DEVELOPMENT ACT 1993

SECTION 48

Decision by the Chief Development Officer

as Sub-delegate of the Minister for Planning as Delegate of the Governor

Preamble

- On 16 May 2017 notice of the Governor's decision to grant a development authorisation under section 48 of the Development Act 1993, in respect of a proposal to establish and operate a mixed use development at 270 The Parade, Kensington by Peregrine Corporation, was published in the *South Australian Government Gazette* at p 1205.
- Simultaneously, the Governor delegated his power to grant a variation to the Peregrine Corporation Mixed Use Development to the Minister for Planning pursuant to section 48 (8) of the Development Act 1993.
- On 16 February 2018, the Minister for Planning sub-delegated his powers to vary or cancel the Peregrine Corporation Mixed use Development to the Chief Development Officer, Department of Planning, Transport and Infrastructure pursuant to section 48(9)(b) of the Development Act 1993.
- By letter dated 21 November 2017 (final plans dated 14 February 2018), Peregrine Corporation sought to vary the development authorisation so as to permit modifications to the design and layout plans of the development to remove the basement level car parking; introduce car parking to Level 2; and make minor amendments to floor plan layouts and the façade design.
- I am satisfied that the Development Report and Assessment Report prepared in relation to the proposed Major Development amendment are appropriate and have had regard, when considering the proposed Major Development, to all relevant matters under Section 48 (5).
- For ease of reference the conditions attached to the Peregrine Mixed Use development authorisation are republished in full hereunder and include additional or varied conditions as relevant to this development authorisation.

Decision

PURSUANT to Section 48 of the Development Act 1993 and having due regard to the matters set out in Section 48 (5) and all other relevant matters; I:

- Permit the proponent to vary the application pursuant to section 48B of the Act.
- Vary the development authorisation dated 16 May 2017 for the Peregrine Corporation Mixed Use Development, at 270 The Parade, Kensington, pursuant to section 48(7a) of the Act, and subject to the conditions set out below;
- specify under Section 48 (7) (b) all matters which are the subject of conditions herein as matters in respect of which the conditions of this authorisation may be varied or revoked, or new conditions attached; and
- specify for the purposes of Section 48 (11) (b) the period of three (3) years from the date of this development authorisation as the time within which substantial work must be commenced on site, failing which I may cancel this authorisation under Section 48 (11).

CONSOLIDATED VERSION OF CONDITIONS OF AUTHORISATION

General

1. The proponent shall carry out the development generally in accordance with:
 - (a) Development application, prepared by Peregrine Corporation, dated 30 November 2015
 - (b) Development Report, prepared by Fyfe Pty Ltd on behalf of Peregrine Corporation, dated 15 August 2016 (with supplementary covering letters dated 27 September 2016 and 16 August 2016), and
 - (c) Response Document, prepared by Fyfe Pty Ltd on behalf of Peregrine Corporation, dated 10 February 2017.
 - (d) Plans, prepared by MPH Architects, submitted on 14 February 2018.
2. For the purposes of section 48(11)(b) of the *Development Act 1993*, the proponent shall commence the development by substantial work on the site of the development within three (3) years of the date of this authorisation, failing which the authorisation may be cancelled.
3. The proponent shall have completed the development within six (6) years of the date of this authorisation, failing which the authorisation may be cancelled.
4. Should the project cease during the period between the commencement of earthworks and final completion the proponent will undertake all necessary steps to reinstate the land and make good.
5. That, except where minor amendments may be required by other relevant Acts or by conditions imposed by this application, the proposed Major Development for the Peregrine Corporation Mixed Use Major Development and associated infrastructure must be carried out in accordance with the details and following plans submitted:

Prior to obtaining compliance with the Building Rules

The following information shall be submitted for further assessment and approval by the Minister for Planning (or his delegate), prior to obtaining compliance with the Building Rules, consistent with the submitted plans:

6. Design development in consultation with the South Australian Government Architect (Department of Planning, Transport and Infrastructure) and State Heritage Unit (Department of Environment, Water and Natural Resources) to provide:
 - (a) façade detailing, signage and materials selection, including a full materials board, to demonstrate how the ambition for the façade treatments as outlined in the design statement is achieved in practice, and
 - (b) details of the façade construction including detailed engineering plans, to demonstrate how the ambition for the façade treatments as outlined in the design statement is achieved in practice.

Prior to the Commencement of Construction Works

All works shall be undertaken in accordance with the approved plans, drawings, specifications and other documentation provided (and approved by the Minister for Planning (or his delegate) where required) in accordance with condition 6 listed above.

