HIS EXCELLENCY THE HONOURABLE HIEU VAN LE, Companion in the Order of Australia, Governor in and over the State of South Australia:

TO The Honourable Ronald Sackville AO QC

Greeting:

RECOGNISING that people with disability are equal citizens and have the right to the full and equal enjoyment of all human rights and fundamental freedoms, including respect for their inherent dignity and individual autonomy.

AND that people with disability have the same rights as other members of Australian society to live and participate in safe environments free from violence, abuse, neglect and exploitation.

AND all forms of violence against, and abuse, neglect and exploitation of, people with disability are abhorrent.

AND Australia has international obligations to take appropriate legislative, administrative and other measures to promote the human rights of people with disability, including to protect people with disability from all forms of exploitation, violence and abuse under the Convention on the Rights of Persons with Disabilities.

AND to give effect to those obligations and broader responsibilities to all Australians, all Australian Governments provide funding and services for people with disability, and have implemented laws to protect and enhance the wellbeing of people with disability.

AND it is important that violence against, and abuse, neglect and exploitation of, people with disability in all settings and contexts are exposed and examined, including through the sharing of individual experiences.

AND it is important that people with disability are central to processes that inform best practice decision-making on what all Australian Governments and others can do to prevent and respond to violence against, and abuse, neglect and exploitation of, people with disability.

AND all Australian Governments have expressed their support for, and undertaken to cooperate with, your inquiry.

I, the Governor, with the advice and consent of the Executive Council and under the *Royal Commissions Act 1917*, DO HEREBY APPOINT YOU to be a Commissioner and require and authorise you to inquire into:

- (a) what governments, institutions and the community should do to prevent, and better protect, people with disability from experiencing violence, abuse, neglect and exploitation, having regard to the extent of violence, abuse, neglect and exploitation experienced by people with disability in all settings and contexts;

- (b) what governments, institutions and the community should do to achieve best practice to encourage reporting of, and effective investigations of and responses to, violence against, and abuse, neglect and exploitation of, people with disability, including addressing failures in, and impediments to, reporting, investigating and responding to such conduct;
- (c) what should be done to promote a more inclusive society that supports the independence of people with disability and their right to live free from violence, abuse, neglect and exploitation;
- (d) any matter reasonably incidental to a matter referenced to in paragraphs (a) to (c) or that you believe is reasonably relevant to your inquiry.

AND I direct you to make any recommendations arising out of your inquiry that you consider appropriate, including recommendations about any policy, legislative, administrative or structural reforms.

AND, without limiting the scope of your inquiry or the scope of any recommendations arising out of your inquiry that you may consider appropriate, I direct you, for the purposes of your inquiry and recommendations, to have regard to the following matters:

- (e) all forms of violence against, and abuse, neglect and exploitation of, people with disability, whatever the setting or context;
- (f) all aspects of quality and safety of services, including informal supports, provided by governments, institutions and the community to people with disability, including the National Disability Insurance Scheme (NDIS) and the NDIS Quality and Safeguarding Framework agreed by all Australian Governments in 2017;
- (g) the specific experiences of violence against, and abuse, neglect and exploitation of, people with disability are multilayered and influenced by experiences associated with their age, sex, gender, gender identity, sexual orientation, intersex status, ethnic origin or race, including the particular situation of Aboriginal and Torres Strait Islander people and culturally and linguistically diverse people with disability;
- (h) the critical role families, carers, advocates, the workforce and others play in providing care and support to people with disability;
- (i) examples of best practice and innovative models of preventing, reporting, investigating or responding to violence against, and abuse, neglect or exploitation of, people with disability;
- (j) the findings and recommendations of previous relevant reports and inquiries.

AND I further declare that you are not required by this commission to inquire, or to continue to inquire, into a particular matter to the extent that you are satisfied that the matter has been, is being, or will be, sufficiently and appropriately dealt with by the Royal Commission into Aged Care Quality and Safety, another inquiry or investigation, or a criminal or civil proceeding.

