The Board of the Return to Work Corporation of South Australia ('the Corporation') determines as follows pursuant to Section 17 of the Return to Work Corporation of South Australia Act 1994, Section 157 of the Return to Work Act 2014 ('the Act') and all other enabling powers:

Part 1—Preliminary Matters

1. This determination may be cited as the Return to Work Premium Review Panel Determination 2015.
2. This determination commences on 1 July 2015 ('Commencement Date') and applies to any application for review lodged under Section 157 of the Act after the Commencement Date, subject to Part 9 of this determination.

Continuation of WorkCover Premium Review Panel as Return to Work Premium Review Panel

3. The WorkCover Levy Review Panel established by the Board's determination of 29 June 2000 (see *South Australian Government Gazette*, 29 June 2000, page 3472) and continued by the Board's determination of 26 April 2012 (see *South Australian Government Gazette*, 10 May 2012, page 1617) as the WorkCover Premium Review Panel, is hereby continued as the Return to Work Premium Review Panel ('the Panel').

Functions and powers under Section 157 of the Act

4. The function of the Panel shall be to perform the functions of the Board under Section 157 of the Act as delegate of the Board under that section in reviewing decisions of the Corporation pursuant to Section 140 (2), sections 141 (2), 141 (3), and 141 (4), Section 145 (1), Sections 147 (1), 147 (2), 147 (3) (a), (b) and (c), Section 147 (4), Section 149 (3) (a), Section 150 (3), Section 151 (1), Section 152 (1), Section 154 (1), (2), (3) and (4), Section 155 (1) and 155 (3) of the Act and subject to the proceeding clauses of this determination, the powers of the Board under Section 157 of the Act (other than the power to review a decision of the Corporation on a matter of law going to the validity of that decision) are delegated to the Panel for that purpose.

Part 2—Constitution of Panel

5. The Panel shall comprise four members appointed by the Board consisting of:
 - 5.1 a President, who shall be a legal practitioner (wherever in Australia admitted), and who shall decide any questions of law falling within the delegated functions of the Panel; and
 - 5.2 a member with expertise in the interests of registered employers; and
 - 5.3 a member with expertise in the interests of workers; and
 - 5.4 a member with expertise in the interests of the Corporation.
6. Where the anticipated unavailability of appointed members or the anticipated volume of work necessitates, deputy members may be appointed by the Board.
7. A Deputy President or other Deputy Member has the powers and duties of the position held by the President or Member respectively.
8. The President may sit alone:
 - 8.1 to give directions;
 - 8.2 to determine procedural matters;
 - 8.3 for the promotion of conciliation;
 - 8.4 to seek evidence; or
 - 8.5 to dispose of an application on a matter of law falling within the delegated functions of the Panel involving no disputes of fact and no exercise of discretion.
9. Except as provided for in Clause 8 of this Determination, the Panel shall otherwise sit as a panel of four.
10. A decision of a majority of members of the Panel, other than a decision as to a matter of law falling within the delegated functions of the Panel, shall be the decision of the Panel, but a member not agreeing with a decision of the majority may give reasons for not agreeing.
11. In the event of the Panel being equally divided in opinion as to the decision to be made, the Panel's decision shall be in accordance with the opinion of the President or Deputy President.
12. A quorum of the Panel shall be three members, provided that members representing each interest referred to in Clause 5 of this Determination or (where applicable) deputies thereof have been offered, in the opinion of the President, a reasonable opportunity to sit.
13. If a member of the Panel becomes unavailable after the commencement of a hearing, the application must be heard again by the Panel properly constituted or (with the concurrence of the parties) adjourned until the absent member becomes available again, unless the decision of the remaining members is unanimous.
14. However, no hearing may commence or continue without the President or a Deputy President.

Part 3—Indemnity of Members

15. Any liability attaching to a member of the Panel (including a deputy member appointed under Clause 6 of this Determination) for an act or omission by the member, or by the Panel, in good faith and in the exercise or purported exercise of a power or function, or in a discharge or purported exercise of a duty, of the member or the Panel is assumed by the Corporation.