The following information shall be submitted for further assessment and approval by the Minister for Planning (or his delegate), prior to the commencement of construction works at each individual stage:

7. Building Rules compliance, following assessment and certification by a private certifier, the City of Norwood, Payneham and St Peters or by a person determined by the Minister for Planning (or his delegate), as complying with the provisions of the Building Rules (or the Building Rules as modified according to criteria prescribed by the *Development Regulations 2008*). For the purposes of this condition 'building work' does not include plant and equipment or temporary buildings that are not permanently attached to the land (refer to relevant Advisory Notes below).
8. Final detailed plans for all structures on site and of each component of the development (including site plans, floor plans, elevations, cross-sections, and other relevant specifications) and car parking configuration. This shall include details of the treatment at Level 2 and the open carpark element.
9. In consultation with the Government Architect, a detailed landscaping plan which demonstrates the maintenance and access strategies for the landscaping scheme, including the provision of planter boxes at level 2.
10. Any excavation adjacent to roads shall be designed and undertaken in a manner that does not impact on the structural stability or safety of the roads. Any damage to road assets caused by the development shall be repaired to the satisfaction of the relevant road authority at the applicant's cost.
11. In consultation with the City of Norwood, Payneham and St Peters and the Department of Planning, Transport and Infrastructure, Planning and Transport Policy section, a Construction Environmental Management Plan developed in accordance with the Environment Protection Authority guideline 'Construction environmental management plans' 2016 (see http://www.epa.sa.gov.au/business_and_industry/environmental_planning/position-statements-and-guidelines).

The Construction Environmental Management Plan must incorporate measures to address (but not be limited to) the following matters:

- (a) a traffic management plan for the duration of demolition and construction that ensures the National Highway traffic on Portrush Road is not adversely impacted including:
 - (i) the retention of two lanes of vehicular traffic in each direction on Portrush Road at all times
 - (ii) the retention of pedestrian facilities on the eastern footpath of Portrush Road at all times
- (b) pedestrian safety and access around the site including site security, fencing, and maintenance of access to adjacent footpaths and bus stops
- (c) sequencing of development (including construction timelines for works on site and periods and hours of construction)
- (d) occupational health and safety matters
- (e) management of noise to ensure compliance with the *Environment Protection (Noise) Policy 2007*
- (f) management of air quality (including odour and dust) to ensure compliance with the *Environment Protection (Air Quality) Policy 2016*
- (g) management of groundwater and stormwater to ensure compliance *Environment Protection (Water Quality) Policy 2015* including identification of existing contamination, any required remedial works, and prevention of new contamination / pollution
- (h) management of soils including fill importation, stockpiling, identification of existing contamination, any required remedial works, and prevention of new soil contamination / pollution (such as from chemical use and storage, pest plants and pathogens)

- (i) waste management for all waste streams and overall site clean-up to ensure compliance with the *Environment Protection (Waste to Resources) Policy 2010*, and
- (j) use and storage of chemicals, oil, construction-related hazardous substances and other materials that have the potential to contaminate the environment (including proposed emergency responses).

During Construction Works and Prior to Operation of the Development

All works shall be undertaken in accordance with the approved plans, drawings, specifications and other documentation provided in accordance with conditions 7 to 11 listed above.

The following information shall be submitted for further assessment and approval by the Minister for Planning (or his delegate), prior to the operation of the development:

12. Evidence that the Level 2 car park achieves the relevant noise criteria of the *Environment Protection (Noise) Policy 2007* when measured from the nearest sensitive receptor in the adjacent residential zone(s).
13. Evidence that the Level 2 car park has been designed and constructed to prevent light spill from vehicle headlights into the adjacent residential zone(s).
14. That the landscaping shown on the approved plans as required by Condition 9 shall be substantially installed prior to the operation of the development.
15. That all external lighting of the site, including pedestrian walkways, car parking areas and buildings, shall be designed and constructed to conform with Australian Standards and must be located, directed and shielded and of such limited intensity that no unreasonable nuisance or loss of amenity is caused to any person beyond the site.
16. That all vehicle car parks, loading and unloading areas, driveways and vehicle entry and manoeuvring areas shall be designed and constructed in accordance with the relevant Australian Standards and be constructed, drained and paved with bitumen, concrete or paving bricks (or other such material as agreed to by the Minister for Planning (or his delegate)), in accordance with sound engineering practice and appropriately line marked. All vehicles shall be able to enter and exit the subject site in a forward direction.
17. That all stormwater design and construction shall be in accordance with Australian Standards to ensure that stormwater does not adversely affect any adjoining property or public road.
18. That all Council, utility or state-agency maintained infrastructure (i.e. roads, kerbs, drains, crossovers, footpaths etc.) that is demolished, altered, removed or damaged during the construction of the development shall be reinstated to Council, utility or state agency specifications. All costs associated with these works shall be met by the proponent.
19. All road works on arterial roads, including any associated road drainage infrastructure, shall be designed and constructed to the satisfaction of the Department of Planning, Transport and Infrastructure with all costs (including design, construction, project management and any road lighting or stormwater upgrades) being borne by the applicant. The applicant shall enter into a Developer Agreement with the Department of Planning, Transport and Infrastructure regarding these works and is required to contact the Department of Planning, Transport and Infrastructure, Traffic Operations, Network Integrity Engineer, Mrs Christina Canatselis via 8226 8262 or christina.canatselis@sa.gov.au to progress this. All road works shall be completed prior to operation of the development.
20. The Parade access shall be limited to left turn in and left turn out movements only. This shall be achieved by the extension of the solid median on The Parade from the Portrush Road/The Parade intersection to Bowen Street at the cost of the proponent.

During Operation of the Development

21. Operations on the site shall be undertaken in accordance with all plans and details submitted as part of the Major Development Application in accordance with conditions 12-20 as listed above.
22. The development and the site shall be maintained in a serviceable condition and operated in an orderly and tidy manner at all times. Landscaped areas shall be properly irrigated and maintained.
23. All waste collection services and use of the loading areas by service vehicles should be limited to the following hours of operation:
 - (a) 9 a.m. to 7 p.m. Sundays and public holidays, and
 - (b) 7 a.m. to 7 p.m. all other days.
24. All waste bins shall be located within the designated bin presentation zone on Bowen Street. Bins shall be transported to the bin presentation zone prior to bin collection times, and then moved back to the waste enclosure as soon as practicable following bin collection.

Advisory Notes

1. Pursuant to Development Regulation 64, the applicant is advised that the City of Norwood, Payneham and St Peters or private certifier conducting a Building Rules assessment must:
 - (a) provide to the Minister (or his delegate) a certification in the form set out in Schedule 12A of the *Development Regulations 2008* in relation to the building works in question, and
 - (b) to the extent that may be relevant and appropriate:
 - (i) issue a Schedule of Essential Safety Provisions under Division 4 of Part 12,
 - (ii) assign a classification of the building under these regulations, and
 - (iii) ensure that the appropriate levy has been paid under the *Construction Industry Training Fund Act 1993*.Regulation 64 of the *Development Regulations 2008* provides further information about the type and quantity of all Building Rules certification documentation for Major Developments required for referral to the Minister for Planning (or his delegate).
2. The City of Norwood, Payneham and St Peters or a private certifier undertaking Building Rules assessments must ensure the assessment and certification are consistent with this provisional development authorisation (including any Conditions or Advisory Notes that apply in relation to this provisional development authorisation).
3. Should the applicant wish to vary the Major Development or any of the components of the Major Development, an application may be submitted, provided that the development application variation remains within the ambit of the Development Report and Assessment Report referred to in this provisional development authorisation. If an application variation involves substantial changes to the proposal, pursuant to section 47 of the Development Act 1993, the applicant may be required to prepare an amended Development Report for public inspection and purchase. An amended Assessment Report may also be required to assess any new issues not covered by the original Assessment Report and a decision made by the Governor pursuant to section 48 of the Development Act 1993.

