ENVIRONMENT PROTECTION ACT 1993

SECTION 68

Vary the Approval of Category B Containers

I, ANDREA KAYE WOODS, Delegate of the Environment Protection Authority ('the Authority'), pursuant to section 68 of the Environment Protection Act, 1993 (SA) ('the Act') hereby:

Vary the Approval of Category B Containers

Approve as Category B Containers, subject to the conditions 1, 2, 3 and 4 below, each of the classes of containers identified by reference to the following matters described in the first 4 columns of Schedule 1 of this Notice which are sold in South Australia:

- (a) the product which each class of containers shall contain;
 - (b) the size of the containers;
 - (c) the type of containers;
 - (d) the name of the holders of these approvals
1. That containers of the class to which the approval relates must bear the refund marking specified by the Authority for containers of that class. The Authority specifies the following refund markings for Category B containers:
 - (1) "10c refund at collection depots when sold in SA"; or
 - (2) "10c refund at SA/NT collection depots in State/Territory of purchase"; or
 - (3) "10c refund at collection depots/points in participating state/territory of purchase"
 2. The holder of the approval must have in place an effective and appropriate waste management arrangement in relation to containers of that class. For the purpose of this approval notice the company named in column 5 of Schedule 1 of this Notice is the nominated super collector.
 3. In the case of an approval in relation to category B containers that the waste management arrangement must require the holder of the approval to provide specified super collectors with a declaration in the form determined by the Authority in relation to each sale of such containers by the holder of the approval as soon as practicable after the sale.
 4. The holder of these approvals must ensure that if a sticker bearing the refund marking has been approved, and is applied to the container, then the sticker must not be placed on any portion of the opening mechanism or in any other place that would require complete or partial removal of the sticker before the contents may be consumed.

TAKE NOTE that pursuant to section 115 of the *Fisheries Management Act 2007* licence holders in the Spencer Gulf Prawn Fishery are exempt from Schedule 1 of the section 79 notice on page 4315 of the *South Australian Government Gazette* of 20 December 2018, prohibiting the take of aquatic resources in waters of Spencer Gulf, insofar as it will not be unlawful for a person fishing pursuant to a Spencer Gulf Prawn Fishery licence to use prawn trawl nets in the areas specified in Schedule 1, during the period specified in Schedule 2, and under the conditions specified in Schedule 3.

SCHEDULE 1

The waters of Spencer Gulf contained within and bounded by a line at a radius of 4 kilometres from the following navigation points:

- 137° 32.600' East, 33° 28.900' South
- 137° 36.300' East, 33° 36.300' South
- 137° 19.100' East, 33° 54.700' South
- 136° 50.900' East, 33° 58.900' South

SCHEDULE 2

During the period 1201 hours on 30 April 2019 until 1200 hours on 30 June 2019.

SCHEDULE 3

1. The exemption holder may only take species specified in Schedule 1 of the *Fisheries Management (Prawn Fisheries) Regulations 2017*.
2. The exemption holder must continue to complete and submit the South Australian Spencer Gulf Prawn Fishery Daily Catch and Effort Logbook.
3. Should any Snapper be caught in a prawn trawl net within the areas detailed in Schedule 1 of this notice, the vessel taking the Snapper must immediately return the Snapper to the water and cease any further fishing activity within 0.5 nautical miles surrounding the location where the Snapper was caught.
4. Should any Snapper be caught in a prawn trawl net within the areas detailed in Schedule 1 of this notice, the vessel taking the Snapper must record the number of Snapper caught and the location of the Prawn trawl shot and immediately report this information to the Coordinator at Sea of the Spencer Gulf and West Coast Prawn Fishermen's Association.

5. Upon being advised that Snapper have been caught at any location within the waters specified in Schedule 1 of this Notice, the Coordinator at Sea will implement a fishing closure incorporating an area not less than 0.5 nautical miles surrounding the location where the Snapper was caught for all Spencer Gulf Prawn Fishery licence vessels for the remainder of the fishing run.
6. Upon implementing a closure, the Coordinator at Sea must notify, or cause to be notified, all fishing vessels undertaking the exempted activity of the coordinates of the closure.
7. All vessels must comply with the directions of the Coordinator at Sea in respect of any closures implemented under the Spencer Gulf Prawn Fishery - Snapper Code of Conduct
8. The exemption holder must comply with all licence conditions when undertaking the exempted activity, except where specifically exempted by this notice.
9. The exemption holder must not contravene or fail to comply with the *Fisheries Management Act 2007* or any regulations made under that Act, except where specifically exempted by this notice.

This notice does not purport to override the provisions or operation of any other Act including, but not limited to, the *Marine Parks Act 2007*. The exemption holder and his/her agents must comply with any relevant regulations, permits, requirements and directions from the Department for Environment and Water when undertaking activities within a marine park.

5	Requirements under revoked regulations to keep animals, carcasses or eggs for specified periods
6	Applications, requests etc made under revoked regulations
7	Emu tags issued under revoked regulations
8	Approvals, authorisations, exemptions etc given or made under revoked regulations

Part 1—Preliminary

1—Short title

These regulations may be cited as the *National Parks and Wildlife (Wildlife) Regulations 2019*.

2—Commencement

These regulations come into operation on 1 July 2019.

3—Interpretation

- (1) In these regulations, unless the contrary intention appears—

Act means the *National Parks and Wildlife Act 1972*;

additional, in relation to premises, means premises in addition to single premises;

biological hazard—see subregulation (5);

carcass, of an animal—see subregulation (2);

dangerous, in relation to a protected animal, means an animal (whether venomous or otherwise) capable of causing significant injury or harm to a person handling, or exposed to contact with, the animal;

emu tag means a tag or other device issued by the Director under these regulations for attachment to the skin of an emu;

exempt species, in relation to a protected animal or the carcass or egg of a protected animal, means a protected animal, carcass or egg of a species excluded from the operation of subsections (1), (2) and (3) of section 58 of the Act by proclamation made under section 58(4) of the Act (see Schedule 7 of these regulations);

export permit means a section 59 permit that authorises the holder to export a protected animal, or the carcass or egg of a protected animal;

field chiller means an appliance or structure, whether mounted on or forming part of a vehicle or otherwise, approved under an accreditation under the *Primary Produce (Food Safety Schemes) Act 2004* for use for the provision of refrigeration facilities for the storage of the carcass of a kangaroo during the period between the field processing of the carcass and the transport of the carcass to the premises at which it is to be processed by a kangaroo meat processor;

import permit means a section 59 permit that authorises the holder to import a protected animal, or the carcass or egg of a protected animal;

kangaroo means an animal of the genus *Macropus*;

kangaroo field processor and *kangaroo meat processor* have the same respective meanings as in the *National Parks and Wildlife (Kangaroo Harvesting) Regulations 2018*;

kangaroo sealed tag means a sealed tag within the meaning of the *National Parks and Wildlife (Kangaroo Harvesting) Regulations 2018*;

permit means a permit granted under the Act (whether before or after the commencement of these regulations) and **permit** preceded by a section, or more than 1 section, of the Act means a permit granted wholly under that section, or those sections, of the Act;

personal use sealed tag has the same meaning as in the *National Parks and Wildlife (Kangaroo Harvesting) Regulations 2018*;

prescribed fee means the fee prescribed by regulation under the Act;

record book means a record book supplied by the Director to a permit holder;

return means a return required to be provided to the Director under these regulations;

return book means returns bound in the form of a book supplied by the Director to a permit holder;

skin, of an animal, means the skin of the animal whether still attached to, or separated from, the rest of the carcass of the animal;

specialist animal means a protected animal other than an animal of an exempt species or a species listed in Schedule 6;

species means species or subspecies;

to export, in relation to an animal, carcass or egg, includes to remove the animal, carcass or egg from the State for any reason;

to import, in relation to an animal, carcass or egg, includes to bring the animal, carcass or egg into the State for any reason.