Part 4—Tenure of Members

16. Members (other than the President) shall be appointed for a term of two years, except in the event of a casual vacancy, where a member may be appointed for two years or for the balance of the term of the former member at the option of the Board.
17. The President of the Panel shall be appointed for a term of five years.
18. A deputy of a member shall be appointed for a term specified by the Board in the instrument of appointment, not exceeding the balance of the term of the member for whom the deputy is to deputise or, where that member continues to sit under Clause 19 then the appointment will not exceed that period of continuation.
19. A member of the Panel whose term has expired may, if a new appointment has not been made, continue to sit as a member of the Panel until a new appointment is made.
20. A former member of the Panel may sit as a member of the Panel for the purpose of completing the hearing and determination of part-heard proceedings in which they were involved.

Part 5—Reconsideration and Conciliation

21. Upon receipt of any application lodged under Section 157 (1) of the Act, the registry of the Panel will forward a copy to the Corporation, which will reconsider the decision (disregarding any question of whether the application is out of time) and must inform the Panel and the applicant within 14 days of the result of the reconsideration (and its attitude to any question of an extension of time).
22. Where:
 - 22.1 the applicant has sought an extension of time for the making of the application or, in the opinion of the Corporation, the application for review is out of time; and
 - 22.2 the Corporation intends to oppose an extension of time, and
 - 22.3 the Corporation considers proper reason exists for considering the extension of time before undertaking reconsideration, the Corporation may request the application to be referred to the President of the Panel to consider the extension of time.
23. Neither the President nor the Panel will consider an extension of time made in respect of a decision made more than three years after the employer was given notice of that decision.
24. If an application is referred to the President under Clause 22 of this Determination, the President may grant a provisional extension of time and make such other procedural directions as the President thinks appropriate, but only if the President agrees that proper reason exists for departing from the usual practice under Clause 21 of this Determination. A provisional extension of time does not prevent the Panel from refusing an extension of time, if appropriate, when dealing with the application for review on the merits.
25. If the President refuses to make a provisional extension of time, the applicant may request that the extension of time be referred to the Panel for final determination. A finding by the President that proper reason does not exist for departing from the usual practice under Clause 21 of this Determination is not a refusal.
26. In this Part, consideration of an extension of time includes consideration of the question whether an application is in fact out of time.
27. Where the Corporation considers it impracticable to complete reconsideration within 14 days (and gives the registry of the Panel appropriate reasons for so considering), the registry may grant an extension of time for the reconsideration.
28. Before granting an extension of time for reconsideration that exceeds seven days, the registry must invite the applicant to indicate whether it has any objections to the proposed extension of time for reconsideration and the reasons for any objections. If there is any such objection, the registry must refer the question to the president of the Panel to determine.
29. If:
 - 29.1 the Corporation, on reconsideration of a disputed decision, confirms the decision; or
 - 29.2 the Corporation, on reconsideration of a disputed decision, varies the decision and the applicant expresses dissatisfaction with the variation,
the registry of the Panel must refer the dispute for conciliation by a conciliator who will use his or her best endeavours to bring the applicant and the Corporation to an agreed resolution of the matters referred to in the application, and the Panel may not hear and determine any application unless it is satisfied that conciliation has been attempted and failed or it is satisfied that such attempts have no realistic prospects of success.
30. If, during the hearing of any matter, it appears to the Panel that there is a realistic prospect of a negotiated outcome being achieved, it may refer the matter back for further conciliation or the Panel may make such other attempts to promote conciliation as it thinks appropriate.
31. In this Part ‘conciliation’ includes:
 - 31.1 counselling;
 - 31.2 mediation;
 - 31.3 neutral evaluation;
 - 31.4 case appraisal;
 - 31.5 conciliation;
 - 31.6 any combination of the above,
and the format of conciliation in any particular case shall be at the discretion of the conciliator in consultation with the parties, with the proviso that any confidential information provided during conciliation may be withheld from the Panel if the provider of that information so requests;
and ‘the Corporation’ includes:
 - 31.7 the operating unit of the Corporation that made the reviewable decision to which an application for review relates; and
 - 31.8 the Director Scheme Legal, Senior Lawyer or other legal practitioner employed by the Corporation.

