weekly earnings and any s 46 or s 47 review of that decision, the party shall only be entitled to an award of costs for the application for review of the decision which set average weekly earnings.

54. Tribunal to serve application for review

On receipt of an application for review, a registrar shall serve a copy of the application together with copies of any documents attached to the application on the other parties to the dispute.

55. Extension of time

Where an applicant requires an extension of time in which to dispute a reviewable decision, the application for review should state that an extension of time is sought, and if it does so, the grounds relied upon in claiming the extension must be specified.

56. Deeming and revocation of an interim extension of time

Where an application for review is filed out of time and requires an extension of time, an interim order extending the time for disputing the determination to enable conciliation to take place will be deemed to have been made. However at any time after the conclusion of conciliation, a party may seek an order that the interim extension of time be revoked, and when that happens, the matter shall be referred to a Presidential member.

57. Referral of an application for review to a conciliation officer

Upon receipt of an application for review, a registrar shall immediately refer the matter to a conciliation officer.

62. Effect of a failure to reconsider a decision under review

If a compensating authority fails to complete reconsideration of a decision under review within the time prescribed by the Act or in such further time as ordered by a registrar, the decision under review will be taken to have been confirmed.

63. Procedure when a varied decision is accepted

If the party which has sought review of a decision accepts the variation of that decision made at reconsideration, he or she should advise a conciliation officer accordingly, and they or another Tribunal member shall make an order confirming the varied decision.

64. Procedure when a varied decision is not accepted

If the party which has sought review of a decision does not accept the variation of that decision made at reconsideration, he or she should advise a conciliation officer accordingly as soon as reasonably practicable, and at the initial directions hearing in any event.

Any further actions or inquiries necessary for a conciliation conference to occur should be undertaken before the initial directions hearing takes place.

Subject to any contrary direction by the President, a compulsory conference requiring the attendance of the parties shall be scheduled as soon as a Tribunal member is satisfied that the matter is sufficiently ready for a compulsory conference to take place. This should be within 28 days of the initial directions hearing, unless special circumstances which justify the setting of a later date exist.

68. Requirements for parties and representatives at a compulsory conference

Where a representative of a party is instructed that the party no longer wishes the representative to act on behalf of the party, the representative must file and serve a notice of change of address for service in an approved form within 7 days of receiving instructions to cease acting for the party.

83. Ceasing to act without instructions from a party

Where a representative of a party does not have instructions to cease acting for the party but seeks to do so, the representative shall file in the registry and serve an application to cease acting along with a supporting affidavit which sets out the reasons why the representative seeks to cease to act. Such application will be referred to a Presidential member for directions.

J. Independent Medical Advisers

84. General

The Tribunal shall appoint such person or persons as are necessary to facilitate the engagement and use of an independent medical adviser (IMA) or advisers (IMAs) under s 121 of the RTW Act, and those persons shall liaise with an IMA or employees or associates of an IMA when considering and organizing the referral of a medical question to an IMA.

85. IMA Guidelines

The procedures for referring a medical question for assessment by an IMA or IMAs, the conduct of any medical examination, the provision of a medical report, the payment for any such report and the giving of oral evidence by an IMA shall be in accordance with the IMA Guidelines.

K. Health practitioner examinations

86. Application to attend an examination by a health practitioner

Subject to r 35, in any proceedings before the Tribunal in which the physical or mental condition of a worker is a relevant issue and the worker seeks a benefit or payment to which medical evidence may be relevant, another party may make application to the Tribunal under this rule seeking an order that the worker submit to examination by a specified health practitioner at a specified time and place.

87. Reasonable costs of attendance to be covered

A party making an application under r 86 shall, if requested by the worker or their representative, pay to or on behalf of the worker a reasonable sum to meet the costs of and incidental to the worker attending the medical examination.

88. Consequences of a failure to attend a medical examination

Where a worker is served with an application under r 86 and opposes the application, or attends the examination but does not do or answer all things reasonably requested by the health practitioner to facilitate the examination, the Tribunal may, upon application by another party, stay the proceedings or make such other order or direction as is appropriate.

L. Summoning medical records

89. Procedure to be followed

A party shall not issue a summons for production of medical notes, imaging, reports or other documents (medical records) concerning the medical history of a person, without leave of a conciliation officer or Presidential member. If such leave is granted, the following process is to be followed:

- (1) Any summons for medical records shall be accompanied by payment of \$85 or such other amount as may be prescribed from time to time by the registrar by way of cheque, money order or electronic funds transfer made payable or directed to the medical practice in question or may make payment by any other method authorized by a practice direction.
- (2) If a summons for medical records is issued, the person whom the medical records relate to is to be given 7 days to consider the content of the medical notes before they are released to the party issuing the summons.
- (3) The party whom the medical notes relate to may make a submission to a Tribunal member about the disclosure of the medical notes that should be made to the parties in a matter, and the Tribunal member may have access to all the medical records for the purposes of considering such a submission.
- (4) After considering the medical records, the Tribunal member is to advise all parties to the matter and the person the medical notes relate to, of his or her decision in relation to the release of the medical records.