- (2) A reference in these regulations to the **carcass** of an animal has the same meaning as in the Act and includes a reference to the skin of the animal when removed from the rest of the carcass of the animal.
- (3) A reference in these regulations to a permit of a specified name or class is a reference to a permit of that name or class described in Schedule 1.
- (4) A reference in these regulations to the expiration of a permit granted under the Act includes a reference to the surrender of the permit pursuant to a condition of the permit.
- (5) For the purposes of these regulations, a protected animal, or the carcass or egg of a protected animal, constitutes a **biological hazard** if it carries (or is of a species or from a location that significantly increases the likelihood that it carries) a bacterium, virus, fungus, insect or other organism or biological pathogen that poses a threat to the health of other animals or human beings.

4—Application of regulations to wardens and employees

A warden is not subject to these regulations in relation to the performance of the warden's functions or the exercise of the warden's powers as a warden, and an employee of the Department is not subject to these regulations in relation to the performance of the employee's duties as an employee.

Part 2—Maintenance of records and provision of information

Division 1—Records, returns, reports etc

5—Interpretation

In this Division, unless the contrary intention appears—

warden does not include a warden who is a police officer.

6—Report to be provided following expiry or revocation of section 53 permit

The report required by section 53(4) of the Act to be provided to the Minister by a person to whom a section 53 permit has been granted (following the expiry or revocation of that permit) must be provided in the form prescribed in Schedule 2.

7—Report to be provided following taking of animal or egg under section 60C permit

The report required by section 60C(8) of the Act to be provided to the Minister by the holder of a section 60C permit (following the taking of a protected animal or the egg of a protected animal from the wild pursuant to the permit) must be provided in the form prescribed in Schedule 2.

8—Information relating to certain section 58 or 60C permits to be kept in record book

A person who has been granted a section 58 permit that is a class 1, 2, 3, 4, 5, 6 or 11 permit or a Retain Protected Animals Unfit for Release permit, or a section 60C permit that is a class 12 permit, must keep a record of the following information in relation to the protected animals or eggs of protected animals to which the permit applies in a record book supplied by the Director for that purpose:

- (a) the species of animals or eggs, and the number of animals or eggs of each species, acquired or disposed of pursuant to the permit;
- (b) the date and method of acquisition or disposal (including the permit number of any import or export permit used in that acquisition or disposal);
- (c) the name and address of, and the number of the permit (if any) held by, the person from whom the animals or eggs were acquired or to whom the animals or eggs were disposed;
- (d) the species of animals, and the number of individuals of each species, born to animals kept pursuant to the permit, together with the dates on which the births occurred (and, in the case of a Retain Protected Animals Unfit for Release permit, if any such additional animals were not at the time of birth authorised to be held or disposed of under the permit, the authority under which the animals so born are now held, or were disposed of, by the person);
- (e) the species of animals, and the number of individuals of each species, that have died or escaped while being kept pursuant to the permit;
- (f) all other information (if any) that the person is required under these regulations to include in a return.

Maximum penalty: \$1 250.

Expiation fee: \$160.

9—Information relating to Wildlife Rehabilitation Facility or Wildlife Carer permit to be kept in record book

A person who has been granted a section 53, 55 and 58 permit that is a Wildlife Rehabilitation Facility permit or Wildlife Carer permit must keep a record of the following information in a record book supplied by the Director for that purpose:

- (a) the species of protected animals, and the number of individuals of each species, acquired or released or otherwise disposed of pursuant to the permit;
- (b) the date of acquisition or release or other disposal;

- (c) the manner in which the protected animals were acquired, whether from the wild or from another person, and, if acquired from another person, the name, address and number of the permit (if any) of that person;
- (d) the manner of disposal of the protected animals, whether by release into the wild, euthanasia or disposal to another person, and, if disposed of to another person, the name, address and number of the permit of that person;
- (e) the species of protected animals, and the number of individuals of each species, born to animals kept pursuant to the permit, together with the dates on which the births occurred (and, if any such additional animals were not at the time of birth authorised to be held or disposed of under the permit, the authority under which the animals so born are now held, or were disposed of, by the person);
- (f) the species of protected animals, and the number of individuals of each species, that have died or escaped while being kept pursuant to the permit;
- (g) all other information that the person is required under these regulations to include in a return.

Maximum penalty: \$1 250.

Expiation fee: \$160.

10—Where record book is to be kept

A person required to use a record book under these regulations must ensure that—

- (a) the book is kept in a safe and secure place at the premises at which the animals or eggs to which the records relate are kept; and
- (b) if animals or eggs are kept at more than 1 premises pursuant to a permit, a separate record book is kept at each such premises.

Maximum penalty: \$1 250.

 - (v) in the case of a section 58 permit that is a class 1, 3, 4, 5 or 6 permit or a Retain Protected Animals Unfit for Release permit, or a section 60C permit that is a class 12 permit—
 - (A) at the premises at which the animals to which the return relates are kept; or
 - (B) where, pursuant to the permit, animals are kept at more than 1 premises—at the principal premises at which the animals to which the return relates are kept; or
 - (vi) in the case of a section 58 permit that is a class 9 or 11 permit—at the person's principal place of residence; or

- (vii) in the case of a section 58 permit that is a class 7 permit—at the principal premises at which the carcasses to which the permit relates are kept or sold pursuant to the permit.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) A copy of a return referred to in subregulation (1) must be retained until—
 - (a) 6 months after the day by which the return is required to be provided to the Director under the permit or these regulations; or
 - (b) the copy is produced to the Director or a court under regulation 19,whichever first occurs.

16—Entries to be made in record book or return within 48 hours

Where a transaction or event occurs in respect of which an entry is required to be made under these regulations in a record book or return, the person required under these regulations to use the record book or provide the return must ensure that the entry is made within 48 hours after the occurrence of the transaction or event.

Maximum penalty: \$1 250.

Expiation fee: \$160.

17—Notification of loss of record books or copies of returns

A person who has been granted a permit must notify the Director of any loss of, or damage to, a record book, return book or return, or a copy of a return required to be kept by the person under these regulations, within 7 days after becoming aware of the loss or damage.

Maximum penalty: \$1 250.

Expiation fee: \$160.

18—Record books and copies of returns to be produced for inspection at request of warden

A person who has custody or control of a record book, or a copy of a return required to be kept under these regulations (including a person who has custody or control as agent or employee of the permit holder) must, if requested by a warden, produce the book or copy for inspection by the warden.

Maximum penalty: \$1 250.

Expiation fee: \$160.

