UNDERTAKING FOR THE PURPOSES OF SECTION 46(2)(B)

To: BHP Billiton Olympic Dam Corporation Pty Ltd

By a notice published in the *Gazette* on 14 February 2019 pursuant to section 46(1) of the *Development Act 1993* (as varied by a notice published in the *Gazette* on or about the date of this Undertaking pursuant to section 46(4) of the *Development Act 1993*), I have declared that section 46 of the *Development Act 1993* applies to development on land other than land identified in clause 28 of the Olympic Dam and Stuart Shelf Indenture ("the Indenture") for the purposes of the production of up to 350,000 tonnes per annum of copper and associated products at Olympic Dam ("the major development declaration").

I note that, without limiting the scope of development which might be the subject of this undertaking, the following works and activities associated with Olympic Dam's ongoing operations and repair and maintenance are currently proposed to be commenced before the date of publication in the *Gazette* of a notice of a decision on the development application made pursuant to s48(2)(b) of the *Development Act 1993* on the major development declaration ("the Decision Date"):

- i. upgrades to the Olympic Dam airport to satisfy current business needs and to meet regulatory requirements set by the Civil Aviation Safety Authority;
- ii. utilising, upgrading and expanding industrial allotments located adjacent to the Olympic Dam Village required to enable ongoing operations;
- iii. utilising, upgrading and expanding the accommodation within the current Olympic Dam and Roxby Downs Village complexes;
- iv. works or activities to utilise, upgrade, replace, amend or expand existing facilities, services, infrastructure and operations associated with Olympic Dam's ongoing operations;

- vi. repairs or maintenance related to any of the preceding purposes.

Pursuant to s46(2)(b) of the *Development Act 1993*, I hereby undertake that Division 2 of Part 4 of the *Development Act 1993* will not apply to development identified in paragraphs (i) to (vi) above (to which the major development declaration would otherwise apply) that is commenced before the Decision Date.

A reference in this Undertaking to the *Development Act 1993* is a reference to that Act as affected by the *Roxby Downs (Indenture Ratification) Act 1982* and the Indenture.

DEVELOPMENT ACT 1993

SECTION 46 (4)

*Variation of Olympic Dam Major Development Declaration**Preamble*

1. Clause 28 (2) of the Olympic Dam and Stuart Shelf Indenture (the Indenture) in the Schedule to the *Roxby Downs (Indenture Ratification) Act 1982* provides that, in relation to the land referred to in Clause 28 (1), references to the 'Minister' in Division 2 of Part 4 of the *Development Act 1993*, are to be taken to be references to the Minister responsible for Energy and Mining (the Indenture Minister). Subsection (1) of section 46 of the *Development Act 1993*, therefore enables the Indenture Minister to apply that section to a specified kind of development or project on the relevant land if the Indenture Minister is of the opinion that a declaration under that section is appropriate or necessary for the proper assessment of a development or a project of major environmental, social or economic importance. On 12 February 2019 the Indenture Minister made a declaration under section 46 (1) in relation to certain development on the relevant land proposed as part of the Olympic Dam Development Strategy (as described in the declaration) (the Clause 28 Declaration). The Clause 28 Declaration was published in the *Gazette* on 14 February 2019 at pp.461-462.
2. Concurrently, on 12 February 2019 the Minister for Planning made a declaration under section 46 (1) and (1a) of the *Development Act 1993* in relation to certain development proposed as part of the Olympic Dam Resource Development Strategy on land other than land identified in clause 28(1) of the Indenture (the Declaration). The Declaration was published in the *Gazette* on 14 February 2019 at p.461.
3. The Indenture Minister has now varied the Clause 28 Declaration to facilitate a single, comprehensive assessment of the Olympic Dam Resource Development Strategy that meets the requirements of both the *Development Act 1993* of the State and the *Environment Protection and Biodiversity Conservation Act 1999* of the Commonwealth, and the Minister for Planning is of the opinion that it is appropriate to vary the Declaration to achieve the same objective.