4. The applicant's Construction Environmental Management Plan should be prepared taking into consideration (and with explicit reference to) relevant Environment Protection Authority policies and guideline documents, including, but not limited to (and as amended from time to time):
 - (a) the *Environment Protection (Air Quality) Policy 2016*
 - (b) the *Environment Protection (Noise) Policy 2007*
 - (c) the *Environment Protection (Water Quality) Policy 2015*
 - (d) the *Environment Protection (Waste to Resources) Policy 2010*
 - (e) the *Environment Protection (National Pollutant Inventory) Policy 2008*
 - (f) the Standard for the Production and Use of Waste Derived Fill (2013) if applicable
 - (g) the Bunding and Spill Management Guidelines (2012)
 - (h) the Stormwater Pollution Prevention Code of Practice for the Building and Construction Industry (1999)
 - (i) Handbooks for Pollution Avoidance, and
 - (j) any other legislative requirements, Guidelines and Australian Standards requiring compliance.
5. The Applicant is reminded that the operation of the development must be in accordance with the relevant Environment Protection Authority policies, including, but not limited to (and as amended from time to time):
 - (a) the *Environment Protection (Air Quality) Policy 2016*
 - (b) the *Environment Protection (Noise) Policy 2007*
 - (c) the *Environment Protection (Water Quality) Policy 2015*, and
 - (d) the *Environment Protection (Waste to Resources) Policy 2010*.
6. All works and activities must be undertaken in accordance with the General Environmental Duty as defined in Part 4, section 25(1) of the *Environment Protection Act 1993* (which requires that a person must not undertake any activity, which pollutes, or may pollute; without taking all reasonable and practical measures to prevent or minimise harm to the environment), relevant Environment Protection Policies made under Part 5 of the *Environment Protection Act 1993* and other relevant publications and guidelines.
7. The applicant is reminded of its obligations under the *Aboriginal Heritage Act 1988*, whereby any 'clearance' work that may require permission to disturb, damage or destroy Aboriginal Sites, must be undertaken with the full authorisation of the Minister for Aboriginal Affairs and Reconciliation, according to section 23 of the Act.
8. The applicant, and all agents, employees and contractors, such as construction crews, must be conversant with the provisions of the *Aboriginal Heritage Act 1988*, particularly the requirement to immediately contact the Department of Aboriginal Affairs and Reconciliation in the event that archaeological items (especially skeletal material) are uncovered during earthmoving.
9. The Minister for Planning (or his delegate) has a specific power to require testing, monitoring, auditing and reporting under section 48C of the *Development Act 1993*.
10. Signage on this site must be in accordance with the '*Advertising Signs Assessment Guidelines for Road Safety*'.
11. The Metropolitan Adelaide Road Widening Plan shows a possible requirement for a strip of land up to 4.5 metres in width from the Portrush Road frontage of this site for future upgrading of the Portrush Road/The Parade intersection, together with additional land at the Portrush Road/The Parade and Portrush Road/High Street corners. The consent of the Commissioner of Highways under the *Metropolitan Adelaide Road Widening Plan Act 1972* is required to all new building works located on or within 6.0 metres of the possible requirement.

As the development encroaches within the above requirements, the applicant will need to apply for consent for these under the *Metropolitan Adelaide Road Widening Plan Act 1972*. The applicant should fill out the necessary consent form and return it to the Department of Planning, Transport and Infrastructure with 3 copies of the approved plans and a copy of the Governor's Authorisation.

Given under my hand at Adelaide, 26 April 2018.

SCHEDULE 2

Commencing at sunset on 24 April 2018 and ending at sunrise on 27 April 2018.

SCHEDULE 3

- The coordinates in Schedule 1 are defined as degrees decimal minutes and are based on the World Geodetic System 1984 (WGS 84).
- No fishing activity may be undertaken between the prescribed times of sunrise and sunset for Adelaide (as published in the South Australian Government Gazette pursuant to the requirements of the *Proof of Sunrise and Sunset Act 1923*) during the period specified in Schedule 2.
- Fishing must cease:
 - in the fishing area known as the 'Mid/North Gulf' area (as described on page 48 of the Management Plan for the South Australian Commercial Spencer Gulf Prawn Fishery¹ October 2014) if the average catch per vessel, per night (based on the best information available to the committee at sea) drops below 500kg; and
 - in the fishing area known as the 'Southern Gulf' area (as described on page 48 in the Management Plan for the South Australian Commercial Spencer Gulf Prawn Fishery October 2014) if the average catch per vessel over two consecutive nights (based on the best information available to the committee at sea) falls below 350kg.
- Based on the best information available fishing must cease in an area in the Mid/North Gulf if the average prawn bucket count exceeds 260 prawns per 7kg; or in an area in the Southern Gulf if the average prawn bucket count exceeds 260 prawns/7kg.
- No fishing activity may occur without the authorisation of Coordinator at Sea, Paul Watson, or other nominated Coordinator at Sea appointed by the Spencer Gulf and West Coast Prawn Fishermen's Association.
- The authorisation of the Coordinator at Sea must be in writing, signed and record the day, date and permitted fishing area within the waters of Schedule 1 in the form of a notice sent to the fishing fleet or vary an earlier authorisation issued by the Coordinator at Sea.

7. The Coordinator at Sea must cause a copy of any authorisation for fishing activity or variation of same, made under this notice to be emailed to the Prawn Fisheries Manager immediately after it is made.

8. The Spencer Gulf and West Coast Prawn Fishermen's Association must keep records of all authorisations issued pursuant to this notice.