19—Record books, return books etc to be returned to Director or provided to court

- (1) A person who has been granted—
 - (a) a section 58 permit that is a class 1, 2, 3, 4, 5, 6 or 11 permit or a Retain Protected Animals Unfit for Release permit; or
 - (b) a section 53, 55 and 58 permit that is a Wildlife Rehabilitation Facility or Wildlife Carer permit; or
 - (c) a section 60C permit that is a class 12 permit,must produce to the Director any record book or return book relating to the permit that is under the person's custody or control within 14 days after the person—
 - (d) ceases to hold such a permit; or

(e) completes the book.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) Where a person who has been granted a relevant permit is charged with an offence against the Act or these regulations and the person has custody or control of a record book, return book or return, or a copy of a return required to be kept by the person under these regulations, that is in the opinion of the Director or a warden relevant to the charge, the person must, at the request of the Director or warden, produce the book, return or copy to the court that hears the charge.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (3) In this regulation—

relevant permit means a permit granted wholly or partly under section 53, 55, 58 or 60C of the Act.

20—Notification of change of address or name

A person to whom a permit has been granted under the Act and whose address or name changes during the period that the permit remains in force must, within 14 days after that change of address or name—

- (a) notify the Director in writing of the change; and
- (b) provide documentary evidence to the satisfaction of the Director of the new address or change of name.

Maximum penalty: \$1 250.

Expiation fee: \$160.

21—Exemption from Division

The Director may exempt a person from compliance with any provision of this Division other than regulation 6, 7 or 20.

Division 2—Form of records, returns, applications, approvals etc

22—Director to supply certain record books, return books and returns

- (1) Where a person, as a consequence of the grant of a permit, is required by or under the Act to record information in a record book, return book or return supplied by the Director, the Director must supply the necessary book or individual return forms (as appropriate) to that person on the grant of the permit.
- (2) If further books are required by the person as the result of the loss of those provided or because, pursuant to the permit, animals or eggs are kept at more than 1 premises, the Director may require the payment of the prescribed fee for the supply of each additional book.
- (3) A record book, return book or return supplied by the Director (other than in electronic form or by means of an electronic communication) pursuant to the Act or these regulations remains the property of the Crown.

23—Record books, return books and returns in electronic form

- (1) Where a person is required by these regulations to record information in a record book, return book or return, and the Director authorises such a book or return to be maintained in electronic form or provided to the Director by means of an electronic communication—
 - (a) a reference in these regulations to a record book, return book or return includes a reference to the book or return in that electronic form; and
 - (b) a reference in these regulations to the provision or submission of a record book (or copy of a record book), or a return book or return, to the Director includes a reference to provision or submission by means of that authorised electronic communication; and
 - (c) a reference in these regulations to the supply by the Director of a record book, return book or return includes a reference to the supply by the Director of a template or other structure for that electronic form of the book or return; and
 - (d) a reference in these regulations to the production of a record book, return book, return or copy of a return at the request of the Director or a warden, means production in the form (electronic or printed) requested.
- (2) A requirement in these regulations that a record book or copy of a return be kept in a safe and secure place at specified premises will, if such a book or copy is maintained in electronic form, be taken to be a requirement that the book or copy be kept at a safe and secure place that is readily accessible at those premises.

24—Form of applications, notifications etc

- (1) An application to the Director for an approval, authorisation or exemption, or a waiver, under these regulations must—
 - (a) be made in the manner and form approved by the Director; and
 - (b) include such information as the Director requires.
- (2) Where, under these regulations, a person is required to give notice or otherwise provide information to the Director (other than through a record book or return referred to in this Part), the notice or information must, unless otherwise specified in these regulations or approved by the Director, be—
 - (a) provided in writing; and
 - (b) signed by the person required to provide the information.

25—Requirement for signature

Where, for the purposes of these regulations—

- (a) there is a requirement that a person must sign a record, return, notification or other instrument or document that is to be provided to the Director; and
- (b) the instrument or document is provided in electronic form,

that requirement will be taken to have been satisfied if an electronic signature or other method, approved by the Director, is used to identify the person providing the instrument or document.

26—Approvals, exemptions etc by Director and wardens

- (1) An approval, authorisation or exemption, or a waiver or requirement, by the Director or a warden under these regulations must be in writing, or, if given orally, must be confirmed in writing as soon as is practicable.
- (2) An approval, authorisation or exemption, or a waiver, referred to in subregulation (1) is subject to such limitations, restrictions or conditions (if any) as are specified in the approval, authorisation, exemption or waiver.
- (3) If a person to whom an approval is given by a warden under these regulations (or a person acting in the employment or with the authority of that person) contravenes or fails to comply with a limitation, restriction, condition or provision of the approval, the person to whom the approval was given is guilty of an offence.

Maximum penalty: \$1 250.

Expiation fee: \$160.

Note—

Where a permission or other authority is granted by the Director, it is an offence under section 70A(1) of the Act for the holder of the permission or other authority (or a person acting in the employment or with the authority of the holder) to contravene or fail to comply with any limitation, restriction, condition or provision of the permission or other authority.

Part 3—Conservation of animals

Division 1—Keeping, sale etc of animals, carcasses or eggs

27—Sale or gift only to permit holder

A person must not sell or give a protected animal or the egg of a protected animal to a person who is required by the Act to hold a permit authorising the keeping of the animal or the possession or control of the egg if that person does not hold such a permit.

Maximum penalty: \$1 250.

Expiation fee: \$160.

Note—

A person may be entitled under the Act to keep a protected animal, or have possession or control of an egg of a protected animal, without a permit if (for example) the number of animals or eggs does not exceed a number permitted under the Act.

28—Purchase or receipt as gift only from permit holder

- (1) A person must not purchase a protected animal or the carcass or egg of a protected animal, or receive a protected animal or the carcass or egg of a protected animal as a gift, from a person who is required by the Act to hold a permit authorising the sale or gift if that person—
 - (a) does not hold the required permit; or
 - (b) does not hold any additional written authorisation from the Director for the sale or gift that the person is required to hold as a condition of the permit.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) A person must not sell or give a protected animal or the carcass or egg of a protected animal pursuant to a permit unless the person has, if requested by the prospective purchaser or donee, produced the permit (and any additional written authorisation referred to in subregulation (1) that the person is required to hold) for inspection.

Maximum penalty: \$1 250.

Expiation fee: \$160.

29—Advertisement for sale of protected animal to include permit number

Where section 58 of the Act requires that the sale of a protected animal be authorised by a permit granted under that section, a person who advertises the animal for sale (by whatever means) must state in the advertisement—

- (a) in the case of a sale by the holder of a section 58 permit that is a class 2 permit—
- (i) that the vendor is the holder of a class 2 Fauna Dealer's permit; and
 - (ii) the number of that permit; or
- (b) in any other case—the number of the permit that authorises the sale.

Maximum penalty: \$1 250.

Expiation fee: \$160.

30—Sale of juvenile animals

- (1) Subject to this regulation, a person must not sell an animal that is a protected animal or is of a species listed in Schedule 10 of the Act if—

- (a) in the case of a bird—the bird is too young to fly or to feed itself; or
- (b) in the case of a mammal—the mammal is unweaned.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) Subregulation (1) does not apply—

- (a) to the sale of an emu pursuant to a section 60C permit; or
- (b) if the sale is made pursuant to a permit granted under the Act that expressly authorises the sale of such a young animal.