M. Application to enlarge the scope of proceedings

90. Procedure to enlarge the scope of proceedings

- (1) In accordance with s 65 of the SAET Act, a party may, with the leave of the Tribunal and the consent of other parties to proceedings, refer any issue or question concerning an entitlement to compensation of any type for determination by the Tribunal even if that entitlement has not previously been claimed or determined.
- (2) An application pursuant to this rule must be made by an application to enlarge the scope of proceedings in an approved form and must be served together with a notice of objection in the approved form on all other parties to the proceedings at least 14 days before the application is heard by the Tribunal.
- (3) If a notice of objection is not filed and served by any party within 14 days of service of the application to enlarge the scope of proceedings, all parties to the proceedings shall be deemed to have consented to the application.
- (4) Where parties to proceedings seek consent orders that involve the resolution of an issue or issues not presently before the Tribunal, they will be deemed to have sought and been given an order pursuant to s 65 of the SAET Act to enlarge the scope of the proceedings to answer the questions necessary to make the orders, and to have obtained the consent from all relevant parties necessary to have done so.

N. Approval of certain settlements

91. Procedure where approval of a settlement is required

- (1) Subject to s 47(3) of the SAET Act and s 191 of the RTW Act, where the parties to proceedings seek an order of the Tribunal which requires the consent of the Return to Work Corporation of South Australia under s 191 of the RTW Act, and without that consent, the order would exclude, modify or restrict the operation of the RTW Act, the parties should advise the Tribunal member with conduct of the proceedings that such consent is required or has been given.
- (2) In the situation referred to in sub-rule (1), a Tribunal member should not make the order sought unless a Presidential member has approved the order.
- (3) A Tribunal member acting under sub-rule (2) may order that an application for directions and supporting affidavit be filed and may issue such directions and adopt such procedures he or she considers appropriate.
- (4) Where a matter concerns the rights or obligations of an infant or a person under a legal disability, any settlement of the matter must be approved by a Presidential member of the Tribunal.
- (5) In a matter which sub-rule (4) applies to, a Presidential member may issue such directions and adopt such procedures he or she thinks appropriate including giving a direction that an opinion about the suitability of the settlement be obtained from independent counsel.

O. Procedure at hearings

92. General

Subject to the Rules, at the hearing of a matter, a Presidential member may act inquisitorially and may give directions about the conduct of the proceedings, including doing any of the following:

- (1) requiring any person to attend at the hearing or otherwise;
- (2) ordering the production of any evidentiary material;
- (3) retaining any evidentiary material to enable it to be preserved or made use of in, or in connection with the hearing;
- (4) requiring any person to take an oath or make an affirmation to answer truthfully all questions relating to the matter the subject of the hearing;
- (5) ordering expert or non-expert witnesses to confer in relation to issues arising from their evidence.

P. Judgment, publication of reasons and finalisation of matters

93. Judgment delivery times

- (1) At the completion of a hearing, the Tribunal member who heard the matter shall deliver his or her decision and publish reasons for decision, if required, as soon as practicable. If a Tribunal member is unable to deliver a decision and publish reasons within 3 months of completion of the hearing, he or she should advise the parties accordingly. If a Tribunal member is unable to deliver a decision and publish reasons within 4 months of completion of the hearing, he or she must advise the President.
- (2) At the completion of an appeal or other matter referred to a Full Bench of the Tribunal, the Full Bench shall deliver a decision and publish reasons for decision as soon as practicable. If a Full Bench is unable to do so within 3 months of the conclusion of the hearing, the senior Presidential member of the Full Bench should advise the parties accordingly. If the Full Bench is unable to do so within 4 months of completion of the hearing, it must advise the President.

94. Provision of consent orders

- (1) A matter which resolves by consent will be taken to have resolved on the date when in principle settlement of the matter takes place.
- (2) Parties are required to advise the Tribunal that a matter has settled in principle within 7 days of in principle settlement being reached. This may be done by sending an email to the Tribunal member with conduct of the matter, and copying all other parties to the matter into that email.
- (3) The Tribunal may cancel any conference, attendance or hearing scheduled for a matter after in principle settlement of the matter has taken place.
- (4) Parties to a dispute are required to provide draft orders to the Tribunal within 28 days of in principle settlement taking place and the Tribunal may require parties to advise it of the date on which in principle settlement occurred.