AND, without limiting the scope of your inquiry or the scope of any recommendations arising out of your inquiry that you may consider appropriate, I direct you, for the purposes of your inquiry and recommendations, to consider the following matters, and I authorise you, as you consider appropriate, having regard to the date by which you are required to submit your final report, to take (or refrain from taking) any action arising out of your consideration:

- (k) the need to establish accessible and appropriate arrangements for people with disability, and their families, carers and others, to engage with your inquiry and to provide evidence to you, and share information with you, about their experiences;
- (l) the need to focus your inquiry and recommendations on systemic issues, recognising nevertheless that you will be informed by individual experiences and may need to make referrals to appropriate authorities;
- (m) the need to establish mechanisms to facilitate the timely communication of information, or the furnishing of evidence, documents or things, in accordance with any relevant law, including, for the purpose of enabling the timely investigation and prosecution of offences or assisting an inquiry on a related matter by the Royal Commission into Aged Care Quality and Safety;
- (n) the need to ensure that evidence that may be received by you that identifies particular individuals as having been subject to violence, abuse, neglect or exploitation is dealt with in a way that does not prejudice current or future criminal or civil proceedings or other contemporaneous inquiries;
- (o) the need to establish appropriate arrangements in relation to current and previous inquiries, in Australia and elsewhere, for evidence and information to be shared with you in ways consistent with relevant obligations so that the work of those inquiries, including, with any necessary consents, the testimony of witnesses, can be taken into account by you in a way that avoids unnecessary duplication, improves efficiency and avoids unnecessary trauma to witnesses.

AND, pursuant to section 4 of the *Royal Commissions Act 1917*, I appoint you, the Honourable Ronald Sackville AO QC, to be the chairman of the Commission.

AND, pursuant to section 4(2) of the *Royal Commissions Act 1917*, I authorise you to sit independently to conduct parts or aspects of your inquiry that are, by direction of the chairman, to be dealt with independently by individual commissioners.

AND I declare that you are authorised to conduct your inquiry into any matter under this commission in combination with any inquiry into the same matter, or a matter related to that matter, that you are directed or authorised to conduct by any Commission, or under any order or appointment, made by the Governor General or any of the Governors of the States or by the Government of any of the Territories.

AND I declare that in this commission:

AND I:

- (q) require you to make your inquiry as expeditiously as possible; and
- (r) require you to submit to me an interim report that you consider appropriate not later than 30 October 2020; and
- (s) require you to submit to me a report of the results of your inquiry, and your recommendations, not later than 29 April 2022.

Given under my hand and the Public Seal of South Australia, at Adelaide, this 20th day of June 2019.

- (h) the critical role families, carers, advocates, the workforce and others play in providing care and support to people with disability;

SECTION 106

Notice of Assessment of Quantity of Water Taken when Meter Readings are Not Used

I, DAVID SPEIRS, Minister for Environment and Water, hereby declare pursuant to Section 106 (3) of the Natural Resources Management Act 2004 (the Act) that, if meter readings are not used, the quantity of water taken during the 2019-2020 water use year will be determined on the basis and the method set out in Schedule 1.

SCHEDULE 1

Basis

- For the purpose of Section 106(1)(c) of the Act, the quantity of water taken will be assessed:
 - on the basis of crop area;
 - if the Minister is satisfied that crop area is not a reasonable basis to determine the quantity of water taken, on the basis of pump capacity;
 - if the Minister is satisfied that pump capacity is not a reasonable basis to determine the quantity of water taken, on the basis of historical usage;
 - if the Minister is satisfied that historical usage is not a reasonable basis to determine the quantity of water taken, on the basis of usage data; or
 - if the Minister is satisfied that usage data is not a reasonable basis to determine the quantity of water taken, on the basis of the water allocation.
- Where the Minister has granted an exemption from the requirement to install a meter on a water source, the quantity of water taken will be assessed on the basis of the water allocation.