31—Premises from which protected animals may be sold under section 58 permit

- (1) A person must not sell a protected animal pursuant to a section 58 permit unless—

- (a) in the case of a section 58 permit that is a class 2 permit—the premises from which the animal is sold are premises at which the person is authorised pursuant to these regulations to carry on a business of dealing in protected animals to which the permit relates; or
- (b) in the case of a section 58 permit that is a class 9 permit—the premises from which the animal is sold—
- (i) are the premises at which the animal was kept by the person; or
 - (ii) are other premises approved by the Director for the purposes of the sale of the animal pursuant to the class 9 permit; or

- (c) in the case of any other section 58 permit that authorises such a sale—the premises from which the animal is sold—
 - (i) are the premises at which the animal was kept by the person, or from which the animal is authorised to be sold, pursuant to a permit; or
 - (ii) are other premises approved by the Director for the purposes of the sale of the animal; or
- (d) in the case of any section 58 permit or class of section 58 permits (including permits referred to in paragraph (a), (b) or (c))—the premises from which the animal is sold are premises approved by the Director for the purposes of sale by holders of section 58 permits or section 58 permits of that class.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) An application for approval for the purposes of subregulation (1) must be accompanied by the prescribed fee (if any).

Note—

It may constitute an offence against section 13 of the *Animal Welfare Act 1985* if the animal is not provided with appropriate and adequate food, water, exercise and living conditions, or is caused unnecessary harm, at the premises from which the animal is sold.

32—Prohibition on carrying on business of dealing in protected animals except under section 58 class 2 permit

- (1) A person must not carry on a business of dealing in protected animals (other than protected animals of an exempt species) unless the person is the holder of a section 58 permit that is a class 2 permit.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) For the purposes of subregulation (1), a person who is the holder of a section 58 permit that is a class 4, 5 or 6 permit will not be taken to carry on a business of dealing in protected animals by reason only of the fact that the person buys or sells protected animals for the purposes of another business or activity conducted pursuant to the permit.

33—Restrictions on carrying on business of dealing in protected animals under section 58 class 2 permit

- (1) The holder of a section 58 permit that is a class 2 permit must not carry on a business of dealing in protected animals to which the permit relates except at premises approved by the Director.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) An application for the approval of additional premises for the purposes of subregulation (1) must be accompanied by the prescribed fee.

- (3) The holder of a section 58 permit that is a class 2 permit must display at all premises at which the holder carries on a business of dealing in protected animals to which the permit relates a certificate signed by or on behalf of the Director to the effect that the dealer is the holder of a class 2 permit.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (4) A certificate referred to in subregulation (3) may include such further information as the Director thinks fit.
- (5) The holder of a section 58 permit that is a class 2 permit must not, except with the approval of the Director or a warden, sell a protected animal to which the permit relates unless the animal has been in the possession of the permit holder for at least 7 days.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (6) The Director may exempt a person from compliance with subregulation (5).
- (7) For the purposes of this regulation, the holder of a section 58 permit that is a class 2 permit will be taken to carry on a business of dealing in protected animals to which the permit relates at all premises at which those protected animals are kept by the holder.
- (8) In this regulation—
warden does not include a warden who is a police officer.

34—Restrictions on sale or gift of protected animals under certain section 58 permits

- (1) The holder of a section 58 permit that is a class 1, 3, 4, 5 or 6 permit must not, except with the approval of the Director or a warden, sell or give a protected animal to which the permit relates unless—
 - (a) the animal was bred by the permit holder; or
 - (b) the animal has been in the possession of the permit holder for at least 6 months.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) The Director may exempt a person from compliance with subregulation (1).
- (3) In this regulation—
warden does not include a warden who is a police officer.

35—Restrictions on breeding protected animals under certain permits

- (1) The holder of a section 53, 55 and 58 permit that is a Wildlife Rehabilitation Facility permit or Wildlife Carer permit, or a section 58 permit that is a Retain Protected Animals Unfit for Release permit, must not, except with the approval of the Director—
 - (a) allow or permit a protected animal in the holder's possession pursuant to the permit to breed; or
 - (b) if breeding does occur, sell or otherwise dispose of any offspring.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) It is a defence to a charge of an offence against subregulation (1)(a) to prove that—
 - (a) the permit holder took reasonable precautions to prevent breeding; or
 - (b) any birth was the result of activity that took place before the animal came into the possession of the permit holder.

36—Premises at which kangaroo carcasses may be kept under section 58 permit

- (1) The holder of a section 58 permit that is a class 7 or 8 permit must not, subject to any provision, limitation, restriction or condition of the permit, keep the carcass of a kangaroo at premises other than premises—
 - (a) approved by the Director for that purpose; or
 - (b) in the case of premises comprised of a field chiller at a specified location—notified to the Director, in a manner and form approved by the Director, at least 24 hours before the chiller is to be used for that purpose at that location.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) For the purposes of subregulation (1)(b), a notification of premises comprised of a field chiller at a specified location does not constitute a notification of premises comprised of the same chiller at a different location.

37—Prevention of escape and facilitation of inspection of protected animals

- (1) Subject to this regulation, a person who keeps a protected animal must—
 - (a) keep the animal in a cage or enclosure that is adequate in size and is designed, constructed, located and maintained so as to—
 - (i) prevent the animal from escaping; and
 - (ii) in the case of an animal that is dangerous or constitutes a biological hazard—enable the cage or enclosure to be locked or otherwise secured against unauthorised access; and
 - (iii) as far as is practicable, facilitate the inspection of the animal by a warden under the Act; and
 - (b) in the case of an animal that is dangerous or constitutes a biological hazard—ensure that the cage or enclosure in which the animal is kept is, except when the person is present, securely locked or otherwise secured so as to prevent unauthorised access to the animal; and
 - (c) produce the animal for inspection at the request of a warden.

Maximum penalty: \$1 250.

Expiation fee: \$160.

Note—

It is an offence under section 13 of the *Animal Welfare Act 1985* for a person to ill treat an animal. Under that section, ill treatment includes intentionally, unreasonably or recklessly causing the animal unnecessary harm and, in the case of the owner of the animal, includes failing to provide it with appropriate and adequate food, water, living conditions or exercise.

- (2) Where, on application by a person who keeps a protected animal, the Director approves the keeping of the animal in a manner that does not comply with a requirement of subregulation (1), the person will be taken to comply with that subregulation if the person keeps the animal in accordance with that approval and its limitations, restrictions or conditions (if any).

- (3) In this regulation—

enclosure, in relation to an animal, includes a house or other building or a yard, or a portion of a house or other building or yard, to which the animal normally has access, but is unable to leave.

38—Hybridization

A person must not, except with the approval of the Director, permit a protected animal to mate with an animal of another species or subspecies if conception and production of live offspring may result from the union.

Maximum penalty: \$1 250.

Expiation fee: \$160.

