Application for Reception from students living in the school zone

Priority consideration will be given to applications for enrolment from parents of prospective Reception students to attend the following school year, if they have been living inside the school zone prior to week 8, term 3 and whose application is received by this date.

If more than 130 applications for enrolment are received from parents living in the school zone by the beginning of week 8, term 3, places will be offered based on whether any, all or a combination of the following applies:

- the length of time the child has lived in the school zone
- the child's family has been relocated to the school zone by the defence force;
- the distance of the child's residence from the school

Families who move into the school zone or who are already living in the school zone but lodge their application for enrolment after the end of week 8, term 3, will only have their applications considered if or when vacancies exist, with priority consideration afforded to those applicants already on the school's enrolment register.

If no vacancies exist, the applicants upon request, will be placed on the school's enrolment register and referred for enrolment to other neighbouring schools.