Part 6—Principles of Operation of Panel

32. The Panel shall be bound by and is hereby directed to follow the principles of natural justice.
33. Subject to Clause 32 of this Determination, the Panel:
- 33.1 shall act according to equity, good conscience and the substantial merits of the case, without regard to technicalities and legal forms; and
 - 33.2 is not bound by the rules of evidence, but may inform itself by such means and such material as it thinks fit; and
 - 33.3 shall act as expeditiously as the circumstances of a particular case permit.
34. The Panel must ascertain whether the parties to any proceedings desire to be heard by way of oral evidence or submissions and must in that event give at least 14 days' notice of the date, time and place of hearing, but if both parties to particular proceedings wish to have the application determined on the documents, the Panel need not hold a hearing but must give the parties at least 14 days' notice to make final written submissions before proceeding to make it a determination.
35. If only one party to proceedings desires to submit oral evidence or submissions, the Panel must give the other party at least 14 days' notice of the hearing and inform that party that there is a danger that at the hearing the Panel may hear things from the first party that the other party will be unable to respond to if it does not attend.
36. A party may appear in person or (if a body corporate) by any proper officer or may be represented by counsel or by any duly appointed and authorised agent.
37. A party engaging representation must do so at its own cost.

Part 7—Powers of President of Panel

9. *Your General Obligations*
- 9.1 Legal obligations:
- (a) You must comply with all laws applicable to your water retail service.
- 9.2 Infrastructure:
- (a) You must not interfere with, or damage, the infrastructure on our side of the connection point.
 - (b) You must maintain all infrastructure on your side of the connection point in a safe and good condition and to the standards specified in AS/NZS3500.1:2003 (as amended or replaced from time to time).
 - (c) If installation of internal infrastructure at your supply address is reasonably required in order for us to provide you a water retail service then you must provide that infrastructure in compliance with all applicable regulatory instruments.
 - (d) If your internal pipework at the supply address or other on-property plumbing infrastructure does not meet plumbing standard AS/NZS3500.1:2003 (as amended or replaced from time to time), we may suspend your supply of recycled water until we are satisfied that the defects are remedied.
 - (e) You must not allow the water retail service provided under this contract to be cross-connected to any other water retail service.
 - (f) If we reasonably consider that it is necessary to minimise the risk of cross-contamination of your infrastructure downstream of the connection point (even if recycled water is no longer used at your supply address) we may require you to conduct inspections and audits of your plumbing infrastructure on a five-yearly basis and at transfer of ownership of a supply address at your cost, performed by a licensed plumber. We may require you to forward to us evidence of the successful completion of an inspection or audit.
- 9.3 Meters:
- (a) Unless we agree otherwise, we will install a meter on your supply address of a size and in a location determined by us.
 - (b) The meter is our property and includes the outlet riser of the meter to your supply address, inlet riser, stop tap and associated fittings.
 - (c) You must not use the stop tap to control the water retail service at the supply address unless that stoppage is reasonably necessary to undertake required temporary repairs to your infrastructure or to deal with an emergency.
 - (d) To the extent permitted by law, we do not accept responsibility for damage or loss including recycled water as a result of stop tap malfunctions unless that damage or loss is caused by our negligence. An isolation valve should be installed to your internal pipework by a licensed plumber if you wish to control the recycled water supply at your supply address.
 - (e) You must protect the meter from accident or damage and charges apply for the replacement of a damaged or lost meter and/or fittings.
 - (f) If you believe your meter is not accurately recording your recycled water usage you may request that we test your meter. If you make a request you must pay us in advance our charge for checking the meter reading, metering data or for testing the meter.
 - (g) If:
 - (i) the meter is found to be within the 5% limits for reasonable accuracy (i.e. +/- 5%) your current bill stands and you will be charged the meter testing fee; or
 - (ii) the meter is found to be over-recording outside of the reasonable limits referred to in Clause 9.2 (g) (i) the meter testing fee paid under Clause 9.2 (f) will be credited to your next bill and we will credit your next bill with the percentage amount for which the meter has been over-recording for a period of 12 months prior to the replacement of your meter; or
 - (iii) the meter has been found to be under-recording we may recover under-charged amounts from you.
 - (h) If your meter has been found, by us, to be within the acceptable limits but you still believe the meter is inaccurate you have the right to have the meter independently tested at your cost. If the meter is found by such test to be over-recording outside the reasonable limits referred to in Clause 9.2 (g) (i) we will credit the testing fees against your next bill.
- 9.4 Illegal use of water retail services:
- (a) You must only use the water retail service provided by us for lawful purposes and, if you are found to be illegally using our water retail service, or otherwise consuming our water retail service not in accordance with this contract or applicable regulatory instruments, we may:

- (i) estimate the consumption for which you have not paid using an approved estimation method and bill you for that amount;
 - (ii) recover that amount from you, as well any costs associated with estimating the consumption; and
 - (iii) disconnect your supply address immediately.
 - (b) By illegally using our water retail service, Clauses 14 and 16 will not apply to you.
 - (c) We will not be liable for any injury or damage to person or property as a result of the illegal use of our water retail service.
- 9.5 Sale of property:
- (a) You must inform us at least 10 business days prior to the transfer of registration for the supply address property so that we can attend to necessary adjustment processes prior to settlement.
 - (b) In the event you sell or otherwise dispose of your interest in the supply address property, you will continue to be personally bound by this contract unless and until you notify us in accordance with this clause.
- 9.6 Use of water retail services:
- (a) You are permitted to use the water retail service at your supply address only. You are not permitted, without our prior written consent, to supply recycled water to any other person or property.
 - (b) You must not store recycled water without our prior written approval and any relevant regulatory authority.

- 10.3 GST
- (a) Amounts specified in our Price List, subject to amendment from time to time, and other amounts payable under this contract may be stated to be exclusive or inclusive of GST. Clause 10.3 (b) applies unless an amount is stated to include GST.
 - (b) Where an amount paid by you under this contract is payment for a 'taxable supply' as defined for GST purposes, to the extent permitted by law, that payment will be increased so that the cost of the GST payable on the taxable supply is passed on to the recipient of that taxable supply.
11. *Tariff Changes*
- 11.1 If we vary the type of tariff rate you are charged for your water retail service, we will notify you of the new tariff rate on your next bill.
- 11.2 Where this occurs within a billing cycle, we will calculate on a *pro-rata* basis using:
- (a) the old tariff rate up to and including the effective date for the change; or
 - (b) the new tariff rate from the effective date to the end of the billing cycle.
12. *Billing*
- 12.1 We will use our best endeavours to issue you a bill at least quarterly.
- 12.2 We may enter into an agreement with you to a different billing cycle with a regular recurrent period that differs to Clause 12.1.
- 12.3 We will prepare a bill so that you can easily verify that the bill conforms to this contract and it will include at least the particulars required by the Code, except in circumstances permitted by ESCOSA.
- 12.4 We will issue a bill to you at the supply address unless you subsequently nominate another address.
- 12.5 It is your responsibility to advise us of any change in billing address, or pending change in billing address, prior to the issue of your next bill.
- 12.6 Unless otherwise agreed with you, you must pay the amount shown on each bill by the date for payment (the pay-by date). The pay-by date will be no earlier than 12 business days from the date we send the bill.