Q. Summary matters

95. Procedure for identifying and dealing with summary matters

Subject to the SAET Act, the RTW Act, the Rules, and any Practice Direction, a Presidential member may direct that a particular matter, or a class of matters identified by a Practice Direction, be heard and determined as a summary matter.

- (1) A summary matter may be heard by such Tribunal member as directed by a Presidential member.
- (2) A summary matter should be heard without delay.

- (3) When making orders in relation to the hearing of a summary matter, and without limiting the ambit of the directions which may be made, the Tribunal member may direct:
- (a) that the matter be heard by reference to available documentary evidence only;
 - (b) that the evidence of any witness be reduced to writing;
 - (c) some or all witnesses not be required for cross examination;
 - (d) that the parties agree the facts, or some of them;
 - (d) that the parties reduce their contentions, and the factual and legal findings they say should be made, to writing.
 - (e) that the time available to each party to present its case be limited to a specified time.

R. The inactive matters list

96. General

- (1) Where in the opinion of a Tribunal member there are good reasons to believe that there is no reasonable prospect of an application for review being able to be progressed in a timely way, the Tribunal member who is dealing with the matter may place it in the inactive matters list.
- (2) Once a matter has been placed in the inactive matters list, a party may apply to have the matter re-listed for a hearing, or a Tribunal member may order that the matter be re-listed for a hearing upon the application of a party to do so, or at his or her discretion if he or she thinks the matter may be able to be progressed.
- (3) Notwithstanding sub-rule (b), if a matter has been in the inactive matters list for 9 months, a registrar shall list it for hearing before a Presidential member who shall consider whether the application for review can be progressed, or whether it should be dismissed for want of prosecution or whether some other order should be made. The parties in the matter are to be notified of any such hearing and given the opportunity to be heard before any order is made.

S. Costs

97. Costs and disputes about costs

- (1) Subject to any provision of the SAET Act or RTW Act, to any regulations made under those Acts, and to the Rules, the costs of and incidental to any proceedings before the Tribunal shall be in the discretion of the Tribunal, both as to liability and amount.
- (2) Where a Tribunal member is required to determine the amount of a party's costs, he or she may, in their absolute discretion, refer the adjudication of such costs to a registrar or to a person with special expertise in the evaluation and assessment of legal costs.
- (3) A Registrar may of his or her own motion submit any question which may arise on an adjudication of costs to a Presidential member for directions.

- (4) A party seeking the adjudication of their claimed costs shall file and serve a copy of the work in progress recorded in relation to the proceedings (the WIP record) calculated by reference to the Supreme Court scale of costs which details itemised services claimed for, but shall not file any itemised schedule or bill of costs unless ordered to do so by the Tribunal. The WIP record must be accompanied by a covering letter which specifies the precise amount claimed having regard to the limitation on costs payable in accordance with sub-rule (8)(c) below.
- (5) Within 28 days of receipt of a WIP record, or within such longer period as may be allowed by the Tribunal, any party wishing to object to any part of the amount claimed made must file and serve written particulars of their general and specific objections. Upon receipt of written particulars of objections, the Tribunal shall then conduct an adjudication of the disputed claims at which time the parties shall have the opportunity to be heard. If the respondent fails to file and serve an objection within 28 days after receiving the WIP record, the Tribunal will, on request, and subject to its absolute discretion, make an order for payment of the costs as claimed.
- (6) Where it is impracticable for any reason to conduct an adjudication of costs by reference to the WIP record, then in the alternative to the procedure outlined in sub-rules (4) and (5), the Tribunal may adopt the practice and procedure of the Supreme Court in relation to the adjudication of a costs dispute, with any modifications which may be thought necessary.
- (7) Where an adjudication of costs has been undertaken by a registrar or a person with special expertise in legal costs, the registrar or expert shall prepare and sign a certificate of recommendation as to the result of the adjudication and provide it to the parties and to the presiding Tribunal member. The presiding member may adopt the recommendation with such modifications that he or she thinks appropriate after granting the parties an opportunity to be heard.
- (8) In determining the amount of a party's costs, a Tribunal member or registrar shall adopt the following principles:
 - (a) Parties are expected to take all steps necessary to consolidate all issues in dispute and all proceedings before the Tribunal to avoid multiple hearings. Failure to do so may result in a lesser amount of costs being awarded.
 - (b) The type and amount of compensation in dispute should be considered when an award of costs is made. Subject to that, a party is entitled to all reasonable costs of and incidental to work carried out after a matter is referred for hearing and determination. The type and amount of work that is considered to be reasonable is what would be performed by a prudent and properly advised, but not overly cautious litigant.
 - (c) In no case shall the award of costs exceed 85% of the amount that would be allowed if the proceedings were in the Supreme Court.