Method

3. The method that will be used in assessing the quantity of water on the basis of crop area will be as follows:

The estimation of water requirements for crops will be based on the methodology in *Crop Evapotranspiration - Guidelines for Computing Crop Water Requirements - Food and Agriculture Organisation of the United Nations Irrigation and Drainage Paper 56* (Allen, Pereira et al, 1998, ISBN No 92-5-104219-5). Local data (including rainfall and evaporation data), will be used in the estimation of the quantity of water taken. Water usage to account for irrigation system efficiency and for specific crop production process will be added where appropriate.

4. The method that will be used in assessing the quantity of water on the basis of pump capacity will be as follows:

Details of the duration of pumping and the normal operating capacity of the pump used to take water will be used to determine the quantity of water taken. The duration of pumping will be multiplied by the normal operating capacity of the pump.

The maximum capacity of the pump will be used if the Minister is satisfied that the normal operating capacity of the pump is not a reasonable basis to determine the quantity of water taken.

5. The method that will be used in assessing the quantity of water on the basis of historical usage will be as follows:

The average of metered usage over the preceding two water use years, providing that the Minister is satisfied that the water was being used during that period for a similar purpose and in a similar manner, and is a reliable estimate of the quantity of water taken.

6. The method that will be used in assessing the quantity of water on the basis of usage data will be as follows:

Details of the usage data (including system operating times and flow rates, and/or the number of transfer tanks or dams filled used to take water) from the infrastructure used.

This notice has effect in relation to the financial year commencing on 1 July 2019.

! Premium calculation – choice

If you would like us to calculate your premium for the 2019-20 financial year based on the actual remuneration you paid your workers in the 2018-19 financial year, **you do not need to provide any further information. Go to SECTION C – DECLARATION to finalise your return.**

Benefits of this option:

- ReturnToWorkSA will not adjust your premium at the end of the financial year – there is no extra bill or refund, providing you with certainty of your insurance costs
- you will still receive the same workplace injury cover
- if you experience a significant decrease in remuneration during the year causing financial hardship to your business you can apply for a premium adjustment during the year.

If you would like us to calculate your premium for the 2019-20 financial year based on the estimated remuneration you expect will be payable to your workers during the 2019-20 financial year, **you must complete both SECTION B – ESTIMATED REMUNERATION and SECTION C – DECLARATION.**

- if you choose this option, ReturnToWorkSA will adjust your premium at the end of the financial year when your actual remuneration is known – you will receive an additional bill or a refund.

SECTION B – Estimated remuneration

! ONLY COMPLETE THIS SECTION IF YOU WOULD LIKE YOUR PREMIUM FOR THE 2019-20 FINANCIAL YEAR CALCULATED USING ESTIMATED REMUNERATION.

Please provide the estimated remuneration that you expect will be payable to your workers during the 2019-20 financial year. If you have more than one location, you must provide a separate return for each location.

- a trainee who was trained under an approved training contract (with a group training organisation) in an occupation which is a declared 'vocation' under section 6 of the *Training and Skills Development Act 2008* (or former Act)

SECTION C – Declaration

I have included all relevant items of remuneration such as wages (including the wages of working directors), superannuation payments, salary sacrifice amounts, non-cash components of remuneration and payments to subcontractors as deemed workers. I hereby declare that:

- the information in this return is true and complete in every respect; and
- all workers have been paid the correct wages and entitlements in accordance with law.

I have documents which verify that such payments were made, as well as documents to support the employment of apprentices or trainees with a group training organisation and remuneration paid to them.

I understand that ReturnToWorkSA relies upon this return to calculate premiums under the *Return to Work Act 2014* (the Act) and I may be liable for a fine of \$50,000 or imprisonment for 2 years for dishonestly giving a return under the Act knowing the return to be false or misleading.

For assistance please refer to the Remuneration guide on the ReturnToWorkSA website www.rtwsa.com.