Division 2—Transport, import or export of animals, carcasses or eggs

39—Construction and labelling of containers for transport of protected animals, carcasses or eggs

- (1) This regulation applies to a protected animal, or the carcass or egg of a protected animal, that is transported from 1 location to another (other than within the premises at which it is kept) either within the State or for the purposes of importing or exporting the animal, carcass or egg.
- (2) A protected animal, or the carcass or egg of a protected animal, to which this regulation applies must be transported in a cage, container or package that complies with the requirements of this regulation.
- (3) If a protected animal, or the carcass or egg of a protected animal, is transported in contravention of subregulation (2), then—
 - (a) if it is transported by the permit holder or owner—the permit holder or owner is guilty of an offence; or
 - (b) if it is transported by any other person—
 - (i) the person who was in possession of the animal, carcass or egg as permit holder or owner immediately before it was transported; and
 - (ii) the person who arranged for the transport of the animal, carcass or egg (if not the person referred to in subparagraph (i)),

are each guilty of an offence.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (4) A person who knowingly transports a protected animal, or the carcass or egg of a protected animal, to which this regulation applies without the information required by this regulation to be displayed on the cage, container or package in which it is transported being so displayed, is guilty of an offence.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (5) In proceedings against a person for an offence against subregulation (3), it is a defence to prove that the person could not by the exercise of reasonable diligence have prevented the commission of the offence.

- (6) In proceedings against a person for an offence against subregulation (3) or (4) relating to the transport of a protected animal, it is a defence to prove that—
- (a) the animal was an injured, sick or orphaned animal that was not dangerous or a biological hazard and was being transported from the wild to a veterinary surgeon or the holder of a Wildlife Rehabilitation Facility permit or a Wildlife Carer permit; or
 - (b) the animal was an injured, sick, orphaned or very young animal that was not dangerous or a biological hazard and was being transported in a sling or similar device worn by a person, or in another manner approved by the Director, that was necessary to enable the proper treatment, feeding or care of the animal.
- (7) The cage, container or package in which a protected animal, or the carcass or egg of a protected animal, is transported must be designed, constructed and maintained so as to—
- (a) withstand the process of transporting the animal, carcass or egg; and
 - (b) in the case of an animal—
 - (i) protect the animal against injury and against other animals likely to injure or kill it; and
 - (ii) prevent the animal from escaping; and
 - (iii) resist unauthorised interference with the animal; and
 - (iv) allow adequate airflow; and
 - (c) in the case of a carcass or egg—
 - (i) protect the carcass or egg against damage or deterioration; and
 - (ii) resist unauthorised interference with the carcass or egg.
- (8) Subject to subregulation (9), the cage, container or package in which a protected animal, or the carcass or egg of a protected animal, is transported must display the following information:
- (a) subject to paragraph (c), if the animal, carcass or egg is transported by the permit holder, or a person authorised by the permit holder (other than a third party carrier):
 - (i) the number of the permit; and
 - (ii) such other information as the Director may require;
 - (b) subject to paragraph (c), if the animal, carcass or egg is transported by a third party carrier:
 - (i) the name and residential or business address of the owner of the animal, carcass or egg; and
 - (ii) if the owner is the permit holder—the number of the permit; and
 - (iii) the common name of the type of animal that is (or whose carcass or egg is) being transported and the number of such animals, carcasses or eggs; and
 - (iv) such other information as the Director may require;
 - (c) if the animal is dangerous, or if the animal, carcass or egg constitutes a biological hazard:
 - (i) the information specified in paragraph (b); and
 - (ii) a statement that the animal, carcass or egg is dangerous or constitutes a biological hazard (as the case requires); and

- (iii) such other information as the Director may require.
- (9) Subregulation (8) does not apply to the transport of a protected animal, or the carcass or egg of a protected animal, if—
- (a) the information required by that subregulation to be displayed on the cage, container or package in which the animal, carcass or egg is transported is—
 - (i) in the case of an emu, or the carcass of a kangaroo or emu, to which regulation 40 applies—set out in an export permit or other transport documentation specified in regulation 40 that is carried by the driver of the vehicle in which the animal or carcass is transported; or
 - (ii) in any other case—set out in an export permit (or copy of an export permit) that is attached to the cage, container or package in the manner referred to in regulation 42; or
 - (b) in the case of the carcass of a kangaroo or emu—a kangaroo sealed tag or an emu tag (as the case requires) is attached to the carcass or has been removed from the carcass in accordance with the Act or regulations under the Act.
- (10) For the purposes of this regulation, a cage, container or package displays information if the information is clearly displayed on the outside of the cage, container or package (whether by means of a securely attached label or otherwise) in a position and manner that allows it to easily be read.
- (11) In this regulation—
- export permit*** means an export permit or a corresponding permit or licence under the law of another State or a Territory of the Commonwealth;
- owner***, in relation to a protected animal taken from the wild pursuant to a section 53 permit, a section 53 and 55 permit or a section 53, 55 and 58 permit (and not now kept under another permit), means the holder of the permit;
- permit holder***, in relation to a protected animal, or the carcass or egg of a protected animal, means a person who holds a permit under the Act relating to the taking, keeping or selling of the animal, carcass or egg, or a corresponding permit or licence under the law of another State or a Territory of the Commonwealth;
- third party carrier***, in relation to a protected animal, or the carcass or egg of a protected animal, means a person who transports the animal, carcass or egg for fee or reward;
- transported*** means transported in the circumstances described in subregulation (1);
- veterinary surgeon*** means a person who is registered as a veterinary surgeon under the *Veterinary Practice Act 2003*.
- (12) For the purposes of this regulation, a reference to the attachment or removal of a kangaroo sealed tag or an emu tag includes a reference to the attachment or removal of a corresponding tag attached or removed in accordance with the laws of another State or a Territory of the Commonwealth.

40—Kangaroos, emus, or their carcasses, not to be imported or exported without transport documentation

- (1) Subject to subregulation (8), this regulation applies to—
- (a) an emu, or the carcass of an emu; or
 - (b) a kangaroo of a prescribed species, or the carcass of such a kangaroo,

that is transported for the purpose of importing or exporting the animal or carcass.

- (2) An animal or carcass to which this regulation applies must not be transported in a vehicle unless transport documentation containing the information set out in subregulation (7) has been provided to the driver of the vehicle.
- (3) If an animal or carcass is transported in a vehicle in contravention of subregulation (2)—
 - (a) the person who was in possession of the animal or carcass as permit holder or owner immediately before it was transported; and
 - (b) the person who arranged for the transport of the animal or carcass (if not the person referred to in paragraph (a)),

are each guilty of an offence.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (4) In proceedings against a person for an offence against subregulation (3), it is a defence to prove that the person could not by the exercise of reasonable diligence have prevented the commission of the offence.
- (5) The driver of a vehicle must not knowingly transport an animal or carcass to which this regulation applies unless the driver carries in the vehicle transport documentation containing the information set out in subregulation (7).