- (d) The costs of a legal practitioner are to be assessed on the Supreme Court scale.
- (e) The costs of an officer or employee of an industrial association are to be assessed as the Tribunal considers appropriate.
- (f) A representative that is not a legal practitioner is not entitled to an award of costs based on the Supreme Court scale.
- (g) Senior counsel rates will only be allowed where a Presidential member has certified a matter fit for senior counsel.

98. Limit on costs able to be charged

- (1) A representative of a party shall not charge excessive costs. Costs charged at greater than the Supreme Court scale as varied from time to time shall, unless there are exceptional circumstances, be regarded as excessive.
- (2) A representative of a worker or registered employer must provide their client copies of this rule and s 107 of the RTW Act within 7 days of commencing to act in respect of any proceeding under the RTW Act.
- (3) If a party believes that the party's representative has caused costs:
 - (a) to be incurred improperly or without reasonable cause; or
 - (b) to be wasted by undue delay, negligence or by other misconduct or default;the party shall advise a registrar of that in writing and if so, that registrar shall refer the matter to a Presidential member to deal with the matter in accordance with s 107 of the RTW Act.
- (4) A registrar is authorised to inform workers generally of this rule and of the actions a worker may take if the worker believes that the amount of costs being charged is excessive or that an order under s 107 of the RTW Act should be made.
- (5) A proceeding under s 107 of the RTW Act may be initiated by a party or by the Tribunal.
- (6) The requirements of sub-rules (2), (3), (4) and (5) do not apply to a dispute commenced before 1 July 2015.

T. Fees

99. Fees may be promulgated

- (1) The registrar may from time to time by notice published in the SA Government Gazette, specify the amount of any fees payable in respect of: typing and copying transcript of any proceedings, the use in any proceedings of an interpreter, searching for records, for copying any documents and the fee payable to any person to respond to a summons for production of medical records.
- (2) In any particular case, a registrar may direct that the whole or any part of fees otherwise payable under sub-rule (1), shall not be charged, or if charged and paid, be returned.

U. Special applications

100. Applications under s 18 of the RTW Act

- (1) Written notice from a worker to an employer under s 18(3)(b)(i) of the RTW Act must be in an approved form and must comply with any applicable regulations.
- (2) An application by a worker to the Tribunal under s 18(3) of the RTW Act must be in an approved form.
- (3) Upon receipt of a s 18(3) application, a registrar shall immediately refer the matter to a Presidential member who shall deal with the application expeditiously in accordance with the procedures set out in r 92.

101. Applications under s 48(18) of the RTW Act

An application by an employer to have the Tribunal direct the Corporation to reduce or discontinue weekly payments to a worker under s 48(18) of the RTW Act shall be made by an application for directions and shall be accompanied by an affidavit which sets out all the reasons why the employer has reasonable grounds on which to ask the Corporation to reduce or discontinue weekly payments to the worker.

V. Transitional disputes and claims against the statutory reserve fund

102. Schedule 1 Workers Rehabilitation and Compensation Act disputes

Any matter which involves the application of clauses 2, 4 or 5 of Schedule 1 of the Workers Rehabilitation and Compensation Act 1986 shall immediately be referred to a Presidential member for such orders and directions he or she thinks fit having regard to the nature of the matter.

PART 15 - Miscellaneous

103. Disrupting Tribunal proceedings

- (1) If a Tribunal member considers that a person has behaved in a manner contrary to s 91(1) of the SAET Act, that member must refer the matter to the President or to a Presidential member to whom the President has delegated the power to deal with the matter.
- (2) The Presidential member to whom a matter is referred under sub-rule (1) shall consider whether or not to recommend that a charge be laid against the person who is considered to have breached s 91(1) of the SAET Act.
- (3) In dealing with a referral under sub-rule (2), a Presidential member may summons the person who is considered to have breached s 91(1) of the SAET Act to appear before the Tribunal and explain why he or she should be allowed to continue to maintain or be involved with any proceedings in the Tribunal.
- (4) Without limiting the generality of what order or orders can be made under sub-rule (3), a Presidential member may stay or strike out proceedings if he or she considers it appropriate to do so, or may order the continuation of proceedings subject to such terms and conditions considered necessary.

104. Annual Report

Registrars of the Tribunal will collect and maintain the following statistics for the purposes of the Tribunal's Annual Report:

- (1) the number of initiating applications and applications for internal review received by the Tribunal and the time taken to resolve them; and
- (2) such statistics as are required to comply with any reporting requirements the Tribunal has to meet under the Regulations; and
- (3) any other matters as directed by the President.

105. Delegation by registrars

- (1) If permitted by the President, a registrar may delegate to another member of the staff of the Tribunal a function of the registrar under these Rules.
- (2) The delegation:
 - (a) must be in writing; and
 - (b) may be conditional; and
 - (c) does not derogate from the ability of the registrar to act in any matter; andis revocable at will by the registrar.