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (6) If an animal or carcass to which this regulation applies is transported in a vehicle—
 - (a) the driver of the vehicle; or
 - (b) a person who has custody or control of the transport documentation referred to in subregulation (2),

must, if requested by the Director or a warden, produce the transport documentation for inspection.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (7) Transport documentation in relation to an animal or carcass to which this regulation applies must set out the following:
 - (a) the name, address and import or export permit number of the person importing or exporting the animal or carcass;
 - (b) the destination to which the animal or carcass is to be delivered and the name and address of the person who will have possession of the animal or carcass after delivery;
 - (c) the species and total number of animals or carcasses (and if there is more than 1 species, the list of species and the total number of animals or carcasses for each species).
- (8) This regulation does not apply to the transport of—
 - (a) an animal or carcass in any ship, boat, vessel or aircraft; or
 - (b) an animal that is transported by the permit holder or owner; or

- (c) an animal, or carcass of an animal, taken pursuant to a section 53 permit, or the carcass of a kangaroo to which a personal use sealed tag is attached; or
 - (d) the carcass of a kangaroo or emu from which a kangaroo sealed tag or emu tag (as the case may be) has been removed in accordance with the Act or regulations under the Act; or
 - (e) the carcass of an emu that died or was slaughtered on the property of a section 60C permit holder and to which an emu tag has been attached in accordance with regulation 43(1)(g).
- (9) In this regulation—

copy, in relation to a permit under the Act or a corresponding permit or licence under the law of another State or a Territory of the Commonwealth, has the same meaning as in regulation 42;

permit holder, in relation to an animal or carcass, means a person who holds a permit under the Act relating to the taking, keeping or selling of the animal or carcass, or a corresponding permit or licence under the law of another State or a Territory of the Commonwealth;

prescribed species, in relation to a kangaroo, means a species of kangaroo in relation to which a section 60J permit may be granted under the Act;

transport documentation, in relation to an animal or carcass, means any documentation directly or indirectly related to the transport or proposed transport of the animal or carcass (or a transaction associated with that transport or proposed transport), whether the documentation is in paper, electronic or any other form, and whether or not the documentation has been transmitted physically, electronically or in any other manner, and includes (for example)—

- (a) a document prepared under or for the purposes of the Act or a corresponding law of another State or a Territory of the Commonwealth (including an import or export permit, or copy of such a permit, prepared under the Act or a corresponding permit or licence or copy prepared under such a corresponding law); or
- (b) an invoice, vendor declaration, delivery order, consignment note, load manifest, bill of lading or contract of carriage document,

relating to the animal or carcass (but does not include a label, permit or other documentation attached to the cage, container or package in which the animal or carcass is transported).

41—Importing protected animals, carcasses or eggs

- (1) Subject to this regulation, a person who imports into the State a protected animal, or the carcass or egg of a protected animal, must not, except with the approval of the Director or a warden, sell, give or otherwise dispose of the animal, carcass or egg—
- (a) in the case of the importation of a protected animal by the holder of a section 58 permit that is a class 2 permit or the importation of an emu or the egg of an emu by the holder of a section 60C permit that is a class 12 permit—for at least 7 days after importation; or
 - (b) in any other case—for at least 6 months after importation.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) Subregulation (1) does not apply to —
- (a) the holder of a section 58 permit that is a class 7 or 8 permit who imports the carcass of a kangaroo pursuant to the permit; or
 - (b) a person who—
 - (i) owns a protected animal, or the carcass or egg of a protected animal, while residing outside the State; and
 - (ii) changes residence to a place within the State; and
 - (iii) imports the animal, carcass or egg into the State when the person relocates to that new place of residence; and
 - (iv) keeps the animal, carcass or egg at that new place of residence.
- (3) In this regulation—
warden does not include a warden who is a police officer.

42—Exporting protected animals, carcasses or eggs

- (1) A person who exports a protected animal, or the carcass or egg of a protected animal, pursuant to an export permit must ensure that the original permit or a copy of the permit is—
- (a) in the case of an emu, or the carcass of a kangaroo or emu, to which regulation 40 applies that is transported in a vehicle—provided to the driver of the vehicle; or
 - (b) in any other case—securely attached to the outside of the cage, container or package containing the animal, carcass or egg in a conspicuous position that allows it to easily be read.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (2) The driver of a vehicle must not knowingly transport for export a protected animal, or the carcass or egg of a protected animal, unless an export permit that authorises the animal, carcass or egg to be exported (or a copy of such a permit) is—
- (a) in the case of an emu, or the carcass of a kangaroo or emu, to which regulation 40 applies—carried in the vehicle by the driver; or
 - (b) in any other case—securely attached to the cage, container or package containing the animal, carcass or egg in accordance with subregulation (1).

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (3) In this regulation—
copy, in relation to a permit, means—
- (a) where the permit was transmitted to the permit holder by means of a fax, email or other electronic communication—a printed copy of the permit produced from the fax, email or other communication; or
 - (b) a photocopy of the original permit or of a document referred to in paragraph (a); or
 - (c) a printed copy of the permit produced in such other manner as may be approved by the Director,

(including, with the approval of the Director, such a copy of the permit (or part of such a copy) containing information added by the permit holder) that is legible and can be read without difficulty;

vehicle does not include any ship, boat, vessel or aircraft.

Division 3—Emu farming under section 60C permit

43—Conditions of emu farming permits

- (1) A section 60C permit that is a class 12 permit is subject to the following conditions in addition to any conditions imposed by the Act or the Minister:
 - (a) that the holder of the permit must not acquire an emu, or the egg of an emu, in the course of carrying on the business of farming emus, from a person who does not hold a class 12 permit;
 - (b) that the holder of the permit must not sell an emu, or the egg of an emu, from premises other than premises approved by the Director;
 - (c) that the holder of the permit must not sell a live emu or live emu egg to a person who does not hold a class 12 permit;
 - (d) that the holder of the permit must comply with the requirements of the emu code of management relating to fencing, gates and emu handling facilities and must maintain fences, gates and handling facilities in accordance with those requirements in a proper state of repair;
 - (e) that the holder of the permit must not send an emu for slaughter to an abattoir or slaughterhouse unless—
 - (i) the abattoir or slaughterhouse has been approved for that purpose by the Director; and
 - (ii) the holder of the permit has been issued with an emu tag in relation to the emu by the Director; and
 - (iii) the holder of the permit has taken all reasonable steps to ensure that the tag is delivered to the person in charge of the abattoir or slaughterhouse when the emu is delivered;
 - (f) that the holder of the permit must not slaughter an emu, or cause an emu to be slaughtered, on the holder's property without the approval of the Director;
 - (g) that the holder of the permit must, if an emu is slaughtered or dies in any other manner on the holder's property, attach an emu tag (issued to the permit holder by the Director) to the skin of the emu in the manner provided by these regulations before the skin leaves the property;
 - (h) that the holder of the permit must comply with regulation 44 insofar as that regulation is applicable to the holder.
- (2) The Director may waive compliance by the holder of the permit with a condition imposed by subregulation (1).
- (3) An application for the approval of additional premises for the purposes of the condition in subregulation (1)(b) must be accompanied by the prescribed fee.

- (4) In this regulation—

class 12 permit, in subregulation (1)(a) and (c), means—

- (a) a section 60C permit that is a class 12 permit; or
- (b) a corresponding permit or licence under the law of another State or a Territory of the Commonwealth;

emu code of management means the code of management for the time being adopted under section 60D of the Act in relation to emu farming.

44—Emu tags

- (1) The Director may issue tags or other devices (*emu tags*) for attachment to the skins of emus in accordance with these regulations.
- (2) A person must not sell or supply an emu tag to another person except in accordance with these regulations or, in the case of a tag attached to an emu skin, when selling or supplying the skin to another person.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (3) The person in charge of an abattoir or slaughterhouse at which an emu is slaughtered must ensure that an emu tag issued by the Director for that purpose is attached to the skin of the emu in the manner provided by these regulations as soon as is practicable after the emu is slaughtered.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (4) A person must not remove, or attempt to remove, an emu tag from the skin of an emu unless—

- (a) the person carries on a business of tanning or dealing in skins pursuant to a section 58 permit that is a class 8 permit and removes, or attempts to remove, the tag in the course of carrying on that business; or
- (b) the person is authorised to do so by the Director.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (5) A person who removes an emu tag from an emu skin must ensure that letters, numbers or other identifying marks on, or forming part of, the tag are preserved.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (6) A person who removes an emu tag from an emu skin pursuant to subregulation (4) must—

- (a) keep the tag for at least 12 months after removal unless the Director authorises its earlier destruction or disposal; and
- (b) produce the tag for inspection by a warden on request.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (7) A person who has possession of an emu tag that has not yet been attached to the skin of an emu or that has been removed from an emu skin and is being kept in accordance with subregulation (6) must—
- (a) keep it in a place that is secure against theft, loss or damage; and
 - (b) if it is stolen, lost or damaged, notify the Director of the identity of the tag as soon as is practicable.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (8) An emu tag must be attached to the skin of an emu in the manner specified by the Director on issue of the tag.
- (9) A person must not alter or damage an emu tag—
- (a) that has not been attached to a skin; or
 - (b) that has been attached to a skin but has not been removed from the skin; or
 - (c) that has been removed from a skin but must be kept in accordance with these regulations.

Maximum penalty: \$1 250.

Expiation fee: \$160.

- (10) A holder of a section 60C permit that is a class 12 permit, or a person acting in the employment or with the authority of the holder of such a permit, who contravenes or fails to comply with a provision of this regulation will not be taken to be guilty of an offence against that provision.

Note—

Under regulation 43 it is a condition of a section 60C permit that the holder of the permit comply with regulation 44. If the permit holder, or a person acting in the employment or with the authority of the holder, fails to comply with regulation 44, then the holder will be in breach of a condition of the permit and the offence in section 70A of the Act will apply.

Part 4—Miscellaneous provisions

45—Permit not to be used by another

A person to whom a permit has been granted under the Act must not allow or permit that permit to be used by any other person.

Maximum penalty: \$1 250.

Expiation fee: \$160.

Schedule 8—Revocation and transitional provisions

Part 1—Preliminary

1—Interpretation

In this Schedule—

the revoked regulations means the *National Parks and Wildlife (Wildlife) Regulations 2016*.

Part 2—Revocation of *National Parks and Wildlife (Wildlife) Regulations 2016*

2—Revocation of regulations

The *National Parks and Wildlife (Wildlife) Regulations 2016* are revoked.

Part 3—Transitional provisions

3—Permits

- (1) A section 53 permit headed as a "Basic Protected Animals Rescue Permit" or "Specialist Protected Animals Rescue Permit"—
 - (a) granted for a period commencing before, and ending after, the commencement of these regulations; and
 - (b) in force immediately before that commencement,will not be taken to be a Protected Animals Rescue Permit for the purposes of these regulations.
- (2) A section 53 and 55 permit entitled "Permit to Trap and Release (Possum)" (or words to the same effect) that permits the holder to trap and relocate possums—
 - (a) granted for a period commencing before, and ending after, the commencement of these regulations; and
 - (b) in force immediately before that commencement; and
 - (c) that is subject to a condition requiring the provision of a separate return with details relating to building type, nature of damage, installation of possum nest boxes, the health of captured animals and other matters,will be taken to be a Wildlife Management (Controller) permit for the purposes of these regulations.
- (3) A section 53 and 55 permit entitled "Permit to Trap and Release (Possum)" (or words to the same effect) that permits the holder to trap and relocate possums—
 - (a) granted for a period commencing before, and ending after, the commencement of these regulations; and
 - (b) in force immediately before that commencement; and
 - (c) that is not subject to a condition requiring a separate return with the details referred to in subclause (2)(c),will not be taken to be a Wildlife Management (Controller) permit or a Trap and Release Protected Animals permit for the purposes of these regulations.
- (4) A section 58 permit that was a class 1 or 3 permit for the purposes of the revoked regulations—
 - (a) granted for a period commencing before, and ending after, the commencement of these regulations; and
 - (b) in force immediately before that commencement,will be taken to be, for the purposes of these regulations—
 - (c) if the use of animals on an ongoing basis in displays or wildlife demonstrations (among other things) at temporary locations within the State was authorised pursuant to the permit immediately before the commencement of these regulations—a section 58 permit that is a class 5 permit; or

- (d) if the use of animals on an ongoing basis in displays or wildlife demonstrations (among other things) at a permanent facility (or at a permanent facility as well as at temporary locations within the State) was authorised pursuant to the permit immediately before the commencement of these regulations—a section 58 permit that is a class 4 permit; or
 - (e) in any other case—
 - (i) if the permit was a class 1 permit—a section 58 permit that is a class 1 permit; or
 - (ii) if the permit was a class 3 permit—a section 58 permit that is a class 3 permit.
- (5) A section 58 permit that was a class 10 or 11 permit, or a section 60C permit that was a class 12 permit, for the purposes of the revoked regulations—
- (a) granted for a period commencing before, and ending after, the commencement of these regulations; and
 - (b) in force immediately before that commencement,
- will be taken to be a section 58 or 60C permit of the same class (as the case requires) for the purposes of these regulations.
- (6) Nothing in this clause will be taken to vary the protected animals, or carcasses or eggs of protected animals, that may be taken, kept or sold pursuant to a permit—
- (a) granted for a period commencing before, and ending after, the commencement of these regulations; and
 - (b) in force immediately before that commencement.

4—Requirements under revoked regulations to provide or keep record books, returns or information, or to make entries etc

- (1) Subject to these regulations, if, under a provision of the revoked regulations for which there is a substantially corresponding provision in these regulations, a person was required to—
- (a) provide a record book (or copy of a record book), or a return or information, to the Director; or
 - (b) make an entry in a record book or return,
- within a specified period, and that period did not end before the commencement of these regulations, and the requirement was not complied with before the commencement of these regulations, then, on the commencement of these regulations, the requirement will instead be taken to be a requirement under the corresponding provision of these regulations to provide the book (or copy), return or information, or make the entry, (in the manner and form required by the revoked regulations) within the portion of the period that remains after the commencement of these regulations.
- (2) If the period referred to in subclause (1) extends beyond the expiry or revocation of the permit to which the requirement relates, this clause applies despite that expiry or revocation.
- (3) Subject to these regulations, if a person was, immediately before the commencement of these regulations, required under regulation 9(5) or (7) of the revoked regulations to keep a record book or copy of a return, then the requirement to which the person was subject will, on the commencement of these regulations, be taken to be a requirement to keep the book or copy of a return in accordance with regulation 10 or 15 of these regulations (as the case requires).

5—Requirements under revoked regulations to keep animals, carcasses or eggs for specified periods

Subject to these regulations, if a person was, immediately before the commencement of these regulations—

- (a) prohibited under regulation 9(13) or (14) of the revoked regulations from selling or giving an animal; or
- (b) prohibited under regulation 16(2) of the revoked regulations from disposing of a protected animal, or the carcass or egg of a protected animal,

for a specified period, and that period did not end before the commencement of these regulations, then, on the commencement of these regulations, the prohibition to which the person was subject will be taken to be a prohibition—

- (c) in the case of a prohibition under regulation 9(13) or (14)—under regulation 34(1) or 33(5) of these regulations (as the case requires); or
- (d) in the case of a prohibition under regulation 16(2)—under regulation 41 of these regulations,

against selling, giving or disposing of the protected animal, carcass or egg (as the case may be) for the portion of the period that remains after the commencement of these regulations.

6—Applications, requests etc made under revoked regulations

Subject to clause 4, an application or a request, or the provision of a return, report or other information, made or undertaken before the commencement of these regulations pursuant to and in accordance with a provision of the revoked regulations will be taken to have been made or undertaken pursuant to and in accordance with these regulations.

7—Emu tags issued under revoked regulations

Subject to these regulations, a sealed tag issued by the Director under regulation 21 of the revoked regulations, will, on the commencement of these regulations, be taken to be an emu tag issued by the Director under regulation 44 of these regulations, provided that if—

- (a) the tag was attached to and then removed from the skin of an emu prior to the commencement of these regulations; and
- (b) the period for which the tag was required under regulation 21(6) of the revoked regulations to be kept after removal did not end before the commencement of these regulations,

then the requirement that the used tag be kept for that period will, on the commencement of these regulations, be taken to be a requirement under regulation 44(6) of these regulations that the tag be kept for the portion of that period that remains after the commencement of these regulations.

8—Approvals, authorisations, exemptions etc given or made under revoked regulations

Subject to these regulations, an approval, authorisation, exemption, waiver, certificate, notice or request by the Director or a warden—

- (a) given or made for the purposes of a provision of the revoked regulations; and
- (b) the effect of which has not been exhausted at the time of the commencement of these regulations,

will, if a provision of these regulations substantially corresponds to that provision of the revoked regulations, be taken to have been given or made for the purposes of that corresponding provision (and if given or made for a limited period, will be taken to have been so given or made for the portion of the period that remains after the commencement of these regulations).

Note—

As required by section 10AA(2) of the *Subordinate Legislation Act 1978*, the Minister has certified that, in the Minister's opinion, it is necessary or appropriate that these regulations come into operation as set out in these regulations.

RULES OF COURT

MAGISTRATES COURT OF SOUTH AUSTRALIA

Amendment 72 to the Magistrates Court Rules 1992

PURSUANT to section 49 of the *Magistrates Court Act 1991* and all other enabling powers, we, the undersigned, do hereby make the following amendments to the *Magistrates Court Rules 1992* as amended.

1. These Rules may be cited as the ‘Magistrates Court Rules 1992 (Amendment 72)’.
2. The *Magistrates Court Rules 1992* (‘the Rules’) as amended by these amendments apply to and govern all actions commenced in the criminal division of the Court on and after the date on which sections 7, 11 and 12 the *Statutes Amendment (Domestic Violence) Act 2018* commences.
3. Rule 18.05 is deleted and replaced as follows:

An application to the Court for an Intervention Order must be supported by evidence which may consist of an affidavit in Form 45 or oral evidence in person or by video link. An application to the Court for the making, or variation of, an Intervention Order made by a police officer may also be supported by recorded evidence if permitted by the Court at an *ex parte* hearing or another hearing. The Court must record the evidence and where possible keep an audio visual record so that it can be available to the Court in later hearings.
4. Rule 18.08A is amended to insert, after “served with the application for variation or revocation.”, “An application to the Court for the variation of an Intervention Order by a police officer may also be supported by the recorded evidence upon application to the Court.”
5. Rule 18 is amended to insert the following, after rule 18.08A:

18.08AB An application for an interim variation of a final Intervention Order made by a police officer must comply with a Form 31AB. The application must be accompanied by the Form 31AB Annexure. The annexure must not be served on or provided to a defendant subject to the final Intervention Order. The police applicant may appear in person. A police applicant may also be permitted to appear by telephone to make an application. If such an application is made, compliance with Form 31AB must be made within 8 days after the application. An application to the Court for the interim variation of an Intervention Order by a police officer may also be supported by recorded evidence upon application to the Court.
6. Rule 18.08B is amended to delete “and”, before “Form 31AA Annexure”, and replace it with “,”.
7. Rule 18.08B is further amended to insert, after “Form 31AA Annexure”, “and Form 31AB Annexure,”.
8. Rule 18 is amended to insert the following, after rule 18.09:

18.09A An order for interim variation of a final order made by a police officer must comply with Form 46AA.
9. Rule 26 is amended to insert the following, after rule 26.15:

26.16 If a party seeks to rely upon a recorded interview, pursuant to s 13BB of the *Evidence Act 1929*, they must disclose and serve an electronic copy of the transcript on all other parties not less than 7 days before the pre-trial conference.
10. Rule 29B is amended to insert the following, after “under s 13BA of the *Evidence Act 1929*,”

(f) a party seeks admission of evidence in the form of an audio record or audio-visual record made by a police officer under s 13BB of the *Evidence Act 1929*;
11. Rule 29B is further amended to delete “(f)”, before “a party seeks an order for communication”, and replace it with “(g)”.
12. Rule 29B is further amended to delete “(g)”, before, “a close relative”, and replace it with “(h)”.
13. Rule 29B is further amended to delete “(h)”, before, “a party desires to make some other application”, and replace it with “(i)”.
14. Rule 29B is further amended to delete “(i)”, before, “a Magistrate”, and replace it with “(j)”.
15. Form 31AB is inserted.
16. Form 46AA is inserted.

CITY OF HOLDFAST BAY

OPENING & CLOSING OF ROADS

Laneway off Marlborough Street Brighton

In accordance with section 10 of the Roads (Opening & Closing) Act, 1991, NOTICE is hereby given that City of Holdfast Bay proposes to make a Road Process Order to CLOSE a strip of public road off Marlborough Street Brighton generally situate dividing Allotment 64 in Filed Plan 145792 and Allotment 100 in Deposited Plan 115271 from Allotments 98 and 99 in Filed Plan 216569 and Allotment 53 in Deposited Plan 2152 more particularly delineated and lettered 'A' on Preliminary Plan 19/0007.

It is proposed that the portion of road to be closed marked 'A' be transferred to MRS Harmony Brighton Central Pty Ltd and merged with said allotment 100 in Deposited Plan 115271 subject to free and unrestricted rights of way in favour of Allotment 64 in Filed Plan 145792 and Allotments 98 and 99 in Filed Plan 216569.

A preliminary plan of the proposal, and a statement, are available for public inspection at the Holdfast Bay Council office, 24 Jetty Road, Brighton between the hours of 9.00am and 4.45pm, Monday to Friday or at the Adelaide office of the Surveyor-General during normal office hours.

Any person may object to the proposal (and any adjoining landowner or other person substantially affected by the proposed road closure may apply for an easement relative to the closure). Such objection (or application for an easement) must be made in writing to the City of Holdfast Bay WITHIN 28 DAYS OF THE DATE OF THIS NOTICE. If a submission is made, the City of Holdfast Bay is required to give notice of a time and place at which a meeting will be held to consider the matter, so that the person making the submission (or a representative) may attend to support the submission, if desired. Any submission must set out the full name and address of the person making the submission, and must be fully supported by reasons (and any application for the grant of an easement must give full particulars of the nature and location of the easement and, where made by a person as the owner of adjoining or nearby land, specify the land to which the easement is to be annexed). A copy of the submission must be forwarded to the Surveyor – General at Adelaide.
